TO: Attendees of the Fall Leadership Conference/Trustees Meeting

FROM: Phil Bloyd, Executive Director

On behalf of the National Society of the Sons of the American Revolution, I want to welcome you to Louisville, Kentucky. The committee meetings on Thursday and Friday will focus on the activities that support our mission. On Saturday, the National Trustees will listen to exciting announcements and discuss the business of the Society. This is a time of renewing friendships and making new ones. It is also a time to consider how each of us should be promoting the legacy of our patriot ancestors and the teachings of our early American heritage.

The Semi-Annual Reports Booklet may be found online on ShareFile. An Attendees List will be added to ShareFile after Leadership.

If you happen to be a first-time attendee, I invite you to participate in the Meet & Greet in the 3rd Floor Conservatory (the crossover between towers) on Friday, October 2, 2026, 7:00am-8:30am. There is also an orientation and tour at the Library at Headquarters on Friday, October 2. You should plan to meet outside the Genealogical Research Library no later than 1:20 PM. The SAR Genealogical Research Library is located at 809 West Main Street. If you drive from the hotel to the Library, there are several parking options available. You must enter the facility from Main Street. Uber and Lyft are also available, or, depending on your comfort level, it's about a 10-15 minute walk from the Galt House to Headquarters. Tom Ashby, Co-Chairman of the Hospitality & Music Committee, is your host and will meet you there.

OF THE AMERICAN REVOLUTION
(NSSAR)**

CONFLICT OF INTEREST/CODE OF ORGANIZATIONAL CONDUCT

SECTION 1. PURPOSE:

The National Society of the Sons of the American Revolution (known hereafter as NSSAR) is a not for profit, tax-exempt organization. Maintenance of its tax-exempt status is important for both continued financial stability, public and member support. Therefore, the Internal Revenue Service, as well as other regulatory agencies, tax officials and other stakeholders view the policy and operations of the SAR as a public trust, which is subject to scrutiny by and accountable to such authorities as well as its constituents.

Consequently, there does exist between the NSSAR and its officers, trustees, committee chairmen, senior staff and the general public a fiduciary duty that carries with it a broad and clear duty to fidelity and loyalty. The officers, trustees and senior staff have the responsibility to administer the affairs in an honest and prudent manner, exercising the best skill, abilities and judgment for the sole benefit of the NSSAR. Those persons who serve in leadership capacities shall exercise good faith in all matters and transactions, and shall refrain from practices that allow personal gain or benefit due to knowledge or influence. The interest of the SAR shall be the priority in all decision and actions.

SECTION 2. PERSONS CONCERNED:

This code and statement is intended for all general officers, trustees, committee chairmen, senior staff and others as so determined by the trustees of the NSSAR. All persons who may influence decisions of the NSSAR may be added at any time.

SECTION 3. AREAS OF POTENTIAL CONFLICT:

Conflicts may arise in relations to officers, trustees, and senior staff with any of the following third parties:

1. Persons and firms supplying goods and services to the NSSAR.
2. Persons and firms from whom the NSSAR leases property or equipment.
3. Persons and firms with whom the NSSAR is maintaining or plans to maintain a business relationship that involves the sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting the NSSAR.
6. Agencies, organizations, and associations that affect the operations of the NSSAR.
7. Family members, close associates and other employees.

SECTION 4. NATURE OF CONFLICT OF INTEREST:

A conflicting interest may be defined as an interest, direct or indirect, with any person or firms mentioned in Section 3. Such interest may arise from the following activities:

1. Owning stock or holding debt or other proprietary interest in a third party dealing with NSSAR.
2. Holding office, serving on the board, participation in management, or being otherwise employed or previously employed with any third party who conducts business or intends to conduct business with the NSSAR.

3. Receiving remuneration for services with respect to individual transactions involving the NSSAR.
4. Using the time, personnel, equipment, good will or other resources of the NSSAR for activities other than approved activities, programs, and functions.
5. Receiving personal gifts, professional opportunities or loans from third-party vendors conducting business or intending to conduct business with the NSSAR. Receipt of any gift of cash is prohibited. Gifts with a value of less than \$25 (twenty-five dollars) may be accepted only if the acceptance avoids a discourtesy.

SECTION 5. INTERPRETATION OF POLICY:

The areas of conflicting interest listed in Sections 3 and 4 are examples of potential conflicts and may be expanded as situations dictate. All persons who serve in leadership and critical areas of the NSSAR shall use best judgment to determine any possible conflicts. The Chancellor General of the SAR shall be consulted on any question of this policy.

Persons in leadership positions of the NSSAR shall disclose any potential conflict before transactions are consummated. The leadership shall scrutinize all transactions and disclose any activities that are, or have the appearance of, a conflict to the trustees immediately upon knowledge of such activities.

This policy, once enacted, shall be mandatory for all affected members. Any change of the policy will require a two-thirds affirmative vote of the Executive Committee and a two-thirds affirmative vote of the Trustees of the NSSAR. Such vote will occur at a called meeting of the Executive Committee and Trustees.

SECTION 6. DISCLOSURE POLICY AND PROCEDURE:

Transactions with parties with whom a conflicting interest exists may only be undertaken when all four (4) stipulations are met:

- The conflict of interest is fully disclosed.
- The person with the conflict refrains from discussion and approval of such transaction.
- A competitive bid or comparable valuation exists.
- The leadership, executive committee, board of trustees, or duly constituted committee determines that the transaction serves the best interest of the NSSAR.

Disclosure shall be made to the President General (Executive Director/Chief Operating Officer if the President General is the person in conflict) and the Chancellor General, who shall bring the matter to the Board of Trustees for discussion and resolution. Disclosures that involve Executive Committee members shall be made to the President General and Chancellor General.

The duly constituted committee shall determine whether a conflict exists. Further, the constituted body shall determine in a fair, just, and reasonable manner if the approval of such transaction with the disclosed conflict best serves the interest and mission of the NSSAR.

A NSSAR Conflict of Interest Statement must be signed each year by all officers, trustees, committee chairmen, senior staff, and others as so determined by the trustees of the NSSAR.
