Public Service and Heroism Committee Available Awards

The Public Service and Heroism

Committee (PS&H) recognizes and honors citizens and individuals in our public service sectors of Law Enforcement, Fire Safety and Emergency Medical Services for their contributions to the community and for Heroic Acts with a commendation and medal. States, chapters and commendation recipients are recognized in a booklet published and distributed at the National Congress each July.

The 2017-2018 Awards booklet is available to download and print for distribution within a Compatriot's state society and chapter. The booklet may also be shared with commendation recipients. The link for downloading is found at sar. org under the "Members" heading. Click on "SAR Committees" and scroll down to "Other Committees," then click on "Public Service and Heroism Committee." This Awards booklet (2018-2019) will also be available on the "Public Service and Heroism Committee" page.

The Emergency Medical Services
Commendation Medal is presented to an individual for accomplishments and/or outstanding contributions in the area of emergency medical services. The award is intended for paramedics, certified Emergency Medical Technicians, and others in the emergency medical fields that have performed an act or service beyond which is normally expected. The medal may be presented posthumously, The medal may be presented to an individual only once, and no Oak Leaf Clusters or ribbon attachments are permitted.

The Fire Safety Commendation Medal is presented to an individual for accomplishments and or outstanding contributions in an area of fire safety and service. The award is not limited to firefighters. It may be presented to recognize a vari-

ety of fire safety and services that have evolved into a highly technical and skilled profession with constant study, development and involvement by numerous dedicated citizens with a single goal, which is protecting human life and property by preventing injuries or casualties due to fire and chemicals. The medal may be presented posthumously. The medal may be presented to an individual only once. Oak Leaf Clusters or other ribbon attachments are not authorized.

The Law Enforcement Commendation

Medal is presented to those who have served with distinction and devotion in the field of law enforcement. The medal is intended to recognize exceptional service or accomplishment in the field of law enforcement. Eligibility is not limited to peace officers but extends to the entire range of persons who make and enforce the law. This includes peace officers, attorneys, judges, prosecutors and legislators who have performed an exceptional act or service beyond that normally expected. The recipients are usually recommended by their supervisors or peers for their accomplishments. The award may be presented posthumously. The medal may be presented to an individual only once. No Oak Leaf Clusters or ribbon attachments are permitted.

The Heroism Commendation Medal

recognizes outstanding bravery and self-sacrifice in the face of imminent danger—i.e., acts which involve great personal courage and risk to the recipient. It is intended primarily for acts by civilians, not in uniform, but does not exclude police, firemen, EMS SAR members. It is not intended to recognize acts that would have been covered in the performance of one's normal duty, nor by medals for valor by the armed forces. Animals are not eligible for recognition. The medal

may also be presented posthumously. An individual may receive this medal multiple times. Presentation and the wearing of Oak Leaf Clusters shall follow NSSAR policy.

The Life Saving Commendation Medal

may be presented to those individuals who have acted to save a human life without necessarily placing their own life or themselves in imminent danger. The medal is intended primarily for acts by civilians not in uniform, however, police officers, fire fighters, emergency medical personal, lifeguards, and SAR Compatriots are not excluded from receiving this award. The medal is not intended to recognize acts that would otherwise qualify for military or another organization's valor medals and, in all cases, the fact that the actions of the rescuer actually saved the life of the victim must be validated by EMS or medical personnel.

The medal is intended to recognize the actions of any person: (1) who was directly responsible for the saving of a human life or (2) who prolonged a human life to the extent that the victim was still alive upon transfer to the care of medical authorities even though the victim might expire at a later time. Only one award will be awarded for each incident regardless of the number of victims involved. Nominations will not be considered after a lapse of 24 months of the incident. The medal may also be presented posthumously. Subsequent Presentation Authorized: A Compatriot may receive this medal multiple times. Presentation and wearing of Oak Leaf Clusters shall follow NSSAR policy.

These guidelines are adapted from the SAR Handbook, Volume V: Individual Medals and Awards (effective March 3, 2018)

How to Submit Your Commendations to NSSAR

The new Commendation and Medal fillable PDF reporting form may be found at **sar.org**. One must login to the website using their unique username and password. If an individual has not created a username and password, follow the instructions for obtaining one prior to proceeding further.

After logging-in, locate the "Members" tab and from the dropdown menu, click on "SAR Committees." At the Committees page, scroll down to "Other Committees (Bylaw 21, Sec. 2) and click-on "Public Service & Heroism Committee." The forms for reporting are available in the second paragraph at the link, "Public Service and Heroism Award."

Do **NOT** fill out the blank form, but save the blank form to your computer, using a name and location where you can find it. After saving the blank form and finding it on your computer, fill it out completely. **NOTE:** The fillable form only works correctly if you use the newest copy of Adobe Reader. A free copy of Adobe Reader may be downloaded at: https://adobe-reader.en.softonic.com/download.

Be certain to check the type of award report you are submitting by checking the appropriate box at the top of the form. Also send a copy of the completed form to your state society Public Service & Heroism chairman. By clicking on the soft button labeled "Click to Save and Email," the form will be saved and a copy will be prepared for sending to NSSAR. NOTE: the form is not sent until you find your computer's default email program and click the "Send" button. You should receive a confirmation of your report within seven days.

The Public Service & Heroism Committee would like to express their sincere gratitude to:

- President General Warren Alter for his focus on Public Service Recognition by providing an incentive for chapters and state societies to recognize First Responders through the awards program fostered by this committee.
- Chairman Russell DeVenney and the George Washington Endowment Fund Distribution Committee for funding the development and publication of this booklet.
