## PRESIDENT GENERAL'S LETTER TO COMPATRIOTS.

## Double the Membership this Year.

OFFICE OF THE PRESIDENT GENERAL,  
1104 PROSPECT AVE., CLEVELAND, OHIO, June 5, 1912.

COMPATRIOTS: I acknowledge with gratitude and with a deep sense of responsibility the kind partiality so unanimously expressed by the Twenty-third Congress in calling me to this office of honor and of duty.

Our efforts during the coming year will meet with success only as the members of our State Societies individually feel that degree of enthusiasm, devotion to our ideals and personal responsibility for the growth and enlargement of our organization, that shall fill up the ranks broken by death, and greatly augment the numbers affiliated with each State Society.

The need for the influence of our Society, with its high ideals of citizenship, its patriotic educational purposes, was never so imperative as now. In the conflicting currents and eddies of theory and opinion strikingly apparent in our national life today, many are drifting from safe moorings, and the lessons of the past are forgotten. May not the wise prudence, indomitable courage and unselfish devotion of our Patriot Sires be potential in their descendants and bless our country even now?

Interest in our Society is not waning. More than a thousand new names were added to the rolls last year, and the Congress at Boston last month was the largest in our history. It seems an auspicious time to make a forward movement in every State and the island possessions possibly also in France.

I beg to be allowed to suggest a motto in five words, as a slogan for 1912-13, viz:

"DOUBLE THE MEMBERSHIP THIS YEAR."

The task is not so difficult as one might suppose. If every member will pledge himself now, that he will secure at least one new member this year, and keep his pledge, the task will be accomplished, and next year the doubling up will be more easily done. The Daughters of the American Revolution, with a total enrollment of about 87,000 members, are too far in the lead. We have practically the same sources to draw from, and we have been slow in following their splendid example of enthusiastic, patriotic devotion.

The form of a pledge card will be found on another page of this BULLETIN. This, or a similar form, I would suggest that each State

Society send out to each member a signature and return for the Secretary's file. Where chapter organization obtains in any State, the pledges could, if desired, be obtained by the Chapter officers.

Young men, especially the sons and grandsons of members should be urged to join us. In many populous centers, military organizations of "Minute Men" or "Continental" will doubtless appeal to the younger members. Encourage them. Make large drafts upon the Secretary General for printed matter giving information for persons eligible to membership. Encourage the wide distribution of the literature prepared by the Committee on Information for Aliens. Let Societies, Chapters, and members interest themselves in the awarding of bronze medals as prizes in high schools and colleges for essays or orations on historical and patriotic subjects; in presenting the framed pictures of "The Signing of the Declaration of Independence," "The Elson Portrait of Washington" to schools; and copies of our Society Annuals to historical libraries. These can be secured with all required information by application to the Secretary General.

Continue the patriotic work of marking historic places and graves of Revolutionary soldiers. The organization of local chapters within the States should be encouraged, that a greater and wider interest may be awakened in the purely social functions of our Societies.

In the nature of the case, it is impossible for me to visit any considerable number of the State Societies this year; but you are rich in available material with which your work may be intelligently assisted. The Vice-Presidents General are not intended to be merely ornamental. This year one each in Rhode Island, Massachusetts, New York, Missouri, and California can be called upon to visit the States most contiguous. They will be glad to respond.

Our Past Presidents General are as full of enthusiasm as ever in the past. Invite them to your banquets. They will inspire you to renewed activity. They form "The Old Guard" upon which you can rely.

I have received some invitations to visit State Societies. I shall do what I can, but the task is yours. Do your full part, and the Twenty-fourth Congress next year at Chicago will mark "high-tide" in our history as a Society.

Very truly,

JAMES M. RICHARDSON,  
President General.

## ✓ OFFICIAL NOTICES.

✓ CHICAGO CONGRESS IN 1913.—The Board of Trustees at its meeting on May 21, 1912, accepted an invitation from the Illinois Society to hold the Twenty-fourth Annual Congress in Chicago, on the third Monday in May, 1913.

✓ AMENDMENTS TO BY-LAWS were made at the Boston Congress making the annual dues to the National Society payable on April 1 instead of March 1, and providing distinctive insignia to be worn by the President General during his term of office. See minutes of meetings of Board of Trustees, May 20, 21, 22.

✓ PRIZE INSIGNIA.—The Executive Committee announces that through the generosity of a friend of the Society a full-sized gold insignia of the Sons of the American Revolution is offered, as in the past four years, to the State Society which during the coming year shall add to its membership the largest proportional number of sons of active members. A badge was awarded to the Michigan Society in 1909, in 1910 to the New Jersey Society, in 1911 to the Kentucky Society, and at the Boston Congress to the Utah Society. The object sought is to arouse interest in the younger generation of patriots.

✓ THE "TRAVELING BANNER," presented to the National Society by the Colorado Society, will be awarded at the next Annual Congress to the

State Society of one hundred members or more that shows the largest percentage of increase in members during the coming year.

The Banner was awarded to the Iowa Society in 1908, to the Maryland Society in 1909, to the New Jersey Society in 1910, to the Kentucky Society in 1911, and at the Boston Congress it was again awarded to the Maryland Society.

DECLARATION OF INDEPENDENCE.—As announced in the December OFFICIAL BULLETIN, photogravure copies of Trumbull's painting of the "Signing of the Declaration of Independence," and facsimiles of the text of the Declaration have been made by a well-known engraver of Boston and are ready for sale to State Societies or members for presentation, in the name of the Society, to public schools and colleges throughout the country. The size of the photogravure itself is 18 by 27 inches. The text of the Declaration is 18 by 22 inches, printed on a sheet 22 by 28 inches. Framed copies of each were exhibited at the Boston Congress.

The cost of single copies of the photogravure, unframed, is \$5.00, and the facsimile of the Declaration is 35 cents, which includes expressage to any part of the United States. Single copies of the photogravure, framed in 3-inch quartered oak and boxed ready for shipment, cost \$10.75, and the facsimile, framed in 2½-inch quartered oak, packed for shipment, is \$4.15.

It is believed that the display of such historic documents and pictures in schools and colleges is one of the best ways to inspire a patriot spirit in the youth of our land.

Orders may be placed direct with the engravers, A. W. Elson & Co., 146 Oliver St., Boston, Mass., stating the purpose for which they are desired.

## ✓ ADDITIONS TO MEMBERSHIP.

✓ MINUTES OF MEETING OF EXECUTIVE COMMITTEE.  
MAY 20, 1912.

An adjourned meeting of the Executive Committee was held at the Hotel Somerset, Boston, Mass., at 8.30 a. m., May 20, 1912, and formally ratified action taken at a conference the evening previous.

Those present were President General Parker, Mr. Marble, Mr. Curtis, Mr. Wentworth, Mr. Thruston, Mr. Crandon, Secretary General Clark, and Treasurer General Burroughs.

The minutes of the meeting of November 18 were approved.

The President General announced the death, on April 18, 1912, of Col. Isaac Foster Mack, a member of the Committee, and the following tribute to his memory, prepared by Mr. Marble and Mr. Wentworth, a subcommittee appointed by the President General, was unanimously adopted:

Whereas, the Executive Committee of the National Society of the Sons of the American Revolution has received the sad intelligence of the death on April 18, 1912, of Isaac Foster Mack, an honored member of this Committee and former President of the Ohio Society; Therefore be it

*Resolved*, That we desire here to record our deep sorrow at the breaking of the tie that has bound us to him as an earnest associate in our deliberations for the advancement of the patriotic work of the Sons of the American Revolution.

*Resolved*, That we share in the grief of his compatriots throughout the organization at the passing away of a valiant soldier, an eminent journalist, a patriotic citizen, a bright example of gentleness, and of charming personality as a man and as a friend.

*Resolved*, That we respectfully tender to the members of the family of our late associate our sincerest sympathy in their great bereavement.

*Resolved*, That a copy of these resolutions be transmitted to the family of our late compatriot.

WILLIAM ALLEN MARBLE,  
ELMER MARSTON WENTWORTH,  
*Committee.*

The Committee considered a communication from the Board of Managers of the Massachusetts Society, action upon which had been postponed from the November meeting, in regard to a suggested amendment to the Constitution reducing the age limit of eligibility to membership from 21 years to 18 years of age, and it was voted to lay the question on the table.

The Treasurer General reported on the condition of the finances for the year and the status of certain State Societies in respect to payment of annual dues for all the members. It was voted to recommend to the

Board of Trustees that Article X of the By-Laws be amended so as to provide that the date for payment of annual dues to the National Society shall be April 1 instead of March 1, and to omit the word "active," so as to make it clear that State Societies are to pay dues for every member carried on the rolls on that date.

The Treasurer General stated that in compliance with the vote of the Executive Committee, at its November meeting, there had been purchased, as additional investment for the Permanent Fund, a \$1,000 New York City 4's, the sum of \$339.48 having been transferred from the General Fund to make up the amount necessary for such investment. The Permanent Fund now consists of \$3,000 in New York City 4's.

A communication appealing for funds to preserve and maintain the Pohick Church in Virginia was considered, and it was voted that the question be laid on the table.

The Committee voted to recommend that the Board of Trustees amend Article XV of the By-Laws so as to provide for a broad ribbon, or other distinctive insignia, to be worn only by the presiding President General on official and ceremonial occasions. It was voted to recommend that the Trustees appoint a special committee of three with power to arrange for an insignia to be worn only by the presiding President General.

The Treasurer General was authorized to adjust certain accounts for annual dues paid by some of the State Societies.

There being no further business the Committee then adjourned.

A. HOWARD CLARK,  
*Secretary General.*

#### MINUTES OF MEETING OF BOARD OF TRUSTEES, MAY 20, 1912.

A meeting of the Board of Trustees, duly called by direction of the President General, was held at the Old South Meeting House, Boston, Mass., at 9.15 a. m., May 20, 1912. Present, President General Parker, Vice-Presidents General Moore and Thruston, the Secretary General, the Treasurer General, Judge Stockbridge, Mr. Wentworth, Mr. Mastick, Mr. Curtis, and several other members of the Board.

The minutes of the meeting of the Trustees at Louisville, May 3, 1911, were approved as recorded in the OFFICIAL BULLETIN and the National Year Book.

Notice was given of the following amendments proposed to the By-Laws, recommended by the Executive Committee, to be acted upon at

the next meeting of the Board, under the requirements of Article XVIII.

Amend Article X of the By-Laws so as to read as follows:

Each State Society shall—

(1) Notify the Secretary General of the election and appointment of all officers, nominees for Board of Trustees, and delegates.

(2) Transmit to the Registrar General duplicate applications of all accepted members, and promptly notify him of the resignation or death of all members thereof, and the names of those dropped from the roll for non-payment of dues.

(3) Transmit to the Registrar General, on April 1 of each year, the report required by Section 4, Article IV of the Constitution; such reports to cover the changes in membership occurring between April 1 of the previous year and March 31 of the current year, and to be made on the blank forms furnished for the purpose by the Registrar General.

(4) Pay to the Treasurer General on April 1 of each year the annual dues of such Society, computed at the rate of fifty cents for every member carried on the rolls of such Society on that date.

(5) Cause the Treasurer of such Society, when remitting funds for any purpose to the Treasurer General, to use the blank form of letter of transmittal prescribed by the Board of Trustees or Executive Committee, and furnished by the Treasurer General for the purpose.

Amend Section 1 of Article XV of the By-Laws, by adding a new paragraph as follows:

The President General during his term of office, and while acting in that capacity on official and ceremonial occasions, shall be entitled to wear such distinctive insignia of his office as may be determined upon by the Executive Committee.

There being no further business the meeting then, at 9.45 o'clock, adjourned.

A. HOWARD CLARK,  
*Secretary General.*

#### ABSTRACT OF PROCEEDINGS OF BOSTON CONGRESS, MAY 20 AND 21, 1912.

The twenty-third Annual Congress of the National Society of the Sons of the American Revolution was called to order in regular session in the Old South Meeting House, Boston, Mass., at 10 o'clock a. m., Monday, May 20, 1912, President General Moses Greeley Parker, M. D., presiding.

The Congress was opened with prayer by Rev. Lewis D. Hicks, Chaplain of the Massachusetts Society, in the absence of Chaplain General Rev. John Timothy Stone, D. D., who was detained in Chicago by imperative business.

President Edwin Sanford Crandon, of the Massachusetts Society, welcomed the Congress to Boston.

President General Parker, in his annual address, discussed the present condition of the Society, calling attention to the increase of 15 per cent in membership above the average of the past ten years. The report reviewed the practical patriotic activities of present-day importance that have been undertaken; and the efforts made to secure the publication by the Government of the rolls of soldiers and sailors of the Revolution. The formation of local Chapters was urged because of their local and social influence that must become one of the greatest aids in increasing the Society's growth.

THE CREDENTIAL COMMITTEE (Dr. Waldo E. Boardman, Chairman), reported 201 duly accredited members of the Congress present at the opening session. The final report of the Committee showed an attendance of 215 accredited members, including 12 general officers and Past Presidents General, and delegates from State Societies as follows: California, 4; Colorado, 1; Connecticut, 25; Delaware, 1; District of Columbia, 11; Illinois, 13; Indiana, 1; Iowa, 1; Kentucky, 4; Louisiana, 1; Maine, 11; Maryland, 9; Massachusetts, 34; Michigan, 8; Minnesota, 1; Missouri, 1; New Hampshire, 8; New Jersey, 14; New Mexico, 1; New York (Empire State), 30; Ohio, 7; Pennsylvania, 5; Rhode Island, 8; Vermont, 1; Virginia, 1; Wisconsin, 2, and Wyoming, 1. There were 103 ladies reported as accompanying the delegates.

THE REPORT OF THE TRUSTEES and the Executive Committee reviewed the proceedings of the meetings of the Board and the Committee during the year, including meetings held just prior to the opening of the Congress. Resolutions adopted by the Committee in memory of the late William Tarbox Dewey and Col. Isaac Foster Mack were read, the entire Congress standing.

The Congress, at the suggestion of Judge Beardsley, congratulated Past President General Edwin S. Greeley on the occasion of his eightieth birthday, and he briefly responded.

His Honor, John F. Fitzgerald, Mayor of Boston, welcomed the delegates to that historic city, and spoke of the results achieved by the patriots of the Revolution, the establishment of the principle of self government, and the founding of a nation which for more than a century and a quarter has been looked up to by the liberators of every continent and every part of the world as an inspiration and a guide.

THE SECRETARY GENERAL'S REPORT reviewed in some detail the patriotic work of the State Societies during the year, and the doings of the

several National Committees. On October 19, 1911, the Philippine Society was permanently organized at Manila. Four numbers of the OFFICIAL BULLETIN, aggregating 173 pages, were printed and distributed to every member of the Society at a cost of \$1,732.48. The National Year Book for 1911 was published in an edition of 800 copies, and distributed as authorized by the Board of Trustees. Attention was called to the importance of more fully developing local Chapters. Twelve compatriots were awarded medals for patriotic service in the War with Spain, making in all 715 members thus honored since 1899.

THE TREASURER GENERAL'S REPORT showed that the cash balance on hand May 14, 1912, in the General Fund, was \$9,019.84. The receipts of the year in the General Fund aggregated \$7,449.58, and the disbursements from that fund, exclusive of \$339.48 transferred to the Permanent Fund, amounted to \$6,882.60. At the last Annual Congress the Permanent Fund was \$2,391.52; there was added during the year \$100 by subscriptions, \$156.50 by commission on sale of badges, and \$339.48 transferred from the General Fund, making a total of \$2,987.50 now invested in three \$1,000 New York City 4's. The total assets on May 14, 1912, were \$12,007.34 as compared with \$11,183.86 on April 25, 1911, an increase of \$823.48.

THE REGISTRAR GENERAL'S REPORT showed a total enrolment of 23,536 members since the Society was organized in 1889, and an active roll on May 15, 1912, of 12,838. One thousand new members were enrolled during the year; deaths reported numbered 228; 121 members resigned; 527 were dropped from the roll; and 46 were reinstated. Massachusetts has the largest membership, 1,638; followed by the Empire State, 1,427; Connecticut, 1,157; Illinois, 704; New Jersey, 601; Pennsylvania, 595, and the District of Columbia, 509. The greatest enrolment of new members was by Massachusetts, 120; Illinois, 110; Empire State, 102, and Connecticut, 82. The importance of securing legislation for the publication by the Government of the rolls of soldiers and sailors of the Revolution was urged. The Registrar General called particular attention to the need of developing local Chapters as a means of growth in membership as evidenced by the great success of the Daughters of the American Revolution.

TRAVELING BANNER.—The Maryland Society having made the greatest percentage of increase in membership it was awarded the Traveling Banner. Gen. Basil W. Duke in behalf of the Kentucky Society, which had held the Banner during the year, made the presentation address, and Compatriot Abbott, of Maryland, responded.

**PRIZE INSIGNIA.**—To the Utah Society was awarded the prize insignia for enrolling the greatest proportionate number of sons of present members. Mr. Pugsley, in behalf of the donor, presented the badge to Mr. Herbert L. Kelly, of Colorado, who accepted it in behalf of the Utah Society, no delegate from that State being present.

**THE HISTORIAN GENERAL'S REPORT** reviewed the anniversary celebrations held by State Societies during the year, and enumerated the various tablets erected to the memory of Revolutionary patriots. He urged the more general display of the Nation's flag throughout the country, and the special observance of September 17 next, the 125th anniversary of the adoption of the Constitution of the United States. An appropriation of \$25,000 has been made by the New Jersey Legislature for a memorial at Valley Forge to the New Jersey soldiers in that historic encampment, and a like appropriation for a memorial at the point near Trenton, where Washington's Army disembarked on Christmas night, 1776, for the attack on the British and Hessian forces.

**THE MEMORIAL COMMITTEE**, Prof. A. B. Bibbins, Chairman, reported particularly on the work undertaken by several State Societies toward the identification, marking, and proper care of the graves of the Signers of the Declaration of Independence. The results of this line of patriotic work in Maryland have been set forth in a pamphlet on "The Maryland Signers of the Declaration of Independence."

**THE ORGANIZATION COMMITTEE**, Commander John H. Moore, U. S. N., Chairman, told of progress made toward forming Societies in West Virginia and Georgia, the only States not represented in the National Society. Following the reading of the report there was a discussion by Chairman Moore; President Ames, of the Empire State Society; Mr. McClary, of Illinois; President Williams, of the Connecticut Society; Mr. Curtis, and others, of a motion by Commander Moore "that it is the sense of this Congress that an excellent way to increase membership is through the organization of Chapters." The motion was adopted.

**THE STAR SPANGLED BANNER.**—Mr. Marble, of New York, called attention to the replica of the Fort McHenry flag, presented to the National Society by Compatriot Thruston at Louisville, and the Congress saluted the flag and gave it three rousing cheers.

**THE JEFFERSON MEMORIAL COMMITTEE**, Admiral Baird, Chairman, reported that there is now pending in the House of Representatives a bill passed by the Senate a year ago appropriating \$100,000 for a memorial to Thomas Jefferson.

**THE NAVAL RECORDS COMMITTEE**, Mr. Charles W. Stewart, Chairman, reported progress made in gathering at the Navy Department the scattered records of sailors of the Revolution in accordance with the provisions of the Act of Congress of June 29, 1906, secured at the instance of the National Society of the Sons of the American Revolution. Further legislation is now pending in Congress that it is hoped will result in securing the rolls and lists of all the sailors of the Revolution, estimated to contain 70,000 names. Many of the official naval records have been lost through lack of care and disintegration, and it is well that this Society has begun the patriotic work of collecting and preserving what remains of the records of naval service.

**THE COMMITTEE ON INFORMATION FOR ALIENS**, Commander Moore, Chairman, told of the growing demand for the leaflets published by the Society. Large numbers of leaflets were sent during the year, upon the request from the principals, to the 102 evening elementary schools of New York city, where there is an attendance of over 50,000 aliens. The leaflets are being made the basis of reading lessons and talks in the various classes. The Society is doing a really practical work in this endeavor to educate the aliens.

**THE COMMITTEE ON PENSION AND MUSTER ROLLS**, Colonel Kniffin, Chairman, reported on progress made in carding the service records and genealogical data contained in the claims of the 74,000 pensioners of the Revolution with a view to the publication of that valuable historical material. Colonel Kniffin reviewed the various pension laws of 1818, 1820, 1832, and later dates.

**THE COMMITTEE ON PREVENTION OF DESECRATION OF THE FLAG**, Mr. W. V. Cox, Chairman, presented a report on efforts to secure a Federal law to prevent the improper use of the flag, and recommended continued effort in that direction. The report was accompanied by a digest of the flag laws of 34 States. Some flagrant violations of these laws were mentioned.

**THE COMMITTEE ON DISPLAY AND SALE OF THE FLAG**, Mr. S. Thruston Ballard, Chairman, reported progress in the effort to extend the use of the flag throughout the country, especially in the rural districts, and attention was called to the difficulty of finding flags on sale even in some of the large cities. The Congress voted to continue the important work of this committee.

**THE COMMITTEE ON EDUCATION**, Col. Charles Lyman, Chairman, reported commendable activity in educational work throughout the So-

cieties. Patriotic addresses have been delivered, historical papers read, and prizes have been given for historical essays. National Society medals, in silver and bronze, have been awarded by several Societies. Colonel Lyman called special attention to the all-important duty of educating the immigrant population of our country in the principles of American institutions and American form of government.

(The Congress took a recess at 4 p. m. on May 20, and the second day's session began at 10 a. m., May 21, in Faneuil Hall.)

TRIBUTE TO THE MEMORY OF MAJOR BUTT.—President W. V. Cox, of the District of Columbia, and Hon. Henry Stockbridge were appointed a committee to prepare resolutions in memory of the late Compatriot Butt, and on motion by Judge Stockbridge, seconded by Vice-President General Thruston, of Kentucky, the Congress unanimously adopted the following:

Whereas, among those who perished at the sinking of the "Titanic" on April 15 last, was Major Archibald Willingham Butt, of the United States Army, an esteemed and beloved compatriot of the District of Columbia Society of the Sons of the American Revolution, and

Whereas, that moment of the most fatal calamity of modern times at sea was glorified by the courage, chivalry and self-sacrifice of Major Butt, and those like him, who went calmly and bravely to their death that the weak and helpless might be saved, thus leaving to mankind an imperishable tribute to American manhood and typifying the continued existence of those heroic traits which actuated and inspired their sires:

*Be it resolved*, That the National Society of the Sons of the American Revolution records its profound sorrow at the sudden death in the prime of an early manhood, full of promise for a useful and brilliant career, of a noble man, a brave soldier, and an honored and beloved compatriot;

*And be it further resolved*, That this minute be entered in full upon the proceedings of this Congress, and a copy of it forwarded to the family of the late Major Butt, and to his devoted friend, William Howard Taft, President of the United States.

INVITATIONS FOR CONGRESSES.—The Illinois Society, through President La Verne W. Noyes and Prof. Charles E. Merriam, extended an invitation for the 1913 Congress to meet in Chicago. The Empire State Society (Syracuse Chapter) invited the 1914 Congress to meet in Syracuse, and the Congress of 1915 was invited to be the guests of the California Society in San Francisco. The invitations were received with thanks and referred to the Board of Trustees under the provisions of Article VII of the Constitution.

ELECTION OF OFFICERS being in order, Dr. Sherman nominated Hon. James M. Richardson, of Cleveland, as the unanimous choice of Ohio

for President General. The nomination was seconded by Mr. Pugsley, of New York; Mr. Warren, of Massachusetts; Mr. Curtis, of Connecticut; Judge Atwater, of New Jersey, and Mr. Fyfe, of Michigan. Commander Moore, of the District of Columbia, moved that nominations close and the Secretary General be authorized to cast the unanimous vote of the Congress for Mr. Richardson. Mr. Marble, of New York, seconded the motion, which was unanimously carried. The ballot was cast, Mr. Richardson was declared to be elected President General, and was escorted to the platform by Dr. Sherman, Mr. Pugsley, and Commander Moore.

After a brief address by President General-elect Richardson, the Congress proceeded to the election of other general officers. Five nominations were made for Vice-Presidents General, and, after their election by unanimous vote, the order of their seniority was determined by lot, as required by the Constitution, as follows: Amedee B. Cole, of Missouri; O. D. Baldwin, of California; Henry V. A. Joslin, of Rhode Island; Newell B. Woodworth, of New York, and Edwin Sanford Crandon, of Massachusetts.

ELECTION OF TRUSTEES.—The Secretary General announced the names of nominees for Trustees filed by the State Societies and they were duly elected, and the Presidents of State Societies that had failed to make nominations under the provisions of Article V, section 2, of the Constitution, were declared to be the Trustees for such States, *virtute officii*.

VOTES OF THANKS.—The Congress extended unanimous votes of thanks to the Massachusetts Society for their most generous hospitality and cordial welcome and entertainment during the Congress, and to the Boston Chapter and the military organizations participating in the parade and impressive services in the Granary Burial Grounds.

A vote of thanks was also extended to President General Parker for the able manner in which he had administered the affairs of the Society during the year, and for the grace and dignity with which he had presided over the Congress.

President General Richardson announced a meeting of the Board of Trustees, to be held at the Hotel Somerset at 2 o'clock.

From 8 to 11 o'clock Monday evening there was a general reception to delegates and ladies at the Hotel Somerset. Several hundred members of the Society and guests were present.

On Tuesday morning special services were held in the Old Granary Burial Ground, under the direction of the Boston Chapter. The ceremonies were preceded by a parade of the Worcester Continentals, the Lexington Minute Men, the Color Guards of the National Lancers, Charlestown City Guard, Fusileers, Second Corps of Cadets, Salem Light Infantry, and other organizations, marshalled by Brigadier General Charles K. There was at the Boston Public Library a special exhibit of autograph letters, documents, broadsides, etc., arranged in honor of the visiting Sons of the American Revolution. It comprised sixteen original letters of Washington, many muster rolls, personal diaries of Revolutionary times and other interesting things bearing upon the Boston Massacre, the Boston Tea Party, the battle of Lexington and Concord fight, the battle of Bunker Hill, and the siege of Boston, in addition to miscellaneous matter.

On Tuesday, at the adjournment of the Congress, the delegates were entertained at luncheon in the Armory at Faneuil Hall by Colonel Benton, Captain of the Ancient and Honorable Artillery Company.

#### ✓ DOINGS OF STATE SOCIETIES.

✓ THE CALIFORNIA SOCIETY held its annual meeting at San Francisco on April 19, when patriotic songs were sung and addresses delivered befitting the occasion. A greeting was telegraphed to the Historical Society at Lexington, Mass., in response to one received from that body. The following officers were elected: President, Andrew J. Vining, 2134 Pine St., San Francisco; Senior Vice-President, Harris C. Capwell, 12th and Washington Sts., Oakland; Junior Vice-President, J. Mora Moss, 930 Green St., San Francisco; Secretary, Edwin Bonnell, 376 Sutter St., San Francisco; Treasurer, Clarence S. Scott, 2117 Hyde St., San Francisco; Registrar, Col. A. S. Hubbard, 2135 Sutter St., San Francisco; Historian, Thomas A. Perkins, Mills Bldg., San Francisco.

✓ THE COLORADO SOCIETY.—The April issue of "The Spirit of Seventy-six," published by the Society, contains a letter from President E. W. Milligan in which he says:

It is not the purpose of the Society to enter into politics or economic problems, but to promote a healthy patriotism in our community; and I believe we can best accomplish this end along educational lines.

The Board of Managers is desirous of giving the Chapters practical aid and suggestion in carrying out this work, and the Educational Committee is planning a series of illustrated lectures on "The Birth of the Flag," in various parts of Denver, and especially among the foreign element, which we feel sure will result in much good. We have secured permission from the School Board to present medals for competitive essays on Revolutionary topics, and expect to present a number of these during the year.

The Denver Chapter holds monthly meetings with stated programs, including music and addresses. At the meeting on May 16 there was a

paper on "Immigration," by Howard T. Vaille. At the meeting on March 21 there was an attendance of 115 members and guests.

THE CONNECTICUT SOCIETY held its annual business meeting at Hartford on May 10, and elected officers as follows: President, Dr. George C. F. Williams, Hartford; Vice-President, Isaac W. Dr. John De Peu, Bridgeport; Chaplain, Rev. Wm. De-Loss Love, Hartford; Necrologist, Leverett Belknap, Hartford; Auditors, Orlando H. Brothwell, Lewis B. Curtis. The reports of President Williams, and of the Secretary and Historian, indicated a year of much activity in promoting the Society's work.

President Williams reviewed the purposes and objects of the organization and what had been accomplished in promoting good fellowship among the members, in marking historic sites, and in the award of prizes for patriotic or historical essays. He urged individual members throughout the State to offer in their own towns in the name of the Society prizes for competition among the children of the public schools for essays on subjects pertaining to the struggle for American independence. He believed that through such competition the prestige of the Society would be increased, new members attracted, its objects furthered, and the education of the children of aliens concerning the fundamental principles of the government of this country would be promoted, and the character of their citizenship improved.

The Colonel Jeremiah Wadsworth Branch held its spring meeting at the Hartford Club on the evening of April 8, with about 70 members present. Capt. Clarence H. Wickham, President of the Branch, presided. Dinner was served at 6.30 o'clock. Herbert N. Gay referred to conferences held in the Wadsworth home between Governor Trumbull, General Washington, and General Rochambeau, while planning the Yorktown campaign. Addresses were made by Dr. E. M. Gallaudet, Henry C. Sherwood, Dr. George C. F. Williams, and Rev. Dr. Wm. De Loss Love.

THE DELAWARE SOCIETY has erected a granite Bay in the Cloister of the Colonies at the Washington Memorial Chapel, Valley Forge, "in honor of the men of Delaware who by patient endurance, cheerful sacrifice, and fearless devotion to duty in camp and by bravery on the field of battle helped win for us a country and for themselves a deathless fame." The dedication is arranged for June 19, the 134th anniversary of the evacuation of Valley Forge camp by Washington's army. The services will be conducted by Bishop Kinsman, of Delaware, and Bishop Rhineland, of Pennsylvania, and Rev. John Brown Turner, Chaplain of the Society, will deliver an historical address. The Governor of Delaware and his staff will be present, and the Governor of Pennsylvania has been invited.

The Year Book of the Empire State Society for 1911-1912, a pamphlet of 131 pages, contains: List of Officers and Committees; List of Chapters; Constitution and By-Laws; Reports of Secretary, Treasurer, and Registrar; Information for Candidates; Additions to the Library; Addresses delivered at Society Meetings and Banquets; the New York Signers of the Declaration of Independence; Necrology; and List of Members.

Col. George Clinton Batcheller, LL. D., of New York City, has established the George Clinton Batcheller Endowment Fund, the income of which is to be used for the improvement of the library of the Empire State Society. Compatriot Hanson C. Coxe, Deputy Consul General at

Paris, will, on July 4th, place on the grave of Lafayette a handsome American flag, sent to him by the Empire State Society.

The *Newburgh Chapter* held its annual banquet on April 19. At the annual business meeting Rev. F. E. Whitney was elected President.

The *Huntington Chapter* at its annual meeting on April 1, elected the following officers: President, George D. Bangs; Vice-President, James H. Conklin; Secretary, Everest Sammis; Treasurer, Edwin W. Sammis; Registrar, Ebenezer S. Prime, who died April 27.

Sidway, and Hamilton Ward, Jr.

The spirit of '76 prevailed at the gathering. The keynote of each speech was an appeal to members to do something for the uplift of humanity and the improvement of the condition of the unfortunate.

THE HAWAIIAN SOCIETY Register for 1912 is a very interesting book of 84 pages, containing an historical sketch of the Society since its organization, in 1895; a list of Revolutionary anniversaries celebrated each year; Constitution and By-Laws and officers of the National and Hawaiian Societies; ancestral records of members, and other data. Eighty-five pupils of the public schools of Honolulu recently entered the competition for a first prize of \$25 and a second prize of \$10, offered by President Charles H. Dickey, of the Hawaiian Society, for the best two essays, not more than 500 words long, on "Washington and His Times." Great interest was taken in the contest.

The ideal boy, the ideal man, the ideal American, 500 words seemed a pitiful limit to the boys and girls in expressing all they wished to say in honoring Washington. Every one of the 85 essays has in it a charming and abiding faith in Washington and his patriotic teachings. This feeling was not alone confined to the children of American parentage, and it was especially pleasing to Mr. Dickey to award the first prize to

James Woolaway, a bright-eyed youth of English parentage, having himself been a resident of Hawaii and the United States for less than a year. Washington as a world-figure was quite as heroic to this 13-year-old boy, who had been reared in London, as to any of the other contestants. The second prize was won by Miss Harriet Norton, of the Kaulani School.

✓ THE ILLINOIS SOCIETY held its quarterly meeting at the Grand Pacific Hotel, Chicago, on March 22. The program included addresses by Miss Jane Addams on "Possibilities of the American Immigrant," and Rev. Dr. Frank G. Smith on "A Minister's Experiences in the Illinois Legislature." The invitation of the Illinois Society for the Twenty-fourth Annual Congress to meet in Chicago on the third Monday in May, 1913, has been accepted by the Board of Trustees of the National Society. The invitation was presented to the Congress in Faneuil Hall, Boston, on May 20, by President La Verne W. Noyes and Professor Merriam.

✓ THE IOWA SOCIETY held its annual meeting at Des Moines on April 19. The attendance from various parts of the State was unusually large. Officers were elected as follows: President, Rev. E. B. Newcomb, D.D., Keokuk; Vice-Presidents, Joseph G. Gardner, of Des Moines, and H. W. Grout, of Waterloo; Treasurer, Wm. Henry Field, Valley Junction; Secretary, Capt. Elbridge Drew Hadley, Des Moines; Registrar-Historian, Dr. Edward Hamlin Hazen, Des Moines; Chaplain, Rev. J. E. Kirbye, Des Moines.

President E. M. Wentworth reviewed the work of the Society during the year, and reports were made by the Secretary and Treasurer. Action was taken to continue the offering of history medals to Iowa colleges and high schools.

The meeting concluded with a banquet at the Savery Hotel, President E. B. Newcomb presiding as toastmaster. About 80 members and guests were present. Col. A. W. Swalm, American consul at Southampton, England, spoke on "Our English Cousins." Addresses were also made by Gov. B. F. Carroll; Mrs. E. D. Still, Regent, on "The Daughters of the American Revolution"; Edward David Chassell on "The Voting Systems in the Colonies and Their Development"; and Rev. J. Edward Kirbye, on "A Help and a Hindrance to a Mother."

✓ THE MARYLAND SOCIETY has published a handsome pamphlet on "The Maryland Signers of the Declaration of Independence: Their Homes and Places of Burial," with biographies of Samuel Chase, William Paca, Thomas Stone, and Charles Carroll of Carrollton. At the Boston Congress, on May 20, the Maryland Society was again awarded the

Traveling Banner for the largest percentage of increase in membership during the past year.

✓ THE MASSACHUSETTS SOCIETY held its annual meeting at Boston on April 19, Patriots' Day, and elected the following officers: President, Edwin Sanford Crandon, Cambridge; Vice-Presidents, Luke Stearns Stowe of Springfield, Luther Atwood of Lynn, and Frank Ernest Woodward of Wellesley Hills; Secretary and Registrar, Herbert Wood Kimball, Waban (17 Milk Street, Boston); Treasurer, Charles Montraville Green, M. D., Boston; Historian, Brig. Gen. Philip Reade, U. S. A. (retired), Lowell; Chaplain, Rev. Lewis Wilder Hicks, Wellesley.

The business meeting took place in the Old South Meeting House, and was followed by the annual dinner at the American House, when 180 members were present. President Edwin S. Crandon presided.

Addresses were made by Lieut. Gov. Robert Luce, President General Parker, and Rev. Newton M. Hall. Robert Lincoln O'Brien spoke on the character and achievements of Thomas Jefferson, and Lee M. Friedman, of Boston, drew pictures of this hero as the forerunner of the Puritan in America. Vernon A. Field gave humorous readings.

Secretary H. W. Kimball reported the present membership as 1,698. Of the six surviving actual sons of Revolutionary soldiers, John Adams, now in his 98th year, had been in constant attendance at meetings previous and the present one. S. A. R. tablets have been placed on the Pittsfield Inn, where the battle of Ticonderoga was planned, and 389 markers placed on graves of Revolutionary soldiers.

The Boston Chapter held its April meeting at Young's Hotel. The program included a paper by Secretary Kimball, of the Massachusetts Society, on "Life in Boston During the Siege," with consideration of British depredations and amusements, and privations of Boston residents. The Chapter took a leading part in connection with the Annual Congress of the National Society, as mentioned in the social functions of the Congress. On Wednesday evening, May 22, the Chapter met in Faneuil Hall, when addresses were made by Col. Walter E. Lombard, Coast Artillery Corps; Capt. Charles Brooks Appleton, National Lancers, and Rev. J. Edgar Park, of West Newton, each speaking to the subject of "The Preparedness of Boston for a Siege."

Officers for the ensuing year were elected as follows: President, George William Austin; Vice-President, Alvin Richards Bailey; Secretary, Charles Clement Littlefield; Treasurer, Edwin Blakeley Gallagher; Historian, Charles Brooks Appleton.

The plan of adopting a subject for the year and carrying it through the several meetings, and also inviting gentlemen representing foreign

Further remarks were made by Clarence M. Burton, G. Frederick Heyerman, and J. Remsen Bishop.

✓ THE MISSOURI SOCIETY held its annual banquet at the Southern Hotel, St. Louis, on April 19. President Amedee B. Cole delivered the ad-

✓ THE NEW MEXICO SOCIETY held its fourth annual meeting at Albuquerque on February 22, and re-elected all its officers except the Historian, who is succeeded by John Lee Clarke, of Albuquerque. In the evening there was a dinner at the Alvarado Hotel, with 20 members and their wives in attendance. Chaplain Bateman, of Fort Bayard, spoke on the position of the United States among the nations of the world, particularly its influence upon far Eastern peoples. Petitions have been received for authority to establish local Chapters at Roswell and Albuquerque. In his annual report President George S. Klock says:

We believe that the slow growth of the Society is in a measure due to the fact that its members are so widely separated by space, and it is recommended that in localities which have at least ten persons members of the Society, local Chapters be established. It is reasonably sure that such local Chapters would increase the membership of the organization. Local Chapters might be established in each judicial district of the State. This would tend to increase interest on the part of the members and would constitute each member an active working force in ascertaining eligible persons and soliciting them to make application for membership. A society with such important work as is imposed upon this Society should exert every honorable influence to increase its numbers and promulgate its patriotic doctrines.

THE NORTH DAKOTA SOCIETY held its first annual meeting at Fargo, April 29, at the Hotel Gardner. The business session was followed by a banquet, with patriotic addresses and songs. Chief Justice B. F. Spalding was the speaker of the evening. THE PHILIPPINE SOCIETY celebrated Washington's Birthday anniversary by holding a patriotic meeting at the Columbia Club, Manila. Major General J. Franklin Bell, Commanding General of the Philippines, delivered an address on "Washington's Advice to His People and Subsequent Developments." About fifty children, from four to fifteen years of age, sang patriotic airs before the audience of about 200 Americans and Filipinos. Judge Lobingier, President, explained the purposes and objects of the Society of the Sons of the American Revolution and what it has accomplished.

During his speech Major General Bell said that portion of the Latin race which inhabited Spain established, several centuries ago, in many tropical countries where there was virgin soil and a hospitable climate, a civilization peculiarly uniform in sentiment and in habits and customs. It was not so with our pilgrim fathers, who, landing on the rocky shores of New England, where neither the people nor the climate was hospitable, produced a civilization quite different from that of the more southern climes. Representatives of these two races of peoples are now living together in this tropical climate endeavoring to work out to a successful issue probably one of the most interesting problems that has ever confronted mankind. It is not strange, but in reality to be expected, therefore, that we who now struggle together in these islands endeavoring to work out a system of government not altogether Anglo-Saxon should differ in many sentiments. In the midst of so much criticism when men of the press seem to spend their time exclusively with criticism, when you see so little said in the press of what is praiseworthy, we Americans who are interested in this problem, who are serving our Government in these islands, might sometimes become discouraged and wonder whether it is worth while.

THE RHODE ISLAND SOCIETY held its usual Memorial Day celebration at Hopkins Park, Providence, on May 30. The statue erected to the memory of Commodore Esek Hopkins, Commander-in-Chief of the Continental Navy, in the midst of a populous Italian district, was the center of a throng comprising hundreds of children and older persons, who gathered to witness or participate in the ceremonies.

Rev. Anthony Bove, rector of St. Ann's Church, stirred the audience to enthusiasm by a patriotic address, delivered in the Italian language.

Invocation by Rev. C. Fremont Roper, Chaplain of the Rhode Island Society, opened the exercises. Nicholas di Mio, a pupil of the Branch Avenue School, recited a declamation, entitled "The Fatherland."

The school children saluted the flag and one of their number placed a flag on the grave of Commodore Hopkins. Kipling's "Recessional" was sung by the pupils.

Joseph Balch, President of the Sons of the American Revolution, gave an introductory address, the children sang the "Star Spangled Banner," and Prof. William MacDonald spoke upon "The Lesson of Memorial Day."

Amasa M. Eaton, chairman of the Committee on Memorial Day Celebration, read the Declaration of Independence in the Italian tongue. Two pupils gave declamations. Another pupil placed a wreath on the right arm of the Commodore Hopkins statue. "True Citizenship" was the subject of an address delivered by Rev. Anthony Bove. Fr. Bove spoke to his auditors in Italian.

THE WASHINGTON SOCIETY held its annual meeting on February 22, and elected officers as follows: President, Robert G. Walker, Tacoma; Vice-Presidents, Thomas A. Prosch and G. A. Byers, Seattle; Chaplain Arthur Newton Thompson, D. D., Seattle.

The Society has endorsed the construction of a National Ocean to Ocean Highway over the Pioneer Trails of the Nation, as proposed by House Bill 17919, pending before Congress.

THE WYOMING SOCIETY held its annual banquet at the Inter-Ocean Hotel, Cheyenne, on March 18, the third birthday of the Society. The guests of the Society were Vice-President General Gen. Irving Hale, Dr. Clarkson N. Guyer, Howard T. Vaille, and Col. Joseph W. Tuttle, of Denver.
