

RED CROSS TIME

The mail trucks, streetcars, and buses on the Main Streets of America's cities during March will carry Red Cross flags announcing the annual Fund Campaign.

Stop and think. What do those flags mean to the man on the street, to the woman in the home, to the child at school? Think beyond Main Street. What do they mean to the veterans in the quiet zone, removed at least temporarily from the bustle of stores and offices? What do they mean to the servicemen overseas, to the school girls and boys in bomb-marked towns and villages?

They mean GIVE. Everything the Red Cross does depends on the neighborly gifts of Main Street people who stop and think when it's Red Cross time.

For in a sense, it's always Red Cross time. No day passes that the Red Cross isn't giving out. In the words of President Truman, "Many times a year the people turn to the Red Cross . . . once a year the Red Cross turns to the people."

Because the American people supported last year's campaign, the Red Cross was able to help nearly 100,000 victims of disaster, handle 3,687,582 cases involving servicemen and veterans. Educational and health services, Junior Red Cross work, and constant activities of volunteer workers affected countless numbers.

March is Red Cross time. Contribute generously.

"S. A. R. SPECIAL" TO THE MINNEAPOLIS CONGRESS !!!

The Burlington Railroad has been selected as the official route to the 58th Annual Congress convening in Minneapolis, May 23rd to 26th.

A special section, known as the "S. A. R. SPECIAL," has been set aside on the "Morning Zephyr" leaving Union Station, Chicago, at 9 a. m. on Sunday morning, May 23rd, arriving at Minneapolis in the early afternoon.

The "S. A. R. SPECIAL" will be made up of the new Vista Dome Cars now in regular operation on the Burlington Route which afford an unobstructed view in every direction and give the traveler the opportunity to enjoy the superbly beautiful scenic trip for more than 300 miles along the upper Mississippi River.

The Vista Dome Cars are the last word in travel comfort but are at the coach rate rather than Pullman and, therefore, Compatriots need purchase only coach fare tickets from Chicago to Minneapolis.

It is suggested that in making their reservations to Chicago, Compatriots specify that they wish to connect with the "Morning Zephyr" of the Burlington Route so that local railroad agents will arrange proper connecting reservations.

Compatriots from the eastern states can make connections with the "S. A. R. SPECIAL" by taking the usual night trains on Saturday evening, May 22nd, from New York, Philadelphia, Harrisburg, Baltimore and Washington.

For reservations on the "S. A. R. SPECIAL" write at once to:

W. M. Moloney, General Agent,
Burlington Route,
711 Bankers Building,
Chicago 3, Ill.

or

Compatriot A. M. Collins,
Burlington Representative
1238 Fidelity-Philadelphia Trust Bldg.,
Philadelphia 9, Pa.

For the return movement the following regular daily service is available:

	Morning Zephyr	Afternoon Zephyr	Black Hawk
Lv. Minneapolis	8:00 a. m.	4:15 p. m.	10:20 p. m.
Ar. Chicago, Union Sta.	2:40 p. m.	11:00 p. m.	8:20 a. m.

The President General's Message

DEAR COMPATRIOTS,

The Committee on Arrangements and the compatriots of Minnesota are planning unusual speakers, events and entertainment for delegates and guests at the Minneapolis Congress May 23-26. Let us show our appreciation of their efforts by making it the largest in the history of our Society by each state sending its full quota of delegates.

We deeply appreciate the work and accomplishments of our committees throughout the year. Many have given generously of their time and talents in advancing the cause and interests of our Society, and the results of their labors and efforts will be duly reflected in our growth and influence.

The very efficient and enthusiastic Chairman of the Committee on Organization and his able assistants have worked indefatigably. They will not reach their goal of 20% additional new members and reinstatements but it is very gratifying to note the increased activity and renewed enthusiasm in so many of the states with the smaller memberships. A larger number of states than ever before will secure their quotas.

An outstanding achievement of the year is the determined and successful fight of the compatriots of the California Society against the use of the textbooks "Building America" in the public schools of that state. The Secretary of this Society has recently written, "We are very proud to officially report the battle has been won." On behalf of our entire Society I congratulate and thank the compatriots of California for such a victory. May such an achievement inspire each of us to give full support and our influence to the work of our National Committee "To investigate subversive textbooks in our schools and organize a nation-wide campaign to eliminate them."

The work of the Basic Documents Committee has been outstanding. Fifty chapters in twenty-six states have taken part in the presentation of these documents during the week of Washington's Birthday. Great public interest was manifested in these programs and it is urged that this important work be greatly expanded.

Through the activity of the Committee on Constitution Day this important event was celebrated throughout the country. In our schools and in public meetings its importance was emphasized and the press was not only very complimentary but very generous in the space allotted to it.

Possibly one of the most unique events of the year was the first anniversary of the dedication of the Altar of the Nation, Cathedral of the Pines, sponsored by the six New England Societies on Sunday afternoon, September 7th. The mirrored lakes, the verdant mountains, the beautiful grove, the attractive altar, the column of uniformed veterans of the second World War, the vested choirs, the flags of the states led by that immortal flag, the Stars and Stripes, and about 4,000 in attendance on that beautiful autumnal afternoon created a scene never to be forgotten. Our Society is very grateful to the New Hampshire compatriots for the constructive work in making such a celebration possible.

In this chaotic and divided world with the subversive influences making such inroads on our form of government there has never been such a dire need for the work and influence of our Society. The larger our membership the greater the influence we can wield in moulding thought and aid in the continuation of our way of life. The duties of the Chairman of the Committee on Organization are so exacting and require so much time we should no longer ask any compatriot to make the sacrifice required for the duties of this position. Then we have no funds nor plan to provide for our aged, incapacitated and faithful employees. The West Virginia Society has proposed an amendment to our by-laws which will make possible greater expansion and growth for our Society and provide for our aged and incapacitated employees. You will be asked to vote at our National Congress in Minneapolis on this amendment which will increase our dues \$1.00 each year. Seventy-five cents will be used for organizational purposes and expenses and twenty-five cents will be set aside for the benefit of aged and incapacitated employees. May I ask that you give this proposed amendment due thought, discuss and act upon it in your chapters and state societies and be prepared for vote on it when it is presented at our Congress in Minneapolis.

Many favorable comments have been received of the meeting of the National Executive Committee in Detroit in February and the great reception given by the compatriots of Michigan. Representatives from eleven states were present. It is hoped that each year the February meeting of the Executive Committee will be held in some state in the middle west.

I am asking that all officers and chairmen of committees will be sure to send in their reports not later than April 15th in order that they may be prepared for distribution at the Congress. These reports should be made in triplicate, one copy sent to me and two to our Secretary General.

It has been a real privilege to work with you. I assure you of my appreciation and gratitude for the loyalty and support you have given me throughout the year and sincerely thank you. The thoughts of you will never fade and as the years roll on the memories of our association will be more highly cherished.

A. HERBERT FOREMAN,
President General.

Basic Documents Committee Program Launched

The first nation-wide program of the Basic Documents Committee was launched February 23 with the presentation of facsimiles of the Declaration of Independence and the Bill of Rights to Peabody High School in Pittsburgh, Pa.

Charles B. Shaler, Past President of the Pennsylvania State Society and member of the National Society's Executive Board, and Donald L. Miller, Chairman of the Basic Documents Committee, represented the S. A. R. at the presentation which took place before a senior assembly of the school.

The facsimiles were accepted for the school by the principal, D. Edwin Miller, also a member of the S. A. R., and are now on permanent display in a prominent place in the school's library.

Following the presentation ceremony at the school, Mr. Shaler and Mr. Miller were interviewed during a 15 minute program over radio station WPGH.

During the radio interview Mr. Shaler declared that the best antidote against the spread of alien political doctrines in the United

States was the teaching of American history in the schools of the country.

He added that the Sons of the American Revolution, whose purpose is the maintenance of the freedoms for which our Revolutionary War ancestors fought, is active in combatting alien ideologies in this country and believes that the Basic Documents program will be effective in helping toward this end.

Reports of the presentation were carried in the three daily newspapers of Pittsburgh and in two weekly newspapers with a combined circulation of 660,000, approximately equivalent to the entire population of Pittsburgh.

The committee's program of presenting basic American documents to the nation's schools was carried out the week of Washington's Birthday by Chapters in more than 50 communities in 25 states. Its goal is to present facsimiles of the Declaration of Independence, the Bill of Rights and the U. S. Constitution to all of the 200,000 schools in the country.

DONALD L. MILLER,
Chairman.

The National S. A. R. Library

As this is being written we are approaching the end of another successful Society year. It is highly gratifying to review the additions to the library during the year and direct your attention to the steady increase that is being maintained by donations and purchases in increasing the scope of the library. Your librarian wishes to express grateful acknowledgment to those who have so generously assisted in making the library a more valuable asset of the Society.

As will be noted below, we have acquired the remaining volumes of the Daughters of the American Revolution Lineage books Nos. 129 thru No. 166. This acquisition gives the library a complete set of their printed lineage books (with index) with the exception of five scattered volumes that are unavailable at this time. The missing numbers are No. 29, No. 42 and Nos. 138, 139, 147. If any member knows where these volumes may be found, please communicate this information to your librarian. These lineage books are very valu-

able in connection with new applications for membership. An attempt is being made thru sources at the Capitol to secure copies of Senate Document "Rejected and Suspended Pensions" issued by the 32nd Congress in 1852; also a congressional list of War of 1812 Pensions issued in 1883. It is hoped that these papers may be added to the library shortly. In addition there is available at present a number of historical works on a loan basis from the personal library of Mrs. Tennie S. Burk, Assistant to the Secretary-Registrar General.

Your attention is respectfully directed to the number of fine genealogical books and manuscripts donated by the authors and publishers of these works. This type of material is highly appropriate and members are requested to assist in having copies of newly published or compiled genealogies forwarded to the library. Your aid in this will be of great value.

MCDONALD MILLER,
Librarian General.

Brief Book Reviews

(Copies of these recently published books have been donated to the S. A. R. Library by the Authors or Publishers.)

"A History of the American Medical Association—1847-1947," by Morris Fishbein, M.D., published by W. B. Saunders Company, Philadelphia. \$10.00.

This is a very comprehensive volume on the subject and author Dr. Fishbein is to be commended on the thoroughness with which the material therein is gathered and presented. The author begins with the organizational steps taken

and leading to the formation of a permanent National Association. This followed by chapters on ethics, efforts to improve the standing of the profession and a review of the various legal suits involving the Association and its members. Special treatment has been given to the part played by the Association and the medical profession during World Wars I and II.

This volume is further enriched by the biographies of the Presidents of the Association during the century as compiled by Walter L. Biering, M.D., who has presented them in an interest-

ing manner and pointing out the outstanding events in the career of each president.

To make this work more valuable and usable there is included an index as to persons as well as one as to subjects. This reviewer recommends this work to anyone interested in the subject.

"The Heritage of Freedom," by Frank Monaghan; published by the Princeton University Press, Princeton, N. J. (\$3.50.)

This book gives the history and significance of each of the more than 125 documents exhibited on the Freedom Train's year-long run to 300 American cities, and reproduces in facsimile about thirty of the most interesting and important documents. In such cases where the complete texts of the documents are not shown, the most vital passages are extracted and presented.

Here are the basic landmarks in the development of American history—documents from Christopher Columbus to World War II. Our most cherished historical documents, the Declaration of Independence, the Bill of Rights and other related documents are reproduced in full facsimile. The author, who is well qualified as a historian, prepared this volume in conjunction with the

American Heritage Foundation. His explanatory comments on the various documents are both informative and interesting.

This book will appeal to any American proud of his heritage.

"Barnwell of South Carolina," by Stephen B. Barnwell; published by the Author, 1088 Euclid Avenue, Berkeley 8, California. (\$10.00.)

The material in this volume appears to be comprehensive and is presented in a concise and easy-to-follow form. The author begins his outline with John Barnwell, progenitor of the Barnwells of South Carolina, of County Meath, Ireland, who came to South Carolina in 1701. From this point the marriages, vital statistics and biographical items of the Barnwell descendants of John Barnwell through each generation to the present are given. The genealogical value of this work is enhanced by an appendix and a complete index. There is also attached a very nice chart to supplement the material contained in the book. This book is of real interest to any Barnwell descendant.

MCDONALD MILLER,
Librarian General.

Events of State Societies

Alabama

A very satisfactory round table conference was held with Compatriots in Montgomery upon the occasion of the visit there of President General Foreman early in January. Plans were discussed for creating a local Chapter in Montgomery, which will materialize in the near future.

JAMES HORSESHOE ROBERTSON CHAPTER, Tuscaloosa—This newly organized Chapter met on January 9th, when the State President, Dr. Peter A. Brannon, presented the Chapter's Charter to Colonel William T. Carpenter, Chapter President, and dual member in the Alabama and Virginia Societies. Certificates of membership were also presented to the new members present, and as a special feature, certificates were presented to the mothers of members not present.

The guest and speaker of the evening was Mrs. Hettie Floyd Powers, Regent of the Tuscaloosa Chapter, D.A.R.

As an outcome of the meeting the members of the two Societies, S.A.R. and D.A.R., will organize the Tuscaloosa Historical Society. The HORSESHOE ROBERTSON CHAPTER, which was organized last May 1947, through the efforts of Colonel Carpenter, with a nucleus of eight, now has a membership of thirty-three. It is named for a famous Revolutionary soldier of South Carolina, who served as guide, scout and ranger throughout the war, and before its close commanded a troop of horses with rank of Captain. He was captured by the British at Charleston, but escaped and served under Colonel Campbell at King's Mountain. His nickname "Horseshoe" was given him by neighbors because he lived in the Horseshoe Bend of Fair Forest Creek, near Westminster, S. C. He was the hero in the historical novel, "Horseshoe Robinson" by J. P. Kennedy. He moved to Alabama in 1820 where he died in 1838.

Arkansas

The 59th annual meeting of the Society was held at Little Rock on February 22nd at the Sam Peck Hotel, when officers were re-elected as follows: President, Rev. James L. Blakeney; Vice Presidents, J. N. Haskell, Edwin E. Dunaway; Secretary, Mason E. Mitchell; Registrar, Robert W. Mosley; Treasurer, Edward O. Mitchell; Hon. Sam M. Wassell, Chancellor; Genealogist, Joseph Brooks; Chaplain, Rev. James M. Workman; Historian, Dallas T. Herndon; Librarian, Dr. John H. Reynolds. Secretary Mitchell was nominated for National Trustee.

World War II Medals were presented to President Blakeney and Mr. Dunaway in recognition of their war service and some thirty-four additional medals will be presented later.

Speakers at the dinner were President Blakeney on "Our Great Heritage" and Dr. Reynolds, former President of Hendrix College. Thirteen new members were welcomed.

California

The Society continues its fight against the use of subversive textbooks in the California schools and has adopted strong resolutions re-affirming its stand in this matter. The bill eliminating these books from the schools has been signed by the governor.

In cooperation with the Superintendent of Public Schools in San Francisco, the Society participated in a program of education preparatory to the advent of the Freedom Train, in which pupils in the schools as well as adult citizens were given talks and radio programs describing the historical documents and their significance. The American Heritage Foundation expressed its appreciation and commendation of this fine service.

PASADENA CHAPTER—A Freedom Train Rally was held on the evening of February 26th under sponsorship of the Patriotic Societies of this area, with Compatriot George M. Minot serving as Chairman. A New State Society Forming

As we go to press the good word comes of a successful effort to organize a Society in the State of Nevada. This has been greatly desired for a long period, and many have tried to achieve this goal.

Compatriot Walter D. Mutz, brother of our former President General, must be given credit for accomplishing this long desired result. He writes, under date of March 14th, as follows:

"I am very happy to report that our Nevada Society has definitely taken shape. At our first meeting today the members present voted unanimously for the formation of the State Society and are very enthusiastic about its prospects for the future. We have at the present time a list of more

than thirty names of men who are eligible for membership and have appointed a membership committee to extend invitations to them to associate with us. We have no doubt that we will have sufficient members to make our formal application for a State Charter well in advance of the National Congress, so that it may be acted upon at that time.

"The following officers were elected:

"President, Walter D. Mutz; Vice President, Dr. Laurence B. Parsons; Secretary-Treasurer, Albert Hilliard; Treasurer, H. Wells Kilbourne; Chaplain, Arthur E. Orvis."

Congratulations, Compatriot Mutz, and all success to you!

The meeting was adjourned at 5:10 o'clock P. M.

FRANK B. STEELE,
Secretary General.

If "State Events" are followed it will be noted that President General Foreman made many visits to state societies and chapters in January and February, including, Alabama, Florida, Indiana, South Carolina and Tennessee.

Immediately following the meeting at Detroit of the National Executive Committee, February 21st, and the social affairs in connection therewith, Mr. Foreman visited the Anthony Wayne Chapter at Toledo at their joint dinner with the D. A. R.; Milwaukee, Wisconsin, the first time in many years a President General has visited this State; Chicago, where an interesting conference with the

State Officers was held; Peoria, Illinois, where the George Rogers Clark Chapter was greatly stimulated by his visit and advice; and Louisville, Kentucky, where his visit was likewise most stimulating.

No doubt there have been other similar meetings with compatriots since, and it is certain that much good and stimulation has resulted where, with his friendly interest and wise counsel, Mr. Foreman has endeared himself and been most helpful. In April he will visit the Delaware Society, and, according to time honored custom, carry the annual greetings of the S. A. R. to the opening session of the D. A. R.

Orchids for Arkansas!

Have you noted the "seven Hills of Rome (Arkansas)" enrolled among our new members in this issue? Let us have more such families!

Another orchid for Arkansas is their honored Compatriot Judge Joseph M. Hill of Fort Smith, President Emeritus, and only living Charter member of the National Society.

Orchid number 3—Arkansas—not the only one—exceeds its quota of new members!

It is gratifying to announce the recent organization of a Chapter at Galax, Virginia, with twenty-seven members and more pending. The officers are:

Dr. Carl E. Cox, President; Captain Charles K. Osborne, Vice President; J. C. Kyle, Secretary; Oscar Carson, Jr., Treasurer; Joseph B. Cox, Registrar; Rufus E. Cox, Historian; Rev. Walter A. Hashe, Chaplain. The name selected is the LIEUT. DAVID COX CHAPTER.

THE AMERICAN'S CREED

I BELIEVE IN THE UNITED STATES OF AMERICA AS A GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, FOR THE PEOPLE; WHOSE JUST POWERS ARE DERIVED FROM THE CONSENT OF THE GOVERNED; A DEMOCRACY IN A REPUBLIC; A SOVEREIGN NATION OF MANY SOVEREIGN STATES; A PERFECT UNION, ONE AND INSEPARABLE; ESTABLISHED UPON THOSE PRINCIPLES OF FREEDOM, EQUALITY, JUSTICE, AND HUMANITY FOR WHICH AMERICAN PATRIOTS SACRIFICED THEIR LIVES AND FORTUNES.

I THEREFORE BELIEVE IT IS MY DUTY TO MY COUNTRY TO LOVE IT; TO SUPPORT ITS CONSTITUTION; TO OBEY ITS LAWS; TO RESPECT ITS FLAG; AND TO DEFEND IT AGAINST ALL ENEMIES.
