ANY MAN shall be eligible to membership in the Society who, being of the age of *eighteen* years or over and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unfailing in loyalty to, and rendered active service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute man, in the armed forces or the Continental Congress or of any one of the several Colonies or States, or as a Signer of the Declaration of Independence, or as a member of a Committee of Safety or Correspondence, or as a member of any Continental, Provincial, or Colonial Congress or Legislature, or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain.

President General's Message

TO EVERY COMPATRIOT:

This is a message to you, Compatriot. It is my one opportunity to visit with you individually and at the same time en masse. Will you be good enough to receive it as a personal communication. Thank you.

It is a wonderful time to be alive. I congratulate you. Momentous events are in the making which will affect world history. Representatives of the nations of the world are sitting down together with us at our table to effectuate, insofar as it is now possible, bases for world cooperation, peace and the good of all peoples. Because of the past and the present (mostly the past), this is both a tremendously difficult and an exceedingly important undertaking. That it may succeed is the supreme hope of not only the masses everywhere, but of all thinking men as well.

Though, as a nation, we set aside one day in November to celebrate Thanksgiving, it should be a continuous attitude. We have much for which to be grateful to the Giver of every good and perfect gift. And as I write, the Christmas Season approaches. When the postman brings this message to you, the 1946 Yuletide will have passed, but other happy days, I hope, may be ahead for you. May you have a full measure of blessings in the New Year.

As your chief servant of the year, may I report to you that our Society is making progress. Our officers and committees are at work—and work we must if we would succeed. Your Executive Committee has had many problems presented to it, the problem at Headquarters having been one of major importance.

We must do something more than that which has become routine through the years if we deserve to live and progress. If we would increase our influence toward the accomplishment of the purposes of our Society, then we must (1) increase our numbers, and (2) get rid of the relatively small debt which has so seriously encumbered our activities for the past two decades. These two responsibilities rest individually upon you and me—upon every member of every chapter and state society. In those states where compatriots accept this as an individual duty and are at work, we are getting gratifying results. You can in your state, *if you try*. I urge you with all the fervor of my being to do your part.

May I add this thought: Religion plays a very important part in our individual lives, just as it did in the settlement of our land and the formation of our country. It is time to get back to bed rock. For about one hundred years there has been a tendency on the part of some so-called experts, some philosophers and some teachers to minimize, belittle, and even deny the existence of the inalienable rights of men. The move has been world-wide to make men believe that the State is supreme and all men's rights subjected to it. For a century that yeast has been rising in our own nation. It is time to put a stop to it. Our nation was founded and has developed on the exact opposite of that concept. The situation is fraught with grave danger. In every chapter, in every church, in every school, we should boldly counteract this prevalent and growing theory. The inalienable rights of man are God-given. Let us see to it that in America they remain inviolate.

Special Appeal

TO EVERY COMPATRIOT:

Your society still owes \$6,000.00 in outstanding Debentures on our Headquarters Building in Washington.

In 1927, when the Congress authorized its purchase we assumed an obligation of \$145,000.00. Since then we have paid off \$139,000.00 and interest. Our President General and the Executive Committee feel that the balance should be paid off now, and that with the indebtedness out of the way the Society can take a more active position in National Affairs in furtherance of our American ideals and Principles.

Many of the States are adding the line to your 1947 dues cards, "Voluntary Contribution to National Society Headquarters Fund \$_____," so that you can add whatever amount you feel you can contribute to your check for your dues. The State Societies will then forward the contributions.

Many of us have joined the Society since 1927. Many of us have never made a contribution to this Fund.

Your contribution does not need to be large, but for the good of your Society give some amount. It will make your Society mean more to you and will advance the effective operation of the S.A.R.

If you prefer, make out a check payable to National Society S.A.R. Headquarters Fund and mail it to the Secretary General in Washington or to the Committee office at 2950 Penobscot Building, Detroit 26, Michigan.

Please do not fail to contribute some amount, however small. Any excess above the \$6,000.00 will be used for repair and rehabilitation of Headquarters.

There will be a tea for the women visitors given by the Buford Chapter of the D. A. R. in the D. A. R. Cabin, and a visit to the Battle Grounds of Point Pleasant, where the greatest Battle was fought on October 10, 1774, where the Indian Chief Cornstalk commanded the Indian hordes and General Andrew Lewis, for whom the Huntington Chapter of the S. A. R. was named, was in command of the Militia.

At the opening session on Wednesday, May 14, 1946 Governor Clarence W. Meadows, who is a member of the Daniel Boone Chapter of Charleston, will welcome the delegates and visitors to West Virginia and Mayor Douglas C. Tomkies of Huntington, who is a member of the General Andrew Lewis Chapter, in Huntington, will welcome the delegates and visitors to the City of Huntington. The West Virginia Society of the D. A. Requests for hotel reservations should be addressed to Mr. Sidney P. Hayes, 401-11th Avenue, Huntington, West Virginia. Leading Hotels: The Prichard, Governor Cabell, Frederick, and Huntington.

The above article only briefly suggests some of the fine plans that our Compatriots in West Virginia are making for the entertainment and interest of the delegates to the 57th National Congress of the Society.

It is hoped there will be a fine attendance and for those who are planning to drive to Huntington, it may be said that there is no more beautiful country to be found through the West Virginia mountains and the gorgeous and magnificent Kanawha River Valley.

Our next issue will carry a much more detailed program and information concerning every feature for which Chairman Daniel and his Committee are so diligently preparing.

The Hotel Headquarters is noted above and on our advertising page and for further information as to other Huntington hotels, we mention The Governor Cabell, The Frederick and the Huntington.

AN ALARM

To every SAR Member

Let's get down to cases! The normal addition of new members is narrowed down to about twenty-four state societies, with only ten (20%) making conspicuous gains. This applies to the records of the first eight months of the fiscal year. The following seven states have not recorded one new member: Vermont, Alahama, Mississippi, Kentucky, South Dakota, Arizona, and Montana. This is apathetic.

Then Maine, Massachusetts, Rhode Island, New Jersey, Maryland, Virginia, Tennessee, Michigan, Wisconsin, Iowa, Missouri, Kansas, Oklahoma, Idaho, California, and Oregon are down low on their quotas—this is very disturbing. The Communists (not a political party but an association of fanatics) claim 100,000 members in this country. With six or seven million males available, descendants of the founders of this nation, why is it that our backward state societies do not effectively search for eligibles and make a healthy showing by normal gains of membership? Why be a stickin-the-mud?

Here is comparison for thought: The D. A. R. reported national membership through the year 1945, 145,000 with 2500 chapters. We are trying to edge up to 20,000. Our standing at the moment is near 19,000. If the nation's women can build up membership, the men can do likewise.

The National Society S. A. R. has worked wonders in the past nineteen years by starting at scratch with \$145,000 obligation for a building, to house headquarters and to have paid off \$139,000. This obligation has limited our appropriation for office staff but beginning with the new fiscal year we should be out of the woods. State societies, active in building up membership, have contributed effectively to reduce this obligation.

If your state society lacks punch, a group of you should get together, with your Board of Managers and evolve plans to get rolling. There are plenty of you to put backbone into the situation. Get a member to pledge to putit-over and then back him with cooperation.

Every state society from 30 to 500 membership should issue a quarterly bulletin. Those of larger membership should, at least, induce their chapters to do so. It is a connecting link that keeps up interest. It serves as a "binder." During three years of issue by the New Hampshire Society, there has not been one resignation nor one member dropped for nonpayment of dues. It is one of those elements like a letter from home. If job printing is too high for your budget, a mimeograph bulletin will serve your purpose. It also serves as a medium to mail to prospective members. If you do not issue one it is a "missing-link."

Time is short to finish new membership records for this fiscal year. If those states that are trailing had started in April and not left the load until now it would be much easier. However, a good record can be made by good effort. The writer of this article had the experience of taking hold, some years back and without much acquaintanceship, built 85% of the state quota within three months. Starting the drive brought new members who proposed eligibles.

You will work wonders if you will get behind this. It is your patriotic duty to help.

een carved Ohio, Illinois, Mich.W.

HARRY E. SHERWIN, Chairman, Organization Committee.

by gift a portion of the Princeton Battlefield, which was dedicated as a State Park on October 20th last. This is a gift of Mrs. Agnes Pyne Hudson and Mr. Robert C. Maxwell, who presented the deeds to Governor Walter E. Edge, who accepted on behalf of the State of New Jersey in an eloquent address. Historical addresses were also made by Dr. Harold W. Dodds, President of Princeton University, and Dr. Douglas Southall Freeman, noted editor and news commentator.

About fifty acres is included in this gift and contains that part of the Battlefield where a number of American and British soldiers who participated in the battle are buried.

Preceding the ceremonies a luncheon was held at Princeton Inn attended by many distinguished guests, representing many historical and patriotic societies. An impressive part of the ceremonies was the escort of honor by a detachment of the First Troop of the Philadelphia City Cavalry, the only surviving military organization that fought at the Battle of Princeton, most of whose members are direct descendants of those early patriots.

This dedication is one of the many outstanding events in the series of the Bicentennial anniversary events of Princeton University which began in September 1946 and will continue through 1947.

That the State of New Jersey has received of the United States, Northwest of the River Ohio." An outstanding feature of that ordinance was that it prohibited slavery in the vast territory. Other clauses embodied most of the provisions of the subsequent Bill of Rights, first amendment to our Constitution, such as civil and religious liberty, the right of habeas corpus, trial by jury, nonexcessive bail and other freedoms.

> The late President Theodore Roosevelt said this ordinance "in truth, so wide-reaching in its effects, was drawn in accordance with so lofty a morality and such far-reaching statesmanship, and was fraught with such weal for the Nation, that it will rank among the foremost of American state papers. It marked out a definite line of orderly freedom along which the new States were to advance."

Authorship of the ordinance has been claimed by several men, among them Rufus King, a native of Scarborough, Me .- then part of Massachusetts-and Nathan Dane, a native of Ipswich, Mass., both of whom were delegates to the Continental Congress. The fundamental principles underlying the Ordinance of 1787, however, came from the pen of Thomas Jefferson several years previous. But at the time the ordinance was adopted Jefferson was in France, as the United States Minister to that country. The Sunday Star, Washington, September 22, 1947.

Bill of Rights Proclamation

In accordance with the Legislation passed National Shrine of the Bill of Rights in hislast May, President Truman issued a Proclamation on December 9th, urging the Nation to observe December 15th, the 155th anniversary of the adoption of the Bill of Rights in "solemn contemplation of our liberties and of the recent world-wide battle to protect them from annihilation."

He said preservation of these privileges "can be guaranteed only by courage, determination and unremitting vigilance" and urged that citizens observe the day "with appropriate ceremonies and prayer."

It was through the efforts of past President General Multer and Chairman Osborn of the National Bill of Rights Commemorative Committee that a joint resolution was introduced in both Houses of Congress calling upon the President of the United States to issue a proclamation for the observance of Bill of Rights Day upon December 15, 1946. Through their efforts, action was taken by the Judiciary Committee of both Houses and this Resolution was passed by both Houses of Congress.

It is indeed gratifying that it was the Sons of the American Revolution who instituted the observance of Bill of Rights Day by Presidential Proclamation throughout the Nation, and the response has been most immediate and encouraging throughout our Society.

Among other fine observances, was the sixth annual gathering of the Society of the

toric St. Paul's Church at Eastchester, N. Y., where John Peter Zenger was arrested in 1733, a printer who was charged with seditious libel for printing a story of Quakers who had been denied the vote, for refusing to swear on the Bible. Zenger was acquitted after a trial that established the legal basis of freedom of the press in this country.

The Council of State Presidents of the New England District, of which Vice President General Chester R. Martin, of the Rhode Island Society is Chairman, met again on December 14th at the Harvard Club, Boston. These meetings are planned to be held monthly and this is the third of the series.

A plan to combat youth delinquency is being formulated and the Council has resolved itself into a laboratory of psychological analysis, through consultation with specialists from every field having to do with child and youth problems, with special attention to youths from sixteen to eighteen years.

The Council was addressed by Harold F. Drew of Keene, N. H., probation officer and President of the teachers' association; Colonel William W. Naramore of the Attorney General's office, Washington, and John F. Davidson of the FBI, all of whom made enlightening contributions to the discussion and offered some constructive suggestions.

Members of Congress from six great Northwestern States are co-operating toward celebration (1947) of the 160th anniversary of initiation of settlement, government and progressive development of that territory out of which have been carved Ohio, Illinois, Michigan, Indiana, Wisconsin and the southern part of Minnesota. There was not a single white man's settlement in the entire area prior to 1788, except an occasional fort, a few French settlers and lone missionaries.

On July 13, 1787, during the same time that the Constitutional Convention was meeting in Philadelphia, the Congress of Confederation then meeting in New York City adopted "An Ordinance for the Government of the Territory

A Notable Ceremony

On the afternoon of BILL OF RIGHTS DAY, Sunday, December 15th, 1946, on the lage of the Metropolitan Opera House in New York City, a framed facsimile of the Library of Congress copy of the Bill of Rights was preented by the New York Chapter, Sons of the merican Revolution, to Mr. Charles Davis on behalf of the Children of the World." The Metropolitan Opera House was crowded with children gathered as guests of The World Festi-

vals for Friendship, an international youth movement headed by Mr. Charles Davis, Honorary President. The presentation of the Bill of Rights was made by Gardner Osborn, Vice President of the New York Chapter, in recognition of the impressive contributions to the advancement of the principles of the Bill of Rights made by Mr. Davis, a fellow member of the Chapter.

Notes and Comments

Many inquiries come from secretaries as to whether the dues of service members are still remitted, since the close of the war.

To this the reply is: IF the member is still in service of the armed forces of the United States, and your society is remitting his dues, the National Society will not require the per capita for this compatriot.

IF the compatriot is out of service, honorably discharged, he should be approached for his annual dues, and incidentally, it is felt, any member who has been carried on the state and national rolls during the war, should feel an obligation to continue his membership and resume his financial obligations.

In other words, the National Society remits the annual per capita for any member for whom the state society remits dues. The Constitution says "Each State Society shall— Pay to the Treasurer General as of April 1st of each year the annual dues for such Society, computed at the rate of one dollar for *each member* carried *on the rolls* of such Society as of that date"; the exceptions as above follow. Art. II, Sec. 4.

Many requests come to the Registrar General for copies of applications, which requests are complied with cheerfully. However, it never seems to occur to such inquirers that the same record should be available in the office of the *State Society* Secretary, or Registrar! That is true, IF the State Society has its records intact, as should be the case!

The Graves Registry at National Headquarters has received a gratifying number of new records—totaling over seventy-five, which have been added to the files. This through the cooperation and courtesy of Compatriot Charles W. Tucker, Genealogist General of the National Society and the Chairman of the National Committee, Compatriot Paul A. L'Antigua.

Compatriot Tucker, who is also Registrar of the Massachusetts Society has done yeoman service in this work of identifying Revolutionary Graves, and should be given all appreciation and credit for his outstanding work.

Syracuse Chapter and Harris Ferry Chapter are two other chapters doing valuable work in this field. **Congratulations to Syracuse!**

My Compatriots:

I regret deeply my inability to be with you in person on this occasion, but other pressing duties prevent my having that pleasure.

A Fiftieth Anniversary Dinner should be a milestone in the life of an organization, a point at which to pause and look back at the last half century and forward into the future

The past record of the Sons of the American Revolution is one of which every member may be proud. The ideals of those ancestors who fought for freedom have been sustained

Let us all hope that the next fifty years will find an America with the ideals of freedom still firmly fixed, an America that has been strong enough to safeguard herself from all enemies that may appear from within or without her borders.

Begin to Get Ready!

Be a Wise Secretary-Treasurer-Registrar!

The fiscal year of the National Society ends next March 31st.

Before April 15th, it will be your duty to send to the National office a list of every member in good standing on your rolls on April 1st, including those who may have *just been accepted on March 31st*, together with \$1.00 for the per capita for each one.

Unfortunately it is the practice in some state societies to wait until April 1st, or nearly so, to send due-bills for the annual dues with the result that these monies are not collected and in hand in time for the report to the National Society, with the result that the Secretary-Registrar General is greatly embarrassed and delayed in completing his own final reports on membership.

This is an appeal to the officers of such state

societies to anticipate this date when their reports are due in Washington, by issuing duebills well in *advance*, and following these up in any cases of delay by further personal solicitation.

Those societies which close their fiscal year on February 21st, are usually ready to forward the amount of their National Society dues, but where the fiscal year begins April 1st, the collection of dues should begin early in March, if not before. An early collection will avoid a long list of delinquents who must subsequently be reinstated, causing not only a headache to both National and State officers, but embarrassment to the delinquent members, so our advice is

Begin to get ready!

World War II Medal is now available for purchase by State Societies, at \$1.00 each.

Please note that these are intended as a gift from the State Societies to their members who have given active service in the forces of the United States in the recent World War II. in grateful recognition of this service. It is not intended that compatriots purchase these medals personally.

State officers should satisfy themselves of the service of the Compatriots who are to receive the medals, by any authoritative evidence, such as copy of discharge, or commission or other proper proof. Such proof need not be submitted to the National office, which will rely on the state officer sending the order.

The Massachusetts Society leads with an order for 185 Medals!

Please send check payable to the Treasurer General, with order, to the Secretary General at National Headquarters.

"SAR Golden Jubilee

"'To us, ancestry is not a boast but a challenge.'"

"That statement, taken from the information bulletin of the Syracuse chapter of the Sons of the American Revolution, seems especially worthy of emphasis as members of the local chapter meet tonight in celebration of their 50th anniversary.

"The 10 words quoted above represent, it seems to us, the basic motive behind all activities of the SAR.

"Not content to rest on ancestral laurels, the organization has attempted to strengthen and safeguard the democracy which their forefathers founded. The SAR members have consistently fostered a patriotic spirit, both by observance of historic anniversaries and thru programs designed to teach young people the true worth of American ideals. "They have been in the forefront, also, in the battle against enemies without and within, who are striving to undermine the bulwarks of a strong and united nation.

"Now the Sons of the American Revolution are committed to an effort to improve the morals of the American people and to revive respect for law and order. Certainly this is a fundamental and vitally needed undertaking in the present age of moral cynicism and of contempt for constituted authority."

The above is quoted from an editorial which appeared in the Syracuse *Post-Standard* of December 5, 1946.

Would that more editors of newspapers in our cities throughout our land would more often express a like appreciation of our Society and its ideals and work.—Ep.

The American Red Cross Carries On

To carry on its postwar activities and to expand its relief, health, and welfare work at home and overseas, the American Red Cross on March 1 will launch its 1947 fund campaign. Upon the generosity of the American people depends the success of this mammoth humanitarian effort.

In this postwar period of difficult adjustment, the services of the Red Cross are as essential to the American people, to serviceman and civilian alike, as they were during the war.

Veterans and their dependents look to the Red Cross for continuing guidance. Occupation troops, far from home, still need the familiar Red Cross services. Disaster victims rely upon prompt and unfailing Red Cross aid.

Brief Book Reviews

(A copy of this recently published book has been donated to the S. A. R. Library by the author.)

"Hail to the Jeep," by A. Wade Wells; Published by Harper and Brothers, New York. (\$2.00)

This is an authentic and interesting historical record of 'mighty' Jeep and its important role in World War II. Mr. Wells has spared no effort in giving us this history. He traces its evolution from the Army's desire for such a mobile unit, through the planning stage and the many rugged tests of various experimental models until a satisfactory model was found and standardized; how it was named the Jeep. Its record in all parts of

graphs.

Events of State Societies

(Editor's Note: State and Chapter Officers are requested to furnish news items of their activities for publiestion in this department. Such items should be sent to National Headquarters for our next issue on or before March 1, 1947.)

Arkansas

State President, Dr. Corydon M. Wassell, who has been in Florida for some months, has returned to Arkansas and is now at Hot Springs. Dr. Wassell has been retired with the rank of Read Admiral, Medical Corps, USNR.

Vice President Chaplain John L. Blakeney has also been retired with rank of Colonel, Chaplain Corps USA.

Vice President General, and State Secretary, Mason E. Mitchell was a guest of the Missouri Society at its celebration of Yorktown Day, October 19th, when President General Oliver was the special guest of honor. Mr. Mitchell took this opportunity to confer with the Missouri officers with regard to membership increase plans.

The Arkansas Society will hold its Washington's Birthday Observance on February 17th, when President General Oliver will be the honor guest, the date having been arranged to agree with the latter's western itinerary.

It is planned to hold a Christmas party for Arkansas compatriots who are veterans and will be returning for their several college vacations during the holidays.

The Society feels deeply the loss by death on December 8th, of its former President and former Vice President General, Judge William H. Arnold, who was one of its most distinguished and beloved members.

California

The Society is making progress in its fight for improvement in text-books used in the public schools of the State, and elimination of those which were considered undesirable in the recent survey made by the Society's Committee on Citizenship. Upon the request of the Chairman, Compatriot Aaron M. Sargent, the Society at a recent Board meeting voted to contact groups of the American Legion, Veterans of Foreign Wars, Daughters of the American Revolution, California Bar Association, California Historical Society and Native Sons and Daughters, in an effort to secure cooperation and draw up a plan for constructive education and revision of text-books and for Round Table discussion of these matters. Many of the California S. A. R. Chapters are conducting investigations in their own local schools as to the text-books used.

The State Board of Education has acted to re-

quire further study of the much criticized "Building America" series with a view to revision.

The Society also went on record by resolution endorsing the movement in California for increased compensation for teachers.

SAN FRANCISCO CHAPTER—A special meeting was held October 25th at the Stewart Hotel to hear Mr. A. W. Ray, Superintendent of Schools at Roseville on the subject "Are We Teaching Historical Illiteracy in our Schools?" A lively discussion followed on the matter and the California Society's stand in its fight for better textbooks.

On November 22nd, the Chapter held a special Veterans' Program at the Hotel Stewart.

District of Columbia

The Society held its first seasonal meeting on the evening of November 20th at the Mayflower Hotel, President McDonald Miller presiding, and enjoyed a fine address by Commodore Charles J. Rend, USN, Deputy Chief of Naval Intelligence, whose subject was "Brazil," of which he was well qualified to speak. During 1939-40 he served as a member of the U. S. Naval Mission to Brazil and after sea duty following, he again served in Brazil as U. S. Naval Attache.

A number of new members were installed and given their certificates at this meeting.

While no formal meeting was held in October, the Society participated in the Navy Day ceremonies at the John Paul Jones Statue, October 27th, with its Colors, and placed a wreath. The speaker was Rear Admiral Glenn B. Davis, Commandant, Potomac River Naval Command. Colonel Merritt B. Curtis, USMC, Vice Chairman, Military Order of the World War made the introductions, and music by the Navy Band featured the program.

The Society continues its interest in the Crossnore School in North Carolina where it maintains two scholarships. Consultations have been held with the District C. A. R. President, Mrs. Ray C. Brown, regarding the S. A. R. cooperation with her Society, which has been referred to a special committee.

The Junior Assembly, comprising younger members of the S. A. R., D. A. R., and prospective members of both organizations, held its annual Ball on the evening of December 13th at the Sulgrave Club. National officers of the S. A. R. and D. A. R. were in the receiving line. The December meeting of the Society was held on the 18th at the Mayflower, when Vice Admiral Harry W. Hill, USN, Commandant of the National War College, was guest speaker. Vice Admiral Hill's career in the Navy includes important assignments in World War I, and his activities in the recent conflict with Japan would form a history of the War of the Pacific. For his services during operations in the Marshalls and Marianas he was awarded the Distinguished Service Medal and a gold star in lieu of a second DSM.

Florida

JACKSONVILLE CHAPTER—Past State and Chapter President, Judge Burton Barrs was the speaker at the meeting of the Chapter held August 22nd, his subject being "East Florida in the American Revolution."

Meeting again on September 26th, tribute was paid to the late Compatriot George C. Gibbs, civic leader and former Attorney General of Florida, whose death occurred during the month. The speaker was Edward S. Hemphill, on "Present Day Aspects of the Constitution," who was introduced by State President Russell L. Frink. President George W. Owens presided.

Georgia

The Society is preparing the ground work for the organization of a new Chapter at Lawrenceville, to be known as the BUTTON GWINNETT CHAP-TER, and applications from this point are being completed and forwarded to National Headquarters—about a dozen have already been accepted, with several pending. The cooperation of the Daughters of the American Revolution in assisting with the preparation of papers is deeply appreciated. The new Chapter will honor Button Gwinnett, Georgia's Signer of the Declaration of Independence.

Idaho

COL. WILLIAM CRAIG CHAPTER # 2, Lewiston— The annual meeting was held at the Bollinger Hotel, October 19th, with luncheon. The business meeting followed at which the following officers were elected: President, Glenn S. Porter; Vice President, Robert G. Bailey; Secretary-Treasurer, Marcus J. Ware; Chaplain and Historian, W. Wayne Smith; Dr. J. M. Lyle, Director on the Executive Board.

Retiring President Ware, recently retired also as State President, reported the compilation of two family genealogies of members, Compatriots Lyle and Bailey, copies of which have been presented to the National Society's Library at Washington.

The erection of a headstone secured from the War Department, to mark the graves of Colonel William Craig and his Indian wife, Isabel, was reported. Compatriot Ware also stated the State Highway Marker for the Craig Donation Claim had been secured and was ready to be erected. The centennial of the claim is being observed, and fine publicity has been accorded the Chapter's commemoration of this first permanent white settler in Idaho, for whom the Chapter is named. The marker carries the essential facts of Colonel Craig's services as early Indian Agent. interpreter and Colonel in Washington Territory Indian Wars, and first Postmaster of Walla Walla, His was the first homestead in Idaho, a 640-acre claim under the Oregon Donation Claim Law of September 15, 1846.

In the short period of its existence the COL. WILLIAM CRAIG CHAPTER has given an excellent account of its patriotic public spirit, and Past President Ware has been very instrumental in bringing about this successful culmination of these projects.

Illinois

· 160

The Society held the third of its series of discussion meetings on Constitution Day, September 17th, at a luncheon meeting at the Hotel Sherman. The subject was; "The Constitution, Its Effect on the American Ideology." Former President Dean Lake Traxler acted as Moderator. The meeting was well attended and a lively discussion of the subject was participated in by the members. Yorktown Day was celebrated by the Society with a luncheon meeting at the Chicago Bar Association, October 19th. General William Hale

Wilbur of the United States Army was the guest of honor and principal speaker. General Wilbur gave those present many thought provoking ideas as to what an organization such as ours, could do to encourage a more patriotic civic sense in the younger generation. The Illinois Society was honored by having many of the Regents of the various Chicago Chapters of the D. A. R. in attendance.

The fourth of the Society's six discussion meetings was held at the Hotel Sherman, November 19th. The moderator was Judge Floyd E. Thompson, Past President and former Chief Justice of the Illinois Supreme Court, who led an interesting discussion on the subject; "Labor and Capital in America."

At its annual meeting held December 3rd, at the Chicago Engineers Club President General Allen L. Oliver and Vice President General Lloyd De Witt Smith as well as Homer Hall, President of the Missouri State Society, were the guests of honor. A full report of the meeting as well as the results of the election of officers will be carried in our next issue.

Kentucky

At the recently held annual meeting of the Kentucky Society the following officers were elected: President, Stratton O. Hammond; Vice President, Winfrey F. Meredith; Secretary-Treasurer, Downey M. Gray; Registrar, Richard H. Menefee; Surgeon, Dr. Frank P. Strickler; Honorary Life Member, Past President General, R. C. Ballard Thurston. Ransom H. Bassett was nominated to succeed himself as National Trustee.

BOWLING GREEN CHAPTER elected Simon De Witt Settle, President; Preston Haynes, Vice President; and Wayne A. Patterson, Secretary. The other Kentucky Chapters have made no change in their executive officers as published.

Maine

State President Harry K. Torrey has appointed a five-man Membership Committee, including Judge Herbert E. Foster, Secretary Roy A. Evans, Frank D. Fenderson, Wilbur W. Philbrook and Pliny A. Crockett, each representing their respective local sections.

The work of this committee in cooperation with the Organization Committee of the National Society was discussed, at a meeting of the State Board, and an intensive campaign against the infiltration of communist influences undertaken.

Mr. Torrey attended both of the recent meetings of the Council of New England State Presidents which are to be monthly gatherings.

Maryland

SERGEANT LAWRENCE EVERHART CHAPTER, Frederick—The Chapter's annual observance of "Repudiation Day" took place at the Francis Scott Key Hotel on the evening of November 23rd, when the speaker was Major Richard Towson Brady, who presented a travelogue on "New Guinea". Major Brady served with the American forces in the Pacific Islands during the late struggle. He was introduced by Chapter President William M. Storm who presided.

Officers of the National Society from Washington present, included Vice President General Dr. Clifton P. Clark, Secretary-Registrar General, Frank B. Steele, and Librarian General McDonald Miller. State officers present included President Denmead Kolb, Treasurer, Frank L. Chapin, George S. Robertson, Secretary and National Treasurer. Dr. John A. Fritchey, Jr., and John W. Todd, from Harrisburg, Penna., were also special guests. Several new members were welcomed into the Chapter and presented with certificates.

Massachusetts

Observance of Constitution Day was held with a dinner meeting on September 17th at the Boston City Club, with Compatriot Eugene P. Carver, Jr., as speaker.

Monthly meetings were resumed in October, and are held at the Boston City Club. On November 20th the meeting was held in the evening preceded by dinner, with Mr. Kelsey B. Sweatt, of the Department of Public Relations of the Massachusetts Department of Education. His topic was "Lincoln in New England."

The December meeting held on the 18th, was a noon gathering, and the January meeting will be held in the evening.

The Massachusetts Society was represented at the meeting of New England State Society Presidents, which met in Boston at the Harvard Club, on October 26th, with representation from a majority of the societies in the district, with Compatriot Harry E. Sherwin, Secretary of the New Hampshire Society, and Chairman of the National Society Committee on Organization, through whose efforts the meeting was accomplished. All possible means for increasing membership were discussed, and the formation of a Junior Organization is being seriously considered. Plans are under way for the formation of a Council of New England State Presidents to meet monthly and November 16th was selected as the next meeting date .

The Board of Managers has designated the Massachusetts Color Guard to take charge of the the February 22nd observance of Washington's Birthday, which will take the form of a Colonial Charity Ball for the benefit of Hillside School for Boys.

BRIG. GENERAL JOSEPH FRYE CHAPTER, Andover —The Constitution Day meeting held at Lawrence was very successful, and the speaker was the Assistant Attorney General, Nathaniel D. Bidwell of Boston, who made a plea for an increased sense of individual responsibility on the part of all citizens, to use their constitutional powers and rights, else they be lost.

The Chapter placed twenty-seven Grave Markers on identified Revolutionary soldiers' graves in the North Andover Burying Ground, on September 22nd, the actual labor of digging and setting up the markers being done by the chapter members themselves, in about two hours. Another marker was placed by Compatroits L'Antigua and Tucker in the Farrington Ground.

Surely this is evidence of practical patriotism, when our members turn out to accomplish such a worthy purpose by their own unaided effort.

The Chapter held a second Marking expedition on September 30th and placed twenty-four markers in the Second Burying Ground at Andover. Compatriot Charles W. Tucker, Genealogist General of the National Society and State Registrar, deserves great credit for his work in locating and finding the service for these soldiers of the American Revolution.

On October 26th the Chapter met in Phillips Chapel, Methuen with President George F. Russell presiding, and heard Mr. Ulysses J. Lupein who gave an enlightening talk on "Observations in Industrial Relations."

Michigan

DETROIT CHAPTER—The culmination of the long planned tribute to the United States Marine Corps in honor of its 171st Anniversary, took place on the evening of Armistice Day, November 11th, in the Crystal Ballroom of the Masonic Temple.

A delightful banquet preceded the formal program, and was presided over by Chapter President Harold E. Phelps, who introduced the speakers of the evening, Hon. Homer Ferguson, United States Senator from Michigan, Brigadier General Oliver P. Smith, USMC, and Brigadier General Robert L. Denig, USMC Retired, all of whom made most interesting addresses. The presentation of Decorations and Awards to former members of the U.S. Marine Corps by Lieutenant Colonel William F. Whitaker, USMC, was a feature of the evening, as was the singing of the Marine Corps Hymn. Music by the Cass High School Orchestra under direction of Mark De Leonard rounded out a delightful program. Attractive souvenir programs were at each place, upon the back of which was printed a facsimile of the First U. S. Marine Corps Commission, issued to Samuel Nicholas, Esquire, as Captain of Marines, and carrying the signature of John Hancock, President of the Congress.

Minnesota

The Society is making plans to extend an invitation to the National Society to hold its Congress in Minneapolis in 1948.

MINNEAPOLIS CHAPTER—The Constitution Day meeting sponsored by this Chapter was an outstanding affair. The speaker was Colonel Stafford King, State Auditor and noted orator, who challenged the Sons of the American Revolution to lead the way to a return to government under the Constitution. Colonel King served eight years in the Army in the two World Wars and has devoted his civilian life to services for the community and country.

Through the Chapter's special committee, to each service club and post of the American Legion and Legion Auxiliary, the principals of the High Schools, and other groups, invitations were sent requesting cooperation in the observance of Constitution Day—more than 160 contacts were made.

The Chapter presented eleven Good Citizenship Medals to the graduates of as many Minneapolis High Schools. The medal winners were the guests of the Chapter at its June meeting as well as the parents of the boys and principals from their respective schools. Two medals were also presented to qualified pupils in the Lowry School's 8th grade, passing into the High School. These were selected by the faculty and pupils in secret ballot under the Plan suggested by the National Committee.

Missouri

The State Society honored its Compatriot, President General Allen L. Olivier, and commemorated the anniversary of Yorktown, with a dinner meeting on the evening of October 19th at the Park Plaza Hotel, St. Louis. The State President, Homer Hall, presided and made the introductions. Invocation was offered by Rev. Garland E. Tickemyer, Chaplain of the State Society, and vocal solos by Miss Anne Gilmore were delightful features of the program. President General Oliver's address of the evening was on "Our Society" when he presented many details of its work and progress, and the growth in membership which is so gratifying to the officers. A beautiful souvenir program of the occasion marked each cover.

Nebraska

February 22, 1947, is the date set for the annual state meeting of the Nebraska Society. A dinner is planned and will be held in the Persian Room of the Cornhusker Hotel in Lincoln. A worthwhile program is being arranged and the State Officers will be elected.

LINCOLN CHAPTER meets each Monday noon at the Chamber of Commerce where a special table is reserved. Visitors are welcome at this informal weekly get-together. Merle M. Hale has been chosen Chairman of the Citizenship Committee and will be assisted by Elmer E. Magee. Mayor Lloyd Marti will serve in an advisory capacity until his term of office expires in May, 1947, at which time he will become an active member of this committee.

Henry Miot Cox presided at the Constitution Day dinner held belatedly at the Lincoln Y. W. C. A., on October 4. Brigadier General Guy N. Henninger, head of Selective Service in Nebraska, presented Past President General Sterling F. Mutz with a Presidential Citation for his work in connection with Selective Service. Compatriot Mutz served on the appeal board for Conscientious Objectors.

New members were introduced including H. B. Bradford of Lincoln and William McCumber of Crete.

State President Harold D. LeMar of Omaha spoke on the interpretation of the Bill of Rights of the Constitution. Compatriot LeMar served as a Colonel in World War II in the Judge Advocate's branch. He is well-known as an authority on the Constitution of the United States and his talk was well worth-while. He also served as Chairman of the Omaha Community Chest drive which just recently was brought successfully to a close.

New Hampshire

COL. NATHAN HALE CHAPTER, Rindge—The annual meeting took place on August 24th, when the following new officers were elected: President, Wayne B. Nottingham; Vice President, James B. Perry; Secretary Edward C. Brummer; Registrar-Historian, Harry E. Sherwin. Managers: Roger R. Smith, Merrill G. Symonds, Eric A. Todd, John F. Pangborn, Wellington C. Prescott. The Chapter was organized in 1943 with eighteen members; it now has enrolled fifty-one.

A committee headed by Compatriot J. F. Pangborn has been appointed to arrange for an ice skating rink within the boundaries of Rindge, for the use of the young people of the section. Plans for illumination of the pond to be kept clear of snow are included. Plans are also afoot for the organization of a Boys' Club for rifle practice for boys from sixteen to eighteen years, to develop good marksmanship and safety in handling firearms.

New Jersey

The Society is distributing to its members copies of the address of Mr. J. Edgar Hoover before the American Legion Convention at San Francisco on

September 30th, and suggests that other societies do likewise.

Members of the Society were interested and attended the dedication ceremonies on October 20th of the State Park comprising a portion of the Princeton Battlefield, more extended notice of which appears elsewhere. Compatriot Governor Walter Edge accepted the gift and presided at the luncheon following, and State President Glenn K. Carver, was a member of the committee on Arrangements.

On October 25th, The New Jersey Society held its annual fall meeting at the N. J. Historical Society, Newark, when reports of the Society's finances and activities were very gratifying. The speaker was Hon. Ferdinand Pecora, Justice of New Jersey Supreme Court, whose topic was "America and a New World." This was a most inspiring and eloquent address.

Past President General Smith L. Multer, President Carver, and Past State Presidents have represented the Society at meetings of the Nova Caesarea Chapter and the Bergen Chapters of the D. A. R. and brought the Greetings of the New Jersey S. A. R. At the latter meeting the speaker was the Hon. Hamilton Fish whose topic was "Communism."

ELIZABETHTOWN CHAPTER—On September 15th the Chapter cooperated in a service commemorating the adoption of the Constitution, at St. John's Church, Elizabeth. Rev. Lyttleton E. Hubard, Chaplain of the Chapter delivered the address. Arrangements were made by Compatriot Russell Morss. December 5th the members attended an interesting meeting at the Union County Historical Society, to hear an address on "Jackson White and the Ramapo Mountain History During the Revolution." Compatriot Arthur L. Johnson, President, presided, and Chapter Secretary Arthur F. Cole is Secretary of the Historical Society.

The Chapter deplores the loss by death of Compatriots Frank C. Ogden and William W. Crane, a Past President.

MONTCLAIR CHAPTER—On October 10th Compatriot and Mrs. Clarence V. Price entertained one of the Chapter's largest meetings, and the speaker was Laurence M. Duryea, who spoke on "The Atomic Bomb and the United Nations."

The death of Compatriot Graton S. Brand on October 7th was noted with particular regret as he had just been admitted to membership and had never attended a meeting.

On December 12th a dinner meeting was held at the Upper Montclair Women's Club with members and their wives, and the speaker was Col. Dallas Townsend, who spoke on conditions abroad as they exist today.

PASSAIC VALLEY CHAPTER, Summit—On Constitution Day, a new American Flag, the gift of Compatriot John D. Hood, was raised in the Revolutionary cemetery in Springfield by Chapter members. and revive the former chapter at Saratoga Springs, and Wyoming County is under consideration also

President Hulbert was the guest of the New York State Conference of the Daughters of the American Revolution, held at Buffalo on October 9th and 10th, and spoke in behalf of reciprocal relations between the two organizations. At this time he was also the guest of the annual state meeting of the Children of the American Revolution at Buffalo on September 14th, when he urged the prompt transfer of the boys of the C. A. R. into the senior society. He was told that this was the first time that any President of the S. A. R. had attended one of the C. A. R. conventions.

The regular Board meeting of the Empire State Society at which these reports were made, was adjourned to October 21st in order to pass on the new applications coming in to augment the organization of the prospective chapters under consideration. There were twenty-six accepted with others pending. For Ithaca ten were received.

The Society is receiving voluntary contributions from members for the restoration and repair of its flags.

Officers of the new BINGHAMTON CHAPTER elected at the organization meeting are as follows: President, Lester R. Mosher; Vice Presidents, Tracy C. Prentice, H. Fred Sexsmith; Secretary, George R. Beers; Treasurer, Joseph R. Westcott; Registrar, Walter B. Irving; Historian, Roy C. McHenry; Chaplain, H. Ward Jackson.

SYRACUSE CHAPTER—In celebration of its Golden Anniversary, the Syracuse Chapter presented one of the most outstanding programs from point of real interest and significance, and was the culmination of most careful and thoughtful planning and preparation on the part of Chairman Bernard Mitchell, President Dr. Glenn A. Wood, and Secretary Joseph H. Schaefer, and their assistants, on the Anniversary Committee.

The Golden Jubilee Dinner, in itself a delightful affair, was held on the evening of December 5th, at the Hotel Syracuse, and the golden-covered souvenir program carries a brief three-page historical sketch of the National and Empire State Organizations, and of the SYRACUSE CHAPTER, which is not only informative but will be of special interest to the newer members. The guest speaker of the occasion was the Honorable James W. Wadsworth, Congressman from Geneseo, N. Y., whose address was titled "America Strong in Support of Righteousness," and proved, as do all Compatriot Wadsworth's, a most inspiring and satisfying and thought provoking address, which was generously commented upon by the local press,

president Wood presided, and after the usual apening ceremonies, introduced the other special mests of the evening, including Dr. Edward J. wynkoop, a Charter member; the Hon. William s Bennett, Past President of the State Society and Chancellor General of the National Society; Hon, Murray Hulbert, President of the Empire state Society; and delegates from these chapters of the State: BUFFALO, ROCHESTER, NEWTOWN BATTLE (Elmira), ITHACA, OSWEGO, and LEMUEL COOK (Albion). Letters of regret at their inability to be present were read from Governor and Compatriot Thomas E. Dewey, Secretary General Frank B. Steele, Mayor Frank J. Costello of Syracuse, President General Allen L. Oliver and all living Past Presidents General, and Vice President General Harold M. Blanchard.

A most interesting feature of the program was the presentation of the Society's Good Citizenship Medal, together with Citations by Compatriot Harold H. McBride, to Compatriots William L. Hinds, and Hurlbut W. Smith, outstanding citizens of Syracuse, whose civic loyalty and devotion and promotion of community projects of welfare, and broad vision, are recognized throughout this community and at large. The Citations, neatly bound and tied provided interesting souvenirs for the recipients of the medals.

Another pleasing feature of the gathering was a Reading of The Star Spangled Banner, by Ramon L. Irwin, assistant Professor of the School of Speech, Syracuse University, with an original accompaniment by Walter V. Price, thirteen-yearold son of Vice President E. E. Price.

Among the congratulatory messages received, we note especially those from the Hon. Winston Churchill of England, and Compatriot, General Jonathan M. Wainwright, a Chapter member, which are presented in full on another page.

Coincident with this celebration, the Chapter published an anniversary book compiled by Chapter President Glenn A. Wood, which contains a record of the fifty years' achievements of SYRACUSE CHAPTER, a list of officers, and the names of some 450 affiliates and is dedicated to the thirty-two members who are veterans of World War II, and also to one of the Chapter's most devoted members who "bequeathed to the Chapter nearly \$4000.00 for works dear to his heart, the marking of Revolutionary soldiers' graves, and the combating of subversive activities against our form of government."

Among its service members the Chapter proudly lists one Four Star General, one Colonel, two Lieutenant Colonels and three Lieutenant Commanders.

ROCHESTER CHAPTER-On the evening of Oc-

tober 19th the Chapter again made its annual Good Citizenship Award by presenting the Society's medal to one of Rochester's outstanding citizens, Hon, George Halford Clark, considered most deserving of this signal honor. Dinner preceded the program, presided over by the Chapter President George S. Babcock. State President, Hon. Murray Hulbert was also a guest and brought the Greetings of the Empire State Society. The presentation of the Medal was made by Past President and former Chancellor General, Henry R. Dutcher, and the Citation read by Past President Dr. Arthur C. Parker. Several representative Rochester citizens were guests and made brief tributes, including W. Dewey Crittenden of the Genesee Valley Trust Co.; Dr. Albert K. Chapman, of Eastman Kodak; and Dr. Mark Elligson, of the Rochester Institute of Technology.

The address of the evening was by Dr. W. Leon Godshall, Editor, Author and Traveller, on "American Foreign Policy—Our Role in World Affairs—Russia and the United States—the Big Two." Dr. Godshall has traveled extensively in Russia, Germany and elsewhere, and is a student of International affairs, well qualified to speak on this all important current topic.

The Citation for Mr. Clark's Award rehearsed the background of his boyhood and early life of thrift and enterprise which led to his achievements in business and civic progress and his later generosity in establishing and aiding the philanthropic and cultural institutions of Rochester, much of which was given anonymously.

On November 18th the Chapter met for dinner at the University Club and to hear Colonel Arthur E. Sutherland, Jr., Professor of Law at Cornell University, whose subject was "To See Ourselves as Others See Us."—What Europe of Today Thinks of Americans. Colonel Sutherland, following his student days at Wesleyan University and Harvard Law School, was honored by appointment as Secretary to the Hon. Oliver Wendell Holmes, Chief Justice of the U. S. Supreme Court. He entered World War II as a Major of Coast Artillery on the staff of General Mark Clark, later Colonel. He served in Africa, Italy and Austria and knows the people of Europe well.

On December 16th the Chapter commemorated the 155th anniversary of the Ratification of the Bill of Rights, with a dinner meeting at which an Appreciation of the Bill of Rights by Compatriot Melvin D. Andrews, was featured, and the guest speaker of the evening was Hon. Kenneth B. Keating, on "America's Place in Southeast Asia's Thinking." Pettit, Vice President and Mrs. L. E. Custer, Secretary, of the Dayton Historical Society, and Mr. Chester R. Hinkle, General Chairman. Fine exhibits by the U. S. Rhode Island

A meeting of the Board of Managers of the Society was held on July 30th, as a farewell luncheon for Vice President L. Newton Hayes, former State Secretary, who has accepted the position of Dean of Admissions of the Associated Colleges of Upper New York. This has necessitated his removal to Plattsburg, N. Y., where he and Mrs. Hayes have taken a house on the campus.

Compatriot Hayes spoke well of the manner in which he was offered this position, and the factors involved in his acceptance. One of these factors was his inability to find a house in Providence, since the one in which he was living had been sold and he had to move anyhow!

President Martin presented Mr. Hayes with a travelling bag as a gift from the Society. Several of the Managers spoke in glowing terms of Mr. Hayes' ability and all wished him every success in his new work.

The Society as a whole met on December 5th to hear one of our newer members tell about the "Final Phases of the Revolution in the Northwest." Compatriot John Vance, one of the officials of the Providence Chamber of Commerce, has done a great deal of research on this subject. He was, from 1937-1945, Director of the Treaty of Greenville Sesquicentennial Celebration Commission, when he lived in Greenville, Ohio. In addition he was a member of a special advisory commission of the Ohio Archeological and Historical Society. Minutes of the Meeting of the Executive Committee of the National Society S. A. R.

Held at National Headquarters, 1227 16th St., N. W., Washington, D. C.

October 5, 1946

The meeting convened at 10 o'clock, A. M. There were present the following:

President General Allen L. Oliver presid-

Past President General Louis Annin Ames; A. Herbert Foreman; Edwin B. Graham; Wallace C. Hall; Past President General Smith L. Multer; Benjamin H. Powell; and Past President General G. Ridgely Sappington. Also present, Secretary-Registrar General Frank B. Steele; Treasurer General George S. Robertson; and Will Daniels, President West Virginia Society.

The meeting was called to order by the President General, who expressed appreciation for the full attendance, there being only one absentee, Past President General Loren E. Souers.

On motion the minutes of the meetings of the Executive Committee of May 14th and May 16th were approved as published on pages 14 and 28 of the July 1946 Magazine. The Agenda for the meeting, containing some 17 items, having been sent to each member of the Committee one week previous, was taken up in order.

Secretary General Steele made a report in which he noted that the number of new applications received during the summer was slightly less than last year; that the October issue of the Magazine is on the press; that an inventory of the contents of the National Headquarters has been made, and that the exterior of the building, as well as the Secretary General's apartment, has been painted. Treasurer General Robertson presented a financial statement and comparison with the budget for the six months' period from April 1st to September 30th, 1946. The Treasurer General commented on the various items and called particular attention to the amount expended for new plates for mailing the Magazine, asking if something could not be done to cut down the changing of addresses when such addresses would be only temporary. The Secretary General was asked to make note of this in the Magazine.

Treasurer General also called attention to the fact that the application blanks which are bought in quantity and sold to the State Societies and Chapters are costing the National Society more than is being charged, and it was

Voted: That the price for application blanks be increased from \$5.00 to \$6.00 per hundred and relatively for larger amounts.

President General Oliver made his report, briefly covering his activities as President General to date, reporting, among other things, that upon invitation of the Empire State Society he had gone to New York to be present at and had taken part in the Constitution Day ceremony at the sub-Treasury Building in New York City; that all committee appointments, including committee chairmen, had been made during the summer months and that the committees were at work; that he had sent a personal letter to each of the respective Presidents of the State Societies, copy of which was handed to each member of the Committee; that he had sent a personal letter to the head of the Department of Education of each State. asking that each and every school throughout the Nation participate in Constitution Day observance, and had received a great many favorable responses; and that he was enjoying the work of his office.

The President General also spoke of the Observance of Constitution Day and stated that he felt under the able direction of Compatriot Charles Shaler, *Chairman*, Constitution Day was celebrated throughout the Nation this year on an even greater scale than ever before.

The President General further reported that he had written to the chairmen of the Constitution Day Committee and the Organization Committee, asking what expenses had been incurred by them so that the Executive Committee could make an appropriation to cover. Compatriot Shaler, Chairman of the Constitution Day Observance Committee, advised he had no expense other than the send-

ing out of letters which had been taken care of by National Headquarters.

For the use of the Organization Committee, President General Oliver recommended an appropriation of Two Hundred Dollars.

Voted: That Two Hundred Dollars be appropriated from surplus for the use of the Organization Committee.

The President General further reported that both he and Secretary General Steele had been active in an attempt to locate additional help at Headquarters, and that he had some months previously called upon some of the compatriots in Washington, including Vice President General Clark, Headquarters Committee Chairman Hill, and Compatriot Mc-Neill for assistance in this effort. That up to the present time they had failed to find an acceptable person but that they were continuing their efforts. The President General asked Secretary General Steele to make further comment and he did so, suggesting that the compensation offered might have to be slightly increased, and the sentiment was expressed that if that be found necessary such action would be approved. The Secretary General then stated that he had a prospect in mind and hoped to place.

Compatriot Hall, Chairman of the Debt Liquidation Committee, made a report recommending that the following three methods of securing funds to wipe out the Six Thousand Dollars of outstanding Certificates of Indebtedness be approved by the Executive Committee:

Solicitations by an Advance Gifts Sub-committee for contributions from \$50.00 to \$500.00.
 Ask the State Societies and Chapters to make a

(2) As the State Societies and Chapters to make a voluntary contribution;
 (3) Through the Magazine and the bills for dues sent out by the individual State Societies and Chapters, ask each and every member of the National Society for a voluntary contribution.

Discussion ensued as to whether or not the solicitation should be limited to securing sufficient funds to pay off the Six Thousand Dollars of outstanding Certificates of Indebtedness or whether Compatriot Hall's plan of setting the goal at Ten Thousand Dollars with the additional Four Thousand Dollars going toward Headquarters maintenance should be adopted.

It was finally agreed that the solicitation should be on the basis of securing funds to liquidate the Six Thousand Dollars indebtedness and any excess will go to the Headquarters Maintenance Fund.

Voted: That the three recommendations presented by Compatriot Hall be adopted.

Compatriot Daniel presented the problem with which the West Virginia Society is faced regarding hotel reservations for the National Congress which is to be held in Huntington West Virginia. After considerable discussion it was

Voted: That the Fifty-seventh Annual Con. gress of the National Society be held on Wednesday and Thursday, May 14th and 15th, 1947, at Huntington, West Virginia.

President General Oliver presented correspondence with Past President General Howard C. Rowley with regard to the suggestion of the California Society for proxy representation at the Annual Congresses of the National Society, and the President General was instructed to write Past President General Rowley advising that this would require an amendment to the constitution of the National Society and that if the California Society desires to bring the matter before the Congress for vote that they submit such an amendment for presentation at the next Congress.

President General Oliver presented a telegram which he had received from the publishers of the textbook "Building America" asking that the criticisms of this book by the California Society be investigated by the National Society. The publishers were advised by the President General that if they would furnish the executive Committee with copies of the criticisms of the California Society to which they objected, together with copies of the book, the Executive Committee would consider the facts and then pass judgment. The publishers promised to comply with this request, but had not done so to date.

Voted: That the congratulations of the National Society be extended to the New Hampshire Society upon the dedication of the "Cathedral of the Pines" and that Chaplain General William F. Bulkley be commended for his participation in the ceremonies incident thereto.

President General Oliver reported that a detailed inventory of the furniture and fixtures in the National Headquarters has been prepared and a copy will be kept in the files of the Treasurer General as well as the Secretary General. It was agreed that a valuation be placed upon the items in the inventory by the Secretary General.

Request of the West Virginia Society with regard to membership increase, granted.

A communication was presented from Vice

president General Lloyd DeWitt Smith, Detroit, asking that he be granted permission to establish a young men's chapter in that city. It was the concensus of the meeting that this was a question to be decided by the Michigan Society.

Compatriot Hall spoke of the hope of the Michigan Society to have an Annual Conoress aboard one of the Great Lake steamers, stating that a new boat is now in the process of being built and they have hopes of using it for such purpose in 1949.

Secretary General Steele spoke of the One Hundred Dollars contribution which had been made to the National Society by Mrs. Elmour D. Lum in memory of her husband and her request that it be used for some specific purpose. It was agreed that the Secretary General should give thought to this and present any ideas which he may have to the Executive Committee for action at its next meeting.

It was agreed that a set of rules and regulations governing the awarding of World War II Service Medals should be drawn up by the Secretary General to be approved by the Executive Committee.

The Secretary General called attention to the fact that the amendment which was adopted at the Annual Congress in Trenton providing for the admission of sons of members of the Daughters of the American Revolution upon the payment of a One Dollar entrance fee is poorly drawn and should be clarified. The President General, therefore, appointed a committee, consisting of Compatriots Foreman, Powell and Graham to collaborate with the Chancellor General and Secretary General and report back to the next meeting of the Executive Committee their recommendation with reference to such amendment.

On proper motion a vote of thanks was extended to President General Oliver for his hospitality in entertaining the Committee for luncheon at the Hotel Mayflower.

There being no further business, on motion of Compatriot Powell, seconded by Past President General Sappington, the meeting adjourned.

> FRANK B. STEELE, Secretary General.

Admonitions!

To Secretaries and Registrars:

art survey of instanted out work

Please check more carefully all application papers before sending to the Registrar General.

Please read every application paper carefully and check on the following points:

1. Are all dates filled in? Especially the first two, three, generations? And especially marriage dates as completely as possible.

2. See that maiden surnames of wives are given in each generation—don't show parents' marriage dates *after* children are born!

3. See that all papers are notarized and endorsed by two members of the Society.

4. Give *complete* address of applicant in space provided and remember that mailing stencil for Magazine is made from this.

5. Please have all papers typed, and with good black ribbon on machine.

6. Do not refer to D.A.R. National numbers only as a reference for service. Give full service record and authentic references therefor. D.A.R. numbers may be added as corroborative evidence only.

SPECIAL:

Under a recent By-Law, sons of D.A.R. members in good standing are admitted at the ages 18 to 25 at the reduced initiation fee of \$1.00, BUT, when such application is made it must be *accompanied by a statement* that the D.A.R. mother is in active and good standing in her chapter—otherwise the application will not be accepted.

Finally, do not send checks for applications which include payment for merchandise or other payments; each check for applications should be made for this *only*. Make checks *payable* to the *Treasurer General*.

Supplemental claims should be accompanied by \$1.00 fee, plus 50¢ for each additional ancestor if name is desired on the Certificate.

Transfers cost nothing but are given only for members in good standing; otherwise \$1.00 is required for reinstatement before transfer can be issued; these can often be obtained through the State Society.

1861-1946

Vice President General, 1934-1936

Word of the passing of this distinguished and beloved former officer of the National Society, on December 8, 1946, was received just prior to our going to press.

Judge William Hendrick Arnold was Vice President General from 1934 to 1936, having heen elected at the Congress held in Baltimore, in 1934. He was a resident of Arkansas since 1883 and served the Arkansas State Society as its President and in many other capacities over a period of several years. He held membership in the American Bar Association and the Arkansas Bar Association of which latter he was President in 1907-8, and was Associate Justice of the Supreme Court of Arkansas 1925-6; delegate to the Arkansas Constitutional Convention in 1917 and a member and advisor on many legal committees and organizations throughout his residence in Arkansas, as well as many civic projects; he was Mayor of Texarkana in 1894.

His membership in the Sons of the American Revolution was derived by descent from Captain Lewis Saxon and Thomas Arnold, both of South Carolina.

He attended some of the Congresses of the National Society, and was greatly admired and beloved by all who had the privilege of his acquaintance and friendship. His loss will be deeply felt.

Frank H. Rideout U.S.A.

1880-1946

Chaplain General, 1934-6

Colonel Frank Herbert Rideout, was called to the higher life on September 30, 1946. He was Chaplain General of the National Society, elected at the Baltimore Congress in 1934 and served through 1936, during which time he was stationed at Fort Thomas, Kentucky.

He was born at Hartland, New Brunswick, Canada, December 14, 1880, of American parentage, and was a descendant of Revolutionary and pre-revolutionary ancestry, and derived eligibility to the Massachusetts Society from Phineas Holden, a Musician in Massachusetts Troops. He entered the ministry and held pastorates in student days and following, and was commissioned Chaplain (Lieutenant) in October 1917, when he entered the 1st World War and served throughout that struggle with the 11th Field Artillery, overseas. He was promoted to Captain, 1922, and Major in 1931. He held many important army assignments, and did outstanding service in raising funds from civilian agencies for the beautiful Memorial Army Chapel at Fort Snelling, Minnesota, costing some \$125,000.00. It was during his duty at that point that he became a member of the Minnesota S.A.R., whose members had assumed leadership in the chapel enterprise. It is said to be the finest place of worship, with the exception of West Point in the entire army. It was dedicated by Chaplain Rideout in June 1928.

Chaplain Rideout was a contributor to many magazines and church papers for many years. He was an Honorary Vice President of the Minnesota Society.

As we go on the press word has come of the passing of our dearly beloved Past President General, R. C. Ballard Thurston, of Louisville, Kentucky, on December 30th. There will be a more extended notice later.
