Commander's Report

Compatriots,

As my time as Commander draws to a close, I find myself reflecting on what has been an exciting & rewarding and meaningful year. It has been an honor to serve alongside such dedicated and passionate members of the Color Guard.

I am especially looking forward to several upcoming events this

spring. The Battle of Bound Brook in April, followed by the Battles of Connecticut Farms and Springfield in June, are always significant commemorations of our shared history. This year, we will also have the distinct honor of welcoming the President General, who will be joining us to lay a marker at his ancestor's grave—a truly special occasion.

Beyond these events, I eagerly anticipate celebrating the Fourth of July in Philadelphia. I hope many Color Guard members will be able to join us for what promises to be a memorable and meaningful time together.

As we approach Congress, I also look forward to formally turning over command to Ken Goodson. Ken has contributed tremendously throughout this year, and along with the rest of our outstanding staff, has helped make my tenure both successful and enjoyable. This has truly been a team effort, and I am deeply grateful to the men who have supported me every step of the way.

I look forward to seeing many of you at these upcoming events or at Congress.

Stay well and be well,

Robert Meyer
Commander, National Color Guard

Spring Color Guard Checkout and Cleaning

The weather is settling down I hope and spring is here. The Color Guard has several great 250th Anniversary events coming up in 2026.

Time to check out the uniforms and equipment, like a shakedown to check them out. I have a problem as I get older with my uniforms shrinking in storage. Comes with old age, I guess.

Likewise, on the equipment, rust just gathers on my musket and bayonet. Give your firelock thorough check. I've seen safety checks where a re-enactor found a patch he'd left in the musket barrel from a fall event.

The Virginia Society Color Guard conducted two color guard workshops/musters in March. There were 25 color guardsmen certified to fire black powder and some new members rehearsed in drill and handling of flags. Time to work that muscle memory by practicing drill to maintain that SAR Color Guard excellence for our events. I'm attaching a copy of an After-Action Report (AAR) made by our Virginia Society Northern Region Commander Allan Phillips. (click image below to view the form)

This is not the AAR the Historic Sites and Celebrations has for National Events, but this is for Chapter and State events. It helps keep track of what color guardsmen participated in events. This is a beneficial tool for tracking status for Color Guard awards/medals, Americanism points and gives a great tool for the State Color Guard Commander to gauge the participation level of his Color Guardsmen. You may have something else in place, but this has been well received in Virginia.

Very Respectfully,

Brett Osborn

Music in the American Revolution:

The Girl I left Behind Me

Scott G. Giltner, Ph.D.

Many of the songs from the 18th century are shrouded within contradictory folklore regarding the song's origins and composers. The "Girl I Left Behind Me" is no exception. Some sources state the tune was popular as far back as Queen Elizabeth's (Elizabeth I) reign. Another story is that the tune originated in 1758 when Admirals Hawke and Rodney were watching the French fleet off the coast at Brighton.

Additionally Theodore Ralph wrote that the tune was known in America as early as 1650 and indicated it was a traditional fife tune, imported from England as *Brighten Camp*. Still others claim it is an old Irish tune, not English. Even the first extant printing of the song is in dispute, although most historians and musicologists at least agree that the most likely date of printing is in the 1790s. Despite the disagreement on the date of printing, almost all agree that the song is much older than the 1790s printing and predates the American Revolution. William Chappell referenced a manuscript of the song in the possession of Edward Rimbault who himself claimed the manuscript dates from the 1770s. Lastly, the song is known by several different names The Girl I Left Behind Me, Girl I Left Behind, Brighton Camp, and Brighton Boys, but again various musicologists will state these names belong to significantly different tunes.

William Chappell dated the song as originating in 1758 based on the fifth line of the second stanza which states "*But now I'm bound to Brighton camp*". During the period of 1758-1759 a series of military encampments were established along the coast of England around Brighton. The camps were built in anticipation of a French invasion during the Seven Year War (aka French and Indian War). This would coincide with the time and place in which Admirals Hawke and Rodney were at Brighton.

Regardless of its origin, the tune became popular during the American Revolution. During this period the lyrics underwent several modifications to fit various situations and contexts as did numerous other songs of the period. One factor adding to its popularity is that the tune can be played with a variety of instruments and is easily adapted to various musical styles and interpretations.

The lyrics of The Girl I Left Behind Me during the American Revolution tell the story of a man who leaves his beloved behind as he sets off on a journey, possibly related to military service. The song is often associated with soldiers and sailors, who would sing it as they left their homes and loved ones to go to war or to embark on a voyage. However, the song's themes of love, loss, and longing provide a sentimental connection for anyone who has had to leave a beloved one.

The tune has a lively and upbeat melody, appropriate for a marching song. Although the song is typically played in a quick upbeat manner, it can also be played at a slower tempo. When played slowly, the mood of the song changes from an uplifting march to somber, almost mournful. This variation in mood is one aspect of The Girl I Left Behind Me which makes it unique for its period.

Over the years, The Girl I Left Behind Me has been recorded and performed by numerous artists, including country singers, folk musicians, and even rock bands. Each rendition adds a unique touch to the song, while still keeping its original charm intact. The lyrics provided below are believed to be those most commonly sung during the American Revolution.

The Girl I Left Behind Me

I'm lonesome since I crossed the hill,
And o'er the moorland sedgy
Such heavy thoughts my heart do fill,
Since parting with my Betsy
I seek for one as fair and gay,
But find none to remind me
How sweet the hours I passed away,
With the girl I left behind me.

O ne'er shall I forget the night,
the stars were bright above me
And gently lent their silv'ry light
when first she vowed to love me
But now I'm bound to Brighton camp
kind heaven then pray guide me
And send me safely back again,
to the girl I left behind me

Her golden hair in ringlets fair,
her eyes like diamonds shining
Her slender waist, her heavenly face,
that leaves my heart still pining
Ye gods above oh hear my prayer
to my beauteous fair to find me
And send me safely back again,
to the girl I left behind me

The bee shall honey taste no more,
the dove become a ranger
The falling waters cease to roar,
ere I shall seek to change her
The vows we made to heav'n above
shall ever cheer and bind me
In constancy to her I love,
the girl I left behind me.

The **National Von Steuben Medal** may be awarded for sustained service to the Society as a Color Guardsman at the National or District Levels. This medal may only be earned after five years of service after receiving the Silver Color Guard Medal. Recipients must already have been awarded the Bronze and Silver Color Guard Medals.

The **Silver Color Guard Medal** is for service at the District and National levels. The medal is awarded for at least three years of service at the applicable level. The three years may be broken, not continuous. Award of each medal may be for retroactive service, so that any living compatriot may receive it, even if he cannot march anymore. An SAR Color Guardsman must have the Bronze Color Guard Medal before he can be awarded the Silver Color Guard Medal.

Many women who are the wives, daughters, sisters, girlfriends, and other female relatives and companions of SAR Color Guardsmen routinely and with great dedication support their SAR Color Guardsman and the SAR Color Guard. The **Molly Pitcher Medal** may be awarded to women who have supported the SAR Color Guard at the State, District and National Levels.

Alabama

The ALSSAR Color Guard presented the colors for an America 250 event at Montview Elementary School in Huntsville and displayed a large Betsy Ross flag sewn by Color Guardsman Cade McCool (second man from left). The students were presented with a book "The Flag We Love".

The Alabama Society's Color Guard also had an early-season training session in the events barn at American Village in Montevallo in February. New and old members joined to learn and refresh. We also conducted black powder safety training. Dodging the rafter beams was good practice for the color guard entering through doorways.

The ALSSAR Color Guard also presented the colors for the ALDAR Convention in Auburn and several members of the Color Guard were presented certificates in appreciation of their support to many DAR activities last year. The large Betsy Ross flag became a favorite backdrop for many attendees' photos, frequently with a Color Guardsman.

As a conclusion to this quarter's activities, the ALSSAR Color Guard presented the colors and, as an Honor Guard, fired three volleys at the grave marking for Compatriot Dallas Jones, father of Past ALSSAR President David Jones, in Danville on March 28th. A large number of family and members of SAR and DAR were in attendance. Compatriot Jones died in December. Here is a volley from the Honor Guard as viewed from behind the ALSSAR colors.

On Saturday, March 14, 2026 The Arizona State SAR Color Guard proudly presented the Colors during the National Anthem at a sold-out spring training game between the San Francisco Giants and the Arizona Diamondbacks. Executive VP, CASAR, Randy Dhindsa giving Liberty Tree Speech Feb 14, 2026

The ceremony featured speakers from local government, the Sons of the American Revolution, and the SAR Continental Color Guard. The SAR color guard, dressed in Continental Army uniforms, also provided a striking visual tribute during the event.

The Yosemite Chapter of the Sons of the American Revolution, along with co-sponsors, held a Liberty Tree planting ceremony in downtown Hanford, California, on Saturday, February 14, 2026. The event served as an early celebration of the 250th anniversary of the American Revolution and was officially recognized by the America250 Committee.

The program honored the historic Liberty Tree as a symbol of defiance, unity, free speech, and the colonists' resistance to British rule. Organizers framed the dedication as both a commemoration of the nation's founding ideals and a call to continue upholding liberty and justice.

On February 15, multiple CA Color Guards took part in the 42nd Annual Massing of the Colors. Hosted by the Sons of Liberty Chapter at Forest Lawn in Hollywood Hills, the annual celebration of George Washington's birthday included a 3 Round Volley from the Color Guard.

At the Annual CA DAR Celebration Dinner, members of the CA SAR Color Guard presented colors to open the event. L/R: Kevin Forrest; Kevin Knapp; Brandon Villardi Bruce Wearda; John Szychulda; Norman Kelsey; Martin Juarez

This event includes living history reenactors, shops, camps and battles. Members of the Southern California SAR color guard participate to further the SAR goal of educating the public on the founding of the country.

On Saturday March 21st, CASSAR Color Guard members took part in the 66th Annual Swallows Day Parade in San Juan Capistrano. The annual parade celebrates the return of the Swallows to the Mission in San Juan Capistrano. In addition to celebrating

the 250th anniversary of the United States, this is also the 250th anniversary of the founding of the Mission at San Juan Capistrano, and the SAR, along with the CSSDAR had the honor of being the Finale to the Parade. In recognition of the 5 Spanish Patriots buried at the Mission, the Color Guard included the Cross of Burgundy in the colors.

Delaware

The Delaware Society held its annual Ratification Day, commemorating Delaware being the first state to ratify the US Constitution. We were honored to have PG Michael Elston there, who took the time to award three Youth Color Guard Medals to Owen McKinnley, Troy McKinney, and James Guo.

Florida

On January 19th, Guardsmen Craig FitzGerald and Lee Norris represented the SAR at the Crawfordville, FL Arbor Day celebration with an SAR informational table. They were joined by Kelly Rentz of the DAR, and Compatriot Shawn Cloud. Their uniforms and flags drew interest from attendees, resulting in several new member leads and invitations to

the upcoming Washington Birthday Luncheon. The group also raised \$5 in donations through the sale of pocket editions of the Declaration of Independence and the Constitution. A highlight of the day was meeting a grandson of Patriot Ansel Ferrell, the only known Revolutionary War veteran buried in Leon County, whose grave was marked in 2017. Plans are underway to return to the Ferrell family cemetery for a wreath-laying ceremony as part of the 250th anniversary observances. The event proved a successful outreach effort in raising community awareness of SAR's mission and local Patriot heritage.

Indiana

Members of the John Martin Chapter, Indiana SAR received a Proclamation from Compatriot State Representative Tim Yocum on Jan. 29, 2026

Kentucky

The 250th Anniversary of the Declaration of Independence has created a significant increase in the number of color guard requests for 2026. In preparation for all these events, the Gov. Isaac Shelby Chapter of the Kentucky Society hosted a color guard training session on 28 February in Middletown, KY. This training has been conducted annually, beginning in 2015 and is open to all members of the SAR. The Kentucky

Society chapters who participated in the training were the Gov. Isaac Shelby, Col. Benjamin Logan, George Mason, Big Sandy, Lafayette, Col. Daniel Boone, Louisville-Thruston, and Simon Kenton. The training was conducted in two sessions. The morning session was for musket/rifle training. This session began with a review of the flintlock safety guidelines and procedures. The new insurance policy provided by the National Society was also reviewed. The remainder of the session focused on the flintlock drills. Also included in the training was

the loading and firing sequence for a gun salute. As this was an indoor training session, no black powder was used or allowed onsite.

The afternoon session covered how to carry and post a flag, commands given to the color guard, dispositions of the color guard during a ceremony, giving of honors, saluting, wreath presentations, and flag folding. Particular attention was given to maneuvers in accordance with the 1764 Manual of Arms. A drummer was added to the afternoon session to provide music for marching. After the regular color guard training concluded, a fife and drum practice session was held to prepare the musicians for the upcoming year.

Everything learned in these training sessions will be applied numerous times in the coming months as the various chapters of the Kentucky Society have a full schedule of events in 2026.

The Shelbyville (KY) Chamber of Commerce hosted a showcase of local businesses on 14 March 2026. The Gov. Isaac Shelby Chapter was recruited to present the colors for the opening ceremony of the showcase.

Participating in the Gov. Isaac Shelby Chapter color guard were six flag bearers, one drummer and one fifer.

The Enlistment Ceremony was created to formally recognize the mutual commitment of time and resources shared between a Compatriot and the

New Hampshire Society of the Sons of the American Revolution (NHSAR) when a member chooses to join the ranks of our Color Guard. Because spouses play a vital and supportive role in this commitment, they take part in the ceremony by holding *Baron von Steuben's Drill Manual*—a symbol of the training and discipline expected of every Guardsman. During the ceremony, each enlistee places their hand on the manual while reciting their oath, underscoring their dedication to the traditions and standards of the Color Guard. Each new Guardsman is then presented with an Enlistment Certificate and the SAR, two-flag lapel pin, to represent the colors they have sworn to protect.

During the enlistment, their spouses, Febie Salts and Kayla Sigmon proudly participated in this tradition, symbolizing the partnership and shared dedication behind every Color Guard member's service.

The commemoration began at St. Augustine's Chapel and Cemetery, where reenacting units assembled before firing ceremonial musket volleys and forming a formal procession through the historic streets of South Boston. The NHSAR Color Guard then joined the cold and windy march to Dorchester Heights, where additional ceremonies were conducted near the recently restored Dorchester Heights Monument, providing powerful visual reminders of the events that forced the British evacuation of Boston Harbor.
