GEORGIA SAR LADIES AUXILIARY

Sponsored by Georgia State Society Sons of the American Revolution

The National Ladies Auxiliary Sons of the American Revolution has been of major assistance to the National Society SAR. The group has raised thousands of dollars to help the SAR in carrying out its mission of inspiring patriotism and informing others of the contributions of our revolutionary ancestors.

According to the bylaws of the Auxiliary, membership in the Auxiliary is open to the wives, mothers, daughters, sisters, aunts, nieces and other women relatives of members of the Sons of the American Revolution who are in good standing.

The main fundraising efforts of the National Ladies Auxiliary are directed to the **Center for Advancing America's Heritage**. All gifts enable the National Society Sons of the American Revolution to continue its quest of becoming the foremost repository of Revolutionary War era documents and artifacts. Construction of a new genealogical library will enable the NSSAR to expand upon its already outstanding collection of military and genealogical records, books, manuscripts and other pertinent historical materials. All of these items will be available to scholars and the public for genealogical and historical research.
