The PRESIDENT GENERAL'S MESSAGE ~ ~ ~

From Columbus, Ohio

EUGENE C. MCGUIRE
PRESIDENT GENERAL

It is our hope that through the communication of our National Magazine, we will publish information which will aid in the progress of our Society. There are always questions that come to our attention at Headquarters that need resolution, and many of these are of general character that can be of interest to all members. Several developments came about through the National Dues Increase which was a result of our 1970 Congress.

It brought to the attention of both Chapters and State Societies, the necessity for a better control on their membership roster.

It also produced a change in the requirement for reinstatement. Today this is a very simple process and no extra fee is required at the National level, other than the current annual dues. This should be a great help in restoration of members to our Society.

It is necessary for all State Societies to report, prior to April first of each year, the list of members and full payment for their annual dues to the National Society. It behooves us all to be aware of the importance of statistical reporting dates and the need for cooperation of members

and the state society officers to assist in this very important part of our work.

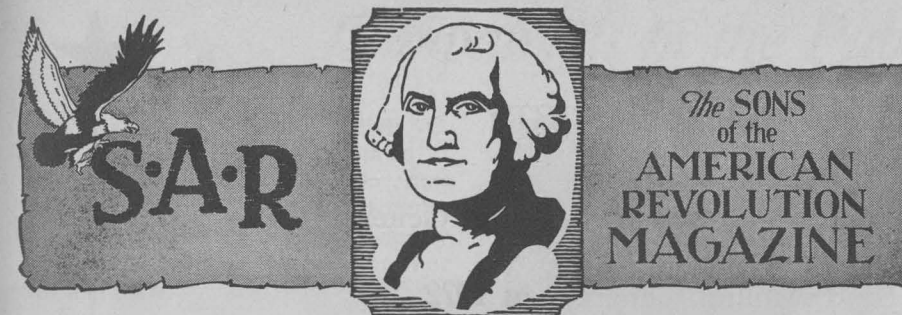

Much has been said about younger men in our membership, and we notice there are many taking an active part as officers. This brings to our attention the matter of the procedures used by many states for elevating their officers so that they can come to Washington as Trustees and General Officers, increase their knowledge of our activities, and take back to their states information that will help our progress.

We would like to see more activity in the District Meetings, including workshops that concern the details of operation and administration of our Society. Our Vice Presidents are now in the position to do this work.

We sincerely hope that officer personnel at all levels of our Society will become more aware of the financial responsibility that is required for their fiscal operation. Inflation has affected us, and all organizations must take a hard look at their budget.

Finally, we cannot overlook our greatest asset and do so with the greatest optimism. We were told by many that we had set our goals too high and the effect would hurt us drastically, but nothing was farther from the truth. We have a healthy roster of very fine members. They believe in our ideals and our Society. They want us to continue the work of our fathers and they find us new members. It is up to our officers to accept this challenge and find personnel and methods to get it done.

Were your children or grandchildren out on Halloween, participating in the "Trick or Treat" collection campaign for UNICEF? And how about your 1971 Christmas cards? Will they be UNICEF cards, illustrated, in most cases, by communist artists whose red philosophy is anti-Christ?

Our country can't seem to keep secrets of our diplomacy or defenses . . . but the insidious UNICEF farce is a well-kept secret from the American public.

Whether or not you believe in the United Nations, the undeniable fact is that decent God-fearing Americans, especially our youth, are being "used". Are the bulk of your donated dollars, intended for the care of children, reaching the needy young? The inefficiency and insincerity of UNICEF has perverted a noble and critical project.

UNICEF's own report shows that 575 employees were required to distribute \$25,000,000 in aid at the same time that 130 employees of a religious relief service distributed \$125,000,000 in assistance.

Further evidence of the callous mismanagement of this "charity" is reported in *National Review*: "Twenty million cents will permit UNICEF to occupy quarters on the 6th floor of the swank United Nations Plaza, instead of the unspeakable 2nd floor. Yes, last week, UNICEF was offered the 2nd floor—identical in layout to the 6th, except for some additional space—at a savings over 5 years of \$150,000 to \$200,000, plus a large contribution from a New York com-

pany that wanted to rent the 6th floor. The executive director, touring in Africa, telegraphed to the real estate agents that under no circumstances would he accept 2nd story space, but insisted upon the 6th; so, since ALCOA, the building owner, had a 'moral agreement' with the UN, that was that." Since UNICEF claims that it can provide children with 5 glasses of milk for one penny, its fancy quarters are depriving hungry children of 100,000,000 glasses of milk.

And if one overlooks the incredibly bad management of funds, there remains the insidious communist intrigue. When asked why Milwaukee archdiocesan schools did not participate in the UNICEF Halloween program, the superintendent of schools said, "Our opposition to the UNICEF organization was based on the protest of several of our former Catholic Army chaplains who maintain that UNICEF proceeds were not contributed to youth in need, but rather that they were taken up by the communists in the (Communist-controlled) countries."

Tremendous amounts of UNICEF

funds have been poured into Castro's Cuba, one of which was for \$51,000,000. When brave little anti-communist Katanga was fighting for survival, its enemies received \$10,000,000 in UNICEF funds and crushed free men's hope of independence. Only recently, North Vietnam received a \$200,000 donation from UNICEF . . . and that bandit nation doesn't even belong to the UN. What hurts, especially, is that the largest contributor, by far, to UNICEF is the United States.

Remember this at Halloween and Christmas!

NEWS and EVENTS

IN CHAPTERS AND STATE SOCIETIES

Your SAR Magazine staff recommends that state societies appoint a qualified compatriot to assemble and transmit ready-to-print material to the office of the Editor. Cooperation by such state societies will obviously enable us to accord them a maximum of representation within these pages.

Do not send newspaper clippings or chapter notices, instead of ready-to-print resumes of activities.

Many situations necessitate the editing of submitted copy, and we reserve the customary editorial prerogative of condensing or omitting that which circumstances justify.

Due to limited space, the text of speeches and essays cannot be published.

Submitted photographs should be black and white glossy prints, for satisfactory reproduction, and should be "SAR subject-related."

Do not send photographs or material which are of such value that their return is necessitated. A service charge of \$1 will be made for each photo or item that must be returned.

Any news material that predates the last previous deadline will be considered too outdated for publication, and will be rejected.

ARIZONA SOCIETY

The **Saguaro Chapter** held its annual Flag Day Luncheon on June 12th at the Sir George's Restaurant in Sun City. The principal speaker was Col. Hal Runyan, former Luke Air Force Base commandant, and currently an Arizona 16th District State Representative.

A citation was presented to publisher Eugene Pulliam for the Arizona Republic's front page editorial, "Stop

it, America, before it is too late." A number of special guests and **Saguaro Chapter** members were recognized for their work in patriotic organizations. Those in attendance included wives, and members of the DAR and DAC.

CALIFORNIA SOCIETY

The **Palo Alto Chapter** has voted to purchase (from National Headquarters) and distribute, to 94 Jr. and Sr. high schools on Citizenship Day (Sept. 17th), the book, "The Making of George Washington." The **Palo Alto Chapter** is worthy of our highest commendation for this vital and generous project.

After opening the latest of a long series of interesting and informative meetings, **San Diego Chapter** Pres. Glen E. Vasel presented the Good Citizenship Medal to Mrs. Anne Watson, who continues to devote much time to trying to awaken Americans to the deadly danger of communism within our borders. Pres. Vasel also commended Comp. Glenn Epperson for his appointment to the National Americanism Committee.

In cooperation with the DAR, the **San Diego Chapter** will mark the San Diego Mission with a bronze plaque on Nov. 13th. This mission was a key link in a chain of outposts that brought European culture to Califor-

nia.

Some 3 years ago, **Santa Barbara Chapter** Pres. Ward Jenks was instrumental in organizing a Fourth of July celebration in Santa Barbara. This now includes not only a parade, but also is now followed by a band concert and patriotic speeches in an area park, all of which has attracted considerable local response. The Chapter again participated in the parade this year with Comp. J. Tim Terry as Committee Chairman. A float, portraying the signing of the Declaration of Independence, was entered by the Chapter with Compatriots Dozer, Hass and Rev. Hinkle serving as the actors.

During the past academic year, the **Santa Barbara Chapter** awarded 4 SAR-ROTC medals, with Chapter compatriots making the actual presentations to winning cadets. At a meeting on July 12th, a Good Citizenship Medal was presented to Mr. Robert Kallman, a local civic leader. At the same time, Student Good Citizenship medals were awarded to Daniel and Michael Engler, two brothers outstanding for their patriotic activities at the Univ. of California.

The **Sacramento Chapter** had a busy summer, commencing with an SAR-ROTC Medal award at the Univ. of California. Shortly after, a Good Citizenship Award was presented to John Mahony, a student at Rio Americano H.S. In cooperation with members of the C.A.R., a lasagne dinner was held at the home of Comp. Wes Hummel. John Mahony showed slides and delivered a commentary, in conjunction with a C.A.R. program on the history of the American Flag. In closing, Mr. Mahony thanked the Chapter for having honored him.

On Flag Day, the **Los Angeles**

Secretary Wayne D. Seaman of the William Miller Chapter (Ga.) presents Good Citizenship medals and certificates to (l to r) Craig Fievet, Warren Thornton and Bruce Lingenfelter.

In one of his last acts of service to our Society, the late Compatriot Kenneth C. Main, President of the Orange County Chapter (Cal.), presents a Marine officer's sword to Midshipman Kent Greenough at the Univ. of California. The sword was the annual ROTC award of the Chapter.

Chapter participated in the Court of Historic Flags at the Civic Center Mall, displaying the 13-star "Betsy Ross Flag."

Memorial Day of 1971 saw the 23rd annual Massing of the Colors at Golden Gate Park in San Francisco. The moving ceremonies brought together the banners of 40 military, patriotic and service organizations to honor those brave men and women who gave their lives for America. The **San Francisco Chapter** headed the SAR delegation that included representatives of the **Oakland** and **Palo Alto Chapters**. The audience consisted of a cross-section of our nation, ranging from youth to senior citizenry. The prevailing atmosphere of respect, dignity and patriotism of the event made it difficult to believe that the year was 1971, and not 1917.

COLORADO SOCIETY

The Colorado Society held its annual picnic on July 10th at Fitzsimmons Army Hospital Picnic Area. The excellent arrangements enjoyed by compatriots, their wives and guests were capably handled by Colonels Robert H. Holzworth and James G. McGrew.

Comp. Phil Stevenson reported that beloved Past National Trustee Guy L. V. Emerson is "holding his own" at Presbyterian Medcentre (1920 High St., Denver, Colo. 80205). This well-known compatriot was greatly pleased when National Trustee Howard E. Long returned from the Atlantic City Congress and presented him with an official program signed by countless friends.

CONNECTICUT SOCIETY

The **Nathan Hale Branch #6** recently held its Annual Award Dinner Meeting at Mitchell College.

Each year, all area high schools are invited to participate by having the senior classes select one or more boys who have shown leadership qualities, high ideals and principles upon which

the future of our Nation depends. The faculties endorse the boys showing the soundest concept of good citizenship. Eleven schools participated this year, and the boys and their parents were invited to be our guests. The mothers were given corsages, and invited to pin the SAR Good Citizenship medals on their sons. A certificate was awarded to each boy, and a family photo was taken of each unit. During the presentation, Chapter Pres. G. Potter Darrow congratulated the winners and reminded them that an SAR Good Citizenship Medal Certificate was an excellent passport to use in their search for employment, and that if they kept the Medal before them, it could help them further develop self-confidence, remembering that they had won the confidence of their fellow students and faculty.

Compatriot Robert C. Weller, President of Mitchell College, was the guest speaker, and spoke of the importance of the need of sound leadership in the future of our Nation. "You boys," he said, "have earned a head start in building your own future. When I was a boy, I was awarded an SAR Good Citizenship Medal. All during my life, I have kept it on my dresser. You will be surprised that it can help unbend a limping self-confidence."

DIST. OF COLUMBIA SOCIETY

The June 9th luncheon of the District of Columbia Society was held on schedule, though several members were attending the SAR National Congress. The speaker was Hon. Frank A. Bartimo, Asst. Gen. Counsel for Manpower and Reserve, Dept. of Defense.

The July 14th luncheon was addressed by Admiral James E. Van Zandt, an SAR, a former Congressman from Pennsylvania and three times, the National Commander of the V.F.W.

Pres. Donald O. Hays (rt) of the D.C. Society presents a certificate of SAR membership bearing National No. 100,000 to new-Compatriot C. Towner French.

At Washington's Army-Navy Club, Mr. Charles F. Goodspeed, Director of State Relations of the American Revolution Bicentennial Commission, addresses compatriots of the D.C. Society. Pres. Donald O. Hays is shown at the left.

The annual Elbridge Gerry Memorial exercises, which took place at his monument in the Congressional Cemetery in Washington, sponsored by the D.C. Society in honor of the only signer of the Declaration of Independence buried in the Capital, were especially impressive and colorful this July 5th. Participating were: the Marine Color Guard, the Marine Rifle Squad and Bugler, in addition to the colors of the D.C. Society, SAR; the D.C. Society, DAR; the D.C. Society, C.A.R.; the National Society, U.S. Daughters of 1812 and the Military Order of the World Wars. The excellent arrangements were made by Chairman John Baldwin, D.C. Society Librarian-Editor; the invocation was by Rev. Willis Bergen, Chaplain; and D.C. Society Pres. Donald O. Hays introduced the speaker, National Trustee W. Rodney Adams. Brig. Gen. Louis J. Fortier, a past State President, arranged for the salutes by the firing squad and bugler, and for the ceremonies involving the placing of 5 wreaths at the base of the monument by attending organizations.

The Sept. 8th luncheon at the Army-Navy Club was memorable for several reasons. First, compatriots were privileged to learn of the up-to-the-minute plans for the American Revolution Bicentennial Celebration from the Federal Commission's Director for State Coordination, Mr. Charles F. Goodspeed, the luncheon speaker. Prior to Mr. Goodspeed's address, D.C. Society Pres. Hays had the unique privilege of presenting a certificate of SAR membership in the D.C. Society bearing the national number, 100,000, to Charles T. French.

National No. 999,999 went to George S. Weart, Jr., grandson of Maj. Gen. Douglas L. Weart, USA (Ret.) of the D.C. Society, who has given Life Memberships to this grandson; to his sons, Col. Douglas S. Weart, Jr., USAF, and Col. George S.

Weart, USAF; and to his grandsons, Lt. George S. Weart, Jr., USAF, Lt. Edward W. Artiglia, USAF, and William A. Artiglia, a student at V.P.I. All are members of the D.C. Society. Applications for 2 more grandsons are to be submitted soon by Gen. Weart, and 3 others are now C.A.R.s. This is an enviable custom which should be emulated throughout the SAR.

Since the latest Weart-SAR grandson, Lt. George S. Weart, USAF, is now in flight training in Alabama, and could not be present at the luncheon to receive his certificate, it was considered most appropriate that it had been hand-carried and presented to him by his grandfather, Gen. Weart, when he and Mrs. Weart visited their son and grandson in Alabama in July.

FLORIDA SOCIETY

Spurred on by the resounding success of its "Let Freedom Ring" program of 1970-71, the Florida Society

is again off to an early start on its membership campaign for 1971-72. Undaunted by the magnitude of the lofty goal set by the Society's Board of Management, Membership Chairman George Avant of the Tallahassee Chapter reports good results thus far. As of August 31st, seventy two applicants have become new compatriots. This reflects an attainment of 26% percent of its goal of 280!

The success of the Society's "Let Freedom Ring" program is measured strictly upon quota attainment, at both Society and chapter levels, altho' some of the chapters have side bets going. "New" members include reinstatements, transfers and new blood into the Florida Society, thus placing emphasis on retaining the "old" and adding the "new." A beautiful brass table bell, topped by a proud spread eagle, is the coveted first prize . . . ample means by which the winning chapter can "Let Freedom Ring" and, at the same time, bring its meetings to order.

Another much-needed activity has also been created! The long neglected area of patriotic education has now been brought into sharp focus with the creation of a Patriotic Education Committee under the leadership of Col. Roy M. Foster of the DeLand Chapter. All chapters and regions of the Florida Society have been brought into the scope of this vital work, and a program has been established for the long-term and permanent funding of the expense involved. Hopefully, in the future, when prospective new members inquire as to what the Florida Society is doing for its community, it will be possible to proudly justify our existence by action, and not just words.

Chapter activities are at low ebb during Florida summers but, with the month September, things begin to hum. Our State President, Col. C. L. Hewitt, Jr., will be a busy man!

On Sept. 9th, he will present to the Gainesville Chapter its long-awaited charter. On Sept. 13th, the DeLand

Chapter will hold its usual Constitution Week dinner meeting on the campus of Stetson University. On Sept. 18th, Pres. Hewitt will be the honored guest of Miami Chapter at its annual joint SAR-DAR dinner meeting. On Sept. 20th, the Palm Beach Chapter will afford him the opportunity to deliver his message of progress. Compatriot Hewitt plans to meet with all sixteen Florida Society chapters during his incumbency.

The 1972 Colonial Debutante Ball, presented by the Miami Chapter, SAR, will be held on Saturday evening, February 19, 1971. Compatriots and their guests, regardless of state society affiliation, are cordially invited to attend. For further details, write: Mr. Carl K. Hoffmann, 900 Dade Federal Building, Miami, Florida 33131.

SOCIETY IN FRANCE

The traditional Fourth of July ceremony at Lafayette's grave in Picpus Cemetery of Paris was, as every year, organized by the Society in France, SAR.

The French Minister of Foreign Affairs represented the Government, and several hundred leading French and American personalities saw Gen. David Burchinal change the American flag. In his speech of welcome to the American Ambassador, Arthur Watson, Count René de Chambrun, President of the Society in France, read from the original notes of Lafayette, his last words to the American people in 1824: " . . . God bless you, Sir, and you all who surround us. God bless the American people, each of their states, and their Federal Government. Accept this patriotic farewell of an over-flowing heart. Such will be its last throb when it ceases to beat."

Ambassador Watson replied that no country in the world had ever had such a friend.

The superb program included a fine address by the featured speaker, Dick Hand, Jr., who is an SAR and Chief of Police of DeKalb County. Before commencing his oration, Compatriot Hand was pleasantly surprised to be awarded the SAR Law Enforcement Commendation Medal. During the evening, Vice President General T. G. ILLINOIS SOCIETY

On Aug. 7th, the General Henry Knox Chapter was born. Illinois Society Pres. Frederick B. Friestedt presented the charter to the first chapter President, Carlisle F. Smith, amid impressive ceremonies at the historic old court house in Knoxville.

The principal speaker for the occasion was Past Pres. Gen. Len Young Smith, a distinguished member of the Illinois Society. Comp. Smith pointed out that the Constitutional Republic created by the founding fathers of this great nation, was the most important advance in the history of political development since the signing of the Magna Charta in the 13th century. He further emphasized the fact that our present and future is in serious doubt. Since the signing of the Declaration of Independence by men who "pledged their lives, their fortunes, and their sacred honor" to its implementation, we have come to the time of reappraisal of political morality, plus the morality of citizenship, and that a rededication is indicated towards the earlier and higher level.

The newly-elected Chapter officers are: Carlisle F. Smith, Pres.; Dr. Laurence E. Kent, V.P.; Dr. R. A. Moffett, Treas.; John M. Bailey, Recording Secty.; Frank A. Ward, Registrar; Joel V. Bjorling, Chaplain; and John W. Bailey, Historian.

After reviewing original letters from Gen. Knox and a short tour of historic Knoxville, the attendees proceeded to the Soangetaha Country Club for lunch.

The Yorktown Day meeting of the Chapter will be held in the same historic court house on Oct. 20th. Compatriot Kent K. Kleinkauf, M.D., personal physician to Madame Chiang Kai-shek, will present an outstanding program on Formosa and the Chinese situation.

Hon William L. Guy, the Governor of North Dakota, presents the SAR-ROTC medal to Cadet Gary L. Mellgren at the Univ. of North Dakota.

ATTENTION! CHAPTERS & STATE SOCIETIES

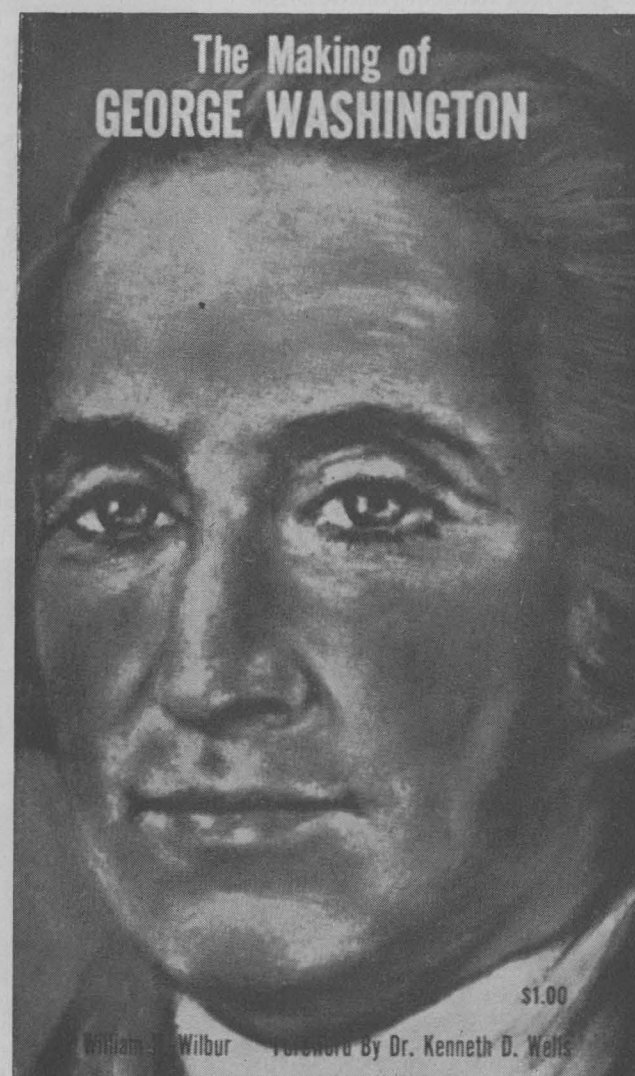

This paperback book isn't just another story of the life of the Father of our Country. It's a new refreshing approach, dwelling upon the youth and formative years of George Washington . . . the training and experiences that made him what he was. This thrilling easy-to-read book will inspire American youth at a time when such inspiration is critically needed.

Here is a suggested plan of action: Compatriots should contact businessmen, within or without SAR ranks, suggesting that they allocate fifty or a hundred dollars of their advertising funds to the purchase of these books. Businessmen will appreciate the fact that they will be given the benefit of a reduced price (perhaps \$75 per 100 books). They would then be invited to stamp their advertising message or, at least, their identity in the inside of the front cover. For example: "Compliments of John Doe, Insurance—or First National Bank." If these books are presented to all members of the local high school graduating class, the program can reoccur each year. Employers could also present them to all their employees, especially those with children.

The distribution of this book could well be responsible for helping to reduce theft and wanton destruction, if children try to emulate George Washington's honesty, obedience, industry, modesty and religious respect. It should not be too difficult to find concerned patriotic businessmen to participate in this worthy program. In their realization that America is in dire peril, they will appreciate an opportunity to help in improving these dangerous conditions. Furthermore, contributors should remember that their participation is tax-deductible, as a legitimate advertising expenditure.

For quantity prices, see the price list on page 21.

Now you can earn funds for your treasury and advance the cause of Americanism at the same time! Send \$1 to National Headquarters for a sample copy TODAY!

INDIANA SOCIETY

V.P. Gen. James A. DeWeerd, D.D., made a visitation to the summer meeting of the Indiana Society, hosted by the **William Knight Chapter** of Crawfordsville. A delicious buffet luncheon was held at the Apple Grove Restaurant, and over 60 members and guests were in attendance at the event to hear the new Vice President General. After routine business was conducted, final preparations were reviewed for the 82nd Annual Congress, to be hosted by the Indiana Society.

IOWA SOCIETY

Front-paged by newspapers and led by the Iowa Society, SAR, bell-ringing highlighted the observance of Independence Day throughout Iowa.

The highly successful program was directed by State Pres. George M. Sheets and **Herbert Hoover Chapter** Pres. Paul V. Simpson. In Iowa City, bells were rung, not only on the 4th, but on the 5th (the "legal holiday" date), as well. The Univ. of Iowa Old Capitol Bell (over 100 years old) led off, followed by churches, schools, City Hall, and bells in private residences. Iowa City, Clinton, Mt. Vernon, Lisbon, Solon and Belle Plaine

On June 14th, the Iowa Society and **Herbert Hoover Chapter** participated in the largest Flag Day ceremonies in the State's history. Flag Committee Chairman John K. Runyon worked with Pres. George M. Sheets to help

make the event a resounding success.

KENTUCKY SOCIETY

The **R. C. Ballard Thruston Chapter** held a Flag Day luncheon on June 12th at Old House in Louisville. Past Pres. L. Duncan Stokes delivered an interesting talk on "Russian Sea Power." Another highlight of the event was the presentation of the SAR Medal of Appreciation to Mrs. L. Duncan Stokes by State Secty. J. Colgan Norman. Pres. Gracie R. Rowntree, M.D., announced that the Chapter had presented ROTC and Good Citizenship medals to qualifying students at the Univ. of Louisville, Jefferson H.S., Seneca H.S., Trinity H.S., Valley H.S., West Point H.S., and Louisville Male H.S.

The Spring meeting of the **Gen. Francis Marion Chapter** was held on June 14th at the Marion Kentucky Community Museum with Pres. Floyd M. Wheeler presiding. The total charter membership and one guest were present. This meeting was held in observance of Flag Day, so Program Chairman Braxton MacDonald presented a most enjoyable outline history of our flag. LOUISIANA SOCIETY

As it has for many years past, the Louisiana Society spearheaded activities designed to remind citizens of the importance and significance of the signing of our Nation's Declaration of Independence, July 4, 1776. The Governor of Louisiana and the Mayor of New Orleans both issued official proclamations, calling on all citizens to display the American Flag on Sunday, July 4th, and requesting that churches have their bells rung or chimes sounded at 1:00 p.m. This request was greatly heeded throughout the City of New Orleans. Radio and TV stations repeatedly broadcasted our State Society's request for dedicated observance of Independence Day, crediting the Louisiana Society, SAR, as the author of the requests.

At an Independence Day luncheon on July 1st, sponsored by District IV (10 chapters), DAR, State SAR President Arthur J. Naquin officially participated by reading the proclamations issued by the Governor of Louisiana and Mayor of New Orleans. Many SARs attended the luncheon and were formally recognized.

On July 6th in the magnificent City Club of Baton Rouge, well over 100 compatriots and their guests enjoyed a sumptuous banquet of the **Gen. Philemon Thomas Chapter** in honor of Lt. Gen. (& Compatriot) Troy H. Middleton. The event was further honored with the presence of President General and Mrs. Eugene C. McGuire; Past President General (Rear Admiral, Re-

tired) and Mrs. Arthur A. de la Housaye; V.P. Gen. and Mrs. John O. Roy, Jr.; Past V.P. Gen. and Mrs. R. Cecil Paslay; State Pres. Arthur J. Naquin; and Col. Shelton Hubbard, State Secty.

On behalf of the **Gen. Philemon Thomas Chapter**, President General McGuire presented the Gold Good Citizenship Medal to Compatriot Middleton for his unparalleled service in education and the military. The assemblage was then privileged to hear an inspiring and timely address by the President General, who spoke of many vital phases of the SAR, together with our responsibilities and opportunities relative to the Bicentennial observance period.

The President of the **Gen. Philemon Thomas Chapter**, Compatriot John M. Ellis, Jr., is worthy of our highest commendation for the resounding success of the event.

MASSACHUSETTS SOCIETY

The Massachusetts Society is proud to report that, in spite of the questionable actions taken by certain "Ivy League" colleges, the presentation of SAR-ROTC medals awarded in 1971 exceeded those of previous years.

In addition to the SAR-ROTC and Good Citizenship medals, the Massa-

chusetts Society presents its own "Washington-Franklin Medallion," which was instituted in 1920 by Comp. John F. Streetor, M.D., of Springfield. It is a unique medal displaying, on the obverse side, the SAR insignia and the State Society's name. On the reverse side is shown a victor's wreath of laurel, beneath which is the torch of learning. The medal, suitably engraved

The fundamental purpose of this medal is to inculcate a firm and lasting reverence for our American institutions, as they have come down to us from the past, thereby promoting better citizenship through an interest in the study of our Country's history. Ten such medallions have been awarded this year.

The **Worcester County Chapter**, represented by Pres. Frank L. Berry, Sr., awarded the Washington-Franklin Medallion to Miss Claire Largesse at Quinsigamond Community College recently.

Who Says It's a Man's World?

Is it a man's world? Maybe. But compare these frequently heard descriptions of male and female.

If a woman is short, she's "petite." If a man is short, he's a "runt."

Lacking bravery, a woman is "timid"—a man is a "coward."

A woman who is inept at earning a living is "the domestic type." But a man who is inept at earning a living is a "ne'er-do-well."

An unworldly girl is "innocent." An unworldly man "isn't dry behind the ears."

The woman with a job in a masculine field, such as engineering, is a "pioneer." A male fashion designer is a "sissy."

A girl stays single because she "prefers a career." A man stays single because he is "egotistical" and "selfish."

A woman who jilts a man is merely exercising "a feminine prerogative." But a man who jilts a woman is "cruel" and "heartless."

When a couple get married, a girl is "set for life." The man is "hooked."

We Like the People of Lexington

In Lexington is what the townsfolk refer to as their "Money Tree." It is a magnificent towering elm—one of the finest of that prized species—as yet untouched by the blight. It is a tree to view with awe and pride as any lover of trees will and the people of Lexington do. Of course, there is a story connected with it.

Some years ago, the Massachusetts Highway Department was widening and improving Massachusetts Avenue. This splendid specimen of the primitive American forest stood slightly within the bounds of the proposed widened highway. Word went out that it would be removed. A wave of protest swept through the community. An emotional argument ensued. Finally, the Highway Department issued an ultimatum—either the elm had to go or the Department would reduce its share of the highway improvement by \$100,000.

The men and women of Lexington had faced stern issues before. They did not flinch at this one. Perhaps reminiscent

of 1775, they said—keep your \$100,000, and we will keep our elm.

And so it was. As you drive along Massachusetts Avenue approaching the center of town, you pass under the lofty canopy of this giant tree and you note a slight weave in the highway as you pass.

A high price to pay for a tree, you say? Ah, yes! But isn't it refreshing to be reminded that the people of a community can love a creation of nature to where they won't count the cost to preserve it?

Emerson wrote in an earlier age:

"The true test of civilization is not the census, nor the size of cities, nor the crops, but the kind of men the country turns out."

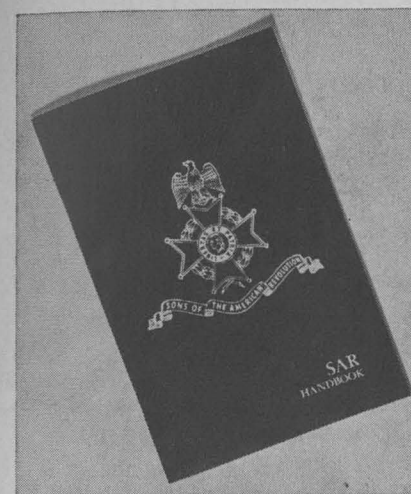

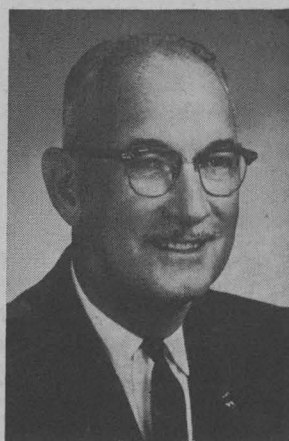

We like a people who can love a tree \$100,000 worth. We like the people of Lexington.

The Houston Chapter, National winner of the President General's Cup Plaque, honors Dr. Harry H. Ransom, Chancellor of the University of Texas, with the Gold Good Citizenship Medal. The attending banquet was honored with the presence of President General and Mrs. Eugene C. McGuire. (l to r): Past Pres. Gen. Walter G. Sterling, Dr. Ransom, Pres. Gen. McGuire, and Houston Chapter Pres. Neill F. Amsler, Jr.

The first day that he was in his new office, anxiously awaiting his first client, the young lawyer, trying to make an impression, quickly picked up his new telephone and said into it, "Well, Mr. Smathers, under the circumstances, I am sure that we can sue for about \$100,000 and I'll talk with you about this again later today after I speak to the insurance company."

Then, hanging up the telephone, he turned briskly to his visitor and said, "And, now, my good man, what can I do for you?"

"Nothing," the man said, "I just came here to connect the telephone."

Present SAR National Headquarters

Projected Addition

It is becoming increasingly difficult for the National Headquarters staff to operate efficiently because the present facilities, originally designed as a private home, are no longer adequate. With the mounting work load, together with a growing inventory of genealogical volumes and museum items, we must have more space for offices, records, library and museum. The practical and most economical solution is the construction of an ad-

joining building, to be built upon our adjoining side lot. The building has been authorized by the National Trustees and the 77th Annual Congress . . . subject to our ability to raise the necessary funds.

Exhibit the spirit of sacrifice displayed by your Revolutionary forebears, and join the distinguished ranks below. Your tax-deductible donation may be dedicated to the memory of a loved one. Please act today.

The following list acknowledges those who have donated \$100 or more more to the Memorial Library Building Fund. Due to the space factor, listing of donors of lesser amounts will be printed but once, in the magazine issue following the donation.

Le Comte Rene de Chambrun (rt), President of the SAR Society in France and a direct descendant of Lafayette, conducts SAR services at the grave of his distinguished forebear. Included in the group at the left are the French Minister of Foreign Affairs, U.S. General Burchinal and American Ambassador Arthur Watson.

THE WAMPUM MINT

At one time one of New Jersey's industries was the manufacture of wampum—Indian bead "money" and ornaments made from sea shells. The industry thrived in Bergen County from pre-Revolutionary days until about 1890. Traders like John Jacob Astor bought large quantities of wampum for exchange with the Indians.

Early settlers were quick to learn how highly the natives prized these strings of beads and soon were making and trading wampum for land, furs and other valuables. Later they even used wampum in dealing among themselves as well as with the natives.

Shortly before the Revolution, John W. Campbell started making wampum in his home at Pascack and soon controlled the industry in the area. Later he built a wampum "mint" and for many years he and his sons had a flourishing business turning out the wampum in the shape of beads, circular, flat "moons" and thin tubes or "pipes" the Indians treasured.

On the lower floor of the mint were devices for chiseling, grinding, polishing and drilling holes in the shells. Upstairs the Campbells kept under lock and key their secret inventions for processing wampum. One of these, a machine which drilled six shell pipes at once, is on display now at the Pascack Historical Society located in Park Ridge.

There were two kinds of wampum, black and white. Black wampum was twice as valuable as white and came from sea shells the Campbell clan imported from Rockaway, N.Y. White wampum was cut from West Indian conch shells.

Wampum making ended by 1890. The Indians had adopted the white man's ways and the medium of exchange had become money or other valuables. Today the Campbell "shell" game is just a memory.

The New Bicentennial Stamp

He Said the Earth Was Hollow

John Cleves Symmes, son of a noted Revolutionary Justice of the New Jersey Supreme Court, must have given his dad uneasy moments. Young John was convinced the earth was "hollow like a pumpkin" and that people lived inside it. He stumped the country rallying recruits to his idea and even petitioned Congress for an exploring party to enter the holes he knew existed at the North and South poles. Newspapers headlined his theory and signs on local grog shops lampooned it. One sign showed a hollow watermelon with a mouse peeping out of the North Pole to see if Symmes' expedition had arrived yet.

Mr. Harold E. Campbell, Jr., Head of the F.B.I. in Nevada, is shown with the SAR Law Enforcement Commendation Medal and Certificate following bestowal by Nevada Supreme Court Justice John Mowbray (rt), the State President, and President Richard Johnston, Jr., of the Las Vegas Chapter.

Watch for the Teakettle!

Joseph Duveen, the famous English art connoisseur, took his little daughter to the beach one day but could not get her to go into the chilly water. After persuasion failed he borrowed a teakettle, built a fire, heated a little water until it steamed beautifully, and, with a great flourish, poured it into the ocean. His greatly impressed daughter then went in without a murmur.

Where could one find a better example of the propaganda techniques of the Communists? By dramatically emphasizing some idea or proposal that gets our minds off the main problem, they distract public attention from their real objective—which is to rule the world.

Abbie Hoffman, one of the convicted "Chicago 7," not only is going freely about the country preaching revolution, but is getting paid for it. He reported recently that he made \$200,000 last year, mostly from lecture fees.

Isn't it unusual for the people whose nation is the target of revolution to be financing the revolutionaries?

On behalf of the Indiana Society of the Sons of the American Revolution, I would like to extend to every compatriot, together with their families and friends, a most warm and cordial personal invitation to attend the 82nd Annual Congress of the National Society, SAR, in Indianapolis, Indiana from June 11 to 14, 1972.

Every member of the Indiana Society is looking forward to MEETING YOU IN '72!

We have planned for you to have an unforgettably good time in Indianapolis, where you can visit the famous "Indy 500," General Motors famous Powerama and many historical sites. Indianapolis is well known for its fine theatres, outstanding res-

Publications Recommended By the National SAR Patriotic Education Committee*

(Each is a series of three booklets—A Main Book, A Study Guide, A Test of Understanding, With Teacher's Keys) *Our Constitution—The Foundation of the Republic of the United States* (Grades XI-XII and Adult Groups)

This series presents the real meaning of our Constitution, explains why the many provisions were included, and stimulates an appreciation of the significance of this great document in preserving our unalienable rights.

The text of the Constitution is presented exactly as it was framed and adopted, and explained (in the light of the intent of the framing Convention) by Alexander Hamilton, James Madison and John Jay in the *Federalist Papers*.

The sections of the Constitution are presented in center columns of the Main book with the exact wording, capitalization, and spelling used in the original document. Explanatory subtitles are provided in left-hand columns to identify more clearly the subjects of the sections or paragraphs. Opposite the provisions of the respective paragraphs of the Constitution are questions and answers concerning the meaning of, or the reasons for, the provisions.

The Study Guide (following the organization of the Main book) relates to and focuses upon important information about our Constitution. It is designed to bring about basic understandings that are vital to the preservation of our nation. Opportunities are provided for interpreting and evaluating the basic principles of our Constitution. The Study Guide requires "constructive thinking" regarding the provisions of our Constitution which explain the foundation of our Republic.

The Test of Understanding consists of a variety of test forms: essay; true-false with space for reasons; objective-essay combination; interpretation; and personal reaction.

The Declaration of Independence (Grades IX-X)

This series has been prepared to bring about an understanding of the meaning of the Declaration, to explain why the many provisions were included, and to stimulate an appreciation of the significance of this great work.

* Published by Patriotic Education, Inc., DeLand, Florida, P.O. Box 1088 (Author, Robert B. Weaver): Prices for each series—Main Book \$1.60, Study Guide \$.85, Teacher's Keys \$.20, Test of Understanding \$.60. School, Civic and Service Groups—20% Discount

The sections of The Declaration of Independence are presented in center columns of the Main book using the exact wording, capitalization, and spelling as used in the original document. Explanatory subtitles are provided in left-hand columns to identify the subjects of the respective sections or paragraphs. In right-hand columns, questions are asked concerning the meaning of, or the reasons for, the provisions of the Declaration. Comprehensive answers are given.

The Study Guide (following the organization of the Main book) relates to and focuses upon important information about the Declaration and is designed to bring about basic understandings of the document. Opportunities are provided to interpret and evaluate the principles clearly stated in the Declaration. The use of the Study Guide is certain to result in constructive thinking and a careful analysis of this Charter of our liberties.

The Test of Understanding consists of a variety of test forms including essay, completion, document-conclusions, document-reference, interpretation, and application.

Our Flag and Other Symbols of Americanism (Grades VII-VIII)

In the Main book of this series a story is told about Our Flag, Liberty Bell, Statue of Liberty, Statue of Freedom, Seal of the United States, patriotic words and expressions of great Americans, our patriotic holidays and historic landmarks.

In the Study Guide, (following the organization of the Main book) opportunities are provided to gain important historical understandings and to think constructively regarding the great symbols of Americanism. A variety of types of activities—evaluation, application, and interpretation are included.

Both objective and essay-form tests are included in the Test of Understanding. In the first section, essay-type forms are used. A variety of true-false, best-answer, and completion forms comprise the second section.

J.E. Caldwell Co.
Established 1839

Chestnut & Juniper Sts., Philadelphia, Pa. 19107

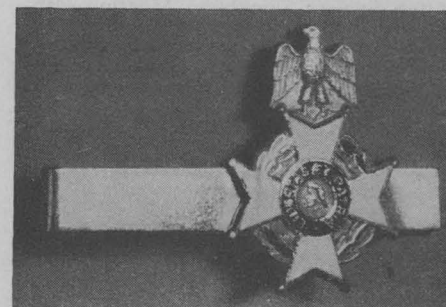

During a recent conference in Washington, D.C., National Chairman William Y. Pryor of the SAR Bicentennial Commission is shown with Melbourne L. Spector (lt), Executive Director of the U.S. American Revolution Bicentennial Commission and Compatriot Arthur E. Burgess (rt), a member of the Virginia Society, who is Special Asst. to the Chairman and Asst. Director for Legislative Affairs of the U.S. American Revolution Bicentennial Commission.

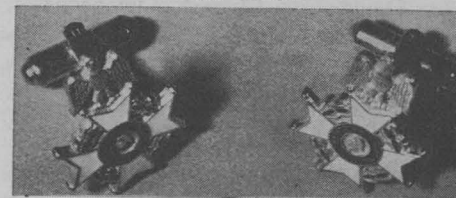

It is of exotic interest to note that an article, "Baron von Steuben, Creator of Discipline", which first appeared in the SAR MAGAZINE (Winter, 1970), was reprinted in AN COSANTOIR, The Irish Defense Journal, with prominent credit accorded to our Society.

The author, Col. Virgil Ney, Ph.D., U.S.A. (Ret.), is a member of the District of Columbia Society, SAR, and is a noted historian. He has written extensively on historical and military subjects, and is a much sought-after speaker on the American Revolution, especially relative to Baron von Steuben. Chapters and state societies seeking an extraordinary speaker may write Compatriot Ney at 1023 Woodside Pkwy., Silver Spring, Md. 20910.

1972 RULES FOR THE DOUGLASS G. HIGH HISTORICAL ORATION CONTEST

1. The Douglass G. High Historical Oration Contest for High School Seniors, Juniors and Sophomores, conducted by the National Society, Sons of the American Revolution, will be held June 11, 1972. It will be conducted for the twenty-fourth time as part of the Eighty-Second Annual Congress at Indianapolis, Indiana, June 11-14, 1972.
2. Each State or Local Society shall make available to Senior High School speech teacher, history teacher and/or principal in public, parochial and private schools the information regarding this contest as early in the school year as possible.
3. When more than one school is involved, a local and/or state contest must be held to determine the winners. A contestant once eliminated may not enter another Douglass G. High contest this year.
4. The expenses of the winning contestant from each state to the Annual Congress shall be paid by either a local chapter or State Society.
5. When an entry is the winner of a contest among several State Societies, the word "district" may be substituted for the word "state" in these rules.
6. In any local or state contest, any male member of the sophomore, junior or senior class of a Senior High School shall be eligible to enter, subject to such supplemental rules as the State Society may provide. However, all local and state contests must be conducted, without exception, according to these national rules.
7. Only the first place winner of a National Contest, will be ineligible for participation in subsequent National Society contests. A State Society may select as first place winner in its own contest a student who may not be eligible to participate in the National Contest.
8. **This contest is for original orations** of not less than five minutes or more than six minutes and shall deal with American History of the Revolutionary War Period: Personality, event or document, and its relationship to events of today.
9. Before a contestant is permitted to speak, each State Society must secure from him a copy of his speech and a biography (to include age, home address, school, year in school, and honors and attainments both in and out of school). These data of its top three winners shall be promptly submitted, together with the official entry blank provided, to the National Committee for determination of the entry's compliance with these rules. **These data must be received by Austin R. Drew, Chairman, 3312 Empedrado Street, Tampa, Florida 33609, by May 28, 1972, two weeks prior to the contest.** Entry blanks will be mailed January 1 to state chairmen when known, or to the state president.
10. Entries in the National Contest must be present twelve (12) hours prior to the scheduled time, prepared to participate in any elimination considered necessary by the National Committee.
11. No applause is permitted until all contestants have finished speaking.
12. Each speech must be essentially the same as the script submitted, and no notes may be used. Electronic amplifiers shall be used.
13. All judges in this contest must be members of the SAR and, as far as possible, members of entities not competing.
14. A committee of judges will select the winners on the following basis:
(A) Composition (E) General excellence determines the final decision;
(B) Delivery these criteria to be used only in case of disagreement on the four other points.
(C) Logic
(D) Significance
15. Contestants will be penalized two (2) points for each minute, or fraction thereof, over or under the time specified.
16. Awards: First prize, \$350; second prize, \$250; third prize, \$100; all contestants not winning first, second, or third prize, \$10. Suitably engraved money clips to all contestants. Supplemental awards are often offered by members of the Society.
17. Contestants are welcome to attend all events of the Congress. Each will receive a complimentary guest registration from the host Society.

The National Association of Secondary-School Principals has placed this program on the Approved List of National Contests and Activities for 1971-72.

WARNING!

The SAR has not adopted or sponsored any insurance or hospitalization plan. Therefore, the Sons of the American Revolution does not recommend any particular one. If or when such a program is officially adopted by our Society, it will be prominently announced in this magazine, and by mail. Until then, **THERE IS NO OFFICIAL OR AUTHORIZED SAR INSURANCE OR HOSPITALIZATION PLAN.**
