PREFACE

The *NSSAR Handbook* contains the governing documents and official policies, procedures and protocol of the National Society of the Sons of the American Revolution. It provides official guidance to all Compatriots at the National, State Society and Chapter levels on the operations, programs and activities of the Sons of the American Revolution. Compatriots should regularly review the *NSSAR Handbook*.

The development and publication of the *NSSAR Handbook* is the responsibility of the Handbook Committee, whose members are appointed by the President General pursuant to Bylaw No. 19, Section 1(f). The Handbook Committee is currently composed of the following individuals.

EDWARD P. RIGEL, JR., *Chair* Georgia Society..... *Term Expires 2025*
SAMUEL P. MASSEY Texas Society..... *Term Expires 2027*
KENNETH W. LAWRENCE Missouri Society..... *Term Expires 2026*

The table of contents for each volume of the *Handbook* details the contents of that volume. The *Handbook* consists of eight volumes, titled as follows: VOLUME I: *Governing Documents*; VOLUME II: *Organization*; VOLUME III: *Membership, Compliance & Other Policies*; VOLUME IV: *Insignia, Protocol, Ceremonies & Rituals*; VOLUME V: *Individual Medals & Awards*; VOLUME VI: *Youth Programs, State Society & Chapter Awards*; VOLUME VII: *Summary History of the SAR*; and VOLUME VIII: *Historical Roster of SAR General Officers*.

The *NSSAR Handbook*'s content is established by the: (1) Annual Congress, (2) Board of Trustees, (3) Executive Committee, (4) National Headquarters staff and (5) Standing, Special Advisory and Program Committees. Revisions to the *NSSAR Handbook* may be made as follows:

- The *NSSAR Charter* may be modified only by the United States Congress;
- The *NSSAR Constitution & Bylaws* may be modified only as provided in those documents;
- An Annual Congress, the Board of Trustees, or the Executive Committee may implement, amend or abolish a policy by voting on such changes and submitting the policy to the Handbook Committee for inclusion in the next edition of the *NSSAR Handbook*.
- Program Committees retain responsibility for developing, implementing, amending or abolishing policies within their purview. Any such updates should be provided to the Handbook Committee for inclusion in the next edition of the *NSSAR Handbook*. These changes must be approved by the Executive Committee prior to publication.
- Changes to existing SAR medals or awards are generally processed and approved by the responsible Program Committee; *provided* that major changes to design or criteria must be approved by the Medals & Awards Committee.
- New National Society or State Society medals or awards must be processed according to the Medals & Awards Committee's procedures.

Questions on *Handbook* interpretation or application should be directed to the Handbook Committee Chair or the responsible Program Committee Chair.

Each volume of the *NSSAR Handbook* is reviewed annually, typically after the Annual Congress, to ensure the content found in that volume reflects current SAR practices. The Executive Committee annually approves publication of the *NSSAR Handbook* at the Fall Leadership Meeting. Volumes may be updated several times throughout the year to reflect changes provided following the Fall and Spring Leadership meetings. The *NSSAR Handbook* and its periodic revisions are maintained in electronic format only, available at: http://www.sar.org/SAR_Handbook. Paper copies may be purchased from

SAR Merchandise, although such copies are not regularly updated. The electronic version of the *NSSAR Handbook*, as published on the above website, supersedes all prior electronic and paper versions. Each volume of the *NSSAR Handbook* identifies its effective date. Compatriots are encouraged to download the latest editions of the *NSSAR Handbook*. The last five years of the revision history for this volume, if available, is provided below.

The *NSSAR Handbook* reflects hundreds of hours of work and could not have been realized without the valuable assistance of the general officers, committees and Compatriots of the NSSAR. The Handbook Committee greatly appreciates the assistance provided.

MEDALS AND AWARDS

Authority

For the purposes of this Handbook, SAR medals and insignia include medals, badges, emblems, ribbons, rosettes, sashes, pins and stars. SAR awards include all certificates, plaques, cups and flag streamers.

The awarding of medals and awards should always be given very careful and serious deliberation to determine that the proposed recipient is qualified, deserving, and the occasion for presentation is appropriate. The presentation of medals and awards should not be treated lightly by the National Society, district, state society or a chapter, and should always be given judicious thought to assure that the presentation is in keeping with NSSAR principles. It is essential that the integrity of NSSAR medals and awards be maintained.

The recipient should be made aware that the medal or award is being presented by the approving authority on behalf of the National Society of the Sons of the American Revolution.

They also should realize that they have been honored by the National Society and should wear their medals with pride and in the correct manner. Medals and awards presentations are discussed further in this volume.

The National Society retains the authority present all of the awards and medals listed in this volume except for those medals or awards specifically reserved to a State Society or Chapter.

Submission of Nominations for Medals and Awards

Awarding Medals

The Executive Director, unless otherwise stated in the description for the award, must receive any nomination for an award of a medal for presentation at an Annual Congress, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received to the respective Committee Chairman for committee consideration.

Awards for National Officers of Organizations by State Society or Chapter must be approved by the President General. Award requests will be submitted to the Executive Director at least 30 days prior to the ceremony so that the President General can approve of the presentation and so that the proper certificate and engraving can be completed.

Awarding Certificates

Any nomination for a certificate and any supporting data to be used in making an award of a certificate for presentation at an Annual Congress, unless otherwise stated in the description for the certificate or award, must be received by the Executive Director, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received or supporting data received to the respective Committee Chairman for committee consideration.

Ordering and Presenting Medals and Awards

1. All awards and medals are presented in the name of the National Society, SAR; the presentation should be made publicly with appropriate ceremony befitting the dignity and honor of the occasion.
2. Medals and awards should be presented in person to the recipient, except under such extenuating circumstances as illness of the recipient, in which case a representative may accept it. Certain medals require special arrangements at NSSAR level for posthumous or representational acceptance. These cases are outlined under the individual medal descriptions. A medal or award should not be mailed to a recipient.
3. No medal or award should be ordered or presented by a member without approval of his chapter or state society with the exception of the War Service Medal, Military Service Medal, SAR Charter Centennial Medal, gold palm leaves or oak leaf clusters.
4. It is recommended that each state society centralize the purchasing of medals and awards through its secretary or treasurer.
5. When a medal is presented more than once, it is at the discretion of the presenter whether the medal should be presented or just the oak leaf cluster. In either event, the certificate should accompany the presentation.
6. Miniature medals and oak leaf clusters may be purchased and presented with full size medals at the discretion of the presenter.
7. All medals and insignia are available from SAR Headquarters. Current prices are published on the SAR Merchandise section of the NSSAR website. Full payment is required at the time of ordering.
8. The cost of medals and awards, as well as the cost of engraving or engraving, must be borne by the organization (national, state or chapter) making the presentation.

Care of Insignia and Medals

Members should be aware that the bylaws of a corporation form the rules of a corporation. Under the bylaws, members agree that the SAR Badge “will be worn or used in accordance with the regulations of the Society.” They further agree on behalf of themselves, their heirs, executors, administrators, and all persons asserting any claims through them, to give the SAR a right of first purchase of their SAR Badge or other regalia. Members should therefore be aware that by becoming SAR members they have given the SAR legal authority to prevent improper transfers of SAR insignia.

Members are requested to guard against insignia being available in resale shops, antique shops, and so forth. Every effort should be made to redeem them to the Society.

Additional Awards of the Same Medal (Oak Leaf Clusters)

A member may be awarded several National Society medals more than once: *Meritorious Service Medal (Gold, Silver w/ Star, Silver, and Bronze)*, *Roger Sherman Medal (Gold, Silver w/ Star, Silver, and Bronze)*, *Henry Knox Achievement Medal (Gold, Silver w/ Star, Silver, and Bronze)*, *Medal for Heroism, Bronze Good Citizenship Medal, Liberty Medal (Gold, Silver, and Bronze)*, *C.A.R.-SAR Medal of Appreciation (Gold, Silver, and Bronze)*, *Samuel Adams Congress Planning*

Medal (Gold, Silver, and Bronze), Service to Veterans Medal, and the Florence Kendall Award. Please refer to the specific medal in the Handbook for the specific criteria, including number and placement of oak leaf clusters, and/or multiple awards permitted for each medal. Multiple awards of state society medals should use the oak leaf cluster system.

The color of the oak leaf cluster and the number of clusters indicates the number of times the wearer has received the medal. A bronze oak leaf cluster is worn for each additional medal up to five. If more than five medals are presented, a silver oak leaf cluster should be worn in lieu of each five bronze oak leaf clusters, and a gold oak leaf cluster in lieu of two silver oak leaf clusters. Oak leaf clusters are available in two sizes and may be worn on either full size or miniature medals. Full size medals should use a 3/16" Oak Leaf Cluster. Miniature medals should use a 13/32" inch Oak Leaf Cluster.

The oak leaf clusters are worn in the middle of the ribbon, horizontally, with the large part of the leaf slightly elevated and pointing to the wearer's left or "sinister" side.

Each additional medal must have been presented based on the same criteria as the first presentation; but each additional presentation must reward separate and distinct acts.

If a member has received additional medals of the same kind, he should make use of the oak leaf cluster system. He should not wear two or more medals of the same kind at the same time.

Requests for New Insignia, Medals and Awards

All new medals, awards and insignia require approval of the Medals and Awards Committee and the Executive Committee. Requests must be submitted over the state society's president's signature or of the national committee chairman's signature and sent to the Executive Director. A form is available to submit proposals for new medals and awards. The same form should be used to propose changes to existing awards. This is available from the Executive Director.

A request for a new medal, award, certificate, or insignia must indicate how the funding necessary to implement the request will be provided. There are no national funds available for funding new medals, awards, insignia, certificates, or a monetary award given with an award or certificate. The requestor will provide source of funding for any costs to maintain and issue an award, medal, certificate, or insignia. A design depicting the proposed award will accompany the request.

All requests must be sent at least thirty days prior to a Leadership Meeting. The Executive Director will forward the request to the appropriate committee chairman for the committee's consideration and approval. Requests should have a committee's approval prior to submission to the Medals and Awards committee for consideration. After approval of all concerned, it should be noted that implementation normally takes eight to twelve months. Correspondence other than that covered above should be sent directly to the Chairman, Medals and Awards Committee.

Funding for any currently authorized medal, award, certificate, or insignia is subject to review by the Medals and Awards committee for possible deletion unless the requestor or its representative provides adequate funding.

Committees may make changes to the criteria for medals and awards within their purview. Changes must be submitted to (1) the Handbook Committee for review and editing and (2) the Executive Committee for approval of the substantive changes. The Executive Committee may refer any changes to the Medals & Awards Committee for review and comment or submit significant changes to the Trustees for decision. Upon approval, the revisions will be included in the Handbook.

State Society Medals & Requirements

All state societies are authorized to issue their own medals for service within their societies upon approval by the National Medals & Awards Committee and the National Executive Committee; Chapters may do the same if approved by the State Society and the National Medals & Awards Committee and the National Executive Committee. Any State Society or Chapter medal that did not comply with this approval procedure ***may not be presented as an official medal of the Sons of the American Revolution***. To avoid confusion as well as inappropriate designs, State Society and chapter medals must meet the following requirements:

1. Be suspended from a chest ribbon;
2. **To avoid conflict with the National Society's Minuteman Award, no State Society or Chapter medal may be worn suspended from a neck ribbon;**
3. Be conferred pursuant to written, precise criteria such as that prescribed for National Society medals, i.e., who may confer it, and for what services it may be conferred;
4. Use the system of oak leaf clusters prescribed for National Society Medals in those cases when a state society medal is presented more than once to the same individual;
5. Be produced in accordance with the NSSAR Medal and Insignia Specification Standard—

Large Medals:

Diameter:	1-1/4 inches (32 millimeters)
(Ladies Medals)	1-1/8 inches (28 millimeters)
Thickness:	3/32 - 2/32 inches (4 millimeters)
Drape:	Length of material before fold: 3-7/8 inches (97 mm)
	Length of drape front (after fold): 1-3/8 inches (35 mm)
	Width of material: 1-7/16 inches (37 mm)

Miniature Medals:

Diameter:	11/16 inches (18 millimeters)
Thickness:	1/16 inches (2 millimeters)
Drape:	Length of material before fold: 3-7/8 inches (97 mm)
	Length of drape front (after fold): 1-3/8 inches (35 mm)
	Width of material: 11/16 inches (17 mm)

The order of precedence for wearing National Society and state society medals (including wearing medals awarded by multiple state societies) appears on the following pages.

To guard against infringement of rights and to ensure proper decorum, any proposed SAR state society medal and criteria for presentation ***must be approved by*** the National Society's Medals and Awards Committee before final adoption by the state society.

Wear of State Society Emblems, Badges & Pins

State-created former state society president or chapter president pins and other state or chapter emblems and badges are not to be worn on the neck ribbon or chest ribbon in lieu of, or in addition to, the National Society's emblems, badges, stars, etc. Only NSSAR approved pins may be worn on the official neck ribbon. All state badges, emblems, pins, etc., must follow the above-described requirements pertaining to design, reason for presentation, etc. ***State Society and Chapter medals are to be worn consistent with the original proposal and may not be changed without the approval of the National Society Medals & Awards Committee and National Executive Committee. Any State Society or Chapter medal grandfathered by the Medals & Awards Committee and National Executive Committee may only be worn at State Society or Chapter functions consistent with the approval provided by the Medals & Awards Committee and National Executive Committee.***

Posthumous Presentation Policy

Deceased members and memorial members may NOT receive SAR Medals, unless posthumous presentation is specifically authorized under the individual medal description. If authorized, a posthumous award shall be made ONLY in cases where all the requirements for the medal being awarded were completed during the life of the deceased or memorial member.

PRECEDENCE

General Comments on Precedence

The position of honor is on the wearer's right and on the top. The general rule of precedence when SAR medals are worn with other medals follows, but an individual should refer to the relevant publication for specific precedence for his military branch, governmental department, or the specific requirements of the individual award. Miniature medals are not worn without their ribbons as the ribbon forms an integral part of the decoration.

1. **Federal Decorations:** Consult the most current relevant publication for medal precedence for proper sequence.
2. **Federal Campaign Medals:** Consult the most current relevant publication for medal precedence for proper sequence.
3. **Foreign Military and Civilian Decorations:** *For foreign campaign decorations*, consult the most current relevant publication for medal precedence for proper sequence. *For foreign civilian decorations*, consult the relevant publication or the specific requirements of the decoration, honor or award. If no relative order of precedence is available, foreign civilian decorations should be ordered from right to left by the date on which they were awarded.

4. **U.S. State Decorations, U.S. State Campaign Medals and U.S. State Organizational and Long Service Medals.**
5. **SAR Insignia and Medals:** Medals awarded for service to SAR or its constituent organizations should be worn in the order of precedence established in the following pages.
6. **Insignia and Medals of Other Hereditary, Patriotic and Veterans Societies:** Insignia are worn in chronological order of precedence according to the year of establishment of such organization. Medals awarded for service to a particular organization (such as the medals described herein) should be placed immediately following the insignia of the respective organization in the order of precedence established by that organization (for SAR Medals, the order of precedence is specified in the following pages).

NATIONAL SOCIETY MEDALS

Minuteman Award

Precedence: 2 (immediately following SAR Badge)

Year Authorized: 1952

Presented By: National Society

Approved By: Minuteman Committee

Summary: The Minuteman Award is the highest award presented to a Compatriot for active and distinguished service rendered to the National Society. Annually at the Spring Leadership Meeting, the Minuteman Committee (appointed by the President General from members holding the award) will select and announce no more than six award recipients for the current year. The President General presents the award during the Minuteman Ceremony at each Annual Congress; it is not presented *in absentia* unless authorized by the President General. At the Minuteman Ceremony, all current and prior recipients of the award attend dressed in white dinner jackets. A previous recipient of the Minuteman Award, chosen by the honoree, escorts the new honoree to the dais.

Description: The award consists of a rectangular medal, struck in sterling silver suspended from a neck ribbon of light blue material. The obverse depicts a Minuteman holding a rifle with a plow in the background along with the Liberty Bell. The reverse is inscribed “*Highest Award of the National Society Sons of the American Revolution. Presented to (Name, Year).*” A certificate accompanies the medal. A miniature version is available.

Criteria: A nominee must have a minimum of five years of active and distinguished service to the National Society. He must have served at least three years in a National elective office (General Officer, Vice President General, Trustee, Alternate Trustee, or SAR Foundation Board); as well as having served as a Committee or Task Force Chairman/Vice Chairman for at least three years. All requirements should be thoroughly reviewed before making the nomination.

Specific Guidelines: Guidelines for Submission of the Nomination Form.

1. Only the national activity of the nominee will be considered. State, Chapter or Community activities are not to be included in the supporting documentation. Service to the Society while being a member of the paid NSSAR staff will not be considered. National service prior to employment and during non-working hours may be considered for qualification for the award.
2. For the office held, elected, or appointed, the year of the election or appointment must be shown. (*i.e.* National Trustee – 2010; not National Trustee – 2010-2011).
3. The Minuteman Committee will consider numerous criteria including, but not limited to, the following service to the National Society:
 - a. Elected service such as General Officer, President of the SAR Foundation, Vice President General, Trustee and Alternate Trustee. [See ¶ 9]
 - b. Member of the Nominating Committee
 - c. Member of Executive Committee or elected members of SAR Foundation Board. [See ¶ 9]

- d. Chairman or Vice Chairman of a National Committee/Taskforce
 - e. Member of a National Committee/Task Force, (list Committee(s)/Task Force)
[See ¶ 9]
 - f. Attendance at National Congresses
 - g. Attendance at National Leadership Meetings – Spring and Fall. [See ¶ 9]
 - h. First line signer of new members. [A list with new member's name, SAR National Number, and the date of admission is required.]
 - i. Organization of new chapter(s) by the nominee. Provide the name(s) of the chapter(s) and the dates of charter(s). Chapter(s) must be active, successful, and viable at time of application.
 - j. Development of new program(s) by the nominee during the five years preceding this nomination. The program(s) must have been approved by the Executive Committee, implemented and in operation at the time of the nomination. [Documentation must be attached.]
 - k. Other significant service to the National Society such as, but not limited to, PG Travel Coordinator. [Documentation required]
 - l. Monetary donations to any of the NSSAR's or SAR Foundation's endowment or operating funds. [Documentation required]
4. For clarity of understanding by the Minuteman Committee, the nomination form and all documentation must be typed or computer-generated using a word processor. For convenience, an electronic version is available for downloading from the SAR website.
 5. Letters of endorsement are not necessary and should not be submitted.
 6. Nominations must be received at the National Headquarters no later than January 1 of the year of consideration.
 7. Nominations are for the current year only and will not be carried forward to subsequent years.
 8. The applicant along with the President or Secretary of the State Society of which the nominee is a member must sign the nomination form.
 9. The Minuteman Committee will not consider membership in more than five committees in any year. Membership on the Executive or Nominating committees is considered an elective office and is exempt from this provision. Furthermore, credit for Executive Committee membership is given only for those voting members appointed by the President General and confirmed by the Trustees. Attendance at two Leadership Meetings within the same calendar year is required to get credit for one year of committee leadership/membership. Elected National Officer credit(s) for Trustee and Alternate Trustee are limited to a maximum of three years for each office.

Subsequent Presentation NOT Authorized: A Compatriot may receive this medal only once. Oak leaf clusters or other ribbon attachments are not authorized.

Gold Good Citizenship Medal

Precedence: 3

Year Authorized: 1954

Presented By: National Society or State Society. A Chapter may present this medal only if approved by its state society.

Approved By: NSSAR Medals & Awards Committee *and* NSSAR Executive Committee; State Society if request made by Chapter

Summary: The Gold Good Citizenship Medal is awarded for outstanding and unusual patriotic achievement and service of national importance to persons of prominence on a national level in the areas of government (including military service), religion, education, business and other professions, and other fields of endeavor.

Description: The award consists of a circular medal, struck in gold and suspended from a ribbon of the society's colors. The obverse of the medal depicts a minuteman standing in front of a plow with an image of the Liberty Bell and the date "1776" surrounded by the words "THE NATIONAL SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION®" and "GOOD CITIZENSHIP MEDAL." The reverse is inscribed with the phrase "OUR INSPIRATION IS FROM THE PAST, OUR DUTY IS IN THE PRESENT, OUR HOPE IS IN THE FUTURE. AWARDED TO" and includes a space for engraving, all surrounded by laurel leaves. The certificate that accompanies the Gold Good Citizenship Medal should be engrossed and presented at the time of the award, preferably framed. A miniature version of the medal is also available.

Approval Requirements: The National Society's Medals and Awards Committee and Executive Committee must approve the Gold Good Citizenship Medal. Nominations for the award can be made by the National Society, a state society, or by a chapter (only if approved by its state society). All nominations should be submitted on the standard Gold Good Citizenship application form. The conferring authority should carefully read the form and follow the instructions relative to the type of supporting documentation needed. The application packet should be submitted to the Executive Director no later than twenty-one (21) calendar days prior to a scheduled meeting of the Medals and Awards Committee and Executive Committee (usually at the NSSAR Leadership Meetings and NSSAR Congress) to allow time for dissemination and review. If the application is not submitted by the deadline, it will be carried over until the next regularly scheduled meeting.

Payment for the medal should accompany the nomination, but this is not required. If payment does not accompany the nomination, the medal will not be shipped until payment is received. Please consult the Executive Director for the current price of the Gold Good Citizenship Medal.

After review by the Medals and Awards Committee and the Executive Committee, the requesting society or chapter will be notified within two weeks as to the decision on the nomination. If approved, the medal will be mailed to the submitter: (i) immediately, if payment accompanied the nomination or (ii) upon receipt of payment. If disapproved, any payment accompanying the nomination will be returned to the submitter. A letter of explanation from the Executive Director will accompany all disapprovals.

Limitations on Presentation: A maximum of two Gold Good Citizenship Medals may be presented by a state society (including chapters within its society) each year. It may only be presented posthumously if the recipient died between the time the award was approved by the Medals and Awards Committee and Executive Committee and the date it was to have been presented. The National Society maintains a record of all past recipients of the Gold Good Citizenship Medal, which should be consulted in advance to avoid an invalid request.

Presentation to President General: A President General may be awarded this medal upon conclusion of his term of service, but the request must be processed as any other. Other SAR members may receive the medal if they meet the requirements established for all applicants.

Subsequent Presentation NOT Authorized: An individual may receive this medal only once. Oak leaf clusters or other ribbon attachments are not authorized.

Additional Notes: Since this is one of the NSSAR's highest awards, plans for presentation should be made sufficiently in advance to allow time for award approval, participation by society leadership, and arrangements for publicity.

National Henry Knox Achievement Medal

Precedence: 8

Year Authorized: 2023

Presented By: National Society

Approved By: President General

Summary: The National Henry Knox Achievement Medal may be awarded by the National Society to a Compatriot or non-SAR member to recognize a specific outstanding contribution, achievement, accomplishment, deed, performance, or effort that advances the mission, governance, programs, or activities of the National Society. This award is not limited by a specific time of service requirement and may be presented to recognize a singular act or multiple acts. The President General may present this medal to individuals providing significant service to the National Society during his term of office; General Officers and National Society Committee Chairman may make nominations to the President General.

Named for Henry Knox (1750-1806), the medal honors Knox’s completion of a seemingly impossible task: successfully completing General Washington’s order to move Fort Ticonderoga’s captured heavy artillery to Boston. Knox moved 58 pieces of artillery—mostly 12-pounder and 18-pounder cannons, but also one 5,000 pound 24-pounder cannon called “Old Sow”—approximately 300 miles away. Weighing over 60 tons, Knox moved this artillery train—including ordinance and powder—by crossing ice-covered Lake George and crossing the Hudson River four times. In forty days, Knox and his men completed this singular achievement and positioned the cannons on Dorchester Heights. British General William Howe commented, “these fellows have done more work in one night than I could make my army do in three months.”

Description: The medal is gold in color and features a portrait of Henry Knox on the obverse. It bears the inscription “Henry Knox Achievement Medal” on the top perimeter and “Sons of the American Revolution®” on the bottom perimeter. The reverse features a cannon and the phrase, “For Exceptional Achievement.” It is suspended from a chest ribbon of Kelly green.

Subsequent Presentation Authorized: A Compatriot or non-SAR member may be recommended for and receive this medal multiple times. A bronze oak leaf cluster may be awarded for an additional, qualifying achievement. Multiple oak leaf cluster recognition shall follow NSSAR policy.

Gold Liberty Medal

Precedence: 15

Year Authorized: 2022

Presented By: National Society

Approved By: Executive Director

Summary: The Gold Liberty Medal is presented for recruiting new members to the SAR. This medal is presented to any Compatriot who signed as a first-line sponsor on the membership application of at least two hundred (200) new members.

Description: The medal is gold in color and commemorates the restoration of the Statue of Liberty by depicting a bust of the Statue of Liberty on the obverse. The reverse has a space for the name and date of the recipient to be engraved. The medal is suspended from a gold ribbon.

New Member Defined: A new member is defined as an individual who was not previously an SAR member, but whose membership application the National Society has approved. For the purposes of this award, the person's name signed as the first-line sponsor should be the person who recruited the new member, and it should not be the name of an officer of a state society or a chapter, or any other person, who did no more than receive the application in the course of his official duties then append his signature as first-line sponsor, and forward the application to the National Society for processing.

Presentation: The National Society tracks a Compatriot's qualifying members on a calendar year basis for presentation at the Annual Congress in the year following when the Compatriot is credited with meeting a milestone. For example, if a Compatriot is credited with his 200th new member on February 2, 2023, he would receive his Liberty Medal at the 2024 Annual Congress. If a recipient is not present at the Annual Congress, the Liberty Medal will be mailed to his State Society following the Annual Congress.

Subsequent Presentation Authorized: A Compatriot will receive a bronze oak leaf cluster for each additional ten (10) new members sponsored by a Liberty Medal holder as a first-line sponsor; a

silver oak leaf cluster will be used in place of five bronze oak leaf clusters and a gold oak leaf cluster will be used in place of five silver oak leaf clusters. The certificate presented with oak leaf clusters will specify the total number of new members sponsored to qualify for the last oak leaf cluster presented. A recipient of the Gold Liberty Medal qualifies for a bronze bar inscribed with “500” after sponsoring a total of five hundred (500) new members. Therefore, the maximum configuration of oak leaf clusters on the Gold Liberty Medal would be 1 Gold OLC and 4 Bronze OLCs before being replaced with the “500” Bar. A recipient of the Gold Liberty Medal qualifies for a bronze bar inscribed with “1,000” after sponsoring a total of one thousand (1,000) new members. Therefore, the maximum configuration of oak leaf clusters on the Gold Liberty Medal would be the “500” Bar, plus 1 Gold OLC, 4 Silver OLCs, and 4 Bronze OLCs before being replaced with the “1,000” Bar. Above 1,000 new members, recipients of the Gold Liberty Medal would follow the oak leaf cluster instructions above, with no limit to the number of oak leaf clusters that may be worn in addition to the “1,000” Bar.

Special Note on Precedence: The Gold, Silver, and Bronze Liberty Medals have the same precedence and only one of these medals may be worn.

District Henry Knox Achievement Medal

Precedence: 27

Year Authorized: 2023

Presented By: District Vice President General

Approved By: District Vice President General

Summary: The District Henry Knox Achievement Medal may be awarded by a District to a Compatriot or non-SAR member to recognize a specific outstanding contribution, achievement, accomplishment, deed, performance, or effort that advances the mission, governance, programs, or activities of that District. This award is not limited by a specific time of service requirement and may be presented to recognize a singular act or multiple acts. The Vice President General may present this medal to individuals providing significant service to the District during his term of office.

Named for Henry Knox (1750-1806), the medal honors Knox’s completion of a seemingly impossible task: successfully completing General Washington’s order to move Fort Ticonderoga’s captured heavy artillery to Boston. Knox moved 58 pieces of artillery—mostly 12-pounder and 18-pounder cannons, but also one 5,000 pound 24-pounder cannon called “Old Sow”—approximately 300 miles away. Weighing over 60 tons, Knox moved this artillery train—including ordinance and powder—by crossing ice-covered Lake George and crossing the Hudson River four times. In forty days, Knox and his men completed this singular achievement and positioned the cannons on Dorchester Heights. British General William Howe commented, “these fellows have done more work in one night than I could make my army do in three months.”

Description: The medal is silver in color and features on the obverse a portrait of Henry Knox. It bears the inscription “Henry Knox Achievement Medal” on the top perimeter and “Sons of the American Revolution®” on the bottom perimeter. The reverse features a cannon and the phrase, “For Exceptional Achievement.” It is suspended from a chest ribbon of Kelly green; a 5/16” silver star is affixed to the center of the ribbon drape. It is available in miniature with a 1/4” silver star and comes with a certificate, which should be engrossed and presented with the medal.

Subsequent Presentation Authorized: A Compatriot or non-SAR member may be recommended for and receive this medal multiple times. A bronze oak leaf cluster may be awarded for an additional, qualifying achievement. Multiple oak leaf cluster recognition shall follow NSSAR policy.

This award is not limited by a specific time of service requirement and may be presented to recognize a singular act or multiple acts.

Named for Henry Knox (1750-1806), the medal honors Knox's completion of a seemingly impossible task: successfully completing General Washington's order to move Fort Ticonderoga's captured heavy artillery to Boston. Knox moved 58 pieces of artillery—mostly 12-pounder and 18-pounder cannons, but also one 5,000 pound 24-pounder cannon called "Old Sow"—approximately 300 miles away. Weighing over 60 tons, Knox moved this artillery train—including ordinance and powder—by crossing ice-covered Lake George and crossing the Hudson River four times. In forty days, Knox and his men completed this singular achievement and positioned the cannons on Dorchester Heights. British General William Howe commented, "these fellows have done more work in one night than I could make my army do in three months."

It bears the inscription "Henry Knox Achievement Medal" on the top perimeter and "Sons of the American Revolution®" on the bottom perimeter. The reverse features a cannon and the phrase, "For Exceptional Achievement." It is suspended from a chest ribbon of Kelly green. It is available in miniature and comes with a certificate, which should be engrossed and presented with the medal.

Bronze ROTC Medal

Precedence: 50

Year Authorized: 1965

Presented By: National Society, State Society or Chapter

Approved By: NSSAR Executive Committee, State Society or Chapter (based on conferring authority)

Summary: The National Society, a state society, or a chapter, may present this award **only** to students enrolled in a high school or secondary school JROTC program.

and is inscribed “ROTC.” The reverse is inscribed “Awarded for Leadership, Soldierly Bearing and Excellence to _____.” A ribbon bar in the SAR colors is included and a certificate is available. Miniature is not available.

Qualifications: The medal endeavors to foster the principle of “citizen-soldier” exemplified by the Minutemen and recipients should be selected by the commanding officer of the ROTC unit based on their leadership qualities, military bearing and general excellence. LADIES MEDALS

The following medals do not have a physical distinction as to level of award (e.g., gold, silver, or bronze): Daughters of Liberty Medal, Lydia Darragh Medal, Medal of Appreciation, and the Martha Washington Medal. These medals are worn according to the level of awarding authority. Therefore, a Chapter level medal is worn according to Chapter level ranking, a State level medal is worn according to State level ranking, etc. If a medal is awarded from an additional level, then the medal is worn according to the rank of the highest awarding level with the appropriate number of oak leaf clusters.

Example: Assume a lady has been awarded the Daughters of Liberty Medal from a State Society, a Lydia Darragh Medal from the District, State Society, and Chapter, the Medal of Appreciation from the Chapter, the Martha Washington Medal from the State Society, and a Bronze Samuel Adams Congress Medal. In such a situation, the lady would wear the medals as follows: Bronze Samuel Adams Congress Medal, Lydia Darragh Medal (with two bronze oak leaf clusters), Daughters of Liberty Medal, Martha Washington Medal, then the Medal of Appreciation.

Lydia Darragh Medal

Precedence: 3, 14, 19, or 26 (dependent upon awarding authority)

Year Authorized: 2013

Presented By: National Society, District, State Society or Chapter

Approved By: President General, Vice President General, State Society President or Chapter President (depending on conferring authority)

Summary: The Lydia Darragh Medal may be awarded by the incumbent President General, Vice President General, State Society President or Chapter President to the lady who has provided significant service to him during his term. The medal will recognize the assistance of the ladies who work behind the scenes supporting SAR programs, but whose service does not meet the requirements for the Martha Washington Medal. It may only be presented once per year at the discretion of the President General, a Vice President General, State Society President or Chapter President. The medal should be presented at the annual society by the outgoing President General, Vice President General, State Society President or Chapter President, and the service citation should be read at the time of presentation.

This Medal is named after Lydia Darragh (1729-1789), who crossed British lines in 1777 during the British occupation of Philadelphia, Pennsylvania, to deliver information to George Washington. As did Lydia Darragh, many ladies have had to courageously adapt to various circumstances in an effort to work side by side with Presidents General and State Society and Chapter Presidents.

Description: The medal is gold in color and bears on the obverse a colonial woman passing military information to a colonial officer mounted on horseback somewhere on a country road. Around the top edge of the medal will read "LYDIA DARRAGH MEDAL" and at the bottom edge of the medal will read "SONS OF THE AMERICAN REVOLUTION." It is suspended from a chest ribbon of light blue.

Subsequent Presentations: A lady may receive this medal only once from a chapter, a state society or a district, however, the National Society (through the incumbent President General) may make multiple presentations of the medal to a lady without referral to any committee.

Special Note Regarding Oak Leaf Clusters: Although a lady may receive the award multiple times from the National Society, and once from each of a district, a state society or a chapter, only one Darragh Medal is worn. Once a lady has received the Darragh Medal, subsequent awards by

additional conferring authorities are represented by oak leaf clusters (regardless of the conferring authority).

Retroactive Effectiveness: Former presidents general, vice presidents general, state society presidents, and chapter presidents who have not made a presentation of this award would be eligible to present the medal to a lady upon the presentation of a letter to the incumbent President General, Vice President General, State Society President or Chapter President describing the assistance provided by the lady.
