

The annual Red Cross Roll Call occurs from NOVEMBER 11 to NOVEMBER 30. Last year more than 7,000,000 men and women enlisted. This year that 7,000,000 figure *must be* increased. Demands at home are growing. Humanity overseas cries aloud! Join your local chapter! Help raise that figure to eight, nine or ten million!

Qualifications for Membership (Extract from the Constitution)

ANY MAN shall be eligible to membership in the Society who, being of the age of *eighteen years* or over and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unflinching in loyalty to, and rendered active service in, the cause of American Independence, either as an officer, soldier, seaman, marine, militia-man or minute man, in the armed forces of the Continental Congress or of any one of the several Colonies or States, or as a Signer of the Declaration of Independence, or as a member of a Committee of Safety or Correspondence, or as a member of any Continental, Provincial, or Colonial Congress or Legislature, or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain.

Application for membership is made on standard blanks furnished by the State Societies. These blanks call for the place and date of birth and of death of the Revolutionary ancestor and the year of birth, of marriage, and of death of ancestors in intervening generations. Membership is based on one original claim; additional claims are filed on supplemental papers. The application and supplementals are made in duplicate.

Please address all communications for The Sons of the American Revolution Magazine to Frank B. Steele, Editor, 1227 16th Street, N. W., Washington, D. C. All Genealogical inquiries should be addressed to the Registrar General. COPY FOR APRIL ISSUE DUE MARCH 1, 1941.

Number 3

President General's Message

I HAVE been watching with anxiety the reports of new applications for membership. The number somewhat exceeds that for the corresponding period of the last Society year, but is far below what it should be, with such an opportunity as now presents itself, and I wish to urge intensified effort by all State Societies and their Chapters to stimulate membership increase.

In doing so, I am not motivated by any merely selfish desire for a favorable record by my administration. It is a patriotic service to which I am calling you. As I have said before, the period in which we are now living is one in which patriotic fervor is stirring again as it has not done in years. It is of the utmost importance that it be directed in the right channels of action, and to that end men who, by long heritage of American background, ought to have the deepest devotion to our country and its free institutions, should be so organized as to be able to exert articulate and coherent influence in the nation's affairs whenever there is need.

A great deal is being said about national defense, upon the need of preparation for which, at last, there is nearly unanimous agreement; but there is a veritable babel of confused and discordant counsel as to what we are to defend, and how we should go about it. Some proposals, plainly more enthusiastic than carefully considered, would threaten our national safety by stripping our own country of its materials of defense, leaving us almost helpless if disastrous defeat should after all come to the nation whose success we all desire. Other schemes would actually involve surrender of our independence as a nation, and the substitution of organic "union" with other nations to form a new empire in which the United States would be only a single unit, or dominion.

From among all these dissentient ideas there must be chosen those which promote our own security and independence, while not neglecting the maximum of safe assistance to those who, abroad, are struggling to halt the advance of the totalitarian tyrannies which all Americans abhor.

It is of the utmost importance, in so critical a time, that loyal Americans be so organized as to be able better to inform themselves and others upon these great issues, and to give support to wise counsel and leadership. If our Society deserves to exist at all, it should be strong now, and ready to join with other sound patriotic organizations in strengthening and protecting America and American institutions. It should be easier now than for many years past to recruit membership of our Society. The rolls of our sister society afford ready means of finding many eligible men, in every considerable community, whose eligibility has already been proved by their mothers or sisters. Let every State Society increase its efforts during the months ahead. There should be a great increase of membership before the first of April.

Your President General recently had the pleasant privilege, upon authorization by the Executive Committee, of turning over to Lincoln Memorial University, at Harrogate, Tennessee, the fund which had been raised several years ago for aid to "mountain schools." This contribution is to be used by the University for scholarships and student loans, to aid students who might not otherwise be able to continue their education. The thoroughly American character of Lincoln Memorial University, its freedom from taint of subversive teachings, and the fact that it serves a particularly under-privileged class of young Americans, influenced its selection as beneficiary of this gift. Under the leadership of President Stewart W. McClelland, a compatriot of this Society, we know that Lincoln Memorial is rendering a service which deserves support. It was

selected as the result of careful consideration and report by a special committee, headed by Past President General Millsbaugh.

The possibility of giving further aid of this kind to the education of worthy but needy young people deserves our attention. The work being done by the Daughters of the American Revolution in this direction is well known, and its results merit high praise. I invite State Societies and Chapters to consider adopting, as one of their projects, the procuring of contributions to a further fund for this purpose. I shall be glad to hear from any who are interested.

Among the most important efforts of our government to promote our national security is the movement to bring about friendly solidarity among the republics of the American hemisphere. Everything possible should be done to break down the prejudice against the United States which has long been harbored by the peoples of the Latin-American nations. The Division of Cultural Relations of our Department of State has brought to the attention of this Society an opportunity of assistance to this movement.

There are, in some of the countries of South and Central America, and even in Mexico, communities in which public schools have been named in honor of the United States of America, or of certain of our great statesmen or distinguished citizens. This manifests a friendliness toward our country, in those localities, which should be fostered. The Division of Cultural Relations invites the Sons of the American Revolution to provide portraits of great Americans, appropriate pictures of American scenes, and, in exceptional cases where the gift would not be misunderstood, even American flags, for presentation to these schools. Your President General has been furnished a list of such schools, with suggestions as to acceptable gifts in each case.

This is a really worth while project, and I strongly recommend it to all our State Societies and Chapters. Those desiring to make gifts should make known their wish to me, indicating, if desired, what sort of gift will be offered; or money for purchase of the most appropriate articles will be very acceptable.

Offers will be accepted in the order received, and presentations will be allocated and arranged, as advised by the Department of State, where the most good is likely to be accomplished.

I often receive complaints that our Society does not offer its members "something definite to do." Above, I have offered two opportunities of real concrete service, available equally to individual compatriots, to Chapters, or to State Societies. These are in addition to the regular program of patriotic activities constantly carried on by the Society. Compatriots, if you mean what you say, as to wanting "something to do," here is your opportunity. You can help your country by proving to needy young Americans of talent that their fellow-Americans care about them, or by promoting friendly feeling toward the United States among the youth of neighbor republics.

LOREN E. SOUERS,
President General.

Come to Columbus Next May!

Plans for the entertainment of the 52nd Annual Congress of the National Society to be held at Columbus, Ohio, May 17-22, 1941, were well started and tentatively decided at an important meeting of the members of the National Committee on Arrangements, the officers of the Benjamin Franklin Chapter of Columbus, and several National officers, including Vice President General Robert P. Boggis of Cleveland, Secretary-Registrar General Frank B. Steele and Treasurer General George S. Robertson, the last two having been invited to meet with the joint committee to discuss details.

Chairman Erdis G. Robinson presided and others present beside the above named national officers, President William C. Graham and Secretary William H. Alexander of the Benjamin Franklin Chapter, State Treasurer Arthur L. Moler of Cincinnati, State Secretary William M. Pettit of Dayton, former State President Victor L. Tyree of Cincinnati. The session opened in the morning and continued through luncheon and well into the afternoon, and the tentative plans evolved are substantially as follows:

On Sunday afternoon will be held the usual Church Service at the Episcopal Church located a short distance from the Deshler-Wallick Hotel which will be the Headquarters of the Congress. Some special features are being planned for this service.

Sunday evening a friendly get-together gathering will be held in the hotel, the special features of which will be decided later.

The regular sessions of the Congress will begin as usual on Monday morning, May 19th, in the ball room of the hotel, with Greetings from prominent officials, among whom will be Governor John W. Bricker of Ohio, who is a compatriot of our Society.

A luncheon for delegates will be held on Monday between morning and afternoon sessions. The plans for entertainment of the ladies on Monday are still in abeyance, but will measure up to past standards.

On Monday evening the customary Reception of the President General will be held at the hotel with special musical features, a grand march, and dancing.

Congress sessions will be resumed Tuesday and continue throughout the day, with special entertainment features for the ladies which are still too tentative to announce.

The annual banquet on Tuesday evening promises to be quite outstanding with speakers of national reputation, and a program of music.

Wednesday morning, business sessions will be resumed and will continue until the conclusion of the business of the Congress, and following adjournment a general sight-seeing trip is being arranged to take the delegates and guests to the outstanding attractions of Columbus and its environs, including the beautiful campus of the Ohio State University.

As usual, the customary meetings of the National Executive Committee and the Board of Trustees will be held preceding and following the regular sessions of the Congress.

Benjamin Franklin Chapter of Columbus, the host with the Ohio Society to this 52nd Congress will bend every effort to make the stay of the delegates and their friends in Columbus a happy one, and as this is the central City of the great State of Ohio, and the home State of our President General Loren E. Souers, a large and enthusiastic attendance is expected.

Officers of the several State Societies and Chapters, and prospective delegates to the Congress are urged to make their reservations at the Deshler-Wallick Hotel at an early date. The hotel is located in the very heart of the City and is generally recognized as one of "America's Most Beautifully Equipped." No lack of facilities for every comfort of the guests and every possible convenience for our Congress meetings, both regular sessions and for committee meetings will be found. The Ball Room is a replica of the famous Versailles "Hall of Mirrors." Many special features are included in the hotel's several dining rooms, one of which, the "Spanish Room," serves food prepared and served exclusively by women.

The geographic location of Columbus is such that three-fourths of the country's population may reach it in less than an overnight trip. Situated at the junction of the two river valleys of the Scioto and Olentangy Columbus enjoys a uniformly high standard of living and is a City whose hospitality enjoys a wide reputation and which holds a top rank among the convention cities of America.

To those Compatriots who have never visited Ohio the Committee extends assurances there will be no lack of welcome, no lack of beautiful scenery and no lack of places of natural beauty

and historic interest to visit, among them the stately memorials to Ohio's eight sons who have become Presidents of the United States, justly entitling her to the claim, "Mother of Presidents!"

General Chairman Erdis G. Robinson, on behalf of the several local committees of earn-

est, anxious Compatriots now hard at work to perfect every detail of plans for the 52nd Congress, enthusiastically supported by a great Chamber of Commerce, invites the Compatriots to come and make this gathering one long to be remembered and worthy of our President General, Loren E. Souers, Ohio's Son.

Notes and Comments

An interesting ceremony, which was a feature of the National Congress at Washington last May, was inadvertently omitted in the Digest of Proceedings, namely, the decorating of President General Kendall with the Good Citizenship Medal of the American Legion by President Morse of Syracuse Chapter, and it is referred to at this time to correct the omission, and as a matter of interest to our compatriots generally.

The presentation took place at the last session of the 51st Congress, and seemed most appropriate in view of Mr. Kendall's outstanding contributions furthering American citizenship. Mr. Morse, during his activities in behalf of the S. A. R., has paid public honor to several adult citizens of Syracuse by presentation of S. A. R. Good Citizenship medals in token of outstanding civic service.

Transfers have been very much in vogue recently, and because the necessary process seems to be vague in the minds of some of our state or chapter officers, we are venturing to call attention to some of the important points to observe:

1. A member MUST be in good standing in the state society from which he wishes to demit before a transfer can be issued. State Secretaries should not request a transfer for delinquent members. If members have been dropped from the National Society rolls and reinstate themselves in their state society for the purpose of transfer, their per capita for the current year is due the National Society also before transfer can be completed. This applies to all reinstatements whether for transfer purposes or not. (See By Laws, Art. II, sec. 4 & 9; Art. XIX, sec. 5.)

2. Transfer blanks are provided and should be forwarded from the Secretary of the demitting society, properly signed, to the Secretary-Registrar General who will secure the consent

of the receiving society and complete the process, assigning the necessary state number in the new society.

3. If the receiving society requires a copy of the application of the compatriot demitting, this may be furnished gratis by the demitting society, or by payment of \$1.00 for clerical service, a copy will be provided by the National office. (Such fee should properly be paid by the compatriot demitting.) There is no charge for a demit, only for clerical service if and when a copy is requested.

Much correspondence and consequent delay will be avoided if the above provisions are complied with.

State and Chapter officers are requested to note and comply with the following By-Law of the National Society regarding reinstatements: Extract from By-Laws.

"Art. XIX sec. 5.

"When any member whose membership has terminated for any cause shall be reinstated by his State Society, such State Society shall immediately report such reinstatement to the National Society and shall at the same time pay to the National Society a fee of one dollar (\$1.00) for such reinstatement."

(The word "fee" in the above is a little misleading as it is really the per capita due the National Society.)

The opportunity for enrolling your sons under 25 years of age for the nominal cost of \$1.00 in lieu of the regular \$5.00 initiation fee to the National Society will expire next March 31st unless this temporary provision of our National By-laws is extended by the next annual Congress of the Society. Compatriots and State officers please take note!

Our Congratulations go to our last surviving REAL SON, Mr. William Constant Wheeler of South Woodbury, Vermont, who passed his 93rd birthday on December 4th.

We have more than once published accounts of Mr. Wheeler in these columns, and are happy to learn that he is in fairly normal health.

The two last surviving Real Daughters of the American Revolution sent Christmas Greetings to Mr. Wheeler.

An excellent little booklet, "The Star Spangled Banner, Its Destiny," was printed some years ago by the Maryland Society, and has been widely distributed in the schools of that State, to graduates who have memorized the National Anthem.

It is thought that some of our state societies and chapters might be interested in giving these to graduates of their own schools in the same way. The Maryland Society is prepared to furnish these at a nominal price and inquiry may be made to Mr. Herbert C. Fooks, 823 Munsey Bldg., Baltimore.

It will gratify many compatriots to note from the Executive Committee report on another page that our dormant Mountain School Fund has finally been brought to life and that it has been voted to establish two S. A. R. scholarships of \$100 each, and a revolving Student Loan Fund of \$300 both at Lincoln Memorial University, Harrogate, Tennessee. In his acknowledgment of these gifts, Com-patriot and President of the University, Stewart W. McClelland enclosed the following copy of a letter:

THE AMERICAN LEGION OF KENTUCKY
HARLAN POST No. 54
Harlan, Ky.

Dr. Stewart W. McClelland, Pres.,
Lincoln Memorial University,
Harrogate, Tenn. Nov. 9, 1940
Dear Sir:—

The undersigned was appointed on a committee by Harlan Post No. 24 of the American Legion, in the year of 1934, to investigate "Un-American Activities" in the schools and universities of this section.

Pursuant to the duties imposed, the committee visited the various schools and universities, which included Lincoln Memorial University.

This is to advise that a careful and thorough investigation was made of the faculty and student body, and no tendencies whatever indicating "Un-American Activities" were in existence in the Lincoln Memorial University. However, we discovered tendencies to the contrary.

Respectfully submitted,
Committee on Un-American Activities.
By (Signed) T. Guy Fortney, Chairman

Harlan Post No. 54
By (Signed) Gus S. Bruner, Adjutant.

We are indebted to former President General Frederick W. Millspaugh for this interesting and most gratifying information.

Now is the time for all good Secretaries and Registrars to gird themselves for the final drive for members as we turn the corner into the New Year and the end of our S. A. R. fiscal year approaches!

A word of advice and caution from the National Officers may not come amiss.

New applicants accepted from now on to the end of the fiscal year, March 31st, should be required to pay, in addition to the regular initiation fees for National and State societies, annual dues for the State Society in sufficient amount to carry them through the new fiscal year from April 1st to the following March 31st, or at least sufficient to pay the National per capita, so that they do not immediately have to be dropped from the National Society mailing list on April 1st for want of their advance per capita dues. This is an oversight on the part of a number of state society officers which causes confusion and injustice to these new members. It will be easier to collect the necessary amount when the member is received than to "dun" him again so soon after he has become a member.

It has frequently happened that new members registered as late as the last week in March and which are credited to their state societies, as of the year ending March 31st, were not required to pay the state dues for the ensuing year, and thus must be dropped from the National Society list as their per capita for the fiscal year beginning April 1st was not forwarded from their states through no fault of their own.

The National Society has no choice in this, and must drop all names not paid for by the state societies, and much injustice would be avoided and incidentally much correspondence and manipulation of stencils in the national office, if State officers would be careful about this and adopt a policy to prevent such unfortunate situations.

Remember, dues to the National Society are paid *in advance* "for all members—whose names have not—been removed from the membership roster of such State Society." A word to the wise!

The same situation pertains with regard to reinstatements and the per capita dues forwarded for these to the National Society. Any reinstatement occurring during this current fiscal year restores the member only until next April 1st, 1941, and his regular per capita for the ensuing year must be paid again for the ensuing fiscal year, 1941-42.

Barring Communists from The Ballot

A Victory for the California Society

When Governor Olson attached his signature to the bill passed by the California Legislature barring the Communist Party a place on the ballot, he brought to a successful conclusion a campaign begun by the California Society S.A.R. in 1938.

At the annual meeting of the California Society held in San Francisco on April 22, 1938, the Resolutions Committee (Major Leon French, Harry Marshall and Harold Putnam) introduced the following resolution. (*Copy of resolution is below*). The resolution was unanimously adopted and in accordance with the instructions contained therein, copies were sent to the Governor, Attorney General and Secretary of State of the State of California.

It was recognized by the sponsors of the resolution, that the officers of the State of California were powerless to take the action requested in the resolution. However, it was believed that by bringing it to the attention of the public that additional support would be forthcoming from other patriotic societies. The reaction was all that could be desired. The Governor released his reply to the press services and the newspapers throughout the state featured it with generous space.

The next step in the campaign was the organization of a Patriotic Conference by the members of the S.A.R. in cooperation with the American Legion, the D.A.R., American Legion Auxiliary and other patriotic organizations. A number of conferences were held and it was decided to arrange for the introduction of a bill in the State Legislature designed to accomplish the purpose. The Judge Advocate of the American Legion, with the support of other prominent leaders of the Legion and the S.A.R., prepared a bill which was endorsed by the annual meeting of the American Legion, Department of California. The bill was introduced during the special session of the Legislature and was passed with but three dissenting votes. A member of the S.A.R., Robert Miller Green, who is also a member of the Legislature, was active in supporting the measure.

The Governor of the State of California withheld any announcement of his intentions to sign the bill. The radical elements in the state immediately flooded his office with protests. At this point the California S.A.R. really

went to work. Every member sent a telegram, a letter or a post card urging the governor to sign the bill. A number of our members arranged to speak before other organizations to urge their support. The success of our efforts produced an avalanche of messages urging the Governor to sign the bill.

The pressure exerted on the Governor was so great that despite his well known tolerant attitude towards radical movements in the state, he felt compelled to explain his position in a state-wide radio broadcast. In a learned and exhaustive explanation of the measure he announced that he was then signing the measure.

The California Society is proud of their part in the fight. However, we are well aware that the fight is not over. The Communists have announced that they plan to launch a campaign to repeal the law. There is every reason to believe that having once achieved the advantage of denying the Communists the right to a place on the ballot, we can and will retain that advantage. We are fully aware of the truth of the statement that "Eternal vigilance is the price of Liberty."

RESOLUTION ADOPTED BY THE CALIFORNIA SOCIETY
APRIL 22, 1938

"Whereas, the Constitution of the United States of America guarantees the right of free speech and the right of free assembly, and

"Whereas, an international subversive organization designated as the Comintern has organized a pseudo-political party under the name of the 'Communist Party of America,' and

"Whereas, the avowed objectives of the said Communist Party of America are to overthrow the constitutional government of the United States of America and to substitute therefor a Communist Dictatorship, and

"Whereas, the ideals and objectives of the Communist Party are incompatible with the ideals of American democracy, and

"Whereas, the leaders of the Communist Party, Earl Browder and E. Z. Foster, are acknowledged members of the world revolutionary organization known as the Comintern, and

"Whereas, in the guise of a political party the Communist Party is carrying on a campaign of subversive activities and at the same time claiming the right to free assembly and free speech under the guarantee of the same Constitution they seek to destroy.

"Now, Therefore, Be It Resolved, that the California Society of the Sons of the American Revolution, in annual meeting assembled, does hereby demand that the Communist Party, so long as it is affiliated with Comintern or any other foreign political power, be denied the right to a place on the ballot in any election in the State of California, and

"Be It Further Resolved, that a copy of this resolution be forwarded to the Honorable Frank Merriam, Governor of the State of California, and a like copy to Honorable U. S. Webb, Attorney General of the State of California, and the Secretary of State, Frank C. Jordan."

HAROLD PUTNAM,
National Trustee, California.

ARTICLE II. A well-regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.

ARTICLE III. No soldier shall, in time of peace, be quartered in any house without the consent of the owner, nor in time of war but in a manner to be prescribed by law.

ARTICLE IV. The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ARTICLE V. No person shall be held to answer for a capital or other infamous crime unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the militia, when in actual service, in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use without just compensation.

ARTICLE VI. In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which districts shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense.

ARTICLE VII. In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury shall be otherwise re-examined in any court of the United States than according to the rules of the common law.

ARTICLE VIII. Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

ARTICLE IX. The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people.

ARTICLE X. The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

The Bill of Rights, comprising the first ten amendments to the Constitution of the United States, originates in the Magna Charta, or Great Charter of Liberties, secured from King John of England by the confederated barons in 1215. Adopted for purposes of government by the American people, from a similar declaration presented by the English Parliament to the Prince and Princess of Orange in 1688, and later enacted by these rulers, it today forms the basis of our democratic system of government. It is interesting to note that a number of states refused to ratify the Constitution unless this document contained the Bill of Rights. In it the fundamental principles of "life, liberty and pursuit of happiness" find noble expression and lasting security for all.

Committee on Organization

Theodore Roosevelt once said, "The only dependable fortune teller is the life insurance salesman. He tells you what is going to happen—and it does! This may not be a pleasant thought but its certainly true."

The nations of the old-world are grappling in death struggles. As life insurance offers security from economic ills, American Democracy offers liberty, security, and happiness, as nearly free from human guesswork and worry over responsibilities, as any plan the mind of man has yet devised. You don't have to guess what the plan is and that it is primarily the obligation of Sons of the American Revolution. Our membership brings vital responsibilities for one's self as well as security to the heritage left us by our forebears.

We must be careful not to make this article too long and yet your committee must say enough to make clear the wonderful opportunity for our membership to really accomplish something worthwhile for our Society in a big way IF only we enter into the spirit of the founders of our great patriotic organization. This can be done if proper plans are carefully worked out by state and national officers, and the matter placed before the membership through special key-members with the "Green, Go Ahead Light!"

We should give encouragement to the efforts to establish local chapters, in all our state societies, with a view to increasing membership and influence. In the great states like New York, New Jersey, Ohio, Pennsylvania, Lone Star State of Texas, and others, much interest is shown in organizing chapters.

A member of your Committee on Organization has called the attention of the National Society to the millions being spent in military areas for National Defense, especially in Army and Navy Aviation Program and Training; we know that thousands of our finest young men and officers are located in these camps. Undoubtedly we shall have many of our S. A. R. members in these camps and this will be a splendid opportunity for chapters to extend the proper social courtesies to our compatriots

and at the same time it offers an opportunity to increase membership and engage in many worthwhile activities to justify chapter existence.

In a recent letter to Dr. Valin R. Woodward, an active member of our Committee on Organization, your Chairman wrote: "Since you are so prominently identified with the Texas and National Societies, and a valued member of the committee of which I am Chairman, I am wondering if you could not make a trip to one or more of the local chapters in the vicinity of the Army and Navy Training Centers, in the interest of our Committee and explain our ambitions as a patriotic organization to assist the community in our National Defense, etc., which will certainly give a wide and valuable publicity to Texas, which could not be bought with money as we all know." Through our National Society Sons of the American Revolution Magazine, this suggestion might well become a part of the program of every state society, for we well know that much comment and criticism has been caused by State and National officers' apparent indifference to local participation in National Defense activities.

Many College and University authorities as well as a great number of Compatriots seem to feel that we have something constructive to offer, in the interest of permanency and stability in the College Campus Chapter. To this end last June a circular letter was sent to each state president outlining the College Chapter Program, with a view to developing faculty and student interest. Your Chairman is quite hopeful that out of meetings between State Society and University Officials will grow renewed interest and activity in the National Society College Chapter Program, the immediate purpose of which is that students aware, or becoming aware, of the challenge to our democratic form of government will meet the challenge, and with the patriotic background of the S. A. R., will seriously undertake the protection and preservation among students of the ideals of true Americanism.

JAMES D. WATSON,
Chairman.

Suggestions for Formation of College Chapters

There is nothing unusual about inaugurating a College Chapter. The important problem is to obtain some member who will be interested to cooperate with the state Committee on Organization, and especially some members to assist in the details of preparation of applications and submission in proper form. One state is known to have solved this problem by division of state fee with a young member of our "Sister" organization, who has really rendered valuable service by going out and getting eligible prospects.

Your Chairman of Organization in collaboration with the Secretary of The Citadel Chapter, Charleston, S. C., enumerates herein some of the steps to be taken to insure success of the program for initiating and building up an **S. A. R. College Campus Chapter.**

The first step is to locate existing members and thus form a nucleus for a chapter—secure from state or National Society suspended and dropped prospects who may be interested through local pride. Place announcements in the newspapers of plans to form a local chapter (this procedure may be applied to any local chapters), and this publicity involves announcing meetings of prospective members, listing charter members (dividing into original Charter members and Charter members with applications pending), announcement of application for Charter, announcement of the principles and objective of the chapter, announcement of local aims, etc.

Many individuals are induced to become members in order to become Charter Members; this should be limited either by specifying a certain number of members or limiting the period the Chapter will be held open for new members.

While this activity is going on, personal calls should be made on all organizations that might furnish names of prospects, such as D. A. R. etc.; and send personal invitations to prospects thus obtained. Compile a list of old-line and prominent families and send personal invitations to join the chapter to male representatives. Circularize faculty to find eligible prospects. Post notice on College Bulletin Board, calling for registration of students whose

parents are descendants of Revolutionary Soldiers:

Name of Student	Local Address	Name of Parent(s)	Native State
-----------------	---------------	-------------------	--------------

As soon as meetings begin, the objective should be to secure good speakers and to *publicize the meetings* and talk as fully as possible inviting eligible prospects—social entertainments, such as dances and banquets are a help.

Arrange for short speeches before Service Clubs on the aims of the chapter and its importance to the nation, state and community, especially as a deterrent to subversive activity among the student body.

When once a member is secured, each member should become a membership committee. Have each member turn in any eligible prospects and solicit them personally or by letter—even to follow-up letters in many cases. Keep the work of the chapter before the public by appointment of members to committees and publicizing their work.

Arrange for celebration of important anniversary events—by taking the lead when practicable, joint observance with other patriotic societies and radio and newspaper work—keep the charter alive!

The National Society has authorized a reimbursement of an amount up to \$3.00, for organization expenses for each faculty and student member of a College Chapter, formed on *the Campus* under the supervision of the college authorities for each faculty and student member of the college authorities. This amount has the effect of reducing the student's initiation fee to \$2.00. Instructions have been issued by the Secretary General on the proper method of remitting the national fee of faculty and student applicants! All that is needed now is for the state officers to bend some effort towards inaugurating and building up College Chapters, or any chapter for that matter, in their community.

From personal experience, we all can say that the whole thing means incessant work and thought on how to get members and keep them; a demonstration of chapter activity and usefulness will overcome some of the handicap; a chapter if it is at all alive is not a **one-man-show.**—J. D. W.

The S. A. R. Library

The "Boost the National S. A. R. Library," Campaign which was announced on page 119 of the October issue of the magazine has brought many contributions to the library, as evidenced by the following list of donors. The National Library Development Committee worked hard to make the campaign a success, sending out over 700 letters to all the National, State and Chapter officers, the National trustees, members of the various committees of the National Society and other outstanding compatriots of the Society. To date there has been but a five percent return from these letters which were mailed early in November. It is hoped that by the time of the April issue of the magazine, a much larger number of the recipients of these letters will respond with their donations so that as leaders in the Society they may guide other compatriots to do likewise.

It is suggested that each and every compatriot examine the volumes in his personal library and select from them those which he can spare and which would be appropriate for the S. A. R. Library. He should then promptly send them to the Headquarters Building in Washington. This plea for books is emphasized at this time so that everyone will be given an

opportunity to be included in the list of donors in the next issue, at which time the campaign will be brought to a close. If compatriots are in doubt as to what is an appropriate contribution, they are again referred to page 119 of the October, 1940, issue of the magazine. It is hoped that the final list of donors to be submitted to the S. A. R. Congress at Columbus, Ohio, this year will be a virtual roll-call of the Society's membership.

It is to be especially noted that in addition to the works mentioned in the list of donations, there were a number of cash contributions. The Pittsburgh Chapter of the Pennsylvania Society of the S. A. R. led the way with a \$25.00 donation which will be used for the purchase of much needed volumes, such as the D. A. R. Lineage Books. Compatriot Peter O. Knight gave \$5.00 to the Library campaign and a similar amount was received from Compatriot Philip H. Alston. Compatriots wishing to make cash donations in preference to selecting a volume as a gift to the library should send their remittances directly to the Treasurer General, and at the same time advise the Librarian General of the contribution.

DR. LOUIS CHARLES SMITH,
Librarian General.

Brief Book Reviews:

(Copies of these recently published books have been donated to the S. A. R. Library by the authors or publishers as indicated in this issue's list of donations to the library.)

"The Battle of Cooch's Bridge" by Edward Webb Cooch, published by the author, 600 Equitable Building, Wilmington, Delaware. (\$2.25.)

The story of the Battle of Cooch's Bridge, Delaware, is of interest and importance from both State and National points of view, although nothing more than "pretty smart skirmishing" took place. A mere prelude to the Battle of the Brandywine, in the Campaign against Philadelphia, it remains, however, the only engagement of the American Revolution fought on Delaware soil. Its claim to an important place in American history rests on the assertion that the Flag of the United States, the Stars and Stripes, was first exposed to the fire of enemy troops during the engagement there on September 3, 1777. The book contains an account of both the American and British troop movements before, during, and after the engagement, from the British landing at Oldfield's Point, Maryland, until their departure into Pennsylvania. The many traditions regarding the Battle have been recorded and given their place apart from the historical account. Finally, for genealogists, there is included the first publication of the list of the one hundred and twenty-nine

signers of the Oath of Fidelity for Pencader Hundred, Delaware.

"Torchbearer of the Revolution," by Thomas Jefferson Wertenbaker published by Princeton University Press, Princeton, New Jersey. (\$2.50.)

It was in 1676 that the opening shot of the American Revolution was fired. Almost one hundred years to the day before the Declaration of Independence the tax-ridden farmers of Virginia rose in open revolt under Nathaniel Bacon, the rebel aristocrat, and drove out from his burning capital the once generous, now harsh and embittered Governor Berkeley. Those were stirring days of passion and liberty, when Indian massacres and oppressive taxation drove men beyond themselves. The whole course of American government, even of world history, might have been different had not a deadly fever struck down the hero of the revolt, and it was another hundred years before the farmers once more dared to rise in protest. The story of that "false dawn" of freedom is one of America's most exciting and poignant stories and one of the least known. But Mr. Wertenbaker now gives it full measure of appreciation in a story which for colorful episodes and sheer drama is the peer of the better historical novels.

The following books are published by the Columbia University Press, New York City, at the price indicated:

"French Pioneers in the West Indies, 1624-1664" by Nellis M. Crouse. (\$3.50.)

While much has been written of the colonization by the English of the Caribbee Islands during the seventeenth century, little or nothing has been written on the French experience. Mr. Crouse has filled a real gap in historical literature and in the doing has produced a book, interest in and enjoyment of which will by no means be confined to scholars and students. This is essentially the story of wars against the native possessors of the soil, but it is interspersed with accounts of pirates and privateering. Historians will appreciate and utilize this much needed work and with many others will enjoy Crouse's splendid account of the days when buccaneers used these harbors as ports of call where they might refit their ships and spend ill-gotten gains.

"Agrarian Conflicts in Colonial New York, 1711-1775" by Irving Mark. (\$3.00.)

This study adds new knowledge to the real causes of the social struggles of the Colonial period. Heretofore it has not been possible to say more than that they represented cleavages of rich and poor, of upper and lower classes, of conservative and radical, of landlord and tenant. The complexities of these struggles are now shown to give deeper and more significant explanation of the conflicts. These have their roots, as would be expected, in the interrelationships of economic, social, legal, and political factors. This study takes for its field the differences of landlord and small farmer in those portions of the Hudson valley which were the centers of agrarian discontent shortly before and during the Revolution. Dr. Mark has probed deep for the causes, course, and conclusion of those conflicts of yeomen, landlords,

and speculators which made the eve of the Revolution such a turbulent period. His findings have new and rich meaning for American historians.

"Annals of the New York Stage," Volume XII, 1882-1885, by George C. D. Odell. (\$8.75.)

This twelfth volume of Professor Odell's famous *Annals of the New York Stage* is even more interesting than the previous ones. It covers the golden era of the New York theatre which embraces the advent of Henry Irving and Ellen Terry, the rise to acclaim of Daly's Theatre, the beginning of the Metropolitan Opera House, and the undisputed supremacy in song of Adelina Patti. But more important to Professor Odell is the fact that his slow but steady literary journey has now, in its twelfth volume, reached the goal toward which, for more than twenty years, he has been striving, the period of his undergraduate life at Columbia College and those years which he calls "blessed," during which he pursued his eager way through the theatres of New York and received what he claims was the best part of his education.

"A Columbia College Student in the Eighteenth Century," Essays by Daniel D. Tompkins, edited by Ray W. Irwin and Edna L. Jacobsen. (\$1.00.)

The extreme didacticism preserved in these essays would be amusing to the modern undergraduate. Young men at the end of the eighteenth century, though, were serious, and in subscribing to the rhetorical patterns so beautifully exemplified here they were but responding to the best academic standards. The essays have a further value in that they reflect the political, moral, and religious temper of that place and period.

S. A. R. Grandfathers, Attention!

As Chairman of the Grandfather's Committee of the National Society Children of the American Revolution, I am again appealing to all those members who have grandchildren, boys or girls, to see that they are enrolled in the C. A. R. as soon as possible. You can do this praiseworthy act when the baby is a day old and there is not a grandfather living that is not proud of his first, second, third, or even tenth grandchild!

So far this year the appeal to grandfathers has been most gratifying, and it is felt that when the fiscal year is up the 1st of April 1941,

we will have a fine Honor List. It is planned to print this list in the April S. A. R. Magazine and we wish to make it a long one. Every child enrolled now is a potential member of the S. A. R. and D. A. R.

One more matter. It is earnestly desired to have Chairmen of the Grandfathers Committee in every state and we are asking for volunteers for this pleasant service. Please write me that you will help in this far-reaching effort.

Yours for future building,

FRANK B. STEELE, *Chairman.*

Dr. Louis Charles Smith, Librarian General, made a report of the work of his committee, especially in regard to his "Boost the National S. A. R. Library" campaign. It was the sense of the Committee that lack of funds made it impossible to take up the matter of the restoration of the Fenner House at Pluckemin, New Jersey.

It was the sense of the Committee that no action should be taken in the matter of the resolution of the California Society in regard to the proposal for the admission of the Territory of Hawaii to Statehood, because there is no legislation pending in Congress at this time and if action were taken it should be at such a time.

There being no further business, the Committee adjourned at five p. m.

Respectfully submitted,

FRANK B. STEELE,
Secretary General.

Keep Your Members

You have read the Message of our President General and realize the great necessity of a much greater growth in our membership. As the President General points out we are advancing, but the growth should be much greater.

There is another matter that all officers and members of our State Societies should heed, and that is the necessity of

KEEPING THE MEMBERS WE NOW HAVE!

For the past three years we have had encouraging increase in new members, but the losses by death—which we cannot help—by resignation, and dropped, have been much too

large. This can be cut down materially by the officers and others interested in our Society with a little effort, and if during the next three months a systematic effort is made to hold present members and collect the dues, the fiscal year will show excellent increase.

A new member to offset each loss by death should be the *minimum* goal; a *personal* appeal to those who offer resignations and are delinquent, instead of a letter, will often serve to hold your present members. PLEASE TRY THIS AND DO YOUR PART!

FRANK B. STEELE,
Registrar General.

The attractive Historical Calendar is again available and as popular as ever. Send 30 cents in coin to National Headquarters.

Alabama Society

MOORESVILLE CHAPTER—This former Chapter of the Alabama Society has recently been re-organized and revived, and is again functioning actively under the following officers: President, Henry W. Hill; Vice President, John H. Peebles, Jr.; Secretary-Treasurer, Nathan W. Bradley; Historian and Genealogist, Henry B. Zeitler.

President Hill reports an interested and enthusiastic membership holding meetings each month, and it is most gratifying to find this renewed interest in our work in the far South.

California Society

ALAMEDA COUNTY CHAPTER held a meeting at Whitecotton Hotel, Berkeley, on September 30, which was well attended. President Aaron Sargent and Past President Harold Putnam were guests of honor. Mr. Sam Hume of Berkeley made an able address entitled "Liberty and Justice for All." On November 29, a meeting was held, with a speaker from the U. S. Secret Service. An interesting and instructive motion picture was given on the printing of money by the U. S. Treasury, followed by one showing methods and practices of counterfeiting.

SAN DIEGO CHAPTER—Compatriot Richmond Jackson, Secretary of the Chapter, has been called into active service in the Navy, and the President is doing double duty in consequence.

The Chapter accepted the invitation of Coronado de Linares Chapter, D. A. R., to join in a Constitution Day dinner, and so omitted its usual dinner. The address of the evening was delivered by Captain Jesse B. Gay, U. S. N., Retired, the Past President of SAN DIEGO CHAPTER, who spoke on "Voluntary Service and Conscription in the War of the Revolution." He pointed out that the great personnel and material losses of that war were due to short-term enlistments, and the final need of universal service.

At the October meeting Captain J. D. Manchester, Medical Corps, U. S. N., Retired, gave an interesting account of his observations and experiences on a trip through the principal countries of South America.

The judges and clerks of Election Precinct 98 of San Diego were honored by receiving custody of the National Ensign awarded by SAN DIEGO CHAPTER to the Precinct at which the preceding election cast the highest percentage of registered voters. This award has been made for three years.

The November meeting was addressed by Dr. A. P. Nasatir, Professor of History in the State College, his subject being "Our Present Relations With Latin America." Professor Nasatir is Consul of a South American country, and has made a special study of Latin American History and affairs.

SAN FRANCISCO CHAPTER—The August meeting was given over to an address by Mr. E. H. Grooms, who spoke on conditions in China since the beginning of the war.

The Chapter sent a resolution to Governor Olson, urging that he sign the anti-Communist bill that had been passed by the legislature, and the Chapter resolution was supported by a petition signed by the membership.

At the October meeting, Compatriot Frank B. Schoate, formerly of Omaha, Nebraska, discussed his recent trip to China and Japan.

SAN JOSE CHAPTER—On November 14th, the Chapter gave an invitational dinner to a number of those eligible to membership, who had previously been visited and invited by President Weddell. State President Aaron M. Sargent and National Trustee Harold L. Putnam were special guests, and gave appropriate talks.

Delaware Society

This Society joined with the Wilmington Rotary Club in the celebration of Constitution Day on September 19th, at the Hotel Dupont, with approximately 200 present. The meeting was presided over by Ivan Culbertson, Esq., a member of the Rotary Club and of the Delaware Society. Addresses by the Hon. Richard C. McMullen, Governor of the State of Delaware, also a member of the Society, and Henry R. Isaacs, Esq., a member of the Delaware Bar, were enjoyed.

President Joseph M. Pyle and Secretary Charles E. Mendenhall of the Delaware Society attended the annual meeting and dinner of the Philadelphia Chapter on December 2nd.

District of Columbia Society

The highlight of the monthly meeting of the District of Columbia Society of the Sons of the American Revolution at the Mayflower Hotel Sapphire Room on the evening of November 20th, was an address by Col. William H. Draper of the Selective Service Administration, who as he explained was substituting for Brigadier General Louis B. Hershey, who was called out of the city on business.

Col. Draper presented a picture of what the Selective Service was trying to accomplish. He outlined the history of the growth of the idea of the Military Training Camp Association as sponsor of the legislation in Congress which came as a result of the invasion of Holland and Belgium. The weeks of debate in Congress upon the bill which had been drafted by a joint military and naval committee of the Military Training Camp Association was historical and served to educate the country to the realization that America must arm on land, on sea and in the air.

On October 16th one million persons who had volunteered as registrars conducted the signing of sixteen million draftees. The thirty thousand board members have in the last few weeks been busy classifying and selecting and a few days ago the first men went to camp. Within sixty days the entire system was organized, put into operation and actually functioned, so that by the end of next June, including the regular army, national guard and reserve officers, approximately one and one-half million trained men will be ready to bear arms.

The speaker went on to describe how the men were received at induction stations where they were given a physical examination and later were sent to the reception centers where they were classified according to skills and qualifications. He pointed out that the experiences of the World War have been of value as a guide and that in view of the present international situation peacetime preparedness is an absolute necessity.

The program included the induction into membership of Albert Lynn McDowell, Charles Clifton Peters, Jr., and Paul Gaylord Taylor. Music was furnished by Mr. Robert L. Gasser, trumpet soloist, accompanied by Mr. Everett Leonard at the piano.

Dr. Louis Charles Smith, Librarian General of the National Society, made an appeal for books to be added to both the D. C. and the National Headquarters library, stating that more than 700 accessions had already been received.

Georgia Society

On September 7th, State President Dr. Asa G. DeLoach attended the State Convention of the C. A. R. at Columbus, Georgia, and was called on for several short talks. This meeting was a great success and the society considers that the C. A. R. organization is doing wonderful work in developing the proper mental attitude of its members toward the problems of states and the nation.

On Constitution Day, through the courtesy of WAGA the Georgia Society put on a splendid radio program. The State President was asked by the radio announcer:

1. To give an account of the origin of Constitution Day.
2. The history of the development of Constitution Day.
3. The object and purposes of the Society of the S. A. R.

At the close of his remarks, President DeLoach asked Compatriot Hon. Charles J. Haden to give an analysis of the Constitution of the United States, and introduced Mr. Haden to the radio audience.

On the same day through the activities of President John D. Humphries of the ATLANTA CHAPTER and Compatriot A. M. Roan, four excellent addresses were delivered in four different High Schools in Atlanta on the Constitution and Constitution Day.

Under the guidance of Compatriots Hugh C. Head and A. M. Roan, splendid progress is being made in collecting money, books and family histories for the National Library in connection with the National Library committee.

A meeting of social and fraternal activity marked the nineteenth Annual Conference of the Georgia State Society Sons of the American Revolution. The meeting was held at The Georgian Terrace Hotel, Atlanta, November 9th, at the invitation of the ATLANTA CHAPTER, President, Dr. Asa G. DeLoach, presided at the sessions. Compatriot Robert R. Haden, Dr. Ben Holtzendorf, Dr. Herbert Alden, and David D. Long, Sr., all of Atlanta; National Trustee, David J. D. Myers, Washington, D. C.

The conference was very successful and highlighted by the presentation of the Charter to the EDWARD JACKSON CHAPTER of La Fayette, Ga., all

of the members descendants of and having been accepted upon the service of the Revolutionary Soldier Edward Jackson. The conference was closed with an old fashion chicken dinner, Southern Style, given in the ball room of the Georgian Terrace Hotel. Other events included a tea given at the home of Compatriot Reuben Garland, by Mrs. Garland, President Junior Group of the D. A. R., honoring visiting Juniors of the Southeastern States, which was attended by the visiting compatriots and their wives.

Vice President Judge Burton Barrs, of the South Atlantic District, was an honored guest of the Conference. He was introduced by Dr. Charles J. Haden, a life-long friend, and his address was enthusiastically received. One of the features of the business as well as the social sessions was the display of the Gold Cup awarded by the WESTERN RESERVE SOCIETY, at the Annual Congress at Washington, D. C., in May, and won by the Georgia Society, and the display of the Colorado Travelling Banner, won by the Georgia Society for the second time in the past three years.

The meeting was pronounced one of the most successful ever held by the State Society, and the ladies entertainment committee, headed by Mrs. DeLoach, wife of the outgoing President, and the Manager of the Georgian Terrace Hotel, were given a rising vote of thanks for the splendid arrangements for the meeting.

ATHENS CHAPTER—The first quarterly meeting of the Chapter, was held October 24th, preceded by a chicken barbecue dinner. Colonel Watson, was an honored guest and his remarks and display of the Gold Cup, and Colorado Travelling Banner won by Georgia Society at the Congress at Washington, D. discussed and plans outlined for the ensuing year. Compatriots Judge A. M. Roan, Edgar Gunn, and McWhorter Milner, were appointed by President Humphries to draw up the Constitution and By-Laws, for consideration at the next meeting. The officers chosen for the coming year were as follows: President, Judge John D. Humphries; Vice-President, Edgar R. W. Gunn; Secretary-Treasurer, Clarence W. May. The newly elected officers assumed office and the meeting adjourned to meet with the State Society.

EDWARD JACKSON CHAPTER, La Fayette, met in the Georgian Terrace Hotel, Atlanta, on November 9th, to complete the organization of the chapter, prior to the annual meeting of the Georgia State Society. The meeting was called to order by provisional Secretary David J. D. Myers. The principal business was the election of officers to complete the organization so as to be able to receive the Charter for the EDWARD JACKSON CHAPTER, during the annual state meeting to be held later the same day.

The newly elected officers assumed office, and President Carithers outlined plans for a Ladies Nite, in February, and discussed the reconstruction of the Old Fort YAGO, near Winder.

Illinois Society

Yorktown Day, October 19, was observed by the Illinois Society with a dinner, in the interest, primarily, of National Defense. Lieutenant General Ben Lear, Commanding General of the Sixth Corps Area, outlined in a very impressive manner, both historically and practically, the part taken by the United States Army in former years, and the part it will need to take in future years in defending the land of our forefathers.

Rear Admiral John Downes, Commandant, Ninth Naval District, United States Navy, spoke with equal impressiveness and force of the part taken and to be taken by the Navy in the great task of properly defending America both in times of peace and in times of war.

Two additional features of the Yorktown Day dinner were seven minute talks by two recent Chicago High School graduates, Miss Beulah Myerson, whose essay on "Good Citizenship" was awarded first prize, presented her essay, which was enthusiastically received. Mr. Meyer J. Barrach, who had been selected and sponsored by the Society as a delegate to the "Boys State" held at Springfield under the auspices of the American Legion, gave a narrative of his contacts and experiences while there, showing how the week's practical training developed the young men in a knowledge of and enthusiasm for the privileges and duties of American citizenship.

On October 28th, the Society held a luncheon at which the speaker was Leverett S. Lyon, newly elected Chief Executive Officer of the Chicago Association of Commerce, who gave a most timely address on the subject, "Economic Problems in our Defense Program," which elicited much interest and many questions were answered by the speaker following his address.

The Illinois Society, through the Illinois Citizenship Conference had an important part in the ceremonies of Citizenship Day held on October 20th, pursuant to the proclamation of Governor Horner under the statute. At the principal ceremony, promoted by the Chicago chapters of the Daughters of the American Revolution in cooperation with the Conference and held in Mandel Hall at the University of Chicago, one of the prominent features was the reading of the prize-winning essay in the contest sponsored by the Illinois Society in the Chicago High Schools on the subject, "Good Citizenship in Chicago," by the author, Miss Beulah Myerson. Compatriot Charles B. Elder awarded the commemorative certificates to the new voters and administered the pledge which he prepared and which had been approved by the Conference. At the Mokena ceremony Past Pres-

ident Wilbur Helm was the principal speaker. Compatriots A. N. Benn, William J. Bradford, Charles B. Elder, Past President Matthew Mills, and Thomas S. Rogers are members of the Board of Directors of the Conference, of which Compatriot Elder is President and Compatriot Rogers, Secretary.

Many readers of the *SONS OF THE AMERICAN REVOLUTION MAGAZINE* may be interested in reading the preamble and pledge prepared and administered by Compatriot Elder, which follows:

"Fully appreciating the blessings of liberty and the inestimable privilege of citizenship in our free country, whose fundamental institutions contemplate a government of the people, by the people and for the people, and with a sense of profound gratitude therefor, I do here and now make this solemn pledge:

"I will never bring reproach upon my sacred citizenship. My country, I will not leave a diminished heritage through any act of mine, but will do my part to leave it greater and better than when I came into it.

"I will endeavor to inform myself sufficiently in preparation for voting, and to vote conscientiously and intelligently at all primary elections and at all elections, and will be governed in my voting by a purpose to further the public interest above all other considerations.

"And in general, I will faithfully and conscientiously endeavor to fulfill all of the duties of a citizen of the United States of America and of the state in which I reside."

GEORGE ROGERS CLARK CHAPTER, Peoria—A large attendance greeted the speaker at the Yorktown Day celebration of this Chapter, held October 21st at the University Club. Mr. Carey R. Johnson, attorney of Princeton, Illinois, spoke on "Yorktown," delivering an inspirational address with enthusiastic response.

President Verle W. Safford presided and appointed a nominating committee to prepare a ticket of new officers for the annual meeting to be held December 9th. Compatriots learned with regret of the passing of a charter member, Willard D. Clark, on October 20th.

Indiana Society

As indicated in the previous issue, the celebration of Constitution Day under the auspices of the Indiana Society was unusually noteworthy and extended throughout the State, approximately 5000 contacts having been made and arrangements for a program in every county seat, all through the personal efforts of Father Somes, State President. In Indianapolis the Board of Managers supplied a ten-minute speaker to every secondary school where special programs were arranged. A replica shrine of the Constitution was set up in the exhibition room of the Indiana World War Memorial, and the cooperation of the Indiana Historical Society was secured in the exhibit of precious documents pertaining to the Constitution and the Ordinance of 1787, which was open to the public throughout the week. At the final exercises, on the evening of September 17th, the speaker was former

Vice President General of the National Society, Franklin L. Burdett, now conducting a course in American Citizenship at Butler University, on "The Vitality of our Constitution," followed by the Hon. Henry L. Dowling, whose topic was "The Constitution and the Common Man."

The Board of Managers of the Indiana Society holds monthly luncheon meetings the first Wednesday of each month, at the Spink Arms Hotel, Indianapolis, to which all compatriots of the State are urgently invited.

Kansas Society

Interest in the organization of a new Chapter of the Kansas Society at Wichita has been paramount with the officers since the summer, and it is with pride we announce that this is now an accomplished fact and that one preliminary meeting was held several weeks ago, and the formal organization meeting is scheduled for December 29th, when State President Biby and other State officers from Topeka will be present to install the new officers and present the Charter. Information is received as our Magazine is about to go on the press so full details are not just now available.

As this Chapter is being made up largely of younger men, the mid-holiday date has been chosen in order to secure the attendance of those home from college. About fifteen applications have already been approved and a number of others are pending.

Much appreciation is due Mrs. Loren E. Rex of Wichita, National Chaplain of the D. A. R. and active in other kindred societies, who has been the "power behind" in assisting in the preparation of applications and in organizing the group locally, and our thanks are hereby extended. The officers who will captain the baby organization include Daniel F. Rex, President; Paul N. Henderson, Vice President; George K. Purves, Jr., Secretary; Wallace Herrick, Historian; Paul W. Sayles, Chaplain.

The new Chapter will be known as the GEORGE REX CHAPTER, named for the ancestor of the President.

President Biby and Secretary Bruce of the Kansas Society have other plans in view for chapter groups which are at present too tentative for publication, but it is hoped these will materialize shortly and bring new blood into the Society.

Kentucky Society

On August 30th, the Society presented to the outstanding basic trainee in the Kentucky Camp at

the C. M. T. C., Camp Edwin F. Glenn, Fort Benjamin Harrison, the S. A. R. award. Walter J. Burgess, Newport, Ky., was the recipient of this award.

The R. O. T. C. medal awarded for Leadership, Soldierly Bearing and Excellence is the most suitable S. A. R. medal available, and is the one the Kentucky Society presented to Walter J. Burgess.

On Constitution Day, September 17th, the Society sponsored an appropriate and constructive Constitution program over Radio Station WHAS at Louisville. Colonel Frank D. Rash represented the Kentucky Society on this occasion, and made a most inspiring address. Each of the 103 Selective Service Registration offices in Louisville and vicinity were decorated with American Flags by the Kentucky Society. The Society was glad to cooperate with authorities by furnishing these flags, which seemed not to be available elsewhere.

The Society participated in the Naturalization Ceremony held in the U. S. District Court in Louisville, September 20th, and presented to twenty-six newly naturalized citizens and nine repatriated citizens a framed copy of "The American's Creed" printed on parchment in the colors of the S. A. R.

This is the third Naturalization Ceremony in which the Kentucky Society has participated. This activity has received and is receiving most favorable comment not only from the newly naturalized citizens, but from public officials and other patriotic societies.

On October 19th, the Society held its annual meeting at the Brown Hotel, Louisville, with a banquet at which President General Loren E. Souers was the honored guest and speaker.

At the business session preceding the following officers were elected for the ensuing year: President, Harry V. Davis, Jr.; Vice Presidents, Harry D. Baylor, Henry St.G. T. Carmichael, John B. Rodes; Secretary-Treasurer, Downey M. Gray; Registrar, George W. Hubley; Historian, Col. L. O. Stephenson; Chaplain, Rev. Joseph A. Gaines; Surgeon, Dr. Frank B. Strickler. The Presidents of the local Chapters at Paris, Pikeville, Winchester, Jackson, and Glasgow, represent their organizations on the Board of Managers together with Ralph R. Morgan, Lewis J. Gorin, Pope McAdams, Richard H. Menafee, Winfrey F. Meredith, G. O. Tuck, and Thomas J. Wood.

Maryland Society

A special meeting of the Board of Officers and Managers of the Maryland Society was held at the Chesapeake Club in Baltimore on May 28th, with President Supplee as host of the luncheon.

On June 14th the Maryland Society enjoyed a dinner meeting at the Faculty Club of the Johns

Hopkins University. This meeting closed the activities for the summer vacation period.

The first fall meeting of the Board of Officers and Managers was held at the Belvedere Hotel on September 13th. The usual pleasant Board meeting was the occasion and many of the important questions now so uppermost were discussed and some appropriate action was taken.

Massachusetts Society

The annual awards of Washington and Franklin Medals, an outstanding project of this Society, totaled 250 throughout the high schools and academies of the State and at Randolph, Vermont, the latter award having a special fund created for the purpose. In a number of cases double awards are made, where graduations occur twice in the school year, and in all, 245 schools receive the awards. The efforts of the Society to further enthusiasm in the study of United States History are meeting with much success, as is attested by the responses received from the school authorities of the State and medal recipients.

President Arthur Chase Dow has been appointed Chairman of the Committee on Leadership Training in the Old Colony Council of Boy Scoutleaders of America. This Council was the first to respond to the call of the national office for an extensive training program in connection with national defense, and has enrolled more than 100 business men for this training.

The Massachusetts Society mourns the passing of its former President, and former Vice President General of the National Society, Mr. Henry F. Punderson on October 4, 1940. More extended notice is given elsewhere.

MYSTIC VALLEY CHAPTER—A meeting was held on the evening of October 2nd, at Hotel Commander, Cambridge, when the guest of the evening was Mr. C. C. deSaulniers, representative of the United States Chamber of Commerce on "Why is American Business on the Defensive?" A very enlightening discussion ensued. President Dr. Frank E. Rowe presided.

The annual meeting of the Chapter was held December 4th.

The meeting was held at the Faculty Club of Wayne University, and twenty-five senior members of the C. A. R. were the guests of the Chapter.

President Marquis E. Shattuck, Secretary R. E. Van Syckle, John N. B. Sloan, Hon. Allen G. Ludington, Rev. Harold W. Rosebrook form the Program Committee assisting James B. Bogner, Chairman, in arranging these meetings.

Minnesota Society

The July 17th meeting of the Chapter was addressed by Hon. Oscar Youngdahl, Congressman from the Fifth Minnesota District, who gave his hearers a lively account of the activities in the national capital and their bearing upon the country's position in national and international affairs. The Rev. Mr. Mott R. Sawyers, past president of the Iowa Sons of the Revolution, was a visitor, and later became a member of this Chapter.

Constitution Day was celebrated at the September 17th meeting, which was in charge of Dana C. Hill, Vice President. The speaker was Hon. Stafford King, auditor of the State of Minnesota, who gave an able address. Compatriot Dr. J. Tallmadge Bergen was congratulated upon his 80th birthday anniversary, which was to be celebrated the next day. Compatriot Bergen is a veteran of the World War, in which he served as first lieutenant in the air service, assigned to the intelligence division. Prior to this assignment he had been a member of the Minnesota Home Guard. During the Spanish War he served as a volunteer orderly in New York hospitals. Following the World War he was commissioned a reserve chaplain of the U. S. Army, and is now on the retired list with the rank of captain. Missouri Society

President General Loren E. Souers was the principal speaker at a dinner tendered to him by the Missouri Society at the Park Plaza Hotel, at its annual Yorktown dinner. The meeting was held this year on October 18th in order that President Souers might also attend a meeting of the Kentucky Society the following evening.

The Presidents of two other Societies in the Southern Mississippi District attended. Horace Eller, President of the Texas State Society, traveled some seven hundred miles and Francis Vinsonhaler, President of the Arkansas State Society, also came several hundred miles to be present.

State President Marvin E. Boisseau presided as Toastmaster and asked Allen L. Oliver, Vice-President General of the Southern Mississippi District, to introduce the State Presidents.

Mr. Eller invited all present to attend a meeting of the Texas State Society at Dallas next February 22nd, reminding us that Texas would celebrate her Centennial next year.

Dr. Vinsonhaler made a brief but delightfully interesting talk, after which President Boisseau introduced Mr. Oliver who talked briefly upon the subject of "The Present Need."

The address of the evening was delivered by President General Souers. His talk was productive of thought, was well arranged and delivered in a forceful manner. He was critical of the attitude of indifference and lack of understanding on the part of many American youths toward world problems. They were ineffective youth and would become ineffective men because of the lack of acceptance of responsibility.

"Our forefathers thought enough of liberty to fight and die for its possession, yet today we have young men like, for example, the New Orleans youth quoted in press dispatches, who, when asked why he had failed to register for the draft, replied, 'there is nothing in the United States worth fighting for.'"

"I know that the great majority of young Americans do not feel this way, but there are enough of this type in America to present a problem that must be solved," Mr. Souers said.

"We are reaping a whirlwind grown of winds of sophistication, discontentment, selfishness and materialism sown in recent years by many leftist politicians and educators. It is the duty of patriotic organizations to eradicate the un-American philosophies that have diseased the minds of some of our youth and even a few of our older men, and rekindle in their hearts the spirit of our forefathers."

Preceding President General Souers' address President Boisseau introduced several distinguished guests who honored the President General and the Missouri Society with their presence. Outstanding among them were Past President Millsbaugh of Nashville, Tennessee, who, in a few well-chosen words, greeted those present. Several State and National officers of patriotic societies were introduced by President Boisseau. Hon. James M.

Breckenridge, of the National Executive Committee, was among the honor guests.

The evening banquet was preceded by a luncheon Round Table, at which the same guests were present and opportunity for discussion of special local problems was given. President Eller of Texas spoke especially of his activities relative to the organization of College Chapters in his State.

The Missouri Society did not overlook an appropriate observance of Constitution Day, and held special exercises at the Roosevelt High School, St. Louis, with music furnished by the School musical organizations. Exercises in other schools were also sponsored by the Missouri Society.

Notices recently received from the officers of the Missouri Society announce the candidacy of Mr. James M. Breckenridge for the office of President General of the National Society for presentation at the annual Congress next May.

NEW YORK CHAPTER and its **CONTINENTAL COLOR GUARD**, composed of society members 35 years of age and under, adopted November 25th, Evacuation Day, for Annual Flag Ceremonies on the steps of the Sub-Treasury Building, corner of Wall and Nassau Streets.

These ceremonies commemorated the closing scene of the Revolutionary War in 1783, when General George Washington and the American Army made its triumphal entry into New York City, parading past the old City Hall, which thus gained the distinction of flying the first American Flag raised on American soil when the United States first exercised its sovereign rights.

The old City Hall later became Federal Hall, first Capitol of the United States, and gained the additional distinction of flying the first American Flag over the newly created Constitutional Government, when Congress held its first meeting there on March 4th, 1789; later when the first President was inaugurated there on April 30th, 1789; and still later when each of the Federal Departments and the Supreme Court were created on this historic spot.

The ceremonies were opened by Compatriot Gardner Osborn, Executive Director of the Federal Hall Memorial Associates, Inc., a body of distinguished New Yorkers organized to cooperate with the United States Government in developing a Federal Hall Memorial in the Sub-Treasury Building, which, on April 30th, 1939, was designated by the Government as a National Historic Site.

Frederick Cone, Vice President of the **NEW YORK CHAPTER**, on behalf of the **CONTINENTAL GUARD**, received the official welcome from Compatriot Osborn, who spoke as follows in the name of the Federal Hall Memorial Associates:

"On the third floor of this fine old building, we have prepared one room in particular to commemorate the American Flag and the many times it has flown on this site over events of the greatest historic import to our Nation. This room is fittingly called the **FLAG ROOM**, where old American Flags and records of the Flag have been collected.

"Today, the **CONTINENTAL COLOR GUARD** of the **NEW YORK CHAPTER** of the Sons of the American Revolution will take over this **FLAG ROOM** as their headquarters. And so it gives me great pleasure, as Executive Director of Federal Hall Memorial Associates, to welcome this great patriotic society, represented today by its Vice President, Mr. Frederick Cone.

Mr. Cone, I have here three keys used at Federal Hall one hundred and fifty years ago.

As a token of welcome I herewith hand to you the **KEYS TO FEDERAL HALL**."

Compatriot Frederick H. Cone, Past President of the **NEW YORK CHAPTER**, and its present Vice President, responded eloquently, concluding with these words:

"Thumbs up, Britain! Chins up, America! As long as men and women rededicate themselves to the cause of democracy, with faith in God, and man and the future, the democratic way of living shall not perish from this earth."

Lieutenant Colonel Henry Darlington, D.D., Chaplain of the **NEW YORK CHAPTER**, delivered the invocation. The 16th Infantry Band from Fort Jay, Governors Island, played "My Country 'Tis of Thee" to open the services, and closed with the "Star Spangled Banner." The **CONTINENTAL COLOR GUARD** made a colorful picture with their historic Continental uniforms and the ancient banners of the Revolution.

Texas Society

Plans are being perfected for holding the annual meeting of this State Society at Dallas on February 22nd next, when the 100th anniversary of the City of Dallas will be celebrated also and much interest is attached to these joint events.

President Eller is interested in the formation of college chapters and expects to announce the formation of at least two completed organizations at this forthcoming meeting. The presence of several National officers at this meeting is anticipated.

On September 26th the Society held a luncheon meeting at Dallas, at which the honor guest and speaker was the Hon. Allen Laws Oliver of Missouri, Vice President General of the National Society for the Southern Mississippi District. An excellent attendance greeted Vice President General Oliver.

Utah Society

The Society has successfully continued its radio broadcasts over KSL, Salt Lake City, reaching an available population of 10 million. The Armistice Day Program, on the subject "Why I Am an American," was delivered by Chief Justice of the Supreme Court, Hon. David W. Moffat, State Superintendent of Public Instruction, Hon. Charles H. Skidmore and the Editor of the Mining Review, Hon. Burt B. Brewster, Compatriot. The Chairman for the broadcast was former Representative in Congress, Compatriot, Hon. Don B. Colton. The broadcast was an unqualified success and congratulatory statements have been received with regard to it from all sections of the Far West.

The Utah Society has recently lost, by death, two of its oldest and representative members, Frederick C. Richmond, President of the Society in 1937, and George Rust, a member of the Society for over thirty years.

The Society enters upon the fall and winter activities with renewed zeal under the capable and aggressive leadership of Dr. T. Earl Pardoe, its President.

Virginia Society

Participating in the annual celebration of the anniversary of the Surrender of Cornwallis at Yorktown on October 19th, the Virginia Society was conspicuous in representation on the program of many speakers by its President Mr. G. Guy Via, and especially proud to have one of the principal addresses of the day by our President General Loren E. Souers, which was read by Historian General Dr. W. H. T. Squires because of the absence of the President General whose other engagements prevented his presence.

The program as usual was impressive and deeply interesting with addresses by heads of many patriotic societies, and the National Society was further represented at these ceremonies by a wreath placed with others at the Victory Monument.

The Virginia Society has endorsed the splendid Declaration of Policy adopted by the New Jersey Society S.A.R. and published in the October S.A.R.

Magazine, and has adopted a similar Declaration embodying the basic points for the latter.

RICHMOND CHAPTER—The October meeting featured the Richmond Post Master, Mr. Fergus McRee, Esq., as speaker, with music contributed by Miss Dorothy N. Hill. The Chapter held its annual meeting on November 14th at Mayo Memorial. State President G. Guy Via was the Chapter's guest and a program of music was enjoyed.

On December 12th, the Chapter held its annual Continental Christmas Party at Mayo Memorial, where an enjoyable program of appropriate Christmas music rendered by Mrs. Cora M. Ferrell, Mrs. Mildred Blanton and Dr. Luther A. Richmond was enjoyed. The State President Hon. G. Guy Via brought a Christmas message, and gifts and good cheer abounded.

Wyoming Society

The annual meeting of the Wyoming Society was held Wednesday evening, November 13, 1940, at the Plains Hotel, including Cheyenne and Laramie members. Special guests were members of the Cheyenne Chapter, Daughters of American Revolution.

President Wm. O. Wilson presided at the business meeting and program, and delivered his annual address.

New officers for the year were elected. Dr. H. H. Horton of Laramie was elected President; Harry Purcell of Cheyenne, Vice-President; Henry R. Butler of Laramie, Secretary; and Dr. Galen A. Fox of Cheyenne, Treasurer.

Dr. R. T. Caldwell was the speaker of the evening, on "Our Country and We, the People." The President called upon every person present to take part in the discussion and the following did so: Mr. and Mrs. H. Clay Kienzle, Dr. and Mrs. G. A. Fox, Mrs. Frank Bosler and son, Frank; Mr. and Mrs. M. A. Kline, Mrs. Mark Cox, Warren Richardson, Emil Richardson, Mr. and Mrs. W. O. Wilson, Dr. and Mrs. H. H. Horton, Mrs. J. B. Griffith, Mr. and Mrs. H. C. Purcell.

During the meeting there was group singing, with Mrs. Grover Ries at the piano, of "America" and "God Bless America."

Retiring President William O. Wilson, in his annual address, concluded from a current advertisement with the following quotation:

THERE'S NO WAY LIKE THE AMERICAN WAY:

"I can go to any church I please—
"I read, see and hear what I choose—
"I can express my opinions openly—
"My mail reaches me as it was sent—uncensored—
"My telephone is untapped—
"I can join any political party I wish—
"I can vote for what and whom I please—
"I have a constitutional right to trial by jury—
"I am protected against unlawful search and seizure—
"Neither my life nor my property can be forfeited without due process of law."

The Wyoming Society has actively supported appropriate observances of Constitution Day in cooperation with the Daughters of the American Revolution and kindred patriotic and civic organizations of Cheyenne, and has won state-wide atten-

tion by its attendant publicity. In Laramie, also the local Chapter of the S.A.R. sponsored a proper observance and recognition of new citizens and newly naturalized citizens has been extended to other cities of the state.

In Memoriam

Henry Fuller Punderson

1871-1940

Vice President General, 1915-16

Our compatriots have learned with sorrow of the passing of Henry Fuller Punderson, of the Massachusetts Society, on October 4, 1940, at his home in Springfield, Mass.

Compatriot Punderson entered the Society in its early history, in 1908, by descent from Col. Heman Swift of Connecticut. From the first he was active in the affairs of the George Washington Chapter at Springfield, holding various offices, and he became Vice President General of the National Society in 1915 and later served the Massachusetts Society as its President from 1918 through 1920.

He was a constant attendant at our National Congresses and was conscientiously devoted to the best interests of the Society throughout his long membership. He held many positions of responsibility and honor in civic, social and patriotic organizations of his community and state.

The National Society was represented at the last rites in Springfield by our Genealogist General Captain C. W. Patten, and delegations from the State Society of Massachusetts were in attendance.

The Official Grave Marker of the National Society has been reduced in price as it is desired to move off the stock on hand. Inquire of the Secretary General or the Chairman of the Revolutionary Graves Registry, Dr. A. B. Sias, 145 E. State St., Athens, Ohio.

Tom Moore

1879-1940

Vice President General, 1937-39

Suddenly, on October 30th, this beloved Compatriot was called hence, and his many friends and compatriots throughout this Society are shocked and grieved at his untimely death.

For more than fifteen years Compatriot Moore has been an active and zealous member of the Sons of the American Revolution in Virginia. He served his Society as Chairman of the Board and President of the Norfolk Chapter, two terms President of the Virginia State Society and two terms as Vice President General of the National Society with appointment on various National Committees.

His membership in the Society was derived through his descent from the Moore, Verner and Dickey families of North Carolina, and from the Lewis, Williamson, Grigg and Stokes families of Virginia.

Appropriate resolutions of tribute to his outstanding qualities of sterling character were adopted by his Chapter at Norfolk, and the tender solicitude and sympathy of his many friends throughout the Society are extended to Mrs. Moore and his two daughters, whose grief we share.

The attractive new Medal Certificate recently provided makes a splendid addition to be given with Good Citizenship Medal awards. These are priced at ten cents each or less in dozen lots. Apply to the Secretary General, Medal Chairman.
