Tours Information & Reservations

TWO UNIQUE TOUR EXPERIENCES TO CHOOSE FROM

Military Aviation Tour: From the hotel, you'll travel south to the Military Aviation Museum for a 45-minute tour of the famous "[Warbirds over the Beach](#)," which proudly showcases some of the most interesting fighters, bombers and seaplanes of WWII. Time permitting you'll visit Oceana Master Jet Base for a glimpse of the latest jet aircraft in the US Navy and a pit stop at the "O Club." Your guide, Charlotte Shepard, will accompany you as Norfolk Chapter member Ken Hogendobler, Vietnam Veteran and former F-4 fighter pilot, offers you a rare glimpse of some of the jets which help maintain America as a world power.

Historic Homes Tour: From the hotel, you'll travel to both of Tidewater's only Revolution-Era homes. Beginning with a tour of the [Adam Thoroughgood House](#) (ca. 1719), a National Historic Landmark, where you will witness (and can participate in) a rare, live Pirate re-enactment, you'll then be off to the [Lynnhaven House](#) (ca. 1725) and the Colonial Education Center, where you'll enjoy a brief tour, followed by a delightful, Classic Country Tea. Norfolk Head Librarian Robert B. Hitchings, President of the Norfolk Chapter, will accompany you on your journey back in time to 18th Century Princess Anne County.

Weather- and time- permitting, both tours will stop at Cape Henry's "[DeGrasse Monument](#)" where attendees may view the "[Battle of the Capes](#)" Observation Deck and visit the Lighthouse Gift Shop or walk on the beach at Fort Story Officer's Club, prior to returning to the hotel.

(Proper photo ID and advance registrations are required to enter both military bases.)
