THE PRESIDENT GENERAL'S MESSAGE

What shall the year bring forth?

Not since the opening days of 1918 has that question been in men's hearts with such measures of doubt.

In the days of our participation in the World War, how man, woman and child responded to every call! Every individual "did his bit."

This new year demands from us the same degree of loyalty and courage. We fight, not a foreign foe, but insidious internal forces of economic distress, poverty, fearsome uncertainty and indecision.

The clarion call is for courage and faith. The Star Spangled Banner still waves over the same mineral laden mountains, the same fertile fields, the same well equipped factories, the same cities, towns and villages, yes, over the same American people. Physical bounties have not left us. Man has failed—in what manner no two can agree.

Man will overcome his failure. There has never been but one storm that has not cleared away. America will come out of this tempest a greater nation because men's souls have been tried.

Each Son of the American Revolution will do his part to establish prosperity this year. In so doing, we shall preserve the fundamental ideals and principles of the United States to be carried forward by a people imbued with a higher sense of integrity, with a more intelligent participation in public affairs, with a demand that every official shall conduct his office as a public trust.

Let us set an example which all may follow that there may be realized the wish of your President General,

A HAPPY NEW YEAR FOR ALL

The President General's Trip

IT IS greatly regretted that the reduced size of this Magazine does not permit a more detailed account of the remarkable trip made with Mrs. McCrillis to the Pacific Coast to visit state societies and chapters. I should like to tell at length of every luncheon and banquet given in our honor and to mention by name the many Compatriots who entertained us and favored us with personal courtesies. As this is not possible, let me here express our sincere appreciation to each society and chapter and to every individual who was so gracious.

At each place we were met by a delegation, escorted to our stopping place and given a schedule which covered every moment of our time, provided valuable meetings, and enabling us to see the interesting local points.

Our first official stop was at Minneapolis. September 5th was a busy day. Luncheon given by the St. Paul Chapter at the Athletic Club, dinner by the officers and executive committee of the Minnesota Society and their wives at the Curtis Hotel, followed by an open meeting in the ballroom. Luncheon given to Mrs. McCrillis by the D. A. R. at the Old Governor Sibley Home.

The next day we left our train at Wahpeton and were driven by National Trustee and Mrs.

Lum some fifty miles to Fargo, North Dakota. Vice President General Hanna's car awaited our arrival with the message that he desired to receive me at his home. He had but recently returned from the hospital after a serious operation. That evening a banquet was tendered by the North Dakota Society at the Gardiner Hotel. The following day I addressed the Cosmopolitan Club at luncheon, while Mrs. McCrillis was given a luncheon by the two local D. A. R. chapters.

In the State of Washington we assisted in observing Constitution Day, on Saturday, September 16th, at a banquet by the Spokane Chapter, and on Monday, the 18th, at a banquet by the Seattle Chapter. This latter meeting had the unique distinction of having standing room only. On Monday noon the state officers and board gave a luncheon at which intimate society affairs were discussed.

On Sunday, September 17th, Vice-President General and Mrs. Walter B. Beals tendered us an afternoon tea at their delightful home in Olympia.

Saturday morning, September 23rd, we started with Mr. and Mrs. Elias A. Wright in their car for Portland. It poured in torrents all the way, 208 miles, but the trip was made

in five hours. We were met at the University Club by Past President General Wallace McCamant who entertained us at a quiet luncheon. In the afternoon I met with the officers and state board, and in the evening a buffet supper was followed by an open meeting.

Our next official stop was at San Francisco where for several days we were the guests of Past President General and Mrs. Howard C. Rowley. On September 28th the members gave a luncheon at the Commercial Club, and on the following evening the officers, past officers and board of managers tendered a banquet to Mrs. McCrillis and me at the Fairmount Hotel.

October 5th found us in Los Angeles where a luncheon was given at which, in addition to members of the S. A. R., were representatives of the S. R., the D. A. R. and other hereditary patriotic societies.

The following day we motored with friends 132 miles to San Diego where a luncheon was tendered us by the San Diego Chapter.

October 11th we visited the New Mexico Society at Albuquerque. At noon I addressed the Kiwanis Club, and in the evening was tendered a banquet at the Franciscan Hotel. At the close of my address former State President H. Emory Davis addressed me at length in Spanish, closing in English with the statement, "All of which means we want you to

accept this Navajo rug which carries with it our heartiest best wishes." That night we drove with Compatriot Wesley O. Connor to Santa Fé, where the following noon I addressed the Rotary Club, the other speaker being Philip La Follette, the former Governor of Wisconsin.

I am very hopeful that a chapter may be organized at Santa Fé. It is worthy of note that the New Mexico Society is the only one having at the present time the largest number of members in its history.

Arriving at Denver, on the afternoon of the 14th, we were met at the train by a group of compatriots who escorted us to the station entrance where we were greeted by a large delegation of compatriots and members of the D. A. R. headed by two Boy Scouts holding the historic War Flag of Colorado loaned by former Governor and Past President Julius C. Gunter, and by a little girl dressed in Colonial costume who presented a Colonial bouquet to Mrs. McCrillis.

That evening Vice-President General Benjamin L. Rich of Salt Lake City accompanied by Mr. Chauncey P. Overfield, Secretary of the Utah Society, and by Col. Grant Young of Utah joined our party and accompanied us to Cheyenne.

In the evening there was a banquet in the Brown Palace Hotel. In some way the officers

had heard that it was my birthday, and I was agreeably surprised when a large birthday cake was brought in with sixteen candles!

After the banquet I went to Station KLZ for a ten minute broadcast, then returned to the hotel where a reception was held, followed by addresses. One of the features was the presentation to me for the National Society of a set of slides prepared by Edward W. Milligan, Secretary of the Colorado Society on "The Many-sided Washington." In making the presentation, Secretary Milligan expressed the hope that our National Society might add Visual Education to its field of activities. (Since returning home, Secretary Milligan has accepted my appointment as Chairman of the newly appointed National Committee on Visual Education.)

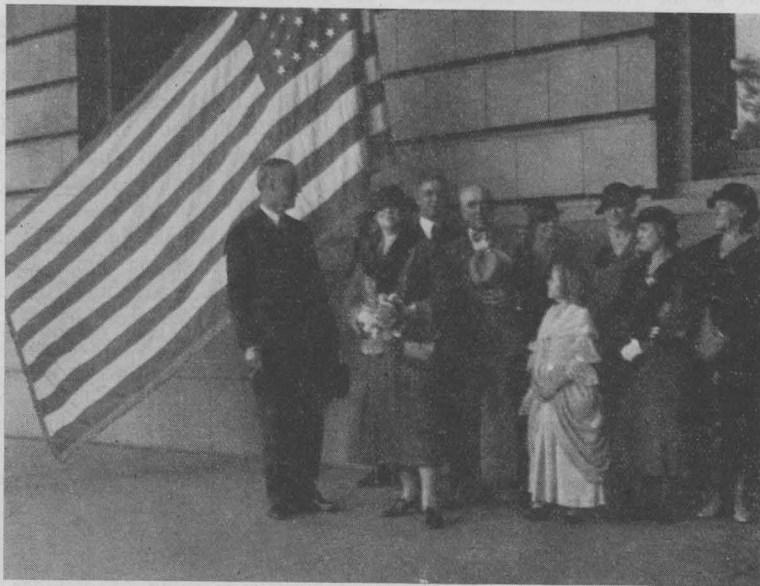

At Cheyenne, Wyoming, we were met by Governor Leslie A. Miller and State President Walton and escorted to the Plains Hotel. In the afternoon I made an official call on Governor Miller at the executive offices, and in the evening the Wyoming State Society tendered a banquet at the Plains Hotel at which Governor Miller was toastmaster, Mrs. McCrillis at the same time being entertained at dinner by Mrs. Miller and Mrs. Walton.

At Sioux City, Iowa, a delegation headed by State President Marshall and including their beloved eighty-six years young Secretary

George A. Jewett met us at the station. At noon a luncheon was given by the officers and board at which business affairs were discussed, and in the evening the Tri-State (Iowa, Nebraska and South Dakota) Banquet was held at the Hotel Martin. Past Vice-President General Potter had driven over with Mark Morris from Ames. In order to keep our next engagement in Chicago it was necessary for us to leave Sioux City at 10:30 for the 172 mile drive to Ames, which Mr. Potter characterized as "the midnight ride of the patriots."

At Chicago we were the guests of the Illinois Society at the Union League Club. A well attended and delightful banquet was tendered to us in the crystal room, and two days later the officers and board gave us a dinner at the Great Northern Hotel, followed by a trip to the new building of the Chicago Historical Society with a short program including an address by the President General. On Sunday evening I participated in the services of the Chicago Sunday Evening Club. Past President General Jenks honored us by attending all the meetings and gave the toast to the President General at the dinner.

Monday evening at Milwaukee, we were met at the train by Compatriot Smith, treasurer of the Wisconsin Society, who drove us around the city, thence to the Pfister Hotel where dinner was tendered us. The evening

was spent in an informal discussion of society problems.

Wednesday night we arrived in Detroit and were met by a delegation headed by Vice-President General Conger, including National Trustee Barnes, and escorted to the Statler Hotel. Early the next morning Vice-President Conger called for a conference in regard to affairs in the Great Lakes District. This was followed by a meeting of the state officers, board and chapter presidents, which in turn was followed by a luncheon at the Statler Hotel with ladies present.

At Rochester, N. Y., we were the house guests of Past President General and Mrs. Harvey F. Remington. The newly organized Western New York Regional Group held an all day meeting with luncheon at the Oak Hill Country Club. After the business sessions our meeting was addressed by the President General and by Mr. Jagger, Vice-President of the Empire State Society. Mrs. McCrillis and Mrs. Jagger were entertained at luncheon by the wives of Rochester Chapter members and members of Irondequoit Chapter,

D. A. R., and were presented with silver spoons engraved with the date.

Our personal pleasure was greatly enhanced by the entertainments at the homes of our compatriots, the drives around the cities and into the surrounding country, the visits to historic spots, the flowers and gifts, and the many luncheons and teas given in honor of Mrs. McCrillis.

The purpose of our trip was to arouse increased interest in our beloved Society. From letters received I believe much was accomplished. Mrs. McCrillis and I have returned to our accustomed places greatly enriched by old friendships renewed and new ones formed. Faith in the character and standing of our membership is strengthened and my confidence in the future of our society is unbounded. I have received new inspirations to work for the advancement of our organization, and I know that I shall have the wholehearted cooperation not only of the compatriots met on this trip but of our entire membership.

ARTHUR M. MCCRILLIS.

Digest of Proceedings of the Executive Committee

Meeting at National Headquarters, Washington, D. C., Monday, October 30, 1933

Present: President General Arthur M. McCrillis (presiding); Louis Annin Ames, H. Prescott Beach, David E. French, Rulof C. Schanck, Loren E. Souers; and Treasurer General George S. Robertson, as guest.

R. C. Schanck served as secretary *pro tem.* in the absence due to illness of the Secretary General, and minutes of the meetings of May 14th, 16th and 17th, 1933, were approved.

All mail votes since the previous meeting of the Committee were ratified, including the vote regarding four issues a year of the Magazine as required by the Post Office Department instead of three as specified by the Congress, and the vote reducing the bond of the Treasurer General.

The invitation of the Maryland Society to hold the Forty-fifth Annual Congress in Baltimore in 1934, which will be the year of the Tercentenary of the founding of Baltimore, was accepted after full discussion of invitations received from the New York City Chapter, from the Buffalo Chapter, from the West Virginia Society (for White Sulphur Springs), and from Jamestown, N. Y.; and a vote of thanks was extended for all invitations.

A smaller membership certificate, to be 11 x 14, according to a design submitted by the Balfour Company, was approved after minor changes, and was referred with power to the committee—Justice Van Orsdel, the President General, and the Secretary General.

The matter of rearranging the insurance on the Society Headquarters and its equipment, and of additional or new kinds of insurance, was referred to a committee on insurance consisting of the President General, the Secretary General and the Treasurer General, with power; said insurance amounting to not less than 80% of the fair replacement value as determined in manner and amount satisfactory to the President General. Insurance of the records was left entirely with the President General.

The budget for the fiscal year was discussed. The President General was requested to supplement the work of the Treasurer General by writing to the state societies requesting full payment of unpaid dues.

The Treasurer General was authorized to sell the following: One bond Atchison, Topeka and Santa Fe Ry. Co. (present value \$925.00);

five certificates City of New York Corporate Stock (present value \$832.50 each); two certificates State of New York Canal Loan (present value \$1,060 each).

The Riggs National Bank of Washington, D. C., and the Calvert National Bank of Baltimore, Md., were chosen as depositories of the funds of the National Society. It was decided to carry on the books of the Society at \$1.00 as of April 1, 1933, the account of the Society with the Park Bank of Baltimore.

The President General and the Editor of the S. A. R. Magazine were requested to arrange with the printers for two issues of smaller size, to save from \$250.00 to \$500.00.

Payment of a bill of \$13.55, covering balance of premium on a canceled insurance policy, incurred prior to the present Society year was authorized.

Events of State Societies

(Editor's note: Because of greatly restricted page space in this issue it has been necessary to edit the reports of state activities to a minimum. References to the many courtesies extended to the President General and Mrs. McCrillis on their trip are omitted here to avoid duplication.)

California Society

The Society has been fortunate in securing as a loan the library of the California Genealogical Society, consisting of some 2,000 bound volumes, numerous manuscripts, charts and scrap books. This, with the permanent collection, gives a working library of over 3,000 volumes, and is one of the best and largest collections of genealogical material west of Chicago. Modern steel library shelving has been installed, and the books properly arranged and classified. Considerable interest has been manifested as the library is open to the public, and it is hoped it will interest patrons and be a stimulus in securing new members.

On September 12th the Society was especially invited to inspect the U. S. Frigate *Constitution* (Old Ironsides). At the conclusion of the visit President George H. Canfield, on behalf of the California Society, presented a properly engraved medal of commemoration.

Reports received from California Chapters show splendid activity and the meetings held have been full of interest and enjoyment. ALAMEDA COUNTY CHAPTER, at Oakland, LOS ANGELES CHAPTER, SAN DIEGO CHAPTER and

It was directed that copies of the report of the Finance Committee as read be sent to the members and a vote thereon by mail requested from them.

A vote of thanks was extended to the Colorado Society for the gift of slides illustrating the lecture on "The Many-sided Washington."

SAN FRANCISCO CHAPTER, have all held Flag Day and Constitution Day meetings which have brought the constructive work of the Sons of the American Revolution forcibly to the attention of the general public.

Colorado Society

The story of the courtesies extended to the President General in Colorado is told in Mr. McCrillis' account of his trip, but an additional word here about the historic flag seems appropriate. It had been carried to the top of Pike's Peak in 1906 for the official christening of that noted mountain by the late General Irving Hale, representing the U. S. Army; and had been carried in the Denver funeral procession for President McKinley. It is intrinsically valuable, as well as historic, as its fringe is of gold bullion, and is only loaned for use on the most special occasions. The new flag which replaces it in use was made and presented to the Colorado Society by Mrs. Blunt, wife of President Laurence C. Blunt.

DENVER CHAPTER—Constitution Day was observed on Sunday morning, September 17, by a special service at the Twenty-third Avenue Presbyterian Church, the Rev. Robert Karr addressing the members and his congregation on the Constitution of the United States, to which he has directed much thought and study. The entire service was of a patriotic character, in keeping with the anniversary

observed, and was participated in jointly with the three local Chapters of the D. A. R.

Delaware Society

Constitution Day was celebrated in conjunction with the regular meeting of the Rotary Club. G. Morris Whiteside, President, presided and introduced James R. Morford, Esq., who made an interesting and forceful address on the Constitution of the United States, stressing the fact that indifference by the people and their willingness to let others assume responsibilities was serious and a handicap to the functioning of the Constitution.

District of Columbia Society

The first fall meeting of the Society was held on November 15, at the Mayflower Hotel, the President, Major General Amos A. Fries, presiding. Following a brief business meeting, General Fries talked informally of incidents of the summer and fall at which he had represented the Society, notably in the hearing before the Secretary of State in protest of Recognition of Soviet Russia, described in the October S. A. R. MAGAZINE, and at several large meetings and gatherings of organizations to which he was delegate, the American Legion meeting in Chicago, the meeting of National Sojourners, the Anti-Crime Conference, and others.

At the business meeting, new members were installed, and a special tribute was tendered Dr. Clifton P. Clark, Registrar of the District of Columbia Society, whose untiring and loyal services are so deeply appreciated.

Florida Society

JACKSONVILLE CHAPTER—At the October meeting held at the George Washington Hotel, President Russell L. Frink presiding, the members enjoyed an account of the trip which the President had taken over the Battlefields of Virginia last summer.

Compatriot William R. Harney also spoke briefly on his trip to Warm Springs, Georgia, and Compatriot Herbert Lamson described his trip to Mount Mitchell, the highest peak east of the Rockies. Judge Burton Barrs told of his visit to the Century of Progress Exposition at Chicago, and a visit to Santa Fé, N. Mex., and the cliff dwellings were described by Charles J. Williams. Other compatriots told of their summer visits, to New York and the World Series games, to Patrick Springs, Va., where the "fairy stones" are found, and to the Great

Smoky Mountains National Park which will be officially opened next year.

On November 13, the Chapter met again for luncheon and brief business session at the George Washington, and heard with interest a talk by Bayard B. Shields on "The Greatest Day in Florida History," the reference being to the Signing of the Treaty of Paris, February 10, 1763, when possession of Florida was ceded.

Illinois Society

Constitution Day was observed by holding a memorable meeting on Sunday afternoon September 17th, at the Century of Progress Exposition in the Hall of Religion, with a fine program of music and speaking. President Charles B. Elder, of the Illinois State Society presided, and read a letter of greeting from Compatriot Rufus C. Dawes, President of the Century of Progress Exposition. Hon. Charles S. Cutting, former Judge of the Probate Court of Cook County made the address on "The Constitution Today," following a brief address of welcome by Compatriot Hugh S. Magill, Secretary of the International Council of Religious Education, and Manager of the Hall of Religion.

GEORGE ROGERS CLARK CHAPTER, Peoria—A Constitution Day meeting was held on September 23rd at which Justice Clyde E. Stone of the Illinois Supreme Court was speaker.

Dr. Charles T. Wycoff, Dean of Bradley Polytechnic Institute, spoke on the battle of Yorktown and its effect on American history at the meeting on October 21. Members were dinner guests of Mark D. Batchelder.

SPRINGFIELD CHAPTER—Appropriate Constitution Day services were conducted at Christ Church, when Rev. Jerry Wallace, the rector, devoted his sermon to a discussion of the Constitution and an appeal to support of the President in his efforts to lead the country through these trying times. Members of the Chapter and of the D. A. R. attended.

Indiana Society

Much interest in the awarding of Good Citizenship Medals to the C. M. T. C. at Fort Benjamin Harrison was manifested by the Indiana members when ceremonies were held for this purpose last August, President Mark H. Reasoner making the presentation. Following the ceremonies the members adjourned to the Spink Arms Hotel, Indianapolis, for luncheon, and were addressed by Col. O. P. Robinson, U. S. A., Director of Military

Science and Tactics at Indiana University, his subject, "Student Military Training," being most appropriate. He urged the members to also take an interest in the awarding of the new R. O. T. C. Medal now available for this valuable unit of our defense training. In response to this appeal, the Society pledged five R. O. T. C. Medals for the units at Purdue and Indiana Universities, also one to De Pauw.

On October 10th President Mark H. Reasoner was guest and speaker at the opening session of the State Conference of the Indiana D. A. R., representing his Society, and with Mrs. Reasoner, guest at their annual dinner. On October 19th the Indiana Society S. A. R. held a Yorktown Anniversary meeting, with Charles F. Remy as the speaker.

Iowa Society

WASHINGTON CHAPTER, Ames—The annual meeting was held on October 13th at which time the following officers were elected: President, Robert A. Caughey; Vice President, Mark Morris; Secretary, Harvey Taylor; Treasurer, W. H. Stafford.

Maryland Society

The first meeting of the season of the Maryland Society was held at the Belvedere Hotel, Baltimore, on October 19th, in commemoration of the surrender of Lord Cornwallis at Yorktown and the burning of the brig, *Peggy Stewart*, at Annapolis. The meeting was presided over by the President, Philip Sidney Morgan, and the speaker was Major General Amos A. Fries, President of the District of Columbia Society, who gave an interesting and enlightening discourse on the questions confronting our country with regard to the recognition of Soviet Russia. He also touched on the question of the European war loans.

SERG. LAWRENCE EVERHART CHAPTER, Frederick—Repudiation Day, of special interest to Maryland, was observed with a banquet at the Francis Scott Key Hotel on the evening of November 23rd. President Lewis A. Rice presided, and introduced the speakers, and guests. President Philip S. Morgan, of the Maryland State Society, and other State officers from Baltimore were present and spoke. Mr. Morgan gave details of the Cincinnati Congress, and Mr. Herbert Fooks, Chairman of the State Society Americanization committee, urged the use of the Good Citizenship Medals as an aid to this work, and told of the Maryland Society's work in this field. Historical references associated with Frederick County were the subject of Rev. Mr. Shaffer's address.

Massachusetts Society

The annual Tri-State Meeting of the Massachusetts, Rhode Island, and Connecticut Societies was held at the Hartwell Farm, Lincoln, Mass., on October 12, the local Society acting as host. Compatriots and guests, including many ladies, enjoyed a noon dinner followed by a most enjoyable musical program given by the Florentine Trio, and an address by Compatriot Rev. Herbert Spencer Johnson, D. D., who spoke of current national affairs. Vice President General Samuel F. Punderson and Lieut. Colonel John Bion Richards, President of the Sons of the Revolution of Massachusetts, were also special guests for this occasion.

Preceding the dinner a bus-load of members were driven to Concord, where the many historical points there, and at Lexington, were visited.

Massachusetts Chapters resumed regular meetings beginning with Constitution Day and reports of these show much interest and activity. President William J. Holbrook and other State officers have visited a number of the Chapters and made valuable contacts with their officers and members. President Holbrook was honor guest and addressed OLD ESSEX CHAPTER, Lynn, GEORGE WASHINGTON CHAPTER, Springfield, and BRIG. GEN. JAMES REED CHAPTER, at Fitchburg, on the general subject of the Constitution; OLD MIDDLESEX CHAPTER at Lowell especially honored Captain William B. Wiggin, Q. M. C., O. R. C., by the presentation of shoulder bars, hat cord and officer's tie, and heard a talk on the West Indies by Captain A. K. Barrows; Captain Byron McCandless, U. S. N., spoke on "Our Navy in the Revolution and Flags of That Period," at the Yorktown Meeting of OLD ESSEX CHAPTER; BOSTON CHAPTER heard Rev. Samuel M. Lindsay, D. D. on "The Art of Living Together."

BRIG. GEN. JAMES REED CHAPTER of Fitchburg elected new officers on November 15th as follows: President, Frederick W. Holden; Vice President, Edward B. Walker; Secretary, Charles T. Patch; Treasurer, Frederick W. Porter; Registrar, Arthur C. Harrington. This chapter is interested in the presentation of Good Citizenship Medals and has pledged cooperation with the D. A. R. in locating and marking Revolutionary graves.

BERKSHIRE COUNTY CHAPTER, Pittsfield and North Adams, on October 7th, held an outstanding dedication of two new tablets on the Stafford Hill Memorial Tower in Cheshire, erected by the Chapter in 1927, to the memory

of Bennington Battle units sent from this locality. Hon. John Spargo, Historian of the State of Vermont, delivered the address, and the meeting was attended by Governor Ely's representative, State President William J. Holbrook, and many representatives of S. A. R. and D. A. R. Chapters who presented floral tributes, and by the Massachusetts S. A. R. Color Guard as escort.

Michigan Society

At the meeting held in honor of the President General briefly described in Mr. McCrillis' story, a World War service Medal was presented to Compatriot Raymond E. Addis of Holly in recognition of his war service. Among the reports presented at the business meeting, much encouragement was felt at the statement that there had at that time been more than 85 reinstatements to membership.

In an effort to stimulate interest in Society affairs Secretary Van Syckle recently made an extended tour through the State, both northern and southern peninsulas. The difficulties of holding members and Chapters scattered over this large territory were apparent. The Lower Peninsula is 180 miles by 300 miles; the Upper Peninsula extends westward 350 miles. From Detroit to the Straits of Mackinac is 300 miles and thence to the Copper Country, 250. Population centers here are widely separated and annual convocations of members or delegates are very difficult. Enumeration of the places and persons visited is impossible but many personal contacts were made and information as to local conditions secured which will be valuable in promoting the intelligent understanding of local and personal problems, which was the ultimate object of these visits. One result may be the organization of a local chapter at Flint, which Compatriot Morrison R. McCormick will endeavor to promote. Many compatriots called upon are actively interested in the presentation of Good Citizenship Medals which serve to instill an interest most helpful to good fellowship throughout the Society.

DETROIT CHAPTER held an interesting Constitution Day meeting and dinner September 16th, with an address by Dr. Roy Ewing Vale on "The Constitution, Yesterday, Today, and How Long?" at which time officers and members of the D. A. R. Chapters participated.

CHANCELLOR JOHN LANSING CHAPTER reports the election of new officers as follows: President, Edward D. Rich; Secretary, Max D. Harris; Assistant Secretary, Dr. Lewis C.

Ludlum; Treasurer, Albert A. Elsesser. KENT CHAPTER, Grand Rapids, ST. CLAIR CHAPTER, Port Huron, WASHTENAW CHAPTER, Ann Arbor, and OAKLAND CHAPTER, Pontiac, were represented at the reception in Detroit for President General McCrillis by officers and members, and interesting meetings have been held this fall by these Chapters. Participation in the marking of the grave of Jacob Petty, the ancestor of Compatriot Raymond E. Addis of OAKLAND CHAPTER by the D. A. R. of Pontiac, on October 12th, was a notable event and attended by State President Norman B. Conger and Registrar William C. Krichbaum.

Minnesota Society

MINNEAPOLIS CHAPTER—The annual meeting was held December 8, when the following officers were elected: President, Raymond A. Jackson; Vice Presidents, Ward Benton, K. W. Gilkerson; Secretary, Stelle S. Smith; Treasurer, Albert R. Van Dyck; Directors, Rolla White, W. H. Parker, A. E. Johnson.

The Society has been constructively active throughout the year, and this fall participated in the observance of Constitution Day and Navy Day jointly with the Inter-Racial Service Council and with the Rotary Club respectively. Rev. J. Tallmadge Bergen as Chairman of the Committee on Patriotic Education sponsored the presentation of eight Good Citizenship Medals at the end of the school year, and personally conducted a Constitution Day service on September 17th.

Nebraska Society

A joint meeting for Constitution Day was sponsored by this Society and the D. A. R. at Lincoln at the Chamber of Commerce. The address was given by Hon. Robert G. Simmons on "Our Constitution," and was received with appreciation. Luncheon preceded the address.

New Jersey Society

Constitution Day was generally observed throughout the State; proclamations were issued in nearly every municipality calling public attention to the anniversary.

The regular meeting of the Board of Managers, held on October 13th, was designated "Past Presidents' Night." After the business, Mr. Harry Louderbough, of Jersey City, gave an illustrated address, "Flags Used in America," showing 27 small fac-simile flags.

Sincere regret is felt in the death of Judge Cornelius Doremus on October 30th. A member for the past twenty years, he was deeply interested in the Society's work. Formerly

Chancellor and Vice President of the State Society, he was also a past President of PARAMUS CHAPTER, and former Vice President General of the National Society. His passing is a deep loss to the Society and to his own community where he was greatly beloved.

Chapter activities began in September with splendid Constitution Day observances, and which have been followed with subsequent meetings in recognition of Yorktown anniversary, Navy Day, Armistice Day, and other occasions which our members so appropriately celebrate and bring to the attention of the public through press and radio services. Some of the excellent addresses and speakers heard were Rev. Fred C. Baldwin on the Constitution, before ORANGE CHAPTER; at Montclair, the Restoration of Colonial Williamsburg, by Harold R. Shurtleff, resident architect and Director of Research for Colonial Williamsburg, Inc.; an evening devoted to "Memories of Former Days," with NEWARK CHAPTER, to which various compatriots contributed; "The Fun of Finding Forefathers," by Mr. Fitzhugh Randolph of the New York Genealogical and Biographical Society at PARAMUS CHAPTER, Ridgewood; Dr. Lewis S. Mudge, of Philadelphia, on "We, the People of the United States," and "How American History is Taught in Public Schools," by Superintendent John B. McDougall and Principal Charles H. Beck, of Junior High Schools, at PASSAIC VALLEY CHAPTER, of Summit; "An Engineer's Experience in Russia," by T. H. Arnold, at the WEST FIELDS CHAPTER; Hon. Newton W. Gilbert, former Governor General of the Philippines, spoke of his experiences before NUTLEY CHAPTER. Radio broadcasts on Constitution Day and other anniversaries were given by JERSEY CITY CHAPTER in September and October, and constructive programs in Americanization work and distribution of Good Citizenship Medals have been planned by SOUTH JERSEY CHAPTER at Haddonfield, PARAMUS, NEWARK and other Chapters throughout the State.

Empire State Society

NEW YORK CHAPTER—The annual meeting and ladies' night banquet was held at the Savoy Plaza Hotel October 31st, the anniversary of the organization of the Sons of Liberty. Following the business, all adjourned to the ballroom for dancing.

Mr. Frederick H. Cone was elected President to succeed the late Brigadier General Oliver B. Bridgman; Colonel Henry B. Fairbanks, Richard V. Goodwin, William S. Deni-

son, Vice Presidents; Major Charles A. DuBois, Secretary; Ward Belknap, Treasurer; William L. Allen, Registrar; D. Albert Hunting, Historian; Rev. Henry Darlington, D. D., Chaplain. Managers: Louis Annin Ames, George Royce Brown, Lt. Col. Thomas B. Clarke, Jr., Lt. Col. Charles E. Greenough, Franklyn Hogeboom, William S. S. Horton, M. D., Harold S. Hull, Capt. Walter I. Joyce, Charles S. Leeds, Schuyler A. Orvis, Joseph Sawyer, Allen H. Seed, Jr., Alfred B. Seeley, Hon. Herbert R. Smith, William E. F. Smith, Joseph A. Sowdon, Brig. Gen. Louis W. Stotesbury, Bennett E. Tousley, Lydecker Van Riper, William Van Wyck.

Constitution Day was celebrated with the usual meeting on the steps of the United States Sub-Treasury Building, the site of old Federal Hall. The exercises were held at noon on September 18th, and attracted a large audience. Brigadier General Louis W. Stotesbury, President of the EMPIRE STATE SOCIETY, presided. The address on the Constitution was delivered by John Edmond Hewitt, Professor of Constitutional Law of the New York University Law School. A large floral wreath was placed on the statue of Washington by Vice-President Cone. Miss Maria Silveira, coloratura soprano of the Capitol Theatre, thrilled the audience with her rendering of "The Star Spangled Banner" and "America." The U. S. Navy Band from the Brooklyn Navy Yard played.

NEW YORK CHAPTER was represented by its Color Guard in the ceremony of the Massing of the Colors on Sunday afternoon, November 5th. This tribute to the Flag, held annually on the Sunday preceding Armistice Day, had an even deeper significance this year, for it was also a memorial to the late Brigadier General Oliver B. Bridgman, its founder. A very beautiful tribute was paid to his memory during the services, at the Church of the Heavenly Rest, following the parade. The lights of the church were lowered and a spotlight above the chancel was focussed on General Bridgman's sword, lying on a flower-draped stand. A bugler sounded taps, and then the Doxology was sung by the choir.

WESTERN NEW YORK REGIONAL GROUP—A meeting of this newly organized regional group of the Chapters of Western New York was held at Rochester, on October 28th, at the Oak Hill Country Club. The guest of honor was the President General.

At the business session a constitution and by-laws were adopted and resolutions favoring a reduction of initiation fee and dues and a

change in the method of collecting these were unanimously adopted by the group. Unanimous approval was also given to the announcement that BUFFALO CHAPTER would invite the 1934 Congress to meet in that city, and pledges of cooperation in the entertainment given.

Permanent officers were elected as follows: President, Charles E. Ogden; Vice President, Hoyt R. Shehan; Secretary-Treasurer, Frank C. Sherman; Historian, Dr. Bradford W. Sherwood; Chaplain, Rev. Lincoln L. Rogers, these officers representing the chapters at Buffalo, Syracuse, Albion and Rochester.

BUFFALO CHAPTER—A luncheon meeting was held on October 9th at which the President, Mr. Hoyt Shehan presided. The Chapter went on record as unanimously in favor of extending an invitation to the National Society to hold its annual Congress in the City of Buffalo next May, 1934, and requested President Shehan to extend this invitation to be acted upon by the Executive Committee at a meeting soon to be held. Mr. Ganson Depew, Past President General of the National Society and Past President of BUFFALO CHAPTER made a brief talk and gave some details of what would be expected if the National Society accepted this invitation.

ROCHESTER CHAPTER held its annual meeting October 7 and elected the following officers: President, Charles E. Ogden; Vice President, Andrew R. Sutherland; Secretary, Franklin C. Sherman; Treasurer, George M. Minot; Registrar, Howard C. Dana; Historian, A. Emerson Babcock; Chaplain, Rev. Glenn B. Ewell. Board of Managers, the Officers and Henry Lampert, Dr. S. W. Bradstreet, Howard V. R. Palmer, John S. Wright, Paul Weaver and Brackett H. Clark. Delegates to the Western New York Regional Group of Chapters, George S. Tinklepaugh, Charles D. Bean.

The Chapter had a very successful year as the reports demonstrated. Chairman A. Emerson Babcock reported that ten Revolutionary graves had been marked and that more would be covered next year, using a granite post as marker. The report of Compatriot John W. Remington, Chairman of the Committee on Good Citizenship Medals, declared that every member of the committee took part in these presentations and that all were thrilled with their experiences.

During the year, meetings of the Chapter Lunch Club have promoted a much better knowledge of Chapter activities, and served

the function of this organization within the Chapters to create closer acquaintance.

SYRACUSE CHAPTER—The annual meeting was held on October 23rd, at the College of Home Economics, Syracuse University, following a dinner, which was the culmination of most interesting ceremonies conducted in the afternoon in dedication of an historical marker at the site of the old Jesuit Well, near Onondaga Lake. The placing of the marker was jointly sponsored by the SYRACUSE CHAPTER and the State of New York.

The dedicatory ceremonies at Jesuit Well were attended by Dr. Alexander C. Flick, New York State Historian, John F. Barrett, representing the Knights of Columbus, and Dr. William G. Hinsdale. Dr. Flick made a short historical address, briefly referring to the sturdy Jesuit and French missionaries and pioneers who, as early as 1657, became the first colonists of central and western New York and settled on the grant of ten square leagues given them by the Governor of Canada. The French policy of winning the friendship of the powerful Iroquois had secured to the Onondagas, in the peace treaty of Quebec, the promise that a mission would be established among them, and these settlements were in fulfillment of this promise. The first settlement, though most promising, was deserted after two years upon news of an Indian uprising, and the following century saw an almost continual clash between the French and English to determine which nation should gain control of this region.

The other sites which were marked at this time were the site of an Onondaga village in Dorwin Avenue, a pre-Colonial Indian site on Onondaga Lake, the Indian encampment south of Jamesville, and the Jesuit Mission at Salt Spring.

At the dinner following the above ceremonies, President Eugene A. Beach, of SYRACUSE CHAPTER presided and introduced Dr. Flick who spoke on the opportunity presented for the marking of historic sites through the aid and encouragement of the State of New York, and of the large field presented in the city of Syracuse and Onondaga County.

Following the dinner a brief business session was held. Mr. Charles Morse reported, as Chairman of the Committee of Correspondence and Safety, on the work of his committee in combatting subversive activities, and the excellent showing of Syracuse in support of the R. O. T. C. the past summer was reported by Captain Charles H. Barnes. The marking of

eleven Revolutionary soldiers' graves with the Official Grave Marker and the supervision of placing ten Federal grave stones was reported by Dr. Bradford W. Sherwood.

The election of officers resulted as follows: President, Dr. Bradford W. Sherwood; Vice President, Edward K. Ives; Secretary, Alfred L. Wise; Treasurer, Willis E. Gaylord; Registrar, Willard R. Seymour; Historian, Frank N. Decker; Chaplain, Rev. Henry H. Hadley, D. D.; Directors, Charles P. Morse, Eugene A. Beach, Roy P. Chamberlin.

Ohio Society

GEORGE ROGERS CLARK CHAPTER, Springfield—A meeting at the home of Compatriot Leon O. Reed, at Yellow Springs, was held November 20th, and plans were made for the awarding of Good Citizenship Medals in Springfield and Yellow Springs. The Chapter has active committees carrying on the work of the organization in its many fields of patriotic service. The speaker on this occasion was Rev. Hartman, recently returned from China, who had much to relate of his experiences.

Members of the Chapter appreciate the recent appointment by Governor George White of their past President Charles B. Zimmerman as Judge of the Supreme Court Bench. Judge Zimmerman is the youngest member of this Court and the first World War veteran to hold this position.

RICHARD MONTGOMERY CHAPTER, Dayton—A meeting was held on Friday evening, December 8th at the Shrine Club, commemorative of the birth of Gen. Richard Montgomery, for whom this Chapter is named. The presentation of some twenty World War Service Medals to compatriots was a feature.

The Chapter members interested themselves personally in the observance of Constitution Day and at least thirteen addresses before the pupils of as many schools were sponsored and conducted by the compatriots, the audiences in some instances ranging as high as 1,400.

Pennsylvania Society

The "play-off" of the tie score in the Pennsylvania State S. A. R. Golf Tournament for the Franklin Blackstone Low Gross Trophy, indicative of the State S. A. R. Golf championship, took place at the Alcoma Country Club, Pittsburgh, on November 2nd, and was won by Compatriot R. T. Hambleton, who defeated Mr. Cogswell of Hannastown, 76 to 77.

PITTSBURGH CHAPTER—Radio addresses on September 16th by Col. Franklin Blackstone, and on September 17th by Rev. C. W. Maus

were the contributions of this Chapter to the general observance of Constitution Day. Special references to the anniversary were made at the churches, and the superintendents of public and parochial schools cooperated to the fullest extent.

GEN. NATHANIEL GREENE CHAPTER, Greensburg—A celebration at old Brant's School on Sunday, October 8th, was outstanding. In this upper Ligonier Valley forty Revolutionary soldiers' graves were marked, in Porch, Deeds, Stahlstown, Fairmont, Pleasant Grove, Ligonier and Brant's Cemeteries. The beautiful costumes of Byers-Tosh Post, American Legion, at Ligonier, with their fine drum corps, added much to the ceremonies. Lewis C. Walkinshaw spoke of the history of the Catawba Indian Trail through the valley, and Fort Williams, built by the famed Capt. Richard Williams, who commanded a company of Four Mile Run patriots. Compatriots C. W. Maus memorialized the soldiers in Brant's cemetery, and James S. Kimmell, Esq., former teacher, recited the history of the school dating from Revolutionary days.

On Armistice Day a hike was taken with the John Pomroy Historical Club, Derry Township High School, from Four Mile Run to Bushy Run Battlefield, past the home of Maj. Gen. Arthur St. Clair, and Hannastown Court House site. Compatriot Lewis C. Walkinshaw also recently addressed 200 teachers of the Frick Training School, Pittsburgh, on "The Indians of Western Pennsylvania."

VALLEY FORGE CHAPTER, Bethlehem—The ninth annual meeting of this Chapter was held on November 1, in the D. A. R. Memorial House, retiring President Dr. Earle D. Laros, of Easton, presiding. An interesting address by Major William R. Coyle on "Monumental Washington," was followed by a social hour, at which the D. A. R. Chapter of Bethlehem was hostess.

The election of officers at the business meeting preceding resulted as follows: President, Elmer L. Mack; Vice Presidents, William R. Schnabel, Porter G. Polk, John R. Helwig; Secretary-Treasurer, Wilbur L. King; Historian, Harold Hippenstiel; Registrar, Clarence E. Beckel; Chaplain, Rev. John Baer Stoudt. Managers: Charles A. Heckman, Thomas P. Wenner, Rev. C. A. Butz, Joseph C. Slough, Frank Kemmerer, Ira Frankenfield, Fred T. Beckel.

PHILADELPHIA CHAPTER—A trip through historical Germantown, in conjunction with the Historical Society of that city was enjoyed

on October 21st. About fifteen historical mansions and churches were visited. Dinner was served at the Y. W. C. A., after which a gathering at the Friends' Meeting House discussed historical events of this locality.

On Armistice Day, under the guidance of Compatriot Leigh W. Prentice, a party was conducted through Girard College, under the auspices of the City History Society.

Rhode Island Society

A visit to historic shrines in the southern part of Rhode Island constituted the annual outing on September 20. The first objective was Bonnet Point, a slightly promontory reaching out into Narragansett Bay, and Bonnet Redoubt, which has been fortified on several occasions during the last 150 years.

Luncheon was served at the Bonnet Shores Club, after which the party proceeded to the birthplace of Gilbert Stuart, famous painter of George Washington. There they were greeted by Mr. and Mrs. Nathaniel M. Vose, trustees of the Gilbert Stuart Memorial Association, who described the interesting features of the estate. A snuff mill exactly like the one which stood on the old farm at the time Gilbert Stuart lived there, and which was built about 1750, has been erected by the Association, and the old-fashioned undershot water-wheel and other details of this mill attracted attention.

The party then proceeded to the birthplace of Commodore Oliver Hazard Perry, and his two brothers, Raymond L. and Matthew G. Perry. All three of these brothers were at one time officers in the U. S. Navy, and Oliver Hazard Perry was in command of the fleet which fought the famous battle of Lake Erie, which he described in the laconic message, "We have met the enemy and they are ours." The Perry birthplace is maintained as a memorial and has many relics of these three famous sailors and other members of the family.

Tennessee Society

JOHN SEVIER CHAPTER, Chattanooga—The annual meeting was held at the Mountain City Club on December 1, with a noon luncheon. Officers were elected as follows: President, Charles K. Peacock; Vice Presidents, Hugh L. Thatcher, Junius B. French; Secretary-Registrar, Ira P. Jones; Treasurer, Captain Van Dyke Ochs; Historian, Jesse T. Hill; Surgeon, Dr. Willard Steel; Chancellor, Joe. V. Williams, Jr.; Chaplain, Willard Keene.

Texas Society

Definite plans are being made for an especially interesting annual meeting to be held in

the City of Arlington on April 19th next. This city, situated half way between Dallas and Ft. Worth, is well located for the meeting, and the Mayor, Chamber of Commerce, and members of the Society, have already begun plans for the entertainment of the Society.

Names of several outstanding citizens in various parts of the State have been submitted as prospective members, and it is hoped that many of these will file applications at an early date. Texas is proud of the personnel of its membership, and also of the interest in the organization which has been maintained during the chaotic economic conditions existing of late. Splendid results have been attained through the presentation of the Good Citizenship Medals, and proper note of Constitution Day and many patriotic events has been taken.

Utah Society

Vice President General Benjamin L. Rich, accompanied by Col. S. Grant Young, Sheriff of Salt Lake County and by C. P. Overfield, Secretary of the Utah Society, attended the dinner of the Colorado Society, at the Brown Palace Hotel, Denver, given in honor of President General and Mrs. McCrillis on Saturday evening, October 14th. They also attended the banquet of the Wyoming Society, at Cheyenne, October 16th.

Yorktown Day was celebrated by the Utah Society at the Alta Club on Oct. 19th; addresses being made by Vice President General Rich, Hon. Anthony W. Ivins, Mrs. C. P. Overfield, Regent of the D. A. R., and Mrs. Robert Murray Stewart, Past Regent of the D. R. The banquet was well attended.

West Virginia Society

GENERAL ANDREW LEWIS CHAPTER, No. 2, Huntington—On Armistice Day members of the Chapter were guests of Buford Chapter, D. A. R. State President C. W. Thornburg led the gathering in the Pledge to the Flag, and Chapter President John M. Beale led in reciting "The American's Creed." Dr. Carl M. Frasure of the Political Science Department of West Virginia University spoke on "Recent Trends in International Relations."

In the late summer Secretary Franklin L. Burdette visited the grave of General Andrew Lewis at Salem, Virginia. A large, well-proportioned granite monument has been erected by the Margaret Lynn Lewis Chapter, D. A. R. It is the annual custom of the GENERAL ANDREW LEWIS CHAPTER on Memorial Day to place a wreath on this grave.

Three Hundred Years Look Down on the 45th Congress!

Baltimore, May 20th-24th, 1934

It is significant that Baltimore, in Maryland, has been chosen for the seat of the 45th Congress of the National Society of the Sons of the American Revolution and that the dates of the Congress fall in May of the year 1934; for just following the Congress, in June, will be celebrated the Tercentenary of the founding of the Maryland colony by Cecil Calvert, second Lord Baltimore.

As hosts, the Maryland Society, in planning for the Congress, contemplates taking full advantage of the many historic shrines in Maryland, shrines of significance in Revolutionary as well as Maryland history. In addition, our Capitol, Washington, just forty miles away, will be included in those plans. So it can safely be said that there has never been projected a Congress of more interest and significance than this 45th Congress which all compatriots are cordially invited to attend.

Baltimore itself is a delightful city. Standing at the crossroads of Southern hospitality and Yankee commerce and culture, it presents a real "feel" of the blending of the two. Baltimore amply demonstrated its capacity to royally entertain a Congress in Baltimore in 1909, the 20th Congress, which many Sons will well remember. Again it will be host, offering the fine hospitality of the city to the S. A. R.

To those interested in things historical, this represents a real opportunity to visit and see first hand the locale of events that shaped colonial history. The *Ark* and the *Dove* bore the first Maryland colonists who landed on St. Clement's Island, in the Chesapeake Bay, in March 1634. At St. Mary's City and environs there still stand not less than a hundred houses dating back two hundred years and more. The original state house is now in process of restoration for the Tercentenary. Such famous names as the Old Hebb House, Fort St. Inigoes, Margaret Brent's "Sisters Freehold," The White House of Giles Brent, and scores of other points of interest in and around colonial Maryland will lure the visitor.

There is also historic Annapolis with its State House in which, in the Old Senate Chamber, General Washington resigned his commission as Commander-in-Chief of the Army; Carvel Hall, the Revolutionary home of William Paca; and, the United States Naval Academy.

In these times of stress and concern for all those who hold worthy the sacrifice of our forefathers, there is a special appeal today. Never has the purpose and program of the Society been more meaningful. Never has a Congress been more meaningful. And, it is fitting that it should be held coincident with the celebration of the 300th Anniversary of Maryland, the State which as early as 1649 enacted its now famous Act concerning religion, guaranteeing freedom of conscience to all within its borders.

Full details of arrangements and program will be forthcoming. For the present, it is enough to urge you to plan to be in Baltimore for an enjoyable and profitable Congress, May 20th-24th, 1934.
