# The PRESIDENT GENERAL'S MESSAGE

from Birmingham, Alabama

RYALL S. MORGAN  
PRESIDENT GENERAL

When our Society was founded in 1889, American history had not been written off in our schools, and a strong feeling of patriotism and love of country was prevalent throughout the land. None more so than in our Founders who banded together to . . . "perpetuate the memory of those patriots who, by their services and sacrifices during the war of the American Revolution, achieved the independence of the American people; . . . to foster true patriotism; to maintain and extend the institutions of American freedom, and to carry out the purposes expressed in the preamble of the Constitution and the injunctions of Washington in his farewell address to the American people."

These are a part of the "Objects" of our Society to which we need to renew our dedication from time to time. What better reminder could we have than for each State Society to institute a "Founders' Day Banquet" celebrating the date of the chartering of that Society? (Dates are listed on Page 14 of the Handbook). Each state has its own Founders, and many states had Compatriots active in the founding of the National Society. If descendants of the Founders were available, they could be honored guests in remembrance of their forebear. Part of the program could be a review of the activity during the previous year, and a

re-dedication to the work of the coming year in furthering the "Objects" of the Society. I would like to have some comments on this, and if of sufficient interest, will ask that it be discussed at the State Presidents' meeting at the National Congress in June.

Of all the duties of the President General, the most rewarding are the visits around the country. By the end of my term, they will add up to ten District, twenty-five State and several Chapter meetings. I have found much enthusiasm and many dedicated Compatriots, and State Societies that are actively promoting membership and carrying on the functions of the Society. The other side of the coin is that too small a percentage of our total membership is participating in this activity. It is my recommendation that during the coming year, all officers strive to bring more of our members into active participation.

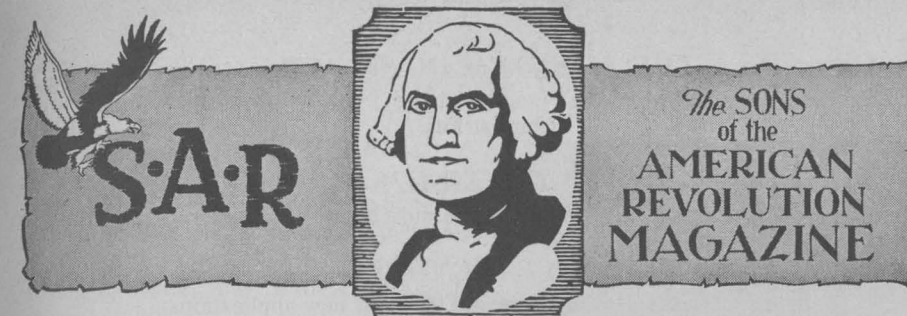

Another recommendation is that the "How-They-Voted" program be given special attention. An effort should be made not only to reach our own members but to bring the program to the attention of, and use by, other groups. Some State Presidents have not yet appointed their liaison man to work directly with the Americanism Committee, and I ask that they do so soon.

Since this is my last written message as President General, let me express my appreciation for the hospitality shown Mrs. Morgan and myself in our journeying around the country. We have been made to feel welcome and wanted. It has been heartwarming to find the interest and enthusiasm shown in furthering the ideals of our Society and the principles on which our Country was founded. May God bless all of you, and keep you until we meet again.

WARREN S. WOODWARD  
EDITOR

Many of us are concerned that the Administration stoutly maintains a reluctance to renounce its stated purpose to spend at least 2½ billions of American taxpayers' dollars in rebuilding communist North Vietnam. Although this bandit dictatorship continues to flagrantly flout the terms of the peace treaty, and although our returning prisoners of war unanimously report inhumane torture and neglect, the White House steadfastly refuses to re-appraise its ill-advised original stand. This attitude is direct defiance of the will of the American people.

Our own SAR Compatriot, U.S. Senator Harry F. Byrd of Virginia, is to be highly commended for having instituted master strategy which will decisively prevent such reparations. As chief sponsor of an amendment to the Par Value Modification Act (Senate Bill 929), Compatriot Byrd has arranged that not a single penny can be sent to North Vietnam without the specific consent of Congress. Because his phraseology is meticulously all-encompassing, no flanking movement is possible, nor can the Administration divert funds already appropriated by Congress for other purposes. Senator Byrd has courageously de-

fended the decision of our people, a stand that too few legislators dare to assume.

Two SAR Compatriots, Senators James B. Allen of Alabama and Lawton Chiles of Florida were co-sponsors. It is significant that the amendment was approved by a vote of 88 to 3 in the Senate. The three Senators opposing the amendment were Gale W. McGee of Wyoming, John G. Tower of Texas and Theodore F. Stevens of Alaska.

I, for one, cannot and will not accept the new philosophy that is being foisted upon our citizenry . . . to love our enemies and neglect our allies. To me, it's still red China, not "Mainland China" or the "Peoples Republic." To me, the ruling cliques of Russia and China are nothing more than loathsome mass murderers, exterminators of millions of innocent men, women and children. Even the President of the United States, for whom I have the deepest respect, cannot make me forget the bloody history of communism.

If and when American dollars are used to rebuild a stronghold of brutality, slavery, dishonor and deceit, this magazine will prominently publish the name of every legislator who voted for such misuse of funds.

The Army contingent shown in the 1973 Presidential Inaugural parade was headed by the five-man Continental Color Team of the 1st Battalion, 3rd Infantry (The Old Guard), the Army's leading ceremonial unit, stationed at Fort Myer, Va. The team traces its heritage back to the early days of the Republic, and the uniforms worn are those used by the infantry of the line in 1784, the year the 3rd Infantry's parent, the First American Regiment, was formed.

### SETTING THE RECORD STRAIGHT

The following text may be found on pages 520 and 521 of Margaret Truman Daniel's new book, HARRY S. TRUMAN:

"The Sons of the American Revolution, at their annual convention, passed a resolution condemning the UN as a 'thoroughly un-American and sinister organization' and called upon the United States to withdraw from it. One past president said: 'Joe Stalin could ask for nothing better than the United Nations for taking over our country.' Bill Hassett laid a clipping from the Kansas City Star, telling the story, on Dad's desk, on July 14, 1951. He replied: 'The Star clipping which you handed me regarding the Sons of the American Revolution is really an eye-opener. These so-called investigators of un-American activities usually succeed in being more un-American than the people they want investigated.'"

My father asked Bill Hassett to prepare a letter to the SAR and he did it with alacrity. The draft read as follows: *Sometime back, without my approval or permission, I was voted a member of the Sons of the American Revolution. I note that your organization desires the withdrawal of the United States from the United Nations. It seems to me that patriots usually are unpatriotic themselves when they make resolutions such as this. I'll appreciate it most highly if you will strike my name from the rolls because I do not propose to be affiliated with an organization that is doing everything possible to bring on a third world war.*

Dad decided this missive would only add to the general uproar, and never sent it."

Now, let's set the record straight:

1. In 1951, President Truman was not a member of the SAR.
2. The SAR does not vote anyone into membership without their approval or permission.
3. On May 16, 1967, President Truman submitted fully-detailed SAR application papers to the Missouri Society. His voluntary action in seeking admission is reflected in his personal signatures, duly notarized on April 30, 1967. President Truman's application was accepted and approved by the National Society, SAR, on June 2, 1967.
4. On March 7, 1968, President General Len Young Smith was warmly received by President and Mrs. Truman at their Independence, Missouri, home. Photographs reproduced in the SAR MAGAZINE portray this new member as a delighted and proud recipient of his SAR membership certificate and badge.
5. Mrs. Margaret Truman Daniel is as talented in writing as she was in singing.

### To Insure Promptness

*The following article will be of interest because Americans are the "travelingest" folks on earth, and may be of particular concern to those planning to attend the SAR Congress.*

To tip or not to tip and if so, how much? These are the questions asked by tourists, travelers and conventioners, since the beginning of tours, travels and conventions. The figure 15% is the one most often heard and it is the figure most often acceptable. In tipping, however, it is best not to forget that the word itself derives from an abbreviation of the term "to insure promptness," and a tip is still considered an award for service above and beyond the call of duty. Unfortunately, today tips have often become an accepted practice, whether service has been exemplary or even downright sub-par, and people often feel compelled to leave one to avoid embarrassment—and consequently leave an even larger one when they are pleased with the service. In terms of who, and how much to tip, here are some guidelines:

skycaps and porters: 50¢ a bag. May be reduced somewhat if you have several bags, but should be increased for oversized luggage.

taxicab drivers: 15% of the charge.

bellboys: 50¢ for each bag. The same amount for delivering telegrams and packages. 75¢ or more for other errands or special services.

chambermaids: \$1-\$2 per week. 50¢ a day for a one or two-day visit. In an expensive hotel, up to 10% of the total cost of the room.

room service waiters: 50¢ as a minimum. If the check is more than \$2, 15-20% of the bill is the norm.

hatcheck personnel: 25¢ for each garment.

counterman in coffee shop: 15-20¢ for a snack. 15% if the check is more than \$1.

bartender: 15-20% of the bill.

restaurant waiter: 15-20% of the bill.

barber: 50¢. Up to \$1 or more in expensive shops, but sometimes less than 50¢ in small towns.

beauty parlor personnel: 20% for the hairdresser, manicurist and the shampoo operator. If the salon owner does your hair, do not tip him or her. Tips can be higher, or lower, depending on your opinion of the service.

## IN CHAPTERS AND STATE SOCIETIES

Your SAR Magazine staff recommends that state societies appoint a qualified compatriot to assemble and transmit ready-to-print material to the office of the Editor. Cooperation by such state societies will obviously enable us to accord them a maximum of representation within these pages.

Do not send newspaper clippings or chapter notices, instead of ready-to-print resumes of activities.

Many situations necessitate the editing of submitted copy, and we reserve the customary editorial prerogative of condensing or omitting that which circumstances justify.

Due to limited space, the text of speeches and essays cannot be published.

Submitted photographs should be black and white glossy prints, for satisfactory reproduction, and should be "SAR subject-related."

Do not send photographs or material which are of such value that their return is necessitated. A service charge of \$1 will be made for each photo or item that must be returned.

Any news material that predates the last previous deadline will be considered too outdated for publication, and will be rejected.

He has helped organize 2 Chapters in Indiana, has been active in civic and historical organizations, and has served several years as an efficient State Secretary. Also recognized at the state meeting were a Past President of the Indiana C.A.R. Heidi Eikenberry, as well as the current President, Brian Wright. The Silver Good Citizenship Medal was bestowed on each in recognition of their contributions toward growth in patriotism in the State of Indiana. Also nominated for the same honor, but unable to attend the meeting, was Georgia Bourne, another Past President of C.A.R. The annual election of officers of the Indiana Society took place and those elected to serve were: Jack K. Carmichael, President; E. LaRue Allen, Vice President; Cyril L. Johnson, Secretary; Walter C. Bridgewater, Treasurer; William J. Boatwright, Registrar; George E. Carroll, Historian; William S. Garrison, Chancellor; Walter F. Hilton, Genealogist; Albert T. At the request of the State President Jack K. Carmichael, a suggested order of services for use on USA APPRECIATION SUNDAY has been written by State Chaplain Albert T. Morris. This material will be furnished to all Indiana Chapters for their use in 1973. The material will be offered to the Chaplain General for dissemination to the other state societies if he desires to do so. The Indiana Society will urge all SAR Chapters to comply with the resolution adopted in Atlantic City, and it will suggest this as a fitting memorial to our late Compatriot, Rev. Dr. James A. DeWeerd, who first suggested USA APPRECIATION SUNDAY as an SAR activity.

Moore, Jr. to award the SAR Silver Good Citizenship Medal to Col. Harland Sanders, whose financial assistance enabled the Kentucky Society to stage the highly successful 1962 Congress at Lexington. The luncheon was hosted by newly-elected Pres. Calvin Westerfield of the **Lt. Robert Moseley Chapter**, and the attenders heard Robert D. Short of Lexington present the new "How-They-Voted" program of the National Americanism Committee.

#### LOUISIANA SOCIETY

On Feb. 13, the **Galvez Chapter** held a special officers' meeting at the Shreveport Club, with Pres. Stanley E. Matthews, Jr., presiding. Plans for the coming year were discussed, and useful SAR literature was distributed to all present. #### MISSISSIPPI SOCIETY

At beautiful Greenwood, the Mississippi Society held its 64th Annual Meeting and hosted the Southern District Conference on Mar. 2 & 3. The program commenced with a gala Open House at the palatial residence of Past Pres. Gen. and Mrs. Horace Y. Kitchell, establishing an atmosphere of warmth and enthusiasm. On the following morning, the Conference commenced with V.P. Gen. O. M. Wilson, Jr. as presiding officer. Pres. Gen. Ryall S. Morgan stated the aims and purposes of the SAR, and detailed

several vital guidelines. Past Pres. Gen. James B. Gardiner reported briefly on the inadequate space factor at the National Headquarters. A question and answer period furnished much useful information for Compatriots, chapters and state societies. It was the consensus of opinion that this was the most constructive Southern District Conference ever held. At two in the afternoon, following a delicious luncheon in the banquet hall of the Greenwood Country Club, the Annual Meeting of the Mississippi Society began with Pres. Tullius Brady wielding the gavel. State business was conducted, with retiring officers reporting for their tenures. The following state officers were nominated and elected for 1973-74: Pres. S. L. Johnson, Jr., 1st V.P. Shelby T. Lilly, 2nd V.P. Marvin P. Lewis, Secty.-Treas.-Registrar (Dr.) James B. Butler, Chancellor (Judge) Sebe Dale, Historian (Dr.) Zed H. Burns, Chaplain (Rev.) Allen Cabaniss, Genealogist William N. Crisler, Jr. and Sgt.-at-Arms H. H. Daniel.

In the majestic Grand Ballroom of the Greenwood Country Club that evening, a colorful banquet marked the end of the 2-day Conference. Pres. Gen. Ryall S. Morgan delivered a stirring and timely address, "Have we sold our birthright?" and he was later honored with a commission as Colonel of the Mississippi Militia, the Honor Award of the Mississippi Society, and honorary membership in that august body. Past State Pres. Tullius Brady was awarded the Patriot Medal and Honor Award. State Pres. S. L. Johnson received the Good Citizenship Medal, and his charming wife, the Martha Washington Award. During the impressive program, Pres. Gen. Morgan installed the new state officers. Past Presidents General attending the

Mr. Arthur Bernhard, a local historian, read the citations which summed up with "pride in their town's heritage, reflected in its youth."

As a direct result of a forceful resolution unanimously adopted by the **Stony Point Chapter** during its recent Awards Dinner, the Rockland County Legislature finally activated a county bicentennial committee that had been appointed over a year ago. The resolution pointed out that Rockland was the only 1 of all 57 counties in New York State that did not have a functioning bicentennial committee. During this period of civic lethargy, the Bicentennial Committee of the **Stony Point Chapter** was the only active body in the county. Past Chapter Pres. J. Wesley Pullman was named Vice Chairman by County authorities.

"Those who burned their draft cards are traitors," he said, after returning home from Wright-Patterson Air Force Base at Dayton, Ohio.

#### A Principal With Principles

As some parents wept openly, the United States flag was raised over the North Ogden Junior High School recently, to end two days of "suspended freedom" in which the principal sought to teach appreciation of America.

"The greatest moment has arrived," Principal Carl DeYoung told the school's 800 students just before the flag was raised. Lowered from the flagpole was the black and white banner of Triangula, a mythical totalitarian nation which, under DeYoung's direction, staged a mock invasion on Monday and imposed strict curbs on behavior. The "invasion" soldiers, who carried unloaded weapons, were volunteers from a local Army Reserve unit.

Students were not allowed to smile during the two days. They were hauled off before mock tribunals if they were caught with the U. S. flags some of them smuggled into the school as part of a student resistance movement. Ten percent of the students were afforded privileges of the "ruling class," including fancier lunches.

The exercise ended at a patriotic assembly recently. Parents were invited and about 50 attended. Some of them wept as the students filled the gym with choruses from "The Star Spangled Banner."

DeYoung told the crowd: "When we teach feelings, feelings emerge. It's hard to restrain those feelings." DeYoung said he had arranged for the "invasion" after a complaint that students were apathetic at daily flag-raising ceremonies. He had three complaints from parents who objected to his "invasion" project.

Washington's time presented the colors after which the Pledge of Allegiance was given. Local musical celebrity, Jack Irvin, sang several patriotic songs, accompanying himself with guitar, and also with assistance from his mother at the piano (Mrs. R. E. Irvin), with the audience joining in singing "God Bless America." Following dinner, Comp. Robert Van Volkenburg surprised the guest speaker, Dr. Athens C. Pullias, with presentation of the Silver Good Citizenship Award for his outstanding contribution to the community in the field of education and civic activities. Dr. Pullias gave a most inspirational speech titled "The Good Life."

Instead of a regular Dec. meeting, the **Memphis Chapter** held a Christmas dinner party which was well attended. Among the invited guests were such distinguished persons as Mrs. Allen D. O'Brien, National V.P.,

DAR, Mrs. Charles Humphreys, Pres., DAR-SAR-CAR Chapter House and Mrs. Boyd Arthur, Chairman of the Regents Council, DAR accompanied by her husband, Comp. Murphy who gave a convincing performance as Santa Claus and distributed gifts to everyone.

At the Jan. meeting, the Chapter was impressed by the "sermon" given by the Rev. George C. Gibson, Rector of St. John's Episcopal Church, based on the hymn "America the Beautiful" written by Mrs. Katherine Bates of Pikes Peak. Father Gibson commented on each phrase of the hymn, pointing out the depth of its meaning to us as Americans.

At a luncheon meeting of the **Paul Carrington Chapter** in the Travis Room of the Downtown Houston Club, officers and members partici-

pated in their annual observance of The Bill of Rights Day. In the absence of Chapter Pres. Stanley, 1st V.P. (Judge) Joe Graham presented Good Citizenship medals to Compatriots (Col.) W. Howell Cocke, Sr. and (Gen.) William C. Chase, who were helpful in completing a historical-permanent memorial presentation project extending over a 2-year period. The Chapter became the recipient of 2 volumes of autographed tribute-filled copies of General Douglas MacArthur's last book, "Reminiscences," and they will, in turn, be presented to the Douglas MacArthur Museum at Norfolk, Va. and the Museum-Library of Douglas MacArthur Academy at Brownwood, Tex., of which Gen. Chase is a Trustee. These historic volumes, autographed by Gen. MacArthur, bear autographs and personal tributes in writing, to their venerated Commander, by each of the surviving members of his Pacific Campaign Staff. These survivors were laboriously located by Comp. Cocke, a West Point graduate, and Mrs. Cocke, after which they obtained the autographs and tributes for each of the 2 volumes. Each of the volumes will be permanently displayed in the 2 museums to impress and inspire generations of the present and future, the young and the old, to be ever mindful of the services, hardships and sacrifices of our Armed Forces in our most perilous hours, saving America from brutal and complete destruction. Their glorious hard-won victories, some believe, might well be

Chamberlain will jointly arrange for formal presentation ceremonies at the Brownwood and Norfolk sites, at which time, Compatriots Chase and Cocke will attend as special guests. It should be noted that, in the book, Gen. MacArthur describes Gen. Chase as "a first-rate combat general." The 2 volumes are from the personal library of Past Pres. and Mrs. Paul E. Wise, who generously donated them to the Chapter.

During the Bill of Rights Luncheon program, the SAR Medal of Ap-

preciation was presented to Mrs. Alice E. O. Anderson of the Samuel Sorrell Chapter, DAR. Mrs. Elizabeth R. Wise, a co-founder, with her mother, of the 46-year old Samuel Sorrell Chapter, DAR, received the Martha Washington Award.

On Jan. 25, the **Houston Chapter** elected the following officers for 1973: Pres. Aubrey Calvin, V.P. Raymond Wilson, Secty. (Dr) Dan Meadows, Treas. Frank White, Sr., Genealogist (Dr.) Richard Etter, Historian Tom Minor, Chaplain Gardner Thornberry, Chancellor Eugene Cook, Town Crier Gus Frutiger and Registrar Lewis Bartlett.

On Feb. 28, the **Houston Chapter** celebrated Washington's Birthday at the world-renowned Petroleum Club. Guest speaker for the evening was Judge Dan E. Walton of the Harris County District Court. Following the address, the Chapter honored Walter M. Mischer, a distinguished Houston banker and business executive, with the Gold Good Citizenship Medal. The large assemblage included the following SAR dignitaries: Past Pres. Gen. Walter G. Sterling, V.P. Gen. Thomas T. Currie, National Executive Committeeman Neill H. Amsler, Jr., State Secty.-Treas. Adrien F. Drouilhet and State Chaplain (Very Rev.) Anton Frank. The evening was a resounding success!

## ATTENTION! CHAPTERS & STATE SOCIETIES

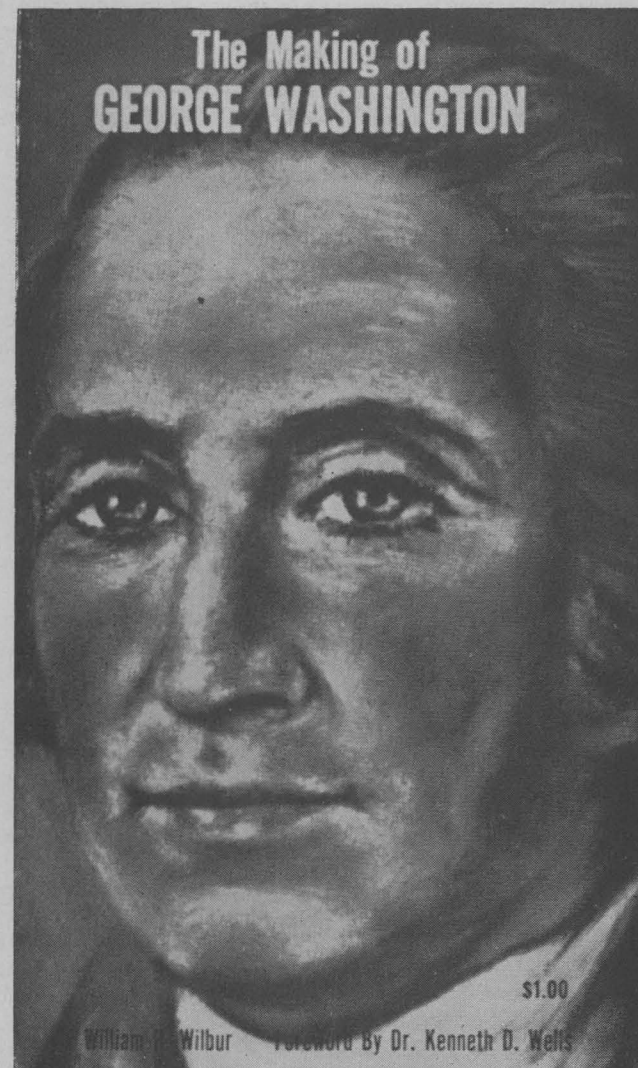

This paperback book isn't just another story of the life of the Father of our Country. It's a new refreshing approach, dwelling upon the youth and formative years of George Washington . . . the training and experiences that made him what he was. This thrilling easy-to-read book will inspire American youth at a time when such inspiration is critically needed.

Here is a suggested plan of action: Compatriots should contact businessmen, within or without SAR ranks, suggesting that they allocate fifty or a hundred dollars of their advertising funds to the purchase of these books. Businessmen will appreciate the fact that they will be given the benefit of a reduced price (perhaps \$75 per 100 books). They would then be invited to stamp their advertising message or, at least, their identity in the inside of the front cover. For example: "Compliments of John Doe, Insurance—or First National Bank." If these books are presented to all members of the local high school graduating class, the program can reoccur each year. Employers could also present them to all their employees, especially those with children.

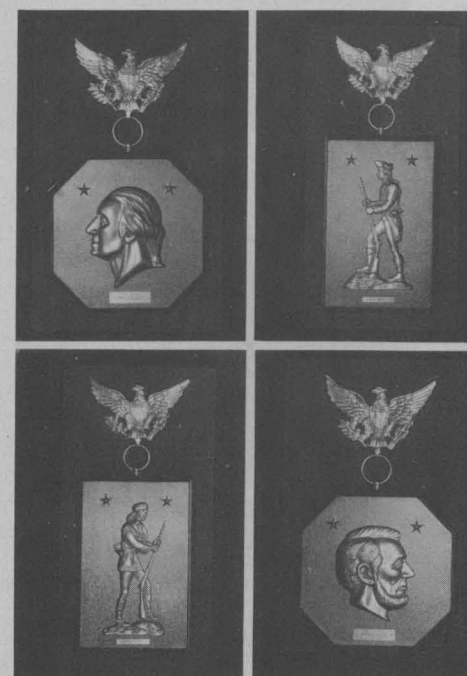

The distribution of this book could well be responsible for helping to reduce theft and wanton destruction, if children try to emulate George Washington's honesty, obedience, industry, modesty and religious respect. It should not be too difficult to find concerned patriotic businessmen to participate in this worthy program. In their realization that America is in dire peril, they will appreciate an opportunity to help in improving these dangerous conditions. Furthermore, contributors should remember that their participation is tax-deductible, as a legitimate advertising expenditure.

For quantity prices, see the price list on page 19.

Farmington Country Club in Charlottesville on Dec. 8, the following officers were elected for the year 1973: Pres., Homer G. Richey; V.P., Prof. Howard L. Hamilton; Corresp. Secty., William A. Doggett, Jr.; Recording Secty., John A. Monahan; Treas., Henry W. Eells; Registrar, Hampton P. Howell, Jr.; Historian, J. William Siegfried, Jr.; Chaplain, James W. Waller; Chancellor, Charles R. Haugh; and Surgeon, White McK. Wallenborn. The election over, State V.P. Thomas P. Nelson, Jr. awarded retiring Pres. Arthur F. Stocker the Virginia Society's new Medal of Merit "for his outstanding service to the Chapter."

On Feb. 16, the **Thomas Jefferson Chapter** held its mid-winter dinner meeting at the Farmington Country Club, with Comp. Flavius B. Walker, Jr., noted Richmond attorney and historian, as the guest speaker. Comp. Walker furnished the large turnout with a dramatic presentation on "The Battle of Yorktown."

**George Mason Chapter** President George B. Warren III, joined with other historic and patriotic organizations on Dec. 10 in honoring George Mason, author of the Fairfax Resolves, the Virginia Declaration of Rights and the Constitutional Convention, in a wreath-laying ceremony at Mason's tomb at historic Gunston Hall in Northern Virginia. Mason, it will be recalled, was a leader of the anti-ratification effort in Virginia, refusing to sign the Constitution because it failed to include a Bill of Rights and a condemnation of slavery. Mason, who was born at Mason's Neck, Virginia, in 1725, was a trustee of Alexandria, treasurer of the Ohio Company and a member of the Virginia House of Burgesses before the Revolution. He died on Oct. 7, 1792, at Gunston Hall.

Topping off the month of December with a serious note and a touch of whimsy, the **George Mason Chapter** met on December 29 at the Fairfax Holiday Inn to review the "challenge at sea in the 1970's". Featured during the evening was a presentation by

Cmdr. H. L. York of the Bureau of Naval Personnel, who outlined the build-up of the Soviet Navy during the past twenty years from a negligible force to one challenging control of the seas. Films covering the deployment of the Soviet fleet were also screened by the members, wives and guests in attendance. On the lighter side, members conducted an "indiscriminate and anonymous" distribution of small Christmas gifts, which Chapter Secretary Massey L. Printz opened was an opportunity for members "to get rid of heirlooms, Christmas ties and small white elephants." Chapter President George B. Warren III advised the membership he was pleased to report the Chapter had already accomplished much in revitalizing the Chapter and predicted that 1973 would find the Chapter well on the road to achieving its goals.

Richmond. United States Senator William L. Scott, introduced at the banquet Saturday evening by Past V.P. Gen. Donald W. Baldwin, gave an address, applauded many times by the Virginia compatriots because of the Senator's support for Gen. Washington and his many statements on what is good about our country which today is condemned all too freely. Following Senator Scott's talk, he was presented the Silver Good Citizenship medal by retiring President Irving B. Morgan. Other compatriots honored by the Virginia Society were: President Morgan and Past President Joseph H. Cottrell who received Patriot Medals. Past President Cary J. Randolph was awarded the Silver Good Citizenship Medal. Medal presentations were made by Compatriot Thomas P. Nelson, Awards Chairman, who himself was presented the Silver Good Citizenship

## In the best traditions of the SAR . . .

At a recent SAR Annual Congress, Comp. Daniel L. Manser, Sr., Historian of the Empire State Society, was having a friendly discussion with State Registrar Joseph W. McLark of the California Society.

Comp. Manser mentioned that his late brother, Comp. Paul K. Manser of the Hawaii Society, was buried at Vallejo, Calif., and expressed his hope that an SAR member's marker was at the gravesite.

Upon his return to California, Comp. McLark drove several miles to the grave from his Alameda home, and found that no marker was in evidence. After correspondence with Comp. Manser, an SAR marker was purchased, and an appropriate memorial program was designed.

On Dec. 2, dignified dedication ceremonies, written by Chaplain Robert H. Swadley of the California Society, were enacted. Participants in the program included Chaplain Swadley, Registrar Joseph W. McLark, Oakland Chapter Pres. Charles C. Smith, Jr., and Mrs. Paul Manser (the widow).

The National Society joins Comp. Manser in saluting these California Compatriots. They have exemplified the finest principles of brotherhood, and have made us even more proud of our SAR membership.

"Should the American colonists rebel against the treatment accorded them by His Majesty's Government, I, for one, would not blame them. As for myself, I can but hope I shall never be required to take the field against them, as they would fight like men possessed by demons."

At a recent banquet of the Wisconsin Society, newly-elected Pres. Harley T. Green receives the gavel of authority from his retiring predecessor, Comp. William J. Poyser, as two distinguished national officers look on. (l to r): Past Pres. William J. Poyser, Librarian Gen. Ronald O. Baymiller, Pres. Harley T. Green and V.P. Gen. Lloyd M. Frick.

Pres. Carlisle F. Smith of the Gen. Henry Knox Chapter (Ill.) has wisely suggested that all Compatriots and chapters adopt a project to recruit as many qualified returning P.O.W.s as possible. They have proved their worth by remaining steadfast patriots, in spite of being subjected to years of communist propaganda and attempted brain-washing.

Col. Harland Sanders, noted philanthropist and "Kentucky Fried Chicken King" proudly receives the Good Citizenship Medal and Certificate from Pres. Gen. Ryall S. Morgan (rt) and Nat. Trustee Frank M. Long, Jr. (lt) at a recent banquet of the Kentucky Society.

## HE'S GOT TO BE KIDDING!

### Clean Bill Sought for Benedict Arnold

An amateur historian is prepared to go to court to prove that Benedict Arnold was no Benedict Arnold. Vincent Lindner, a newsman at radio station WPAT in Clifton, New Jersey, wants to prove that Arnold was not really a traitor, but a "genuine patriot," falsely accused by a bunch of Philadelphia lawyers. He wants to reopen a 193-year old court-martial and clear Arnold's name. Lindner says he must find a descendant of Arnold who will agree to sign a petition to have the Pentagon reconsider the Arnold case. He said the Army has been somewhat less than enthusiastic about his proposal.

## Our traveling Sky-Pilot

During his tenure in office, Chaplain Gen. Joseph B. Head has traveled more than 25,000 miles throughout America, largely at his own expense. In addressing chapters, state societies and other worthy organizations, he has stressed the continuing need for spiritualism in our daily lives. As for American patriotism, it is wholly incomplete without God. The Chaplain General is shown here during a recent visitation to the North Carolina Society. (l to r): Pres. Richard F. Boddie of the Gen. Francis Nash Chapter, Comp. Head, Historian Gen. Albert C. Wirth, Jr., and State Secty.-Treas. John B. Flowers, III.

(top): Pres. Gen. Ryall S. Morgan (lt) becomes a Kentucky Colonel by virtue of the Kentucky Society, Governor Wendell Ford, and V.P. Gen. (Dr.) John B. Moore, Jr. The presentation took place at picturesque Lexington.

(bottom): Newly-installed Kentucky Society Pres. Thomas J. Lyne (lt) is warmly congratulated by Nat. Trustee Frank M. Long (rt) as Pres. Gen. Ryall S. Morgan looks approvingly on.

In October, 1972, a discussion took place within the Executive Committee meeting regarding the monetary incomes and expenditures of our state societies. It was generally agreed that very little is actually known by the National Society as to how dues, fees and other financial matters are being handled by the subordinate bodies.

The President General, by unanimous decision of the Executive Committee, directed the Treasurer General to prepare and mail survey forms to the presidents and secretaries of all state societies. The following tabulation reflects the policies of the 34 state societies that responded. No replies were received from Arkansas, Hawaii, Idaho, Kentucky, Massachusetts, North Carolina, North Dakota, Rhode Island, South Dakota, Tennessee, Washington, West Virginia and Wyoming. Reports were received too late from Arizona, Connecticut and Illinois to be included in the published tabulation.

It is quite apparent from the information submitted that some state societies are financially solvent, while others reflect less than efficient management. Those with dues at a realistic level or above are sponsoring and implementing programs that benefit their memberships and increase the stature of their organizations in the community.

It is strongly recommended that each national trustee and state president carefully review this survey and, if necessary, institute the necessary corrective action to conform with a financial average that has proven successful. By such conformance, they will develop adequate treasuries for the implementation of our stated purposes.

From all indications, many state societies are unrealistic in setting entrance fees. It is probable that, were the amount increased, SAR membership would be more valued by the individual, and he would be less likely to relinquish it. It would also appear that a more standardized scheduling of dues and fees should be instituted, thereby easing interstate transfers. Now that many of our Compatriots are reaching retirement age and moving to states with more compatible living conditions, we should reduce obstacles in the procedure to affiliate with the "new" state society.

The aforementioned statements do not necessarily reflect the sentiments of the Executive Committee or the Board of Trustees, but they are the sincere opinions of your Treasurer General who remains, fraternally and patriotically, your elected servant.

## BOYS WANTED

WANTED! Boys who'll bide their time. And wait the hills of life to climb, Boys out of school who do not seek A grown man's wages in a week, And will not sell the future years For some small gain which now appears;

Bright, eager boys who want to learn And work for more than what they earn.

Boys wanted of a rugged stock, Who will not daily watch the clock; Ambitious boys, alert to see Wherever they can be useful be; Boys who are not inclined to shirk. But put their hearts into their work And go to tasks which must be done As though it were their greatest fun.

Boys wanted—not the flabby kind That seek some easy post to find; Not careless boys who think the boss

## IT'S ABOUT TIME!

The Senate Post Office and Civil Service Committee has approved and sent to the Senate a resolution authorizing a full-scale investigation of the U.S. Postal Service, including unannounced inspections of postal facilities and open hearings on Postal Service management.

According to Senator Gale McGee, D-Wyo., chairman of the committee: "The Postal Service has been in full operation under the mandate of the Postal Reorganization Act of 1970 for a year and a half now, time enough, in my view, to have gotten on the track and provided the kind of efficiency which the Reorganization Act was intended to produce. Results so far have been disappointing. I am very deeply concerned about the deterioration of postal service."

Senator McGee said that special investigating teams will visit key postal facilities throughout the nation as part of the committee's effort to determine the extent to which the mandate of the Postal Reorganization Act is being carried out. The hearings were scheduled to begin February 27, 1973, with testimony from Postmaster General Elmer T. Klassen. The committee will also hear from Postal Service officials and from experts in the field of postal operation.

"Committee members, individually and collectively, are concerned over the poor quality of the postal service and the continuing, apparently justified, complaints of mail users. Following the investigation, we will be able to provide the Senate with concrete advice on how the situation can be improved," Senator McGee said.

## A MESSAGE FROM YOUR CONSTITUTION WEEK COMMITTEE

Through the very fine efforts of a growing number of Compatriots your Chairman can report an encouraging amount of recognition of the adoption of the United States Constitution on September 17, 1787.

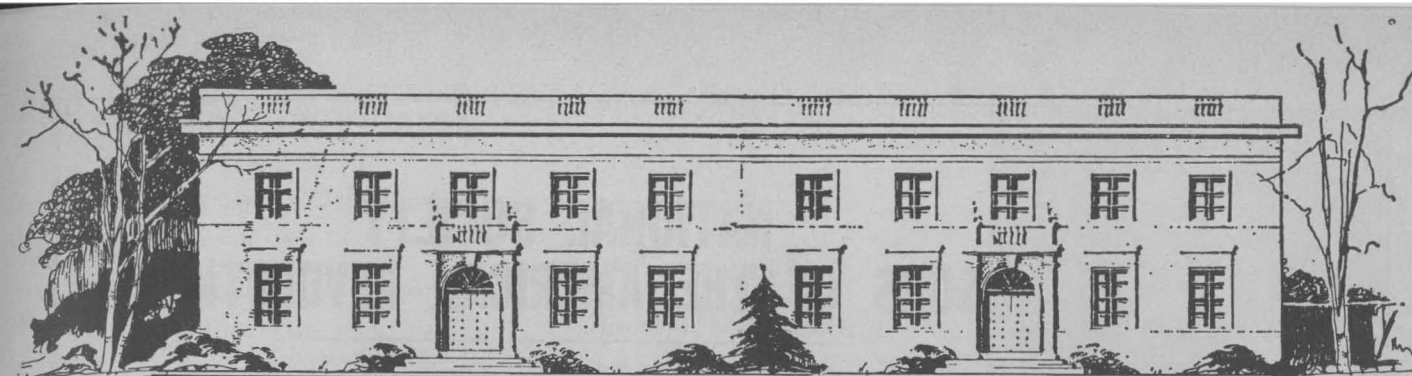

At least 5 governors and 20 mayors issued Constitution Week proclamations as a direct result of the efforts of our Compatriots. The occasion was marked by numerous meetings held by SAR and SAR-DAR groups.

Compatriot Henry J. Taylor, whose column appears in 188 newspapers with a circulation of 17 million copies, devoted his entire column to the U.S. Constitution. Newspaper coverage was given by quite a few small newspapers, but few if any, metropolitan newspapers.

Your Constitution Week Committee suggests that program chairmen and individual Compatriots begin now to plan for activities between September 17 and 23 to bring to the attention of our citizens the great importance of our Constitution in providing the steel frame on which our governmental structure is built.

This is an appropriate moment to express my appreciation and thanks for past work performed by members of this Committee and other Compatriots in making Constitution Week a better known occasion.

National Chairman

Present SAR National Headquarters

Projected Addition

It is becoming increasingly difficult for the National Headquarters staff to operate efficiently because the present facilities, originally designed as a private home, are no longer adequate. With the mounting work load, together with a growing inventory of genealogical volumes and museum items, we must have more space for offices, records, library and museum. The practical and most economical solution is the construction of an ad-

joining building, to be built upon our adjoining side lot. The building has been authorized by the National Trustees and the 77th Annual Congress . . . subject to our ability to raise the necessary funds.

Exhibit the spirit of sacrifice displayed by your Revolutionary forebears, and join the distinguished ranks below. Your tax-deductible donation may be dedicated to the memory of a loved one. Please act today.

The following list acknowledges those who have donated \$100 or more to the SAR Building Fund. Due to the space factor, listing of donors of lesser amounts will be printed but once, in the magazine issue following the donation.

## Heart Attack Warning Symptoms

Few Americans realize how deadly a killer heart attacks are. For example, in the State of New Jersey, someone dies from heart attack or heart trouble every minute and a half.

Be alert to such warning signs as prolonged, heavy pressure or squeezing chest pains which may spread to the shoulder, arm, neck or jaw. They are often accompanied by sweating, nausea and shortness of breath. If you experience these, call your doctor immediately, or tell others to do so if you can't. If he's not available, get to a hospital at once. And remember, emergency numbers kept beside your phone or in your pocket could be life savers.

## Before "Soft Living"

We are constantly reminded of the earlier days in America when comfortable living meant that one had to furnish, for himself and his family, water, light, transportation, communication and sanitary disposal. There was no gas for heat or light. The kitchen coal range and Franklin coal stoves provided warmth, while kerosene lamps furnished light. Streets were not paved, and sidewalks were of cinders or boards. However, there was one strong amenity which today's housewife would surely appreciate. Instead of making frequent and traffic-dodging trips to market, the butcher and grocer called at the kitchen door each morning for the "order", and delivered the supplies by wagon the same day without extra charge. And folks could even afford meat in those days!

Wohlquist, National Federal Coordinator of the U.S. Department of Interior, who described a new Federal Bicentennial project, "Johnny Horizon 1976." "Johnny Horizon 1976" kits were distributed to all present, and Mr. Wohlquist informed the attenders that more are available in any quantity to chapters and state societies. The basic theme of this program is to clean up America by 1976. The Executive Secretary thereupon asked Mr. Wohlquist for 500 kits for the 83rd Annual Congress, and he was promised that they would be made available.

Upon recommendation of the Executive Committee, it was moved by Compatriot Miller, seconded and passed, that a suitable certificate be produced for raising monies for the Building Fund.

Upon recommendation of the Executive Committee, it was moved by Compatriot McGuire, seconded and passed, that the Trustees authorize the production of a Bicentennial commemorative coin to be sold to the membership and general public, the proceeds to be deposited in the Building Fund, and that the President General be empowered to appoint a committee to report on all phases of development.

Upon recommendation of the Executive Committee, it was moved by Compatriot Smith, seconded and passed, that the Trustees reaffirm our resolution of the 1966 Annual Congress relative to the maintenance of U.S. sovereignty in the Panama Canal Zone, and that copies of this action be sent to the President, the Secretary of State, and all members of the United States Senate.

Upon recommendation of the Executive Committee, it was moved by Compatriot Miller, seconded and passed, that the next Trustees' meetings be held on Sunday morning, June 24, and Wednesday, June 27, 1973, at Palm Beach, Florida.

Upon recommendation of the Executive Committee, it was

moved by Compatriot Leathers, seconded and passed, that the interim budget (April 1—June 30, 1973) be adopted as submitted.

Upon recommendation of the Executive Committee, it was moved by Compatriot Vaites, seconded and passed, that the annual audit be authorized at a cost not to exceed \$750.

Upon recommendation of the Executive Committee, it was moved by Compatriot Gillam, seconded and passed, that the following members be presented with the Minute Man Award at the 83rd Annual Congress: Darall G. Hawk, Joseph B. Head and Vincent Van Inwegen.

Upon recommendation of the Executive Committee, it was moved by Compatriot Miller, seconded and passed, that the rules for the 83rd Annual Congress be printed in the next (Spring) issue of the SAR MAGAZINE, and that they not be read at the 83rd Annual Congress.

At the direction of the President General, the Executive Secretary announced details of a proposed charter flight to Switzerland and France from May 28 to June 11. During this period, the President General will present a charter to the newly-founded Society in Switzerland, S.A.R. A charter presentation dinner is scheduled to be held in Bern on June 2, followed by a dinner with the Society in France, S.A.R., on June 9. Members and friends of the S.A.R. are invited to join the delegation, which will qualify them for the special arrangements and prices. A brochure is currently being prepared for distribution to those expressing interest in participation.

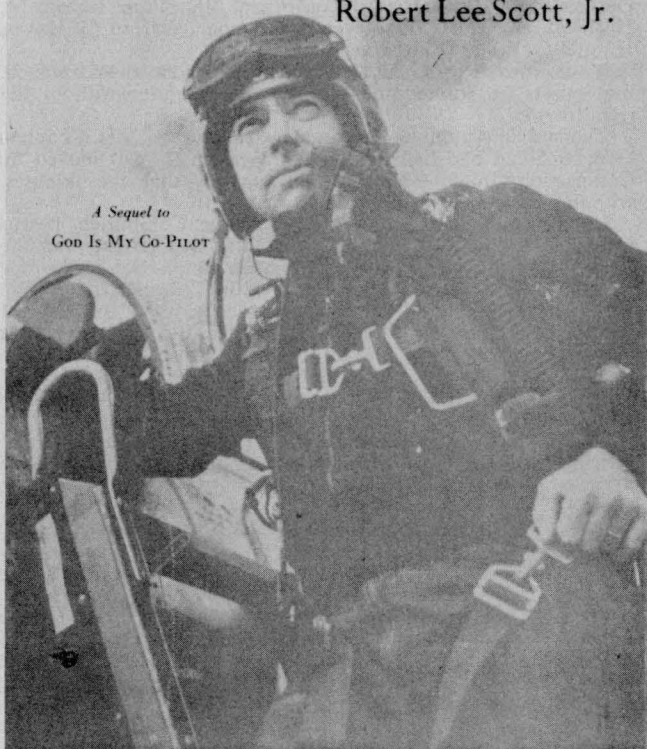

A letter from Past Chancellor General W. Giles Parker was read, in which he reported having suffered a severe heart attack. A unanimous expression of sympathy was thereupon accorded him.

The SAR MAGAZINE apologizes for this error, and wishes to express joy and heartfelt relief in the knowledge that this superb American is alive and well at his Arizona home.

Upon recommendation of the Executive Committee, it was moved by Compatriot Leathers, seconded and passed, that the Society adopt and develop a miniature Liberty Bell which can be used as a gift to speakers at the national, state and chapter levels.

Upon motion by Chaplain General Head, the appreciation of the Society was accorded to Mr. Sargent.

President Munson of the Empire State Society described the disinterment of the remains of Colonel Few, a Signer of the United States Constitution. Due to the efforts of Compatriot Munson and the Empire State Society, the remains were transported from Newburgh, New York, to Colonel Few's home state of Georgia where the Bicentennial theme will center around his final resting place.

President Julian V. Brandt, III, of the Citadel-Charleston Chapter, described the South Carolina Society's project for purchasing and restoring the home of Edward Rutledge, a Signer of the Declaration of Independence. Compatriot Miller recommended that a representative of the National Society be appointed to advise and assist in this worthy project, and suggested that Compatriot Morgan act in this capacity now and after his retirement from office next June. It was further recommended that the Resolutions Committee consider adopting a pertinent resolution at the next Congress. These recommendations were moved by Compatriot Miller, seconded and passed.

Compatriot Munson declared that we should reaffirm our stand against amnesty for deserters and draft-dodgers. The matter was referred to the Resolutions Committee.

The meeting was recessed for lunch at 12:10 p.m.

The meeting reconvened at 1:45 p.m.

Chancellor General Prugh reported that the National Society was currently involved in litigation relative to the Cathedral of the Pines. He reported impending proceedings to reform the Declaration of Trust which created and controls the aforementioned. It has been proposed that the National Society, S.A.R., sacrifice its role of possible inheritance, should the Cathedral of the Pines be abandoned by the present executors. After much discussion, a motion by Compatriot Coe was seconded and passed that our Society remain as a possible recipient in the event of dissolution.

Verbal and/or written reports were delivered by the following: President General, Secretary General, Treasurer General,

It was moved by Compatriot Anderson that the National Trustees recommend to the State Societies that they promote a program that would result in a donation of at least \$20.00 from each member. Bicentennial Chairman McGuire and Building Fund Chairman Anderson announced jointly that the success of such a program would ensure the realization of our need for an additional building. This building would constitute a practical and impressive memorial to the Bicentennial of our Nation.

Membership Chairman Burch reported on recruitment workshops that are being organized throughout the country. At this time, he announced the official emergence of the new membership kit, which will be an invaluable tool for those engaged in recruiting. ### IF I WERE THE DEVIL

If I were the devil and wanted to turn America into a Communist hell, I think I would do something like this:

I would cultivate among the people the idea that the individual is nothing, the indiscriminate mass of people everything. I would also seek to convince Americans that God and Christian ethics and an honest desire to make one's way in the world are old-fashioned.

I would get elected to office on the promise of helping everybody at someone else's expense.

Then I'd treat the Constitution as a sort of handbook on the philosophy of government to be referred to only if it served my purpose.

I would increase the size and scope of government in every way possible, going into every conceivable business in competition with established enterprises, paying the State's business losses out of the treasury. I would try to keep hidden how this could lead at the right time to the nationalization of industry.

I would thus create a government strong enough to give its citizens everything they want. Thus I could create a government strong enough to take from them everything they have.

By a combination of inflation and taxes I would rob the very people I pretended to help until, if they ever should want to return to freedom, they couldn't—but would be dependent on the State.

Next, I would gradually raise taxes to 100 percent of income (we are one-third of the way now)—so that the State could have it all. Then I'd give back to the people enough to keep them alive and little enough to keep them enslaved.

In the meantime I would take from those who have and give to those who want until I killed the incentive of the presently ambitious man and satisfied the meager needs of the rest. The police State would then be required to make everybody work—and the transformation of America from a Republic to a second-rate Communist nation would be complete.

**Do you see in this, similarities to what we have been doing for thirty years?**
