### The Public Service and Heroism

**Committee** (PS&H) recognizes and honors citizens and individuals in our public service sectors of Law Enforcement, Fire Safety and Emergency Medical Services for their contributions to the community and for Heroic Acts with a commendation and medal. States, chapters and commendation recipients are recognized in a booklet published and distributed at the National Congress each July. However, there will be no 2020 Congress due to the pandemic and therefore, the booklet will be distributed electronically.

The 2017-2018, 2018-2019, 2019-2020 and 2020-2021 PS&H booklets are available on the SAR website to download and print for distribution within a Compatriot's state society and chapter. The booklet may also be shared with commendation recipients. The link for downloading is found at sar.org under the "Members" heading. Click on "Committees" and scroll down to "Public Service and Heroism Committee," then click on "WEBPAGE." Then, scroll down to the bottom of the Public Service and Heroism page for the Link to the 2017-2018, 2018-2019, 2019-2020 and 2020-2021 booklets.

### The Emergency Medical Services

**Commendation Medal** is presented to an individual for accomplishments and/or outstanding contributions in the area of emergency medical services. The award is intended for paramedics, certified Emergency Medical Technicians, and others in the emergency medical fields that have performed an act or service beyond which is normally expected. The medal may be presented posthumously, The medal may be presented to an individual only once, and no Oak Leaf Clusters or ribbon attachments are permitted.

The Fire Safety Commendation Medal is presented to an individual for accomplishments and or

outstanding contributions in an area of fire safety and service. The award is not limited to firefighters. It may be presented to recognize a variety of fire safety and services that have evolved into a highly technical and skilled profession with constant study, development and involvement by numerous dedicated citizens with a single goal, which is protecting human life and property by preventing injuries or casualties due to fire and chemicals. The medal may be presented posthumously. The medal may be presented to an individual only once. Oak Leaf Clusters or other ribbon attachments are not authorized.

The Heroism Commendation Medal recognizes outstanding bravery and self-sacrifice in the face of imminent danger—i.e., acts which involve great personal courage and risk to the recipient. It is intended primarily for acts by civilians, not in uniform, but does not exclude police, firemen, EMS SAR members. It is not intended to recognize acts that would have been covered in the performance of one's normal duty, nor by medals for valor by the armed forces. Animals are not eligible for recognition. The medal may also be presented posthumously. An individual may receive this medal multiple times. Presentation and the wearing of Oak Leaf Clusters shall follow NSSAR policy.

**The Law Enforcement Commendation Medal** is presented to those who have served with distinction and devotion in the field of law enforcement. The medal is intended to recognize exceptional service or accomplishment in the field of law enforcement. Eligibility is not limited to peace officers but extends to the entire range of persons who make and enforce the law. This includes peace officers, attorneys, judges, prosecutors and legislators who have performed an exceptional act or service beyond that normally expected. The recipients are usually recommended by their

supervisors or peers for their accomplishments. The award may be presented posthumously. The medal may be presented to an individual only once. No Oak Leaf Clusters or ribbon attachments are permitted.

The Life Saving Commendation Medal may be presented to those individuals who have acted to save a human life without necessarily placing their own life or themselves in imminent danger. The medal is intended primarily for acts by civilians not in uniform, however, police officers, fire fighters, emergency medical personal, lifeguards, and SAR Compatriots are not excluded from receiving this award. The medal is not intended to recognize acts that would otherwise qualify for military or another organization's valor medals and, in all cases, the fact that the actions of the rescuer actually saved the life of the victim must be validated by EMS or medical personnel.

The medal is intended to recognize the actions of any person: (1) who was directly responsible for the saving of a human life or (2) who prolonged a human life to the extent that the victim was still alive upon transfer to the care of medical authorities even though the victim might expire at a later time. Only one award will be awarded for each incident regardless of the number of victims involved. Nominations will not be considered after a lapse of 24 months of the incident. The medal may also be presented posthumously. Subsequent Presentation Authorized: A Compatriot may receive this medal multiple times. Presentation and wearing of Oak Leaf Clusters shall follow NSSAR policy.

These guidelines are adapted from the SAR Handbook. Volume V: Individual Medals and Awards (effective February 6, 2022).

### How to Submit Your Commendations to NSSAR

The Commendation and Medal fillable PDF reporting form may be found at **sar.org**. One must login to the website using their unique username and password. If an individual has not created a username and password, follow the instructions for obtaining one prior to proceeding further.

After logging-in, locate the **"Members" tab** and from the dropdown menu, click on **"Committees."** On the Committees page, scroll down to **"Public Service and Heroism Committee,"** then click on the **"WEBPAGE"** icon. The link to the PDF fillable form for reporting is in bold print and located in the second paragraph.

Do **NOT** fill out the blank form, but save the blank form to your computer, using a name and location where you can find it. After saving the

blank form and finding it on your computer, fill it out completely. Be certain to check the type of award you are submitting by checking the appropriate box at the top of the form. Also, send a copy of the completed form to your state society Public Service & Heroism chairman. By clicking on the soft button labeled **"Click to Save and Email,"** the form will be saved and a copy will be prepared for sending to NSSAR. **NOTE:** the form is not sent until you find your computer's default email program and click the **"Send"** button.

If you prefer not to use your default email, you may email the completed form as an attachment to the NSSAR Public Service and Heroism Chairman.

# The Public Service & Heroism Committee would like to express their sincere gratitude to:

- The state societies and chapters who have continued their outstanding effort to recognize our First Responders.
- Chairman Lee Popham and the Budget Committee for creating a budget to fund the development and production of this booklet which honors our First Responders.
