2. There are seven positions on the GWEF Board. Three of the positions are appointed by the President General: Chairman of the GWEF Board, Chairman of the GWEF Distribution Committee, and Chairman of the GWEF Fund Raising Committee. Four members are elected from the pool of GW Fellows. Elected members serve for a period of four consecutive years. 3. An application for election may be submitted by or for any GW Fellow who agrees that, if elected, he will serve the four year term; will attend the Fall and Spring Trustees meetings and the Annual Congress each year; and will abide by the rules for attendance (absence from more than three scheduled meetings may result in loss of GWEF Board position).
4. An Applicant must (a) provide his name and signature at the bottom of this page to signify his willingness to serve, (b) provide a brief written statement as to why the Applicant wants to sit on the GWEF Board, and (c) provide a NSSAR resume or biography.

7. Election from among the announced Applicants shall be conducted during the GW Fellow Luncheon at the Annual Congress. Each Applicant (or his representative) is offered one minute of time to state his qualifications.
8. Votes are counted by appointed Tellers immediately after ballots are collected and the results will be announced on the day of the vote.
9. The successful Applicant takes office at the next scheduled GWEF Board Meeting after the Congress.
