The Liberty Award

The mission of the Sons of The American Revolution includes

- Remembering Our Past by honoring those who served or assisted the colonies during the Revolutionary War.
- Promoting Core Values by protecting our Constitution and perpetuating American ideals and traditions.
- Shaping Young Minds by educating our youth about the Constitution and those who developed the American ideals and traditions.

To fulfill that mission the Battle Born Patriots Chapter sponsors the Liberty Award. The Liberty Award is a cash prize that is awarded to a high school junior or senior from high schools within the Nevada State counties of Washoe, Carson City, Storey and Douglas.

The cash prize this year is a \$1500 award given to author of an essay who have best answered the essay question provided by the Battle Born Patriots Liberty Award Committee. This year the question is:

What responsibilities do citizens have in protecting the freedoms described in the Declaration of Independence?

We will honor the winner at the Liberty Award Banquet on Saturday, November 21, 2026. All members of the Battle Born Chapter are urged to attend as we honor two outstanding high school students and fulfill our important mission.
