### In Flanders Fields

*Lest we forget, on Memorial Day we honor those who have died in service of the United States of America.*

*Originally called Decoration Day, Memorial Day was borne out of the Civil War and a desire to honor our dead. General John Logan, national commander of the Grand Army of the Republic, instituted Decoration Day on 5 May 1868 via General Order No. 11. The order proclaimed that "The 30<sup>th</sup> of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet churchyard in the Land." In due course, Decoration Day became Memorial Day. That name didn't become more common until after World War II. Memorial Day was declared the official name by Federal Law in 1967 for remembrance of those who passed-on in the service of their country.*

*Please turn to page 2.*

*President General Lawrence is a member of the SAR Military Service Veterans Corps. He served with the United States Coast Guard. He tasks the VRC to promulgate each year a May issue of the SAR Veterans Bugle, until such requirement is dissolved at the discretion of the incoming President General. The May issue shall include the current listing of all members who remain with us so they can honor pursuant to Public Law 106-579 (National Moment of Remembrance Act) those ancestors and SAR veterans who have passed-on.*

Several significant traditional observances occur on Memorial Day. One is the manner in which the flag is raised. It's raised briskly to the top of the staff and then solemnly lowered to the half-staff position, where it remains only until noon. It is then raised to full-staff for the remainder of the day. The half-staff position remembers the more than one million veterans who gave their lives in service of country. At noon, their memory is raised by the living, which symbolizes a resolve not to let their sacrifice be in vain, but to rise up in their stead the continued fight for liberty and justice for all.

Another significant observance for veterans on Memorial Day is the reading of John McCrea's poem "In Flanders Fields." The poem is one of the most popular and most quoted poems from WWI.

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our places, and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe: To  
you from failing hands we throw The  
torch; be yours to hold it high. If ye  
break faith with us who die We shall  
not sleep, though poppies grow  
In Flanders fields.

John McCrae  
8 Dec 1915

Its references to posies that grew over the graves of fallen soldiers has made the red remembrance poppy one of the world's most recognized memorial symbols of soldiers who have passed-on. John McCrae's poem and red poppy are prominent Remembrance Day symbols throughout the Commonwealth of Nations, particularly in Canada, where "In Flanders Fields" is one of the nation's best-known literary works. Additionally the poem has wide exposure in the United

States, where it is associated with Memorial Day. A third traditional observance is laid out in Public Law 106-579. It's known as the "National Moment of Remembrance Act." This Act designated 3:00 p.m. local time on Memorial Day each year as the National Moment of Remembrance for all Americans to voluntarily and informally observe in their own way a moment of remembrance and respect for those Americans who died while defending our Nation and its values. Beginning on page 5, a current list of all Compatriots who are members of our various SAR Veterans Corps. They are Compatriots in good standing and are still with us. Each veteran is ask to observe on Memorial Day respect for those who have passed-on by pausing from whatever they are doing for a moment of silence or for listening to "Taps." Thank you for your service to country and to the SAR.

Thomas E. Lawrence, President General

**When PG Lawrence's term of office is complete he'll be remembered for honoring SAR Veterans as follows--Chuck Sweeney, Vet Bugle Editor**

On July 2015 at the 125th Annual SAR Congress in Louisville, Kentucky, Judge Thomas E. Lawrence became the 112th President General. During his tenure (2015-2016), President General Lawrence signed and issued as of today 250 Certificates of Patriotism. Further, he authorized the VRC to Continue the Grateful Nation Remembers Program, which honors the World War II Veterans Corps Compatriots who are still with us. Under this program 863 Compatriots have joined the WW II Veterans Corps since its inception, with 462 Compatriots remaining actively on the SAR rolls. Unfortunately, actuary tables suggest that an 86 year old veteran in 2015 will pass-on in the next 5.3 years. Next, he authorized the VRC to continue the publishing of the SAR Veterans Bugle Newsletter and encouraged effective communication through the creation of the VRC website at [www.VetCorps.Info](http://www.VetCorps.Info). Further, he authorized: (1) the adding of the Military Service Veterans Corps Task Force, with all its functions and responsibilities to the standard components of the Veterans Recognition Committee alongside the other SAR Veterans Corps; (2) the continue VRC vetting and processing of Certificates of Patriotism for all SAR Veterans Corps, and for the vetting and processing of Certificates of Patriotism for Compatriots joined to all newly created Task Forces; (3) the activation of a Special Ops Veterans Corps Task Force so as to accommodate the processing of Certificates of Patriotism for past, current and future operations which are associated with less known campaign, service and/or expeditionary medals; and (4) accommodate the processing of Certificates of Patriotism for past, current and future conflicts in select countries of the Middle East and East Africa. His authorization to honor veterans recognition programs introduced by previous President Generals have resulted not only in bringing additional Compatriots into various Veterans Corps, but brought the total number of Certificates of Patriotism issued to Compatriots so far to 1,929.

*As of this date, 865 Compatriots have been processed into the World War II Veterans Corps. Of this number, 464 remain with us.\**

*For all six Veterans Corps, 1,929 Compatriots have been issued Certificates of Patriotism. Of those Compatriots who are still with us, 156 are members of the Korean Service Veterans Corps; 443 Compatriots are members of the Vietnam War Veterans Corps; 76 Compatriots are members of the Southwest Asia Veterans Corps; 28 Compatriots are members of the SAR Special Ops Veterans Corps; 204 Compatriots are members of the Military Service Veterans Corps; and 44 Compatriots have their Certificates of Patriotism in processing. See page 32.*

*\* Remain with us means the Compatriots have not passed-on and are in good standing because they have paid their annual dues.*

### ***Veteran Recognition Committee (VRC) Proposed Initiatives for 2016-2017***

#### **Executive Summary**

1. Continue Veterans Recognition Committee initiatives introduced by prior President Generals.
2. Continue the Grateful Nation Remembers Program until the last Compatriot of the World War II Veterans Corps passes-on or until this program is dissolved at the discretion of the incoming President General.
3. Continue the publishing of the NSSAR Veterans Bugle Newsletter until this task is dissolved at the discretion of the incoming President General.
4. Dissolve the Special Ops Veterans Corps Task Force, with all its functions and responsibilities becoming standard components of the Veterans Recognition Committee alongside the other NSSAR Veterans Corps. These Veterans Corps are: (1) The World War II Veterans Corps; (2) The Korean Service Veterans Corps; (3) The Vietnam War Veterans Corps; (4) Southwest Asia Veterans Corps; (5) The Special Ops Veterans Corps; and (6) The Military Service Veterans Corps.
5. Continue VRC vetting and processing of Certificates of Patriotism for all SAR Veterans Corps. After July 2017, all tasks assigned to the VRC may be dissolved at the discretion of the incoming President General, with all databases and records committed to history.
6. [New PG Initiative] Accommodate the processing of Certificates of Patriotism for past, current and future conflicts in the United States Central Command Area of Responsibility. Establish a Syria and Iraq Task Force to accommodate the vetting and processing of Certificates of Patriotism for Compatriots who are authorized the newly Inherent Resolve Campaign Medal. After July 2017, this task force may be dissolved at the discretion of the incoming President General, and the inclusion of qualifying SAR Compatriots in this TF may become a standard component of the VRC.

## Veterans Recognition Committee History

The Presidents Generals pictured below created the Veterans Recognition Committee.

**VRC Mission Statement:** Provide recognition to living SAR Veterans, by awarding the SAR Certificates of Patriotism. Ensure the work of the VRC not only has a legacy dimension, but is also visionary and administratively sound, so that the incumbent President General can expand the Veterans Corps to include service to country during periods of peace, war and/or armed conflict.

PG Sympson

PG Leishman

PG Dooley

PG Brock

PG Lawrence

**The VRC provides recognition to SAR Veterans.** Currently the VRC has five Veterans Corps, established as follows: At the 120th Annual SAR Congress during June 2010, in Cleveland, Ohio, President General J. David Sympson (2010-2011) created the World War II Veterans Corps. Following the 122nd Annual SAR Congress during July 2012, in Phoenix, Arizona, President General Stephen A. Leishman (2012-2013) established the Korean Service Veterans Corps. At the 123rd Annual SAR Congress during July 2013 in Kansas City, Missouri, President General Joseph A. Dooley (2013-2014) established the Vietnam War Task Force to bring on line the Vietnam War Veterans Corps. And at his induction ceremony at the 124th Annual SAR Congress on 23 July 2014, in Greenville, SC, President General Lindsey C. Brock (2014-2015) announced initiatives for the VRC; namely, the VRC Charter remains in effect, to include prior Presidents Generals' decisions concerning the establishment, administration, and management of the SAR Veterans Corps. Further, on 30 January 2015 President General Lindsey Brock brought on-line the Military Service Veterans Corps. On 1 July 2015 at the 125th Annual SAR Congress in Louisville, Kentucky, Judge Thomas E. Lawrence was inducted as the 112th President General of the Sons of the American Revolution. During his 2015-2016 tenure as President General the VRC will continue the Grateful Nation Remembers Program, which honors the World War II Veteran Corps Compatriots who are still with us; continue publishing the SAR Veterans Bugle Newsletter and establish a VRC website; join the Military Service Veterans Corps Task Force, with all its functions and responsibilities to the standard components of the Veterans Recognition committee alongside the other SAR Veterans Corps; Continue VRC vetting and processing of Certificates of Patriotism for all SAR Veterans Corps; vet and process Certificates of Patriotism for Compatriots joined to all newly created Task Forces; Standup a Special Ops Veterans Corps Task Force so as to accommodate the processing of Certificates of Patriotism for past, current and future operations which are associated with less known campaign, service and/or expeditionary medals; and standup the Southwest Asia Task Force to accommodate the processing of Certificates of Patriotism for past, current and future conflicts in select countries of the Middle East and East Africa.

## The Greatest Generation

World War 2  
Victory Medal

As adopted from the Words of Tom Brokaw in his book *The Greatest Generation*, every generation has its share of men who fully lived the art of manliness. But there may never have been a generation when the ratio of honorable men to slackers was higher than the one born between 1914 and 1929. These were the men and women that grew up during the Great Depression. They are those who went off to fight the Big One. And they are the men and women who came home from that war and built the nations of the Western World into economic powerhouses. They knew the meaning of sacrifice, both in terms of material possessions and of real blood, sweat, and tears. They were humble men and women who never bragged about what they had done or been through. They were loyal, patriotic, and level-headed. They were our Greatest Generation.

The SAR is proud of our World War II Veterans. Of the 863 Compatriots who are registered members of the World War II Veterans Corps, 462 remain with us. Their service remains permanently etched in our hearts and in granite at the entrance to our nation's World War II Memorial: "... we honor those twentieth century Americans who took up the struggle during the Second World War and made the sacrifice to perpetuate the gift our forefathers entrusted to us—a nation conceived in liberty and justice."

Picture of WWII Memorial on the National Mall in Washington, D.C.

**The Grateful Nation Remembers Program.** In keeping with the President General's initiative to ensure that each living World War II Veterans Corps Compatriot has an opportunity to be remembered on Veterans Day, all District Vice Presidents Generals will be sent electronic "Grateful Nation Remembers" certificates. Each certificate shall hold the names of those who are in good standing and still with us in his area of responsibility. Each VPG is requested to send the "Grateful Nation Remembers" list to the State Societies Presidents under his purview and request that each Compatriot identified be remembered and honored appropriately on Veterans Day. A list of those who are still with us will be published again during May.

*"Lest we forget" has roots in Rudyard Kipling's "Recessional" poem to spare England from oblivion or profanity. With the passage of time, these three words have become renown across most countries to show remembrance of those who have fought and/or served. It's a plea not to forget past sacrifices; else passing out of existence befalls even the most powerful people, armies and nations.*

*Thank you Veterans; Lest we forget.*

"Lest we forget" their service to country, the following commemorates the current list of the SAR World War II Veterans Corps members. Names are arranged alphabetically and by State Society.

***Korea: The First Undeclared War—Forgotten, Unknown,***

***and Unfinished.***

*For the White House, Joint Chiefs of Staff, Congress and American people during the 1950's, the Korean War never measured up to its precedent, The Second World War. Korea was fought in a remote, backward country of no vital or strategic interest, and it ended in a deadlock—where no matter how much time has been allowed to pass, the conflict has never resolved itself. President Truman never acknowledged it as a war, even though he was responsible for sending American troops to fight in it, without seeking a mandate from Congress and prior to a United Nations mandate. Clearly this was the United States' first modern undeclared war, which changed the eligibility criteria for the awarding of the Sons of the American Revolution third oldest medal—The War Service Medal.*

*Throughout its history, the United States has formally declared war against foreign nations five times. Congressional Declarations of War sanctioned the War of 1812, Mexican-American War, Spanish-American War, World War I and World War II. Following the end of the War with Spain, the SAR War Service Medal was authorized in 1899 for members who had served in uniform during that war. The medal was generic in that it was awarded to members of the military of that time. The generic nature for awarding the SAR War Service Medal remained during the declared World War I and II. All that was required of a Compatriot to receive the SAR War Service Medal during those wars was to have been in uniform. With the advent of "undeclared wars," the criteria for the awarding the SAR War Service Medal changed. The medal today is authorized for those who have served in the armed forces of the United States (or a country that was an ally of the United States or in a United Nations Peace Keeping Force) and fought against a common enemy of the United States in a war or action that has been recognized by a branch of the Armed Forces of the United States and for which a campaign medal and ribbon has been authorized.*

*Not all Compatriots know or appreciate the distinction between declared and undeclared wars. In the next NSSAR Veterans Bugle, the VRC will discuss this matter. Further, it will illuminate concern the VRC has when improper staff action occurs because of failure to seek comments, recommendations, and/or concurrence with those who have oversight authority on the matter under consideration.*

27 July 2014 marked the 61<sup>st</sup> Anniversary of the Korean Armistice Agreement. The armistice of 1953 was not signed by Heads of States representing their nations, but those signing the armistice were U.S. Army Lieutenant General William Harrison, Jr., for the United Nations Command and North Korean General Nam Il for the North Korean People's Army and the Chinese People's Volunteer Army. A representative of South Korea didn't sign the agreement; but the country's official position was that it would not obstruct the Armistice Agreement's implementation.

As we know an armistice agreement is usually a temporary measure, created to give warring parties ample time to negotiate a peace treaty. But a final settlement hasn't happened. The Korean Armistice Agreement remains a truce document. Yet armed forces of South Korea and the United States stand at the ready while armed North Korean troops stand at the ready, each opposing force monitors the movements of the other across a 2.4 mile demilitarized zone.

Strange reality exists, concerning the Korean War and its aftermath. Chief in this regard is the fact the war never ended with a peace settlement. Any veteran from the WWII era knows if he was a participant in a World War. But many Compatriots who served in the first undeclared war of the 1950's and beyond in the defense of South Korea may not know they are eligible for the Korean Service Veterans Corps. Clarification on this matter comes clear when you review the history of the five campaign medals the VRC looks for when a Compatriot submits a survey to join the Korean Service Veterans Corps.

Much thought has gone into the structure for qualifying Compatriots for the Korean Service Veterans Corps (KSVC). Our guidance conforms to SAR Policy—especially as it links the awarding of an SAR War Service Medal to Campaign Medals, Service Medals and/or Armed Forces Expeditionary Medals. Thus the following is presented to help Compatriots understand how medals as shown above qualify them to become a member of the Korean Service Veterans Corps and to receive a Certificate of Patriotism signed by the President General.

(1) **The National Defense Service Medal** is a campaign medal, reflecting only military service. It **is not** a qualifying medal for this program or the awarding of the War Service Medal.

(2) **Korean Service Medal (KSM)** is a U.S. Campaign Medal. It has specific dates associated with it. It's the primary United States medal for participation in the Korean War and is awarded to any U.S. service member, who performed duty in the Republic of Korea, between June 27, 1950 and July 27, 1954.

(3) **AFEM is a U.S. Campaign Medal.** The medal is awarded for participation in any military campaign of the United States for which no other service medal is authorized. This medal has been awarded for at least 45 designated military campaigns, from events such as the Cuban Missile Crisis and Korea to retroactive campaigns such as Quemoy and Matsu. Sometimes the AFEM is authorized before a specific campaign medal is authorized; witness the authorization of the AFEM before the effective dates of the Vietnam Service Medal and Southwest Asia Service Medal.

(4) **Korean Defense Service Medal (KDSM)** is a U.S. Campaign Medal authorized for those members of the United States Armed Forces who have served actively in the defense of the Republic of Korea, after the signing of the Korean Armistice Agreement. It was created in 2002 when it was signed into law by President George W. Bush. The Korea Defense Service Medal is retroactive to the end of the Korean War and is granted to any service member performed after July 28, 1954. The National Personnel Records Center is responsible for verifying entitlement of the KDSM to discharged members of the military who served in Korea prior to the creation of the KDSM. As an official Department of Defense exception to policy, service members may be entitled to both the Armed Forces Expeditionary Medal and the KDSM for participation in operations in Korea during the same timeframe between October 1, 1966 - June 30, 1974. Only one award of the Korea Defense Service Medal is authorized, regardless of the amount of time or tours served in the Korean theater.

(5) **United Nations Service Medal (UNSM)** is an international military decoration which was established by the United Nations on December 12, 1950. The decoration was the first international award ever created by the United Nations and recognized the multi-national defense forces which participated in the Korean War. The UNSM today is known as the United Nations Service Medal for Korea (UNKM). Although it's not a U.S. Campaign Medal, we need to understand its history, for if a compatriot indicates he has this medal we need to inquire further as to what U.S. Campaign Medal it is tied too. In the United States Armed Forces, any service member

awarded the Korean Service Medal is automatically granted the United Nations Service Medal.

(6) **Korean War Service Medal (KWSM)**, also known as the Republic of Korea War Service Medal (ROKWSM), is not a U.S. Campaign Medal. It's a decoration of South Korea which was first authorized in December 1950. Like item (5) above, it's valuable to know its history.

Initially we did not authorize our troops to wear this medal. In 1954, the South Korean government authorized the now called Korean War Service Medal to all United Nations troops who had fought in the Korean War between the dates of June 25, 1950 to July 27, 1953. While a number of countries accepted the award, at the time of the Korean War Service Medal's presentation to U.N. troops the United States of America declined to award the medal to U.S. soldiers. This was based on regulations of the time which curtailed the acceptance and the wear of foreign decorations on U.S. military uniforms. Although subsequently some veterans attempted to have the decoration accepted, the Korean War Service Medal faded into history and was not heard of again until 1996. At that time the Army noted that it could find no record that the Korean Government ever offered the medal to the Department of Defense. This was technically true since the original offer was made to the United Nations Command. The Army took the position that unless the Korean Government resurrected their original offer, it was "not in a position to officially recognize or approve acceptance of the medal."

In 1999, the South Korean government proposed the decoration be reactivated and retroactively awarded to all Korean and U.N. veterans who had served in the Korean War. On August 20, 1999, Francis M. Rush Jr., Principal Deputy Assistant Secretary of the Army authorized the Korean War Service Medal for distribution and wear by service members of the United States military. The task of issuing the medal was assigned to Randolph Air Force Base while the National Personnel Records Center was responsible for providing documentation to verify eligibility.

**United States American Vietnam War Flag,** shown below, has a heraldry that is profoundly moving, especially as we say thank you Vietnam War Veteran Corps Compatriots for your service to country.

The green laurel wreath about the flag signifies honor for all who served. The phrase “**A Grateful Nation Thanks and Honors You**” is the personal message to each veteran, civilian, family member, and all who served and sacrificed during the Vietnam War. The seal’s blue background is the same color as the canton in the United States Flag. When placed next to the flags of World War II and Korean War Commemoration Flags, the Vietnam War Commemoration Flag signifies that the Vietnam Veteran takes his or her rightful place among generations of U.S. veterans.

Slogans of the three Commemoration Flags are:

1. WWII—A Grateful Nation Remembers.
2. Korea—Freedom Is Not Free.
3. Vietnam—A Grateful Nation Thanks and Honors You.

**Vietnam War Veteran—Welcome Home!**

*Like most wars, for some they never end. They linger in memory as not so old and far off forgotten things, until the people of America say “welcome home.” Then and only then are they free.*

**The Vietnam War Veteran Corps**

Eligibility for joining the Vietnam War Veterans Corps consists of (1) having been classified as a Vietnam War Veteran, in that you served in that conflict between 28 Feb 1961 and 7 May 1975; and (2) that you have been awarded the Vietnam War Service Medal (VSM).

VSM

**The Vietnam Era Veterans Issue**

Vietnam Era is a term used by the U.S. Department of Veterans Affairs to classify veterans of the Vietnam War. For VA purposes, in accordance with the Code of Federal Regulations Chapter 38 Paragraph 3.2 (f), the Vietnam Era is the period beginning on February 28, 1961 and ending on May 7, 1975, inclusive, *in the case of a veteran who served in the Republic of Vietnam during that period.*

**For those who did not serve in the Republic of Vietnam** the term Vietnam Era is defined as the period beginning on August 5, 1964 and ended on May 7, 1975, inclusive. The U.S. Congress, U.S. Department of Defense and the Department of Veterans Affairs elected to designate those years as such into two groups to accord special privileges to all persons who served the country's armed forces during those time frames.

*Thank you Vietnam War Veterans, Less we forget  
Một quốc gia biết ơn cảm ơn và danh dự bạn.*

*The Vietnamese words directly above translate to  
“A Grateful Nation Thanks and Honors You.”*

**SW Asia War Service**

The U. S. response to the Invasion of Kuwait was swift and deadly, for three campaigns occurred from 2 Aug 1990 to 30 Nov 1995.

**The Importance of Mesopotamia is to the left, and the importance of Central Asia is below.**

*History will show that the SW Asia Veterans of the Sons of the American Revolution fought in Mesopotamia and parts of Central Asia. Mesopotamia is a strategic focal point which includes a significant part of the Fertile Crescent that is often considered the cradle of civilization and the birthplace of writing and the wheel.*

*Yes, we fought there recently, not once but twice. First it was the Persian Gulf War (2 August 1990 – 30 November 1995). Then it was the Iraq War (20 March 2003 – 18 December 2011). U.S. involvement there and beyond persists as the fight against militants of the Islamic State of Iraq and the Levant demands. Why? Geopolitical reasoning makes it so.*

*“Mesopotamia has been the strategic focal point of the region for millennia. Its resources affect countries far away. The dividing line between the Shiite and the Sunni worlds runs through its center – indeed, through its capital. Iraq’s Kurdish provinces rest uneasily between Turkey and Iran and indigenous adversaries within Iraq. It cannot be in the American interest to leave the region....” (Henry Kissinger, Op Ed The Washington Post, Wednesday, February 3, 2010.)*

*Dick Cheney 1998 addressed the region’s geopolitical significance. Namely, vast oil and gas reserves exists in the Caspian basin and are of immense importance in global power play during the next century, for the U.S, Russia, China, and Iran. The U.S. has an interest there:*

*“A passive and friendly Afghanistan compliments our vision of how fuel should be exported from the region through Afghanistan to the ports of Pakistan.*

*To transport all the Caspian basin’s fossil fuel through Russia or Azerbaijan would greatly enhance Russia’s political and economic control over the central Asian republics and diminish America’s long-term influence on the region. To export it via Iran would turn a regime which the US has been relentlessly seeking to isolate into a major regional power in its own right.”*

**Invasion of Kuwait**—On 2 August 1990 at 0200, Iraq launched an invasion of Kuwait with four elite Iraqi Republican Guard divisions, and Iraqi Army special forces units equivalent to a full division. The main thrust was conducted by the commandos deployed by helicopters and boats to attack Kuwait City, while other divisions seized the airport and two airbases.

**New Initiative for 2016-2017**—US Armed Forces are returning to SW Asia, specifically to Syria and Iraq. Those who deploy or return to this part of the world will qualify for the Inherent Resolve Campaign Medal. This medal was announced on Wednesday, 3 April 2016 and came into being by an Executive Order signed by President Barack Obama. The medal reflects

service to country during Operation Inherent Resolve, which has as its focus a warfighting effort to destroy the Islamic State, aka ISIS or ISIL which is based in Iraq and Syria. To qualify, individuals must spend at least 30 consecutive days in Iraq or Syria or a total of 60 nonconsecutive days. Thousands of troops will be eligible for the new medal. Previously, troops who deployed to Iraq were eligible to receive the Global War on Terror Expeditionary Medal. Troops who received that medal for past deployments there will be allowed to exchange that medal for the new Inherent Resolve Campaign Medal.

Other campaign medals that qualify compatriots to receive a Certificate of Patriotism and to be joined to the SW Asia Veterans Corps are pictured below with their appropriate name.

(#5)

#1 Southwest Asia Service Medal; #2 Armed Forces Expeditionary Medal; #3 Afghanistan Campaign Medal; #4 is the Iraq Campaign Medal—it recognizes military service during the conduct of combat operations during the Second Gulf War from March 19, 2003, to December 31, 2011. The Second Gulf War is also known as **Operation Iraqi Freedom**; and #5 Global War on Terrorism Expeditionary Medal—it recognizes armed forces service of members who deployed overseas in direct support of the War on Terror from September 11, 2001, to a date to be determined. [Further, the official name used by the government of the United States is describe the overseas Global War on Terrorism is **Operation Enduring Freedom**. Subordinate operations to Operation Enduring Freedom are: (1) Operation Enduring Freedom—Afghanistan (September 11, 2001, to December 31, 2014). The US uses the Operation Enduring Freedom—Afghanistan to officially describe the War in Afghanistan from October 2001 to December 2014. Continued operations in Afghanistan by US military forces, both non-combat and combat now occur under the name Operation Freedom's Sentinel; (2) Operation Enduring Freedom—Philippines; (3) Operation Enduring Freedom—Horn of Africa; (4) Operation Enduring Freedom—Pankisi Gorge; (5) Operation Enduring Freedom—Trans Sahara, to include the Insurgency in the Maghreb; (6) Operation Enduring Freedom—Caribbean and Central America; and Operation Enduring Freedom—Kyrgyzstan.

## Military Service Veterans Corps

*Compatriots of Military Service Veterans Corps are unique. Although they are not eligible for one of the war SAR Veterans Corps, they answered the call -- drafted or volunteered, when it was popular and when it was not. Clearly when America needed it's guardians of freedom, members of the SAR Military Service Veterans Corps were there. Since the end of World War II, their members have served around the globe for more than 70 years. They complemented our Armed Forces, ensuring that the Constitution and freedoms established by our founding fathers would not die. They served at home and at times in locations most of us haven't heard of. They did it in the air, on land and at sea. They served with our active duty forces, our reserve forces and with the National Guard. They have served with conviction, honor and pride.*
