## Invoice for 2010 Dues -- Please Pay Promptly

(Due by January 1, 2010)

It's time once again to "re-up" and pay your SAR dues for next year. Dues remain the same as last year. You may pay a \$20.00 shipping fee and receive *The SAR Magazine* at a non-U.S. address.

Your donation to the **Center for Advancing America's Heritage** will help provide a new building to house our library, free up space in the main building to display our collection of Revolutionary War materials and provide better tour experience for regional schools, and convert more of genealogical and historical research material for public use on our new Revolutionary War history site on the Web (see [www.rsar.org](http://www.rsar.org)). We are well along our goal of 6,000,000 \$US for this center. The lot across the street from headquarters has been purchased, the houses there have been cleared, and the site is ready for construction.

**Please fill in and return the following to me with your check or credit card information:**
