President General, Sterling F. Mutz, 1304 Sharp Bldg., Lincoln, Nebr.

Qualifications for Membership (Extract from the Constitution)

ANY MAN shall be eligible to membership in the Society who, being of the age of *eighteen years* or over and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unflinching in loyalty to, and rendered active service in, the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute man, in the armed forces of the Continental Congress or of any one of the several Colonies or States, or as a Signer of the Declaration of Independence, or as a member of a Committee of Safety or Correspondence, or as a member of any Continental, Provincial, or Colonial Congress or Legislature, or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain.

Application for membership is made on standard blanks furnished by the State Societies. These blanks call for the place and date of birth and of death of the Revolutionary ancestor and the year of birth, of marriage, and of death of ancestors in intervening generations. Membership is based on one original claim; additional claims are filed on supplemental papers. The application and supplementals are made in duplicate.

Please address all communications for The Sons of the American Revolution Magazine to Frank B. Steele, Editor, 1227 16th Street, N. W., Washington, D. C. All Genealogical inquiries should be addressed to the Registrar General. COPY FOR JULY ISSUE DUE JUNE 1, 1943.

Message of President-General

MY DEAR COMPATRIOTS:

There is no priority on patriotism. No shortage here. But if rationing was necessary I am sure the members of our Society would all be entitled to "C" cards. For our compatriots are engaged in every kind of war work; more than 10% are active civilian aides to the F.B.I. in preserving internal security. Our members are now studying post-war problems with the hope of helping to establish some plan which will maintain our sovereignty, yet have some promise of preventing future wars.

— THE CONGRESS —

These are the reasons why our National Trustees decided to hold the Congress this year. We must not relax our war activities and it is important that we carry on. Also it is appropriate that the meeting should be a streamlined one-day business session. We hope those who can do so will come to New York and lend support and advice in this important war-time Congress.

— COMMITTEES —

To conserve time, I request all committee chairmen to make a brief report (one page, if possible) and send two copies to me by April 20th. These reports will be duplicated so that each delegate attending the Congress may have a copy and then the substance will be reprinted in the July issue of the Magazine. This will dispense with verbal reports except in a few important instances. In preparing your reports may I suggest that you conclude them with a brief recommendation for activity of your committee during the coming year?

— THANK-YOU —

This has been a marvelous year of action. Reports coming from almost every State indicate that local Chapters and State Societies have carried on the work in spite of other war-time demands. Our membership is increasing and we are rapidly approaching the place where we may all participate more fully in the great work our Society was organized to perform.

To all those who have contributed so much to make this year a success, I give you a hearty "Thank-You". To those who have taken the time to write me hundreds of encouraging and enthusiastic letters, may I express my sincere appreciation? They tell a story of patriotism and loyalty which is especially heartening in these tragic times. May I also apologize for the unavoidable delay in answering some of your very kind letters? They have not been forgotten.

The spirit of unity and cooperation throughout the months of my administration have been a beacon light to guide us in future years. The Executive Committee has said many kind things about the work you are doing. I am sure my entire staff joins me in this message.

May I express the hope that each of you will keep up the excellent work and support my successor as you have so faithfully supported me.

Cordially yours,

STERLING F. MUTZ,
President-General.

It will not be amiss to mention in addition the New Yorker, The Pennsylvania and especially the Algonquin on 44th Street, made famous by its proprietor, Compatriot Frank Case, whose two delightfully humorous stories of hotel life "Tales of a Wayward Inn" and "Do Not Disturb" were "best sellers" of their year.

Thomas Jefferson Bicentennial Celebration

On Tuesday, April 13th, of this year there will be celebrated in Washington the Bicentennial of the birth of Thomas Jefferson and elaborate plans have been made for the dedication of the Jefferson Memorial at the Tidal Basin near the Potomac River.

The Library of Congress has issued a number of interesting pamphlets which give in condensed form the many sides of the great Statesman, philosopher, inventor, master of the art of expression, which is so wonderfully shown in the writing of the Declaration of Independence. Each of these pamphlets gives a short résumé of these many phases of character which are comparable in number and kind to those of Benjamin Franklin.

There will be an exhibit of these many phases of Jefferson at the Library of Congress which will be of great interest to the many who will visit the Library during the next few months.

Jefferson is best known to the great mass of people as a Statesman, the exponent of the outstanding 'principles of democracy, as a great President and a liberal thinker both in civic and religious life. Many do not know that he had a wonderful library, most of which was destroyed by fire, but many rare books and pamphlets which were preserved will be included in this exhibit. It is stated that Jefferson was the actual founder of the Library of Congress and when that library was destroyed by fire he offered to give his own private library to replace in part the losses. It is generally known that Jefferson was a

scientist and inventor and many of his ideas now prevail in the scientific world. It is not generally known that he was also a great lover of music and took much interest in the development of music and especially the pianoforte or harpsichord. He had a number of books on music and letters about the development of the piano.

There will be in this exhibit a collection of material illustrating the several aspects of Jefferson's activity in the domain of law. In this will be Jefferson's will and the original manuscript of his epitaph in which he claims credit for having composed the Declaration of Independence, the Virginia statute of Religious Freedom, and for having founded the University of Virginia.

Another phase of Jefferson that will be shown in his role as a creator of the expanding of the United States, indicated by newly-compiled maps showing the distribution of places and things named for him. There are such memorials on maps of all but two of the United States. In 1940, 2,006,633 people lived in areas in the United States named Jefferson.

In view of this great dedication so soon to take place it was felt timely to show in this issue of our MAGAZINE the magnificent memorial to be dedicated to this great Statesman on April 13th. Visitors to Washington and the citizens thereof will find this a stately and dignified tribute to one who did much to shape the destinies of our country.

Of Course You Know—

Or Do You?

... That **Senator Robert A. Taft** of Ohio, **Senator Warren R. Austin** of Vermont, and **Senator Gerald P. Nye** of North Dakota, are recent additions to the membership of the S. A. R.?

★

... The **Membership Committee** has already secured enough new members and reinstatements to meet the year's budget?

★

... That each **Chapter** must report the names of those securing three or more members in order that their names may be on the Honor Roll in the July issue of the Magazine. Also for prizes to be awarded.

★

... That the **President-General** made an extended trip to the Pacific Coast and two trips to the Atlantic Coast during the first nine months of his administration?

★

... That due to **priorities and high printing costs** the revised issue of the booklet has not yet been printed. Perhaps it will be ready soon.

★

... That more than 10% of our members are actively engaged as civilian aides to the F.B.I. in preserving our internal security?

... That our **Society** is making an extensive study of postwar plans in preparation for the task of preserving our National integrity with a minimum of entangling alliances abroad. Your ideas are welcome.

★

... That it costs about **\$529.00** in traveling expenses and hotel bills and requires a total of 29 days' time to hold a one-day meeting of the Executive Committee in Washington. Committee members pay their own expenses. How much can you do for your Society?

★

... That **California** is the only State in the Union that never had territorial or Colonial status, but came into the Union directly as a State?

★

... That **Compatriot Ira F. Gay** of the Illinois Society and Mrs. Gay have each been presented with the Twenty-five Year Certificate for continuous service of The American Legion? Mrs. Gay served as a yeomanette during World War I at the Navy Gas Engine School in New York City, and at the same time Mr. Gay was there as a Machinists' Mate. Mrs. Gay is the only woman member of Marshall Field Post of the Legion of which her husband is Past Commander.

These are the first of the Legion's Service Certificates to be awarded.

MEMO FROM DEPARTMENT OF ORGANIZATION

To All Compatriots:

The fiscal year is closed, but as yet we have not been able to determine just how many new members and reinstatements you have succeeded in piling up.

Whatever that number is, it will be a substantial increase over last year. Every Compatriot is entitled to great credit for the conscientious and persistent effort he has shown.

As this Department closes its books for the year we are truly appreciative of your cooperation.

Keep up the good work. Don't let up now. Make every month productive.

Cordially and gratefully yours,

ORGANIZATION DEPARTMENT,
By WALLACE HALL,

Chairman.

Memorial Day, 1943

The thirtieth day of May was designated by the Grand Army of the Republic in 1868, for the purpose of placing flowers on or otherwise decorating the graves of comrades who died in defense of their country, when John A. Logan, Commander-in-Chief, issued his famous "General Order No. 11", and has become Memorial Day to all veterans who served in the armed forces of their country.

All veteran organizations have the opportunity to plan Memorial Day programs this year on a scale that will give the American people a new conception of the way Memorial Day should be observed, with the moral support of the families of those four million or more Americans who are now serving in the Army, Navy, Marine Corps, Coast Guard, and Merchant Marine. Never again should we permit Memorial Day to degenerate into a holiday dedicated solely to self pleasures. The lesson in France should warn us against the danger of neglecting our patriotic traditions.

With the blood of our American boys being spilled all over the world in defense of Freedom in this global war, the time has arrived when Memorial Day should no longer be the signal for a nation-wide carnival of automobile races, baseball games, or picnics.

Let us discharge this patriotic responsibility in a manner that will leave Memorial Day firmly established as a day of homage to those whose sacrifices have guaranteed our security as a free and independent nation.

It is mandatory that all members of the Sons of Union Veterans of The Civil War participate in Memorial Day services with the Grand Army of the Republic, or with other veteran and patriotic organizations, in memory of the honored dead of our country. They should use their influence in every possible manner for the proper and general observance of this day, and that Memorial Day, instituted by the Grand Army of the Republic, shall ever be held sacred by the people of our country. These exercises should help inspire each of us with renewed faith in the ideals for which we are fighting today, and in the words of Abraham Lincoln: "That we here highly resolve that these dead shall not have died in vain".

RICHARD D. FLETCHER,
Past Dept. Commander, Sons of
Union Veterans of the Civil War.

The officers of the Sons of the American Revolution heartily endorse and recommend the above—*Editor*.

Colonel Paul P. Newlon

1878-1943

Vice President General, 1938

The passing of Former Vice President General Colonel Paul P. Newlon, of Colorado, was reported as of January 30, 1943, at his home in Denver, after a brief illness.

At the time of his death Colonel Newlon was Executive Vice Chairman of the Colorado Defense Council. He was former Adjutant General of Colorado.

As a veteran of World War I, Colonel Newlon played a prominent part in the State and National Guard. He was appointed Adjutant General in 1921 and served under three administrations. He served on the Mexican border during the 1916-17 troubles as Captain of Infantry, was promoted to major and sent

to France, remaining overseas a year after the armistice. In 1920 he was Deputy Superintendent of the Colorado Rangers, State Police.

Colonel Newlon was elected Vice President General of the National Society for the Rocky Mountains District at Dallas, Texas, in 1938. His Revolutionary ancestor was Ensign Brintnal Robbins of Connecticut, a Minute Man at Lexington, who served throughout the struggle and received a pension. Colonel Newlon was President of the Colorado Society for three terms, and served in many advisory capacities. His loss will be deeply felt by his many friends and compatriots.

An Historic Charter

Because of its unique character and the historic interest that it should arouse in our members, there is published in this issue of the S. A. R. Magazine a photograph of the Charter granted to Berkshire County Chapter, of the Massachusetts Society by Resolution in June 1897.

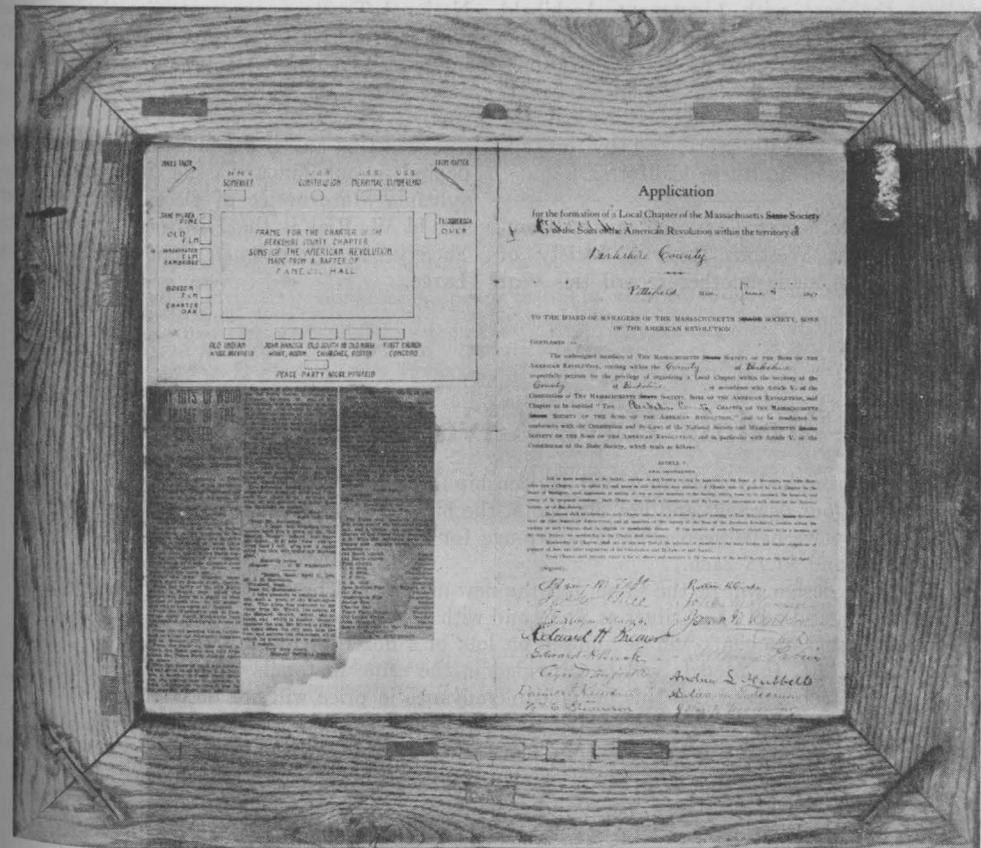

It was but a few weeks ago that this Charter which had been lost for many years was found in Pittsfield, Massachusetts, in a dark corner of the Stevenson Block in that City and brought to light.

This was an important find not only to the Chapter but to antiquarians who wish to see preserved relics of such impelling interest.

The story of this Charter and its construction is most interesting. The frame with glass on both sides is 23 by 20 inches in size and was made from a rafter of Faneuil Hall, Boston, built in 1763. Inlaid are pieces of wood from the old Indian House at Deerfield; the John Hancock House, Old North Church and Old South Church in Boston; First Congregational Church, Concord; the Washington Elm at

Cambridge, under which General Washington took command of the Army in 1775; the Charter Oak at Hartford; the Peace Party House at Pittsfield; the famous Pittsfield and Boston Elms; the Jane McCrea Pine; the U. S. ships *Constitution*, *Merrimack*, and *Cumberland*; and his Majesty's ship *Somerset*. Imbedded in the frame is a piece of iron from an oven at Fort Ticonderoga. The frame is fastened together with wrought nails that were removed from the Faneuil Hall rafter.

The idea of such a frame for the Berkshire County Chapter was conceived by the late John M. Stevenson of Pittsfield and many letters which give authenticity to this historic piece of wood imbedded in the frame were kept by Mr. Stevenson, who was deeply interested in historical matters. It is interesting to note that three of the original signers of the application for this Charter are still alive: they are Hon. Allen Towner Treadway, many years Representative in Congress from Massachusetts, Milton B. Warner and Edward H. Bush of Pittsfield.

Notes and Comments

Special attention is called to the announcement of the change of location of the 1943 Congress of the National Society. It will meet in New York City on May 19th at the Plaza Hotel. Unfortunately this decision was not reached until after the issuance of the January S. A. R. MAGAZINE which carried the notice for the Rochester Committee. The Empire State Society and New York Chapter are making attractive arrangements for an interesting meeting.

With sorrow we call attention to the notice under the Texas Society item of the sacrifice of John W. Herbert, formerly National Trustee for Texas. This is but one of the tragic losses of which we shall hear as this wretched war continues and which will tear our hearts and sympathies to the depths. We are proud of our Compatriots!

Ohio has learned that Compatriot Clark M. Garber, Jr., has been reported missing. He was commander of a Flying Fortress. There is always hope that there may be some error as was the case with Lieutenant Archibald Magill Smith, recently enrolled in the Louisiana Society, and son of former National Trustee and Louisiana State President, Archie M. Smith. The report of his loss in the Solomons was shortly corrected by his appearance in good health in California.

The Revolutionary Graves Registry Committee of the Western Reserve Society of Cleveland has made another record this year

in the number of graves located and to be marked with marble or granite headstones.

There have been eight applications for headstones sent to the quarries from Cuyahoga County and an equal number from Geauga County but no markers have as yet been received. We have also accepted the opportunities presented to move several markers or erect new ones from abandoned cemeteries and private burials in forests, pastures, and fields to the cemeteries to which they naturally belong.

The records show that nearly all known Revolutionary Soldiers' graves in these two counties are permanently marked.

Credential blanks for the Congress will be issued to State Secretaries from National Headquarters after April 15. State officers are reminded that a duplicate of their list of delegates is due at the office of the Secretary General, *prior* to the Congress, and should be sent as soon as possible.

Credentials to *National* Officers, including National Trustees, are sent directly to these officers from National Headquarters in Washington, and should *not* be supplied by State officers from the blanks issued to them.

Correcting an error which inadvertently appeared in our January issue under the Pennsylvania State notice of election, Compatriot David W. Rial is the Historian of the State Society—Mr. J. Erdman Cope is Delegate at Large.

Medals Have Advanced in Price!

Our original supply of Good Citizenship Medals is exhausted and in order to supply our demands and not disappoint the hundreds of Medal winners all over the country we have been obliged to arrange for a new supply at an advanced cost of \$1.50 and \$1.75 each.

The design will be the same, but the new medals will be smaller, suspended by a ribbon, and will be of silver at \$1.50 and with brown rose gold plating at \$1.75 each. The usual discounts will be allowed on lots of a dozen or more.

R. O. T. C. Medals will be provided in the same materials and prices.

We feel assured that this unavoidable advance in price will not deter the presentation of the many awards which have become such an important feature of the patriotic programs of many of our societies. The value of the Medals as character building aids in our public schools cannot be overestimated. We urge your continuation of your accustomed awards.

The National S. A. R. Library

The report of donations to the National S. A. R. Library received since the January, 1943, issue stated below is highly gratifying inasmuch as it shows the library has received a total of one hundred and two volumes and genealogies during the past quarterly period. This is in addition to the regular receipts of historical magazines and other publications. This is a splendid start and the continuation of this rate of progress will rapidly enhance the value and usefulness of the library.

It should be noted that a substantial portion of the number of donations received was

due to the generosity of certain members and friends. These notable individual contributions should serve as an incentive to other members and stimulate their desire to aid this worthy department of their society. The library needs genealogies and local histories, either printed works or manuscripts are desired. All members are urged to contribute to the work of keeping the library a vital part of the society.

Brief Book Reviews

(A copy of this recently published book has been donated to the National S. A. R. Library by the publisher.)

"A Prophet and A Pilgrim," by Herbert W. Schneider and George Lawton; published by the Columbia University Press, New York City (\$5).

This is an amazing story of Thomas Lake Harris and Laurence Oliphant and their followers. History is replete with instances of small bands of idealistic men and women who, having rejected the main ethical, religious and economic codes of their day, have followed a prophet out into the wilderness to hew out in peace and privacy a life

nearer to their dreams. Of such intrepid but doomed groups, the Brotherhood of the New Life was one of the most curious and relatively successful. While no utopia ever had a more ambitious ideology, Harris was apparently a shrewd manager and the members cooperated intelligently and industriously in promoting their community.

This is a fantastic tale of fanaticism. The au-

thors have apparently spent much time in research and have made good use of their documentary findings. Illustrated with a number of photographs and the material ably presented, this work should prove to be a treat to those whose choice of reading includes this subject.

MCDONALD MILLER,
Librarian General.

Our Flag's Development *

FLAGS OF OUR COUNTRY

1. Sebastian Cabot landed at Labrador, 1497, and planted on North American soil the Red Cross flag of England, the Ensign of King Henry the Seventh.

2. The flag of England, our Mother Country, was our flag from the landing of Capt. James Smith and his associates in the establishment of the first permanent English speaking colony in America in 1607, at Jamestown, Virginia; and from the landing of the Pilgrims in the Mayflower at Plymouth, Mass., in 1620, and continued to be our Flag until June 14th, 1777. In 1606 Scotland was added to England, and the White Cross of St. Andrew was placed upon the National Flag, changing the field from white to blue, by order of King James I, and was called Union or King's Colors. It was used in Massachusetts Colony in 1634.

3. 1707 the color of the flag was changed from blue to crimson, and the two crosses on a blue field were placed in the upper corner. This flag was called the "Cromwell Flag".

4. The Colonies used the King's Colors, and when the Cromwell Flag was adopted (1707) used it with modifications—placing a pine tree on a white field in lieu of the crosses. This, and

5. The plain white flag with pine tree, were regarded as the flags of Massachusetts Colony for some time. In 1775 the Pine Tree flag was decided on for our vessels.

6. The Southern States, or then Colonies, from 1776 to 1777, used the Snake flag.

7. The first *striped* flag was raised at Washington's Headquarters, Cambridge, Mass., January 2, 1776. It was called the "Cambridge Flag", and known in England as the "Rebellious Stripes". Lieutenant John Paul Jones hoisted this flag on his vessel, the "Alfred", and said "The flag of America floats for the first time over an American Man-of-War."

8. June 14, 1777, Betsy Ross made the first flag of thirteen stars and thirteen stripes.

9. Vermont was added to the Union in 1791, and Kentucky in 1792. In consequence two additional stars and stripes were added to the flag, making a flag of fifteen stars and fifteen stripes. This was the flag of the War of 1812, and was known as "The Star-Spangled Banner".

10. April 4, 1818, a bill was passed by Congress, reducing the number of stripes to thirteen, and increasing the number of stars to one for each State.

There is now a supply of the ribbon bars for service men available at National Headquarters. These are 35 cents each or 30 cents in lots of a dozen or more. Please remit with your order. *There are NO rosettes available*, but negotiations for a substitute are under way.

We again suggest to our Compatriots in service that if the home address will suffice for the duration, it will be helpful.

A Message from the Memorials Committee

DEAR COMPATRIOTS:

The Committee on Memorials of the National Society of the Sons of the American Revolution, after much careful deliberation, feels that under the existing conditions now prevailing over the country, in fact over the world, its major efforts should be directed toward the encouragement of and assistance in the collecting of complete and accurate records of the part being played by the Sons of the American Revolution in the great war effort of our country, both military and civil. We realize, of course, that this is an effort that cannot be closed up this year, in fact may extend over several years. The final results may well be published as a *Memorial Volume*.

It is assumed that each State Secretary is already collecting these records through the Chapter Secretaries and if so it will be a very simple matter to make duplicate copies and send one to this Committee. As Chairman of the Committee I am writing to ask if we may count upon your cooperation in a project of this kind. We sincerely hope we may. It ought not to be so very burdensome to any one. Whatever the present Committee accomplishes will, of course, be passed on to its successor.

With cordial good wishes,

Very sincerely yours,

WM. H. ALEXANDER,
Chairman.

Mr. Hall made a verbal report on his Department of Organization, stating that the results, while not quite up to their earlier optimistic expectations, were quite gratifying. According to reports from various State Societies the National Society could expect to add 1500 new members for the fiscal year. He mentioned that among the applications received recently were those of Senators Taft, Nye and Austin. He commented particularly on the good work of certain State Societies, and expressed his appreciation of the cooperation received from Mr. Steele, Mr. Robertson and Mr. Mutz at all times in connection with the work of his department. He reported that there were nine new chapters now in process of organization, and Mr. Mutz stated that a Society was being formed in the State of Nevada and would soon be ready for a charter. Mr. Multer reported on the reorganization of the Abraham Clark Chapter of the New Jersey Society.

At 12:40 p. m. the meeting recessed for luncheon, meeting again at 3 p. m.

There was a prolonged discussion of the question of the 1943 Congress, scheduled to be held in Rochester, N. Y., and on motion of Mr. Hamilton it was

Voted: That the Secretary General be instructed to send the following letter to the members of the Board of Trustees, and enclose a post card for their votes:

"In accordance with the provisions of Article V of the Constitution of the National Society and in compliance with the vote of the Board of Trustees at their meeting in Williamsburg, Va., on June 3, 1942, preparations have been going forward to hold the 1943 Congress at Rochester, N. Y., on Monday, May 17th.

"It has recently developed, however, that it will be impractical to hold the Congress at Rochester, and at its meeting on January 14th the Executive Committee discussed possible alternatives.

"The Empire State Society and the New York Chapter have offered to arrange for the Congress to be held in New York City, where better transportation and hotel facilities are available. Also, it will be possible to streamline the Congress to a one-day session by omitting some of the social activities heretofore arranged and by speeding up the transaction of business.

"Also, in order to comply with the request of the Office of Defense Transportation that week-end travel be avoided so far as possible by civilians, it was suggested that the Congress be held on Wednesday, May 19th, instead of 'the third Monday of May' as provided in the Constitution.

"The decision in this matter must be taken by the Board of Trustees so I am instructed to request you to answer immediately on the enclosed post card your preference between the following alternatives:

"Are you in favor of holding the Congress in New York City on May 19, 1943 ()

or
"Are you in favor of not holding a Congress in 1943 at any place? ()"

Mr. Multer made a verbal report on his Department of War and Defense, established by Mr. Mutz to do what we could, as a Society, to promote the war effort. Mr. Multer reported on his work with the U. S. O., visiting the many U. S. O. Clubs in New Jersey to become acquainted with the workings of the organization. He advocated concentrating our efforts in behalf of the U. S. O. which he feels is more general in its scope, rather than scattering our interests among a number of such organizations. With regard to his work with the F. B. I. he stated that there had been presented to Mr. J. Edgar Hoover a Good Citizenship Medal of

the N. S. S. A. R. on which occasion Mr. Hoover, unsolicited, remarked ". . . that the three great patriotic organizations of this nation that had helped him and his Bureau of Investigation were the S. A. R., the D. A. R. and the American Legion."

Mr. Mutz mentioned that he was very much pleased with the work we are doing with the F. B. I.

The matter of fees for admission of members of the Washington Guard was discussed. Major DuBois, Secretary of the Empire State Society, was invited to take part in the discussion. It was decided to have the whole matter presented to the next National Congress.

Voted: That the Chancellor General be asked to prepare an amendment to the By-laws to admit sons of members under 25 years of age to become such for the admission fee of \$1.00, said amendment to be submitted to the Congress by the Executive Committee.

Voted: That the Secretary General be authorized to make some substitute for use of members in lieu of rosettes until we are able to get new rosettes made.

Voted: To sponsor the legislation for annual celebration of the American's Creed anniversary and send a copy of the resolution to the members of our Society serving in Congress, to the members of the Committee to which it is referred, to the Majority and Minority Leaders of each House, and the sponsor of the bill in each House.

Voted: That the Secretary record our appreciation of the hospitality of our President General.

The Committee on motion adjourned at 5:45 p. m.

Respectfully submitted,

FRANK B. STEELE,
Secretary General.

The Editor regrets that owing to the deferment of the American Red Cross War Fund Drive from the usual fall date to this past month of March, the usual back cover spread which has been devoted to the Red Cross each year for a long period of time, had to be omitted, as there was no issue until after the drive. We rest assured however that our Compatriots throughout the Society and our several Chapters and State Societies have

not permitted this appeal of the "Greatest Mother in the World" to go unheeded! Your response should have been especially generous this year.

In complying with the request of the President General in his message on page 188 relative to reports, please send these in *triplicate* as the Secretary General needs *two* copies!

Events of State Societies

(Editor's Note: State and Chapter Officers are requested to furnish news items of their activities for publication in this department. Such items should be sent to National Headquarters for our next issue on or before June 1, 1943.)

Arizona Society

The Society held its annual meeting on the afternoon of February 22nd, when the following members were elected to office: President, Dr. Wyatt M. Jones of Douglas; Vice President, C. R. Dusenberry; Secretary-Treasurer, Kenneth F. Parke; Registrar, Albert R. Bulhman; Historian, Percy W. Hodges; Chaplain, Rev. J. Rockwood Jenkins. National Trustee nominee, Bert E. Underwood. As a project for the coming year the Society agreed to furnish the Davis-Monthan Air Base at Tucson, with the furniture necessary to equip a Squadron Day-room at that base. This base is the station for the Heavy Bomber (B17-B24) Command of the Western Division.

With the restrictions on travel and the long distances involved in this state the attendance at this meeting was restricted to residents of the city of Tucson. The restrictions were not imposed by the Society but from national conditions not under the control of the membership.

A small dinner was held at the Pioneer Hotel in the evening as a smoker and get-together.

Arkansas Society

An address on "The Battle of Saratoga" by former State President and Past Vice President General Sam M. Wassell featured the 54th annual meeting of the Arkansas Society at its banquet on the evening of February 22nd at the Hotel Fredericka, Little Rock. An excellent attendance of members and guests enjoyed the address and the fine program arranged by Secretary Mason E. Mitchell who presided as Toastmaster.

At the business session preceding the dinner the following officers were elected: President, Dr. John H. Reynolds of Conway; President Emeritus, Joseph M. Hill, Charter member of the Society; Vice Presidents, Moorhead Wright, Dr. Harold V. Glenn; Registrar, Robert W. Mosley; Treasurer, Edward O. Mitchell; Genealogist, Joseph Brooks; Chaplain, Rev. Lester Weaver; Historian, Dallas T. Herndon; Chancellor, William H. Arnold; Librarian, James R. Alexander. Mason E. Mitchell was re-elected Secretary for the tenth consecutive year, and Joseph S. Utley was nominated as National Trustee to be confirmed at the next Congress of the National Society. Dr. Cecil H. Dickerson, retiring President, was named Chairman of

the Board of Governors. Delegates to the Congress of the National Society were also named.

The Society has eight members in the U. S. Armed Forces.

California Society

SAN FRANCISCO CHAPTER—Issuing a regular Bulletin *The Golden Gate Compatriot*, this Chapter is enabled to fully inform its members of its several meetings and plans for active programs and enlist their cooperation and attendance. Its December meeting was featured as Past President's Day, held at the Hotel Stewart on December 18th at which all past presidents available were urged to be present. Past President Lewis H. Mathewson was Chairman of arrangements and the gathering was a decided success.

February 26th was featured as Ladies Day and members and guests were addressed by Mrs. Walter E. Harmon, whose effective salvaging work in Idaho attracted the attention of the United States Government and she was sent to San Francisco to further this necessary work there. Compatriot Ray Blosser was Chairman and arranged for the meeting.

The January monthly luncheon was addressed by Mr. Norman H. Elkington on "Naval Sea Power and its Influence on World History." Dr. William E. Stevens also spoke on the origin of the S. A. R. in San Francisco.

SAN FRANCISCO CHAPTER has adopted an excellent program in continuance of its work in medal and other awards, in cooperation with the school authorities, and has scheduled these as follows: 24 bronze medals to R. O. T. C.; 8 rosettes with streamers for the winning company's "guidon" in each school; 1 large perpetual trophy for the winning company in competition with the eight schools; 60 metal uniform bars carrying S. A. R. insignia in city-wide competition.

It is planned to have a chapter representative before the assembly or R. O. T. C. Battalion of each school to explain the awards and the patriotic purposes of the S. A. R., and to have the Chapter represented at the competitive drills and to invite the Cadet Officers of the eight winning companies and the twenty-four individual winners as luncheon guests at one of the spring meetings, and to properly publicize these awards and activities. The awards are financed through voluntary contributions of the Chapter Compatriots.

LOS ANGELES CHAPTER—Regular monthly meetings for luncheon are held on the third Thursday. The Chapter has received two new members since the first of the year and lists four Compatriots in the U. S. Services. State President Harley A. Vannoy has been welcomed back to Chapter meetings since his recent lengthy illness.

ALAMEDA COUNTY CHAPTER at its January 28th meeting presented Major General David P. Barrows, U. S. A. Ret., who spoke on "The First Colonial Battle."

SAN JOSE CHAPTER continues to hold evening meetings at the homes of members. In February members enjoyed moving pictures of Hawaii at the time of the Japanese invasion, taken by a relative of the President. Secretary Dr. Lawrence H. Foster is in service and now at the University of Ohio taking special preparatory courses.

Colorado Society

Under the joint auspices of the Colorado Society S. A. R. and the Society of the Sons of the Revolution in Colorado, celebration of the anniversary of George Washington's Birth took the form of a banquet at the Daniels and Fisher Tea Room, Denver, on the evening of February 22nd. This is the "First United Anniversary Banquet" of the two societies and the numeral used would indicate that it is intended to be an annual affair. The more often such "united" programs are carried out, the better for the promotion of our common purposes.

Colonel Fraser Arnold, President of the Colorado Society S. A. R., was Master of Ceremonies and the dinner program included Greetings by the Hon. John C. Vivian, Governor of Colorado, the introduction of guests from allied patriotic societies of Denver, and the awarding of prizes in the 49th annual Essay Contest of the Sons of the Revolution by Hon. James D. Parriott. Vocal solos by Robert H. Edwards were enjoyed and the address of the evening was by the Hon. Roger Stevens, British Consul, on "The British Revolution."

The prize awards for essays consisted of prize medals and \$20.00 in cash for the first, and \$10.00 cash for the second prize; they were awarded to Miss Jacqueline King and Miss Shirley Mae Chase, respectively, and Honorable Mention was given to Miss Connie Johnson, and Miss Ilene Adams. Frank McDonough, Jr., is President of the Society of the Sons of the Revolution.

On the program there was listed the names of the recipients of R. O. T. C. Medals presented by the Colorado Society S. A. R. during the year 1942 to Colorado State College, Colorado School of Mines and the Denver High School Regiment,

for recognized leadership, soldierly bearing and general excellence in military training, the number totaling sixteen.

There were representatives of sixteen Patriotic and Military organizations present on the occasion.

The annual election of officers of the Colorado Society preceded the dinner and resulted as follows: President, Benjamin C. Hilliard, Jr.; Vice President, George E. Tarbox, Jr.; Secretary, R. Ewing Stiffler; Treasurer, Dwight C. Meigs; Historian and Registrar, Edward W. Milligan; Chaplain, Rev. Jesse Penney Martin. In addition to the Past Presidents of the Society who serve on the Board of Managers, the following were chosen as elective members of the Board: Roy Wayne Carter, Dr. Leo L. Davis, Cecil M. Draper, Fred W. George, Frank R. Jamison, James Boyd McKelvey, Allen S. Peck, and Winfield S. Tarbell.

The Society deeply regrets the passing in January 1943 of Colonel Paul Paschal Newlon, a Past Vice-President General for the Rocky Mountains District, at one time a member of the National Board of Trustees, and for three terms President of the Colorado Society. Colonel Newlon served on the Mexican Border, in foreign duty during World War I, and following 1923 was for a number of years Adjutant General of Colorado. His very active interest in encouraging a gain in membership in the Colorado Society, his wise and valued counsel, and his devoted attention and promotion of the Society, makes his passing greatly deplored.

PUEBLO CHAPTER—The annual meeting was held March 12th, when the following officers were elected: President, Louis H. Van Arsdale; Vice Presidents, Dr. Newton C. Gunter, Dr. Roy E. Davis; Secretary-Treasurer, Orion G. Pope; Registrar, Eldo B. Lane; Historian, Herman W. Nash; Chaplain, Harry P. Vories.

District of Columbia Society

Vice President General Arthur C. Dow, Jr., of the New England District was the guest speaker at the Society's January meeting on the evening of the 8th at the Mayflower Hotel. His address described some of his experiences in World War I, in charge of German War prisoners, when he received two citations for service. Vice President General Dow is now Chairman of the Massachusetts Blackout Committee and State Blackout Officer; he is active in the Boy Scouts and Masonic circles and Past Commander of the American Legion. Men from the Naval Air Station were guests of the Society at this meeting. Ensign Paul Wines former Drum Major of Carnegie Tech and at present assigned to the U. S. Gun Factory at Washington gave a demonstration of his ability.

Lieutenant J. Reininger of Fort Belvoir, Va., was also a guest artist and gave an amusing chalk talk. Members of the Society brought books and phonograph records for presentation to recreational centers.

On Sunday, February 21st, the Society cooperated in the annual Joint Celebration of Washington's Birthday, with the Daughters and Children of the American Revolution and the Sons of the Revolution in the District of Columbia. The exercises were held this year in Epiphany Church in downtown Washington, owing to the Memorial Continental Hall of the D. A. R. being unavailable and the program was presided over by the Children of the American Revolution. An address by the Rector of Epiphany Church, Dr. Charles W. Sheerin, and music by the U. S. Marine Band were preceded by words of greeting from the National Officers of the participating Societies. The presentation of a wreath at the Washington Monument by a Committee of representatives, constituted a special feature of the ceremonies.

On Monday evening, February 22nd, the Society held its regular meeting, at the Mayflower Hotel and nominations were made for officers to be elected in March. The speaker of the evening was Compatriot William A. Miller whose address on George Washington was of scholarly interest.

The Society adopted forceful resolutions especially appropriate to the anniversary of Washington's birth as follows:

First: That on this the 211th anniversary of the birth of George Washington, the Father of our Country, we pay tribute to his memory and express without reservation, our grateful appreciation of the principles of freedom for which he fought, and for the formation of our Republic for which he stood and for which he did so much:

Second: That we pledge a renewal of our faith in the Constitution of the United States, as written by the founding Fathers, as the greatest protection for our people against oppression and tyranny, in time of peace as well as in time of war;

Third: That we deplore and condemn as utterly unconstitutional and unamerican any attempt to limit or restrict freedom of religion, freedom of speech, freedom of the press, or the right of the people to peaceably assemble as provided in the First Amendment of the Constitution. We declare our belief that without freedom of the press our liberties would not endure.

Fourth: That we deplore and condemn as utterly unconstitutional and unamerican any attempt to limit or restrict freedom of religion, freedom of speech, freedom of the press, or the right of the people to peaceably assemble as provided in the First Amendment of the Constitution. We declare our belief that without freedom of the press our liberties would not endure.

Fifth: That we express our appreciation and our approval of the recent action of the House of Representatives in appointing a Committee to inquire into the sacrifice of Constitutional Rights or Constitutional authority by so-called delegated Bureaucratic authority, and we urge the Congress to take the necessary steps, after a full investigation, to repair or restore such rights wherever necessary, as soon as possible.

Sixth: That we earnestly urge that the three Departments of our Government, the Legislative, the Executive and the Judicial, remain separate and apart, in spirit as well as in truth, as provided in the Constitution, neither Department encroaching upon the rights, duties or prerogatives of the other;

Seventh: That we urge the Congress of the United States to take whatever steps are necessary, under the Constitution and the laws, to see that our Constitution is preserved and maintained in full force and vigor, with-

out regard to party or partisanship, including the Bill of Rights, and all the rights guaranteed thereunder, whether specifically mentioned in these resolutions or not, the enumeration of certain rights herein, not being intended to exclude other rights under the Constitution.

Eighth: That these resolutions be printed in the local press, the local and National Bulletins and the Congressional Record.

Florida Society

JACKSONVILLE CHAPTER—The Chapter took the lead in arranging and sponsoring the ceremonies connected with the "Pilgrimage of Patriotism" of the United States Flag, when Florida's star was sewn on this itinerant banner making the rounds of the several States of the Union. The ceremonies were held at the Seminole Hotel on January 21st, and Judge Burton Barrs, former Vice President General of the National Society S. A. R. was master of ceremonies and explained the purpose of the pilgrimage. He was selected to conduct the program on behalf of the State of Florida. Mrs. Herbert E. Williams sewed the Florida Star on the blue field on behalf of her father, Chairman of the Duval County-Jacksonville Defense Council, The Representative of the Governor, Mr. Phil S. May, and members of the Mount Vernon Association and Daughters of the American Revolution were also present.

While this "Pilgrimage" is not an S. A. R. project, the members of the Society and of the D. A. R. have almost invariably been called upon wherever the ceremonies have occurred, and as usual have cooperated generously in the patriotic purpose which it is designed to promote.

GAINESVILLE CHAPTER met on February 22nd and elected the following officers: President, Professor Claude H. Willoughby; Vice President, Dean Thomas M. Simpson; Secretary-Treasurer, Dr. James E. Chace; Historian, Dr. James W. Day; Chaplain, Seldon F. Waldo.

The retiring President, Dr. J. Miller Leake presided and gave an address, and introduced the newly elected officers, each of whom spoke briefly.

The Chapter listed nine of its Compatriots in the armed services of the country.

PALM BEACH CHAPTER—Under the auspices of this Chapter a notable Massing of the Colors Service was held on Sunday, February 14th at the church of Bethesda-by-the-Sea. The Sunday nearest to Lincoln's Birthday anniversary was selected as an appropriate time for the service, and all patriotic organizations at Palm Beach and vicinity were invited to join, which they did with cordiality.

The church was decorated by having the Progress of the American Flag displayed around the base of the pulpit and the flags of eight of our Allies about the lectern. The colors of some twenty patriotic organizations were massed and

marched into the church, preceded by the choir. The address of the occasion was by the Right Reverend John D. Wing, Bishop of South Florida, and the Rector, Rev. Tage Teisen conducted the service. Officers of the participating societies and many distinguished guests were present. This is an annual event sponsored by the PALM BEACH CHAPTER and is most impressive.

The Chapter cooperated in ceremonies on Washington's Birthday when the band at Army Base at Boca Raton, under command of Lt. Colonel Charles Skeeke, furnished a fine musical program at Flagler Park, West Palm Beach. This was received with such acclaim that it is hoped to arrange for another concert at a later date.

The annual election of officers was held on February 23rd with the following result: President, Lynn Nichols; Vice Presidents, William R. Jackson, George W. Coleman; Secretary-Treasurer-Historian, Reginald F. Bradley; Trustees for two years, Ira Nesmith, William R. Nexsen, Dr. Harry D. Menges.

The Chapter has participated throughout the year in commemoration of the various patriotic observances of Memorial Day, Independence Day, Flag Day and Armistice Day, and the most recent Washington's Birthday celebration. It also took over the sponsorship of Boy Scout Troop No. 12.

The passing of one of the Chapter's oldest members, Compatriot Dr. Arthur Lovett, 94 years of age, on March 4th, is reported. Dr. Lovett, an alumnus of the University of Michigan, spent many years in the Yukon and Alaska and was highly regarded by his compatriots.

Illinois Society

The Society is co-operating whole-heartedly with the National Society in the drive for new members, having added fifteen new members at the January meeting of the Board of Managers. The new Membership Committee, Compatriot Walter I. Deffenbaugh, Chairman, has compiled a list of about 250 men supposedly eligible to become members and a continuous effort will be made throughout 1943 to materially increase the membership of the Society.

The Lincoln and Washington anniversaries were jointly observed at a luncheon given at the La Salle Hotel, February 16th, President Dean Lake Traxler presiding, when the guest speaker was Judge John C. Lewe of the Superior Court and President of "The Lincoln Group of Chicago," whose subject was "President Lincoln's Home Front," which the Judge portrayed in a very interesting and instructive manner.

Secretary Louis A. Bowman was the featured speaker on Lincoln's Birthday, February 12th, on

"Lincoln the Unusual," at a meeting of the Oak Park Republican Club, and gave the same address before another audience at noon the same day.

GEORGE ROGERS CLARK CHAPTER, Peoria—The annual meeting was held December 16, with election resulting as follows: President, Dr. Milo T. Easton; Vice-President, Nelson E. Baxter; Secretary, Jesse C. Thompson; Treasurer, Emmett W. Nance; Registrar, Philip H. Gregg; State Director, E. Bentley Hamilton.

Dinner preceded the business session with retiring President, Dr. A. A. Knapp, presiding.

On February 23 the Chapter and ladies were entertained at the home of Dr. and Mrs. Milo T. Easton. After a sumptuous dinner those present were favored by an address by N. Curtis Cation, immediate past commander of the American Legion of Illinois and past commander of Peoria Post No. 2. His talk centered about Washington and the struggles of our ancestors in their fight to establish freedom in America. Colored movies concluded the program. The newly-elected president, Dr. Milo T. Easton, presided.

Indiana Society

Past-Presidents Day was observed by a luncheon at the headquarters of the Indiana Society in the Spink Arms Hotel. The Rev. J. H. V. Somes, president, addressed the meeting stressing particularly the need of active cooperation of our patriotic group to obtain a satisfactory and proper peace program when the arms of the Allies bring victory.

President Somes then turned the meeting over to the past-presidents. Compatriot Charles L. Barry responded with a stirring address in which he emphasized that the traditional program of the Society is "to preserve and perpetuate American individualism and nationalism, so that our bounties and our example of self-government and freedom could be made available to all men."

The Society participated in an interesting ceremony on December 11th, 1942, the 126th anniversary of Indiana's admission to the Union. The flag which is making the "Pilgrimage" of all states, was placed in the custody of the S. A. R. The Governor of Kentucky delivered it by the state police to the Indiana border where it was received by an officer of the Indiana state police and delivered to Governor Henry F. Schricker in the State House. A distinguished group awaited it there, including the wife of the Governor. She sewed the star of the Hoosier state in its proper place on the blue field. The Governor gave an impressive and interesting address. Much publicity was given to the event which attracted very favorable attention.

In addition to Governor and Mrs. Schricker, there were present the following compatriots, the Rev. J. H. V. Somes, President, Curtis G. Shake, Vice President, Clarence A. Cook, Secretary-Treasurer. Compatriots Reginald H. Sullivan, Mayor of Indianapolis; Emsley W. Johnson, President of the Pioneer Society. Others present were Mrs. Lafayette Le Van Porter, State Regent of the D. A. R.; Mrs. George D. Walthall, department President, Auxiliary of the American Legion; Mrs. Greta Roush, President, American War Mothers II; also several units of the Army and Navy services, the American Legion, and Selective Service System.

On January 15, 1943, at the annual luncheon meeting of the Indiana State Bar Association, Compatriot John W. Bricker, Governor of Ohio, was the guest of honor and the principal speaker. By courtesy of the Bar Association the Indiana Society was given an opportunity to present a token of our esteem to Gov. Bricker. He was presented with a copy of "The Wabash" written by an Indianan and autographed by the author and encased in a handsome leather cover, embellished by President Somes, who is an artist. The presentation was made by Vice-president Curtis G. Shake, Justice of the Indiana Supreme Court.

Gov. Bricker graciously accepted the gift expressing in his talk his high regard for the S. A. R. Indiana was happy to be able to extend this courtesy to a distinguished compatriot in our sister state of Ohio.

The regular meeting on February 3rd was held in memory of Lincoln. Nearly every member present participated in a round-table discussion of the life of the great Civil War president.

The annual meeting was held on March 6th with a luncheon at the Columbia Club. The feature of the meeting was the presentation of a Good Citizenship medal to Raymond E. Willis, United States Senator from Indiana, and a World War I medal to Paul V. McNutt, Manpower Commissioner; both of whom are members of the Society. Senator Willis responded with words of appreciation. Compatriot McNutt's medal was presented by proxy as he was unable to be present. His letter of acknowledgement expressed his pleasure at being so honored.

The presentation of the Official Society Badge to President Somes by Col. Robert L. Moorhead, National Trustee, was a gift from individual members of the Society, in recognition of his three years service as an active president, was also a feature of the program.

Impressive memorial services were held for the seven compatriots who had died during the past year. Chaplain Carlton W. Atwater led this service.

An election was held and the new officers were formally installed under the direction of Compatriot Ranson W. Akin. The Rev. J. H. V. Somes was re-elected President, the other officers are Carlton W. Atwater, Clarence H. Smith, Fred I. Willis, Curtis G. Shake, Vice-Presidents; Newton H. Keister, Registrar-Genealogist; E. A. Arthur, Chaplain; Harry O. Garman, Historian; Franklin L. Burdette, Secretary; Clarence A. Cook, Treasurer; and Robert L. Moorhead, National Trustee. Managers: Charles L. Barry, Paul R. Benson, Charles A. Breece, Harry O. Chamberlin, John N. Moore, Herbert E. Redding, Charles F. Remy, Frank L. Richart, Wallace Weatherholt, Lieut. Maurice T. Harrell, U.S.N.R., Emsley W. Johnson.

The Indiana Society feels that it has closed one of its most successful years. There has been an increase in interest, in the average attendance at the meetings, and particularly in the number of new and reinstated members. Never before have the annual dues been paid so promptly nor have there ever been so few unpaid dues as now. The Society looks forward to 1943 as a great year.

Iowa Society

The Society has enrolled as of February this year, sixteen new members and reinstated three. More applications are pending for the final month of the fiscal year.

At the recently completed Bomber Base at Sioux City the JOHN MARSHALL CHAPTER S. A. R. and the Martha Washington Chapter D. A. R., jointly furnished one of the fifteen Recreation Buildings. The two rooms twenty-five by thirty-five feet were completely fitted out with rugs, curtains, piano, radios, victrolas, books and book case.

davenport, writing, reading and game tables, billiard table, ping pong table and wall pictures.

The rooms were appropriately decorated with a tree on Christmas Eve with apples, nuts and candy provided. The building is a popular place and serves hundreds of our boys stationed at the Base and all jointly are happy to have been able to offer some means of entertainment in this way. The hum of the big four-motored bombers over the city during most hours of the day and night keeps one war minded.

The Chapter lists six members in the armed services.

Kansas Society

The "Pilgrim age of the Flag," reached Kansas early in March and on March 10th the ceremony of sewing on the Star of Kansas was carried out at the Capitol with the participation of Governor Schoepel, who made a fine ten-minute address, and Mrs. Schoepel performed the task of sewing on the Star.

The Kansas Society S. A. R. had charge of the arrangements, and President William A. Biby in presiding made an interesting commentary on flag history, and reviewed the backgrounds of the earlier flags of our country as they were advanced one by one by Boy Scouts.

Many distinguished military and naval officers were present as special guests, members of the State Legislature, ex-service men, American Legion representatives and Spanish War Veterans.

THOMAS JEFFERSON CHAPTER, Topeka—This Society tendered a luncheon at Hotel Jayhawk, on December 29th, in honor of Colonel Edgar Erskin Hume, recently taking over command of Winter General Hospital at Topeka. Colonel Hume is the distinguished Vice President General of the Society of the Cincinnati, and a former Vice President of the Kentucky Society S. A. R. and for the past few years has been director of administration at Carlisle Barracks, Pa. The new 1550-bed hospital is named for Brigadier General Francis Anderson Winter, veteran of the Spanish-American and World War I.

Kentucky Society

The Society has presented programs over Louisville radio stations commemorating all national patriotic days during the year. The programs were prepared and speakers furnished on from one to four stations each time. Participation in the naturalization proceedings for civilians welcoming the new citizens and presenting each with a framed copy of the American's Creed donated through the Ballard Thruston Fund, has been a feature of the Kentucky Society's activities for

several years. Speakers have also been furnished for many patriotic meetings and ceremonies and R. O. T. C. medals have been presented annually.

During the past year the Society received twenty-three new members and reports an excellent treasury balance. Dues of Compatriots in the armed services of the Country will be waived for the duration.

At the last annual meeting of the Society the following officers were elected: President, Richard H. Menefee; Vice Presidents, Harry D. Baylor, Henry St. G. T. Carmichael, David P. Bibb, Sr.; Secretary-Treasurer, Downey M. Gray; Registrar, George W. Hubley; Surgeon, Dr. Frank P. Strickler. Managers: Ralph R. Morgan, Harry V. Davis, Jr., Pope McAdams, Winfrey F. The annual meeting of the State Society was held at the Columbia Hotel, Portland, on February 22nd. The annual banquet was omitted because of the ban on pleasure driving, but a goodly attendance responded. Officers for the ensuing year were elected as follows: President, Herbert E. The Society cooperated and participated in the Joint Meeting of Hereditary Patriotic Societies at the Parker House, Boston, on January 21st. Participating groups included the Massachusetts Societies of the War of 1812, the Sons of the Revolution, Order of Founders and Patriots, Mayflower Descendants, Colonial Wars, and Governor and Company of Massachusetts Bay of New England. The speakers included Chief Machinist's Mate Glen Swisher, U. S. N. and Robert F. Bradford, Esq., District Attorney of Middlesex County. Chief Swisher was one of the eighteen men who made the 2000 mile trip from Corregidor to Port Darwin, Australia, in a 36-foot open boat, and his account of his experiences was almost unbelievable. Attorney Bradford emphasized the history of early American settlers and ways in which their descendants can unite in a common wartime effort. State President Harold Ward Dana arranged for the meeting.

Because of transportation limitations it is becoming increasingly difficult to secure worthwhile attendance at either day or evening meetings for individual societies, and the plan of holding joint meetings with two or more is being tried out with better success both for the inspirational effect and to do suitable honor to invited speakers.

Compatriots of the Massachusetts Society to the number of twenty-three, serving in the country's armed forces are listed in the *Massachusetts S. A. R. Bulletin* with their present assignments.

The Society is making every effort to reach the quota assigned to it in its membership drive and has so far produced something over fifty per cent and hopes to bring the figure up to par before the end of the fiscal year.

An appeal to Compatriots in Massachusetts for support of Hillside School for boys, at Marlborough, is made through the *S. A. R. Bulletin* of the Massachusetts Society. Money and boys' clothing are much needed for this very worthwhile institution.

President Harold W. Dana presided at the usual February 22nd observance held by the Society with a luncheon at the Parker House, Boston. Rev. Frank B. Chatterton was the guest speaker. The usual Governor's Reception at the State House was canceled but exercises were held at the Washington Statue in the public garden under the joint auspices of the D. A. R., C. A. R., and S. A. R.

BOSTON CHAPTER met at the Harvard Club on December 2nd when State President Harold W. Dana was honor guest and speaker. Goodrich, presided in the absence of President Kileski, now on active duty in Chemical Warfare Service.

MYSTIC VALLEY CHAPTER, Arlington — The eighth Founders' Day meeting of this Chapter was held at Hotel Woodbridge, W. Somerville, on December 4th, with the President, Dr. Frank Elmer Rowe presiding. An instructive motion film was the feature of the evening. This was produced and presented by the Massachusetts Society for the Prevention of Cruelty to Children and described its beneficial work. State President Dana spoke of the work of the Society and its drive for new members.

Officers were elected as follows: President, William E. Gould; Vice President, Donald E. Whidden; Secretary, Richard W. Obear; Treas-

urer, Walker L. Chamberlin. The Chapter has six members in the armed services of the United States.

On March 5th, the Chapter met to hear Mr. D. E. Knight of the Public Relations Department of N. Y., N. H. & H. R. R. speak of the work of the railroads in the war effort. After his address he presented two films "New England Yesterday and Today" showing many historic places and landmarks and the varied industries of New England.

BRIG. GENERAL JOSEPH FRYE CHAPTER, Andover — A Christmas dinner meeting was held on December 18th at Andover Inn. Members brought a large assortment of toys to be turned over to the Lawrence City Mission for distribution, and the evening was taken up with games and carol singing and interesting movies. President Paul L'Antigua presided and appointed a committee to cooperate with the Methuen Grange in sponsoring a movement to rehabilitate two old cemeteries. The Chapter plans in the near future to play host to a number of New York S. A. R. Compatriots now stationed at Fort Devens.

Recently elected officers of the Chapter include: President, Paul A. L'Antigua; Vice Presidents, Leslie F. Powers, William H. Cole; Registrar, Charles W. Tucker; Treasurer, Arthur M. Stevens; Historian, Harold C. Durrell; Recording Secretary, William H. Cole; Corresponding Secretary, James T. Poor; Chaplain, Rev. Gilbert V. Russell. Managers: Joseph R. Remick, George F. Russell, Leonard A. Cook, Chester W. McGraw, Clarence W. Patten.

The anniversary dinner of the Chapter, held February 27th, at which time the above officers were elected, was featured by an address by Hermann C. Lithgoe, State Administrator of Food and Drugs, who gave an interesting and informative discussion of the work of his department.

A post-war committee was appointed by the Chapter in accordance with the suggestion of President General Mutz in his recent "Message." New members were presented and newly elected officers installed.

As a special feature of the evening a beautiful plaque was presented to Captain C. Wesley Patten, former State President of Massachusetts who had done much to assist in the organization of the Chapter. Impressive tributes were paid to Abraham Lincoln and George Washington during the evening.

Eleven members of the Chapter are listed in the United States Services.

Michigan Society

DETROIT CHAPTER—Wartime affairs in the De-

troit metropolitan area in the fall of 1942 and in 1943 have made considerable demands upon the activities and participation of Compatriots of Detroit Chapter. Constitution Day, September 17, was observed by a luncheon at the Hotel Statler, at which President James B. Bogner presided. Judge Arthur E. Gordon of Records Court, and Compatriot of the Chapter, gave a very stirring talk on "The Constitution As I View It," which was greatly appreciated by those attending. General informal discussion followed the address.

On December 11 the Chapter held a luncheon commemorating the U. S. Marines, arranged by Compatriot Ralph D. Johnson, who is actively interested in the recruiting activities in the Detroit area and Captain Charles Popp, Officer-in-Charge, Central Recruiting Division, District of Detroit. The program scheduled related to "The U. S. Marine Corps During and Since The Revolution" and the meeting adjourned after showing the Battle of Midway film and questions and answers by Sgt. Bowersox, and singing of the Marine Hymn led by Compatriot Leib. Compatriot Barry T. Whipple, Chapter Historian, presided.

On February 22 DETROIT CHAPTER held its customary observance of Washington's Birthday, in the Ivory Room of the Hotel Statler, with a noonday luncheon in keeping with wartime conditions, instead of a formal evening banquet as heretofore. The meeting was well attended. President James B. Bogner introduced as guest speaker Professor Alfred H. Kelly, Ph.D., of the Department of History of Wayne University, who gave a very thorough and highly appreciated talk upon "The Foreign Policy of George Washington and Our Foreign Policy Today." Compatriot Wallace C. Hall, of the National Executive Committee and Compatriot Lloyd DeWitt Smith, National Trustee, also gave greetings in behalf of President General Sterling F. Mutz and discussed National Society activities.

KENT CHAPTER, Grand Rapids—A Washington's Birthday luncheon meeting was held in the Key-hole Grill, Peninsular Club, on February 20th, when the members were addressed by former Vice President General Wallace C. Hall of Detroit, now Chairman of the Organization Department of the National Society and a member of the National Executive Committee. Mr. Hall addressed the Chapter on George Washington, but he also dwelt at some length on the work of the National Society and particularly as to his own Department which seeks to promote a very substantial increase in membership this year. President Thomas A. McMillen presided.

In January the Chapter heard an interesting

address by Major G. Edwin Popkess, recently returned from Africa and associated with the Army Air Force Technical Training Command at Grand Rapids. His topic was "Wartime Africa."

Minnesota Society

MINNEAPOLIS CHAPTER—At a recent meeting Judge Frank E. Reed of Hennepin County District Court was the speaker and talked on the subject of defense against air raids in his capacity as Chief Air Raid Warden. Judge Reed has given many years of military service in addition to his legal work, and holds the Minnesota Medal of Merit.

The Minnesota State Society announces that 15 per cent of its membership are in the armed forces. Two members were at Corregidor, as reported in a previous issue of the Magazine, and are well, even though in Japanese hands. Five officers of the regular army are on the Society's roster, namely, Brig. General Lewis C. Beebe, Colonel Alva J. Brasted, Lieutenant Colonel Joseph H. Grant, Lieutenant Colonel Frank C. Rideout and Lieutenant Colonel Arthur J. Russell.

Missouri Society

A brief report has been furnished by the Missouri Society on the ROTC Medals awarded last year, which is of interest:

There are nine Missouri preparatory schools where ROTC units are established. These are with locations at Carthage, Independence, Joplin, Kansas City and St. Joe—all public high schools; and Booneville, Lexington, Mexico, and St. Louis County, the last three of these being private schools. Medals were supplied last year at all but the last three named, and this year all nine schools have accepted the offer for the awards this year. At St. Joe four medals will be given and there will be twelve awards instead of nine.

Good Citizenship Medals will also be given as previously and will be reported later.

The annual meeting was held at Forest Park Hotel, March 4th, when the following officers were elected: President, Guy M. Wood; Vice Presidents, Homer Hall, Reid A. Burnett, Dr. John R. Lionberger and John H. Dunn; Honorary Vice Presidents, J. Alonzo Matthews, John Rush Powell, Linn Paine and Joseph S. Calfee; Secretary, Henry F. Chadeayne; Treasurer, Paul F. Stoneman; Registrar, Elbe L. Doland; Historian-Genealogist, Theodore S. Beardsley; Chancellor, Marvin E. Boisseau; Chaplain, Rev. Harold E. Camp; National Trustee nominee, Allen L. Oliver. Reports on membership showed additions to the

Society of nine, and excellent financial condition. The Society omitted its usual Yorktown Day banquet and also on Washington's Birthday, in conformity with war-time practice. Observances of Constitution Day, were carried out on two different occasions, in St. Louis and University City, both with outstanding speakers and addresses. The Society will observe Lexington Day on April 19th with a luncheon.

The retiring President, Allen L. Oliver, presided at this meeting and made his final report, reviewing the Society's activities of the year. He was given a vote of appreciation and re-elected to the office of National Trustee.

The Society reports an excellent representation of its membership in the armed forces.

Montana Society

The 49th annual meeting of the Montana Society was held February 22nd, at the Montana Club, Helena. President W. R. Burroughs presided. Attendance was small owing to inclement weather, but dinner was enjoyed with toasts appropriate to the Observance of Washington's Birthday, and an address by Chief Justice H. A. Johnson on "Constitutional Government" was the feature of the program.

At the business meeting preceding the following officers were elected: President, Hon. Roscoe C. Dillavou of Billings; Vice Presidents, John E. Wulf, Owen H. Perry; Secretary-Treasurer, J. Scott Harrison; Registrar, Myron R. Wilson; Librarian, William R. Van Orden; Historian, Sam E. Clutton; Chaplain, Rev. Walter D. Kemmis; National Trustee nominee, Hon. H. A. Johnson. Managers, H. J. Knowlton, John W. Schroeder, Newell Gough, W. R. Burroughs, Ranney Y. Lyman.

Nebraska Society

Meeting for its annual observance of Washington's Birthday at the Hotel Cornhusker, Omaha, on the evening of February 22nd, the Society was privileged to have President General Sterling F. Mutz as its guest and speaker for the occasion.

A tragic occurrence which brought the program to an abrupt conclusion was the sudden passing of the State President, Harry W. Meginnis, who expired just at the conclusion of the speaker's address. The address of Dr. Gerald Kennedy, also on the program, was naturally canceled.

Mr. Meginnis had been re-elected President of the Nebraska Society at the business session preceding the banquet, and was presiding as Toastmaster for the occasion. He was an architect

of distinction and had designed many of Lincoln's public buildings.

Mr. Addison E. Sheldon, of the Nebraska State Historical Society at Lincoln, will serve the Society as President. Mr. Sheldon was formerly for many years the State Secretary of the Society.

New Jersey Society

The recently elected United States Senator from the State of New Jersey, Compatriot Albert W. Hawkes, attracted an overflowing group at the George Washington Birthday Luncheon held at the Newark Athletic Club. Compatriot Hawkes was not only the guest of honor but also the principal speaker following the luncheon under the joint auspices of the New Jersey Society, Sons of the American Revolution, Daughters of the American Revolution and Children of the American Revolution. Despite the restrictions on transportation, more Compatriots, Daughters and friends attended than ever before, which was opened by a procession of the flags of the State Society and local Chapters led by the Marshal, Past President H. Warren Baker.

President Smith L. Multer acted as Toastmaster and before presenting Compatriot Hawkes, introduced the guests of honor at the Head Table in the following order: Miss Dorothy W. Taylor, State Regent, N. J. Society, Daughters of the American Colonists; Miss Helen M. Wright, State President, New Jersey Society, C. A. R.; Mrs. Levi H. Morris, President N. J. ELIZABETHTOWN CHAPTER remembered each of its ten members in active military and naval service by sending the service bar of the Society to them at Christmas. Replies from far-scattered posts of the defense forces indicated that the gifts were greatly appreciated. The Golden Anniversary of the Chapter, which received its charter on September 26, 1893, will be celebrated in the fall, and members of the Chapter are planning a fitting program to mark the occasion. It is hoped that descendants of the charter members will be guests.

ORANGE CHAPTER—An interesting meeting was held on January 21st at the Hotel Marlborough, East Orange. The Committee on Chapter U. S. O. Activities reported a substantial sum of money has been donated by the Chapter members and arrangements have been made for books, magazines and any other gifts for U. S. O. Clubs to be sent on to Fort Dix and other U. S. O. Clubs in New Jersey.

Members of the Chapter and the Colors were present at the Church Services held in memory of General George Washington at the Old First Church, Orange, on February 21st. Chapter members also attended the Lincoln Day Exercises at the City Hall on February 13th, at which time a Service Flag was dedicated in honor of the men and women of the town now in the Armed Services.

The Chapter has lost through death its Treasurer, the late Compatriot Oscar Stanley Thompson. Compatriot Thompson rarely missed a Chapter meeting and had attended the annual Congresses of the National Society for many years. He was one of the patriarchs of the Society and will be greatly missed.

MONTCLAIR CHAPTER—On the morning of Washington's Birthday, the annual service took place at the Washington Boulder in Montclair, a wreath being placed and an appropriate address was delivered. The Chapter was assisted in this service by the Bugle Corps and Firing Squad of

the American Legion Post. The colors of the Chapter and the Eagle Rock Chapter, D. A. R., under whose leadership the ceremonies were arranged, were presented.

A special effort is being made by the War and Defense Committee to collect books and magazines for the Victory Book Drive from members. Reports indicate a large collection has been made to date and each book sent in has had the Chapter stamp impressed thereon.

NEWARK CHAPTER—At the January graduation exercises in the public schools in Newark twenty-seven Good Citizenship Medals were awarded to outstanding pupils.

At noon, Washington's Birthday, the Chapter, together with the Nova Caesarea Chapter, D. A. R., placed a wreath on the Washington Statue, Newark, with appropriate exercises.

On February 25th an interesting meeting was held in lighter vein when Mr. Harry Hirshfield, comedian, amused the members with humorous stories and Mr. Arthur Lloyd demonstrated many intricate card tricks. Songs of the '90's were sung by Jackson Hines, all contributing to a very enjoyable evening.

Rhode Island Society

The Annual meeting of the Society was held on Washington's Birthday, as is their custom. For the first time they met in the new headquarters of the Rhode Island Historical Society, formerly the home of John Brown, prominent Providence merchant of Revolutionary times. There is evidence that in August, 1790, George Washington visited Mr. Brown to have a glass of punch.

Officers elected were: President, Harold W. Jollie, Providence; Vice President, Henry P. Stone, Barrington; Secretary, L. Newton Hayes, Providence; Treasurer, Chester R. Martin, Providence; Registrar, Clarence H. Greene, Providence; Historian, Philip R. Arnold, Providence; Chaplain, Rev. Harvey B. Marks, West Warwick; and Poet, Dr. William M. Muncy, Providence.

New members of the Board of Managers, for varying terms, are: Harold A. Andrews, Providence; Harry B. Sherman, Cranston; Robert F. Chambers, Providence; Albion E. Duffy, Providence; and Russell C. Squires, Warwick.

In resolutions adopted at the meeting, the members pledged themselves to aid the winning of the war, the preservation in this nation of individual liberty and initiative, the suppression of bureaucracy, and the development of a lively interest by the electorate in the affairs of government, "all in order that this government which our fathers founded may endure." In another resolution, the society expressed its appreciation of the friendship and services of the late Judge Henry D. C. Dubois, past President of the Society. In a third resolution, the Society congratulated the Rhode Island Historical Society upon the acquisition and development of the John Brown house, and the evidences of increased activity and service the new home typifies.

In his address, the retiring president, Everett W. Whitford, spoke on "George Washington, the Traveler." Mr. Whitford was elected delegate-at-large to the annual congress of the National Society.

Mahlon M. Gowdy, present Trustee from the Rhode Island Society to the National Society, was nominated again for that position; Charles J. Hill was elected Trustee from the Society to the General Nathanael Greene Memorial Association for the term ending 1948; and Dana Rice

Miles and Cadets James M. Collins, Julian J. Gayden, Holman W. Jenkins, Arthur P. Price and Charles G. Yarborough.

The Ohio Traveling Banner (the Betsy Ross flag) which the South Carolina Society won a second time last year was displayed to our membership for the first time and General Summerall voiced the hope that in this chapter, which is less than four years old, it might soon be won again.

The Secretary presented the members with a nineteen page Roster and History of the Chapter which he had just compiled and dedicated "To our late Compatriot Griffith Rutherford Paul, fallen in his country's service, and to all other present and past Compatriots of this Chapter now in our Armed Forces." Of this Chapter's total roll of eighty-one members it is interesting to note that at least thirty-four are now in the armed services and by July of this year that number will likely have increased to sixty.

The speaker of the evening was Chaplain Francis B. Mayes of Fort Moultrie who delivered an inspirational address on "The History of the 263rd Coast Artillery of Beaufort, S. C.," those of the "unsundered flag."

Tennessee Society

S. service, who lost his life in the South Pacific while on a bombing mission off New Guinea, November 24, 1942. Compatriot Herbert was a First Lieutenant and pilot in the Air Force in the first World War. At the beginning of the defense movement here he helped organize local units of the Texas Defense Guard, serving as Major. In 1942 after a course in the Intelligence Officers School at Harrisburg, Pa., he sailed for the South Pacific war area. He was attached to the Third Bombing Group. He was awarded the medal of the Order of the Purple Heart.

Compatriot John W. Herbert was National Trustee for Texas in 1938-39.

Sympathetic resolutions have been adopted by the Chapter and the loss of this loyal Compatriot is felt deeply.

A ceremonial badge was presented by the Society to retiring President Hon. Don B. Colton, former member of Congress. Several young girls, dressed in colonial costume, added color to the banquet, and passed Martha Washington confections to the guests, numbering over one hundred. A thoroughly delightful evening was enjoyed by all present.

Among the guests of honor at the banquet were Hon. J. Walcott Thompson and his daughter Mrs. Frederick E. Pischel. Compatriot Thompson has been a member of the S. A. R. for forty-eight years, and was president of the Utah Society in

The luncheon was participated in by other local patriotic societies and about sixty were present. An address by Colonel Wood of Fort Ethan Allen describing changes in modern armament for war was of deep interest. The program concluded with a showing of sound films of national and patriotic character.

At the annual election incumbent officers were all re-elected.

Great progress will be expected in Virginia under his guidance.

Washington State Society

The annual meeting of this Society was held February 22nd in honor of Washington's Birthday, at the New Washington Hotel, Seattle. Regents and members of the six local Chapters of the D. A. R. in Seattle joined in the celebration. The dinner was pronounced one of the finest and most interesting held by the Society in more than ten years, and its success was largely due to the efforts of the State Secretary, G. Ward Kemp, who has contributed so largely to the upbuilding of the Washington State Society in the past year. Through Mr. Kemp's energy and persuasive ability twenty-four new members have been added and twenty-eight former members have been reinstated in the Society up to this time with another month to permit additions before the end of the fiscal year.

The speaker of the evening was Rev. Sherman L. Divine, recently returned to Seattle from Oregon. Mr. Divine was formerly a member of the Washington State Society but transferred to Oregon upon his removal there, and during his residence in that State served the Oregon Society as President and did splendid work in adding to its membership and in organizing the local Chapter at Medford. He has now returned to Washington State by transfer and will undoubtedly continue his efficient membership work in this State.
