## THE NATIONAL SOCIETY

OF THE

## SONS OF THE AMERICAN REVOLUTION

OFFICE OF THE SECRETARY GENERAL

President General

Nelson A. McClary

184 La Salle St., Chicago, Illinois

WASHINGTON, D. C., October 15, 1907.

## OFFICIAL BULLETIN #6

The OFFICIAL BULLETIN, issued from time to time as may seem expedient, records action by the General Officers, the Board of Trustees, the Executive and other National Committees, lists of members deceased and of new members, and important doings of State Societies. State Secretaries are requested to communicate to the Secretary General accounts of meetings or celebrations by their Societies. The BULLETIN is sent to the General Officers and Trustees and the National Committees, to new members whose records are printed therein, to a number of newspapers, and a moderate supply to State Secretaries for general distribution.

Arrangements are being made to furnish one issue free to State Societies that will agree to distribute it and to subscribe for the three other issues during the year, at the cost of printing extra copies. This cost will be two cents or less per copy, according to the size of the edition.

The Executive Committee deems a substantial increase of the membership of the Society its greatest present need. It is not sufficient that the annual additions of members should keep pace with the losses incident to death. As a Society chartered by Congress, an important, patriotic line of work is being entered upon, and that this may be vigorously prosecuted and extended, and that the National and State Societies may exercise the influence which they ought, the Executive Committee urges upon all State Societies and individual members the supreme importance of additions to our membership. We should have three times the number now borne on our rolls. The time is opportune for aggressive, concerted action.

# PROCEEDINGS OF EXECUTIVE COMMITTEE, OCTOBER 1, 1907.

A meeting of the National Executive Committee, duly called by the President General, was held at the Hotel Knickerbocker, New York City, at 3 o'clock p. m., October 1, 1907. Present: President General McClary, presiding; Gen. Francis Henry Appleton, Judge Henry Stockbridge, Commander John H. Moore, U. S. N., and Col. George C. Batcheller, members of the Committee, also ex-President General Pugsley, William Allen Marble, President of the Empire State Society; Maj. William Frye Tebbetts, President of the Alabama Society, and chairman of the Committee on Organization, and Secretary General A. Howard Clark.

The President General announced the acceptance by him in behalf of the Executive Committee, after correspondence with each member of the Committee, of an indemnity bond of \$10,000 for the Treasurer General, and of a "travelling banner," offered by the Colorado Society. The Executive Committee formally approved such action.

It was voted that Vice-President General Trueman G. Avery, Mr. W. A. Marble, and Col. Geo. C. Batcheller be a Committee on Arrangements to have charge of the Buffalo Congress, under the provisions of Art. XII of the By-Laws, with power to appoint local committees as may seem desirable, and that five hundred dollars (\$500) be appropriated by the National Society toward the expenses of the Buffalo Congress, to be placed to the credit of the Committee of Arrangements.

Commander Moore announced the death on September 22 of Vice-President General William Hamilton Bayly, and presented a tribute to his memory, which was adopted. An engrossed copy was ordered to be sent to the family.

## TO THE MEMORY OF WILLIAM HAMILTON BAYLY.

The Executive Committee of the National Society of the Sons of the American Revolution with sadness records the death at Washington, on September 22, 1907, of William Hamilton Bayly, Vice-President General, elected at the Denver Congress, June 4, 1907.

Mr. Bayly became a member of the District of Columbia Society in 1891, and was its President in 1905. His patriotic work was earnest and practical. His great aim, for many years, was to preserve and classify the records of individual service of the many thousands of soldiers of the Revolution in the archives of the U. S. Bureau of Pensions, of which he was chief clerk for many years.

He was a quiet, unassuming man, of sturdy character, sound legal training, and an exceptional example of good American citizenship.

His compatriots in this Society have lost a valued friend and counsellor.

Commander Moore reported progress with reference to the Illinois resolution favoring the publication by the Government of the rolls of soldiers of the Revolution.

Upon the recommendation of Major Tebbetts, Chairman of the Committee on Organization, it was voted that not to exceed five hundred dollars (\$500) be appropriated, under the provisions of Art. XII of the By-Laws, for the necessary expenses of the Committee on Organization in forming new State Societies and strengthening weak Societies, to be expended in carrying out plans approved by the President General.

Upon motion by Judge Stockbridge it was voted that a letter be issued in the name of the Executive Committee to each State Society, urging the need of extending the influence of the organization by largely increasing the membership.

It was voted that a recruiting circular be prepared, under the direction of Commander Moore, for distribution to such State Societies as will agree to send it to each of its members, to be issued in the name of the Executive Committee.

It was voted that the Secretary General communicate with the Secretary of each State Society concerning a plan to increase the circulation of the OFFICIAL BULLETIN. To each Society that will undertake to distribute one issue of the BULLETIN to each of its members a supply will be furnished free, provided the State will agree to subscribe for the three other issues of the year at cost of printing.

After a full discussion of the great need of distributing information to immigrants in the form of a suitable leaflet, the Executive Committee approved a form submitted by Judge Stockbridge and Commander Moore, subject to such changes as may be necessary after conference with officials of the Government Departments.

Upon motion by Judge Stockbridge, duly seconded, it was

*Resolved*, That a Committee be appointed to consist of Commander John H. Moore, U. S. N., Col. Chas. Lyman, and Mr. A. Howard Clark to enter into and perfect with the several Departments of the Government, an arrangement whereby the leaflet on "The United States," approved by this committee, shall be distributed among all immigrants who can read, through the U. S. Immigration Bureau at the various ports of entry; or, if it shall be found practicable, at the ports of embarkation.

*Resolved*, That said Committee be further authorized to cause the same to be translated into the principal languages spoken by the immi-

grants, and when so translated to have electrotype plates made of the same, such plates to remain the property of the Society, and that said Committee be further authorized to cause to be printed editions in such languages, of such size, as upon conference with the Bureau of Immigration shall be sufficient to ensure a copy of the same, in his native tongue, being placed in the hand of every incoming immigrant who can read.

*Resolved*, That when the leaflet for the information of Immigrants shall have been approved by the Departments of the Government, that it be first printed in the English language, and that the Secretary General send to each State Society 25 copies thereof, accompanied by a request that the State Societies shall confer with the Boards of Education in their respective States, with the view through the co-operation of the Educational Boards of distributing the same to the children of foreign born parents who are already residing among us; and that such State Societies be requested after such conference to report whether they can so make use of the same and in what languages.

*Resolved*, That for the purpose of carrying the foregoing resolutions into effect, a sum not to exceed thirty-five hundred dollars (\$3,500) be and is hereby appropriated to be paid out of any funds of the Society not otherwise appropriated.

There being no further business, the Committee then, at 6.30 o'clock, adjourned.

A. HOWARD CLARK,

## OFFICIAL BULLETIN

#7

The OFFICIAL BULLETIN, issued about October 15, December 15, March 15, and May 15, records action by the General Officers, the Board of Trustees, the Executive and other National Committees, lists of members deceased and of new members, and important doings of State Societies. It is sent to the General Officers and Trustees and the National Committees, to new members whose records are printed therein, and a moderate supply to State Secretaries for general distribution.

One issue is furnished free to State Societies that agree to distribute it and to subscribe for the three other issues during the year, at the cost of printing extra copies. This cost is two cents or less per copy, according to the size of the edition. The following Societies distribute the BULLETIN to all their members: Rhode Island, New York, New Jersey, Pennsylvania, Maryland, District of Columbia, Louisiana, Missouri, Ohio, Illinois, and Iowa.

The Executive Committee deems a substantial increase of the membership of the Society its greatest present need. It is not sufficient that the annual additions of members should keep pace with the losses incident to death. As a Society chartered by Congress, an important, patriotic line of work is being entered upon, and that this may be vigorously prosecuted and extended, and that the National and State Societies may exercise the influence which they ought, the Executive Committee urges upon all State Societies and individual members the supreme importance of additions to our membership. We should have three times the number now borne on our rolls. The time is opportune for aggressive, concerted action.
