[Reviews \(1\)](#)

KT-197

Contains all of the great stuff in our Classic Fire Starting Kit but instead of the booklet it has the Fire Making DVD. Open your box and start a fire right away. Contains:

- Striker and Flint
- Tinder
- Charcloth
- Tin Boxes
- Fire Starting DVD

We are currently having trouble acquiring untreated tow, so we have substituted flammable jute in this fire making set. The fibers can be teased out to into a loose ball for fire building.

Tin Plate TP-29

\$13.50

[Reviews](#)

TP-29

Sturdy, bright-finished 9-3/4" tinned steel plate. Great for camp meals. Made in the U.S.A. Lead-free and food-safe -- unlike some of the imported tin plates out there. Because all tinware is prone to rust, consult this instructional video on the proper care and handling of your tinware.

Pint Tapered Tin Cup TC-830

\$24.00

Qty:

[Add to Cart](#)

[Reviews](#)

TC-830

We're proud to offer tin cups that are hand-crafted only in the U.S.A. We've learned from years of experience that you can't trust all imported tinware to be foodsafe. Our Tapered Tin Cup is constructed using only lead-free solder, and like the originals, we don't line ours with a plastic coating. This pint cup measures approximately 3-1/2" tall and 3-1/2" in diameter at the base, tapering to 3-1/4" at the top. Free of any machine stamps. Constructed using lead-free solder and no plastic sealant. Because all tinware is prone to rust, consult this instructional video on proper care and handling.

Folding Frying Pan FP-248

\$88.00

Qty:

[Add to Cart](#)

[Reviews](#)

FP-248

This reproduction handforged iron skillet has a 6" diameter bottom and an 8" handle that folds into the pan for easy storage. Weighs about 1.5 lbs. This pan is hammered into shape rather than spun like many of the cheaper and less accurate imported versions. The handle is socketed for adding a longer wood handle. Comes preseasoned. Great for the trail or camp.

[Reviews](#)

CO-516

The Spanish Eight Reale was probably the most commonly circulated silver coin in Colonial America. Because of an extreme shortage of small silver currencies, the Eight Reale coin was often cut into pieces or "bits". This coin is appropriate for both 18th century and early 19th century reenactment, as it was considered legal tender in the US well into the mid-19th century. This quality reproduction set includes one complete coin, one four-bit, one two-bit, and two one-bit pieces, as well as an informational card explaining the coin's history. Cast in Lead-free pewter from an original specimen and cut into bits here in our workshop.

Learn about these coin and more in our video about 18th century coinage.

[Reviews](#)

WS-953

Sugar in the 18th century was frequently processed in a cone form, and we are now offering such cones in white sugar. You get a cone of white sugar wrapped in "logwood" blue paper and sealed with a wax seal. They weigh roughly 7oz. Also known as loaf sugar. They are approximately 4 3/4" high and 2 1/2" across the base.

We also offer the hard to find sugar nippers for breaking the cones into usable pieces. Sugar nippers not included with your sugar.

RICE JELLY.—Boil a quarter of a pound of rice flour with half a pound of loaf sugar, in a quart of water, till the whole becomes one glutinous mass, then strain off the jelly and let it stand to cool. This food is very nourishing and beneficial to invalids.
