

Dear Compatriot,

We would like to thank you for your participation over the last several years at the National Society's Annual Congresses and Leadership Meetings. The National Society relies on your participation in these meetings and your continuing involvement in the society's operations, programs, and patriotic celebrations. You are the backbone of this organization.

Now, I am writing to request that you consider making a donation to the National Society to help support a very worthwhile project. After receiving overwhelming approval from the Board of Trustees, the National Society has begun the process of replacing the façade of the Headquarters and Genealogical Library. This project will not only upgrade the aesthetics of the façade but will provide additional security to our building by replacing and strengthening deteriorating millwork and upgrading the large plate glass windows with security glass. While we believe that we have the necessary funding in place to complete this project, we are hoping that our most supportive Compatriots, if they are able to, would consider helping further.

One of the most important benefits of attending a Leadership Meeting or Annual Congress is the fellowship that we are able to share with each other. The restrictions imposed by the COVID pandemic curtailed that this year and the National Society was forced to cancel the 2020 Annual Congress and move the 2020 Fall Leadership Meeting online. While society business and fellowship are certainly the most important aspects of our national meetings, certain Compatriots may also receive some tax benefits from attending these meetings. The National Society is reaching out to the members of the Board of Trustees, and those who have attended Congresses between 2017 and 2019, to ask that each Compatriot consider making a donation to the National Society to help complete the façade upgrades.

Compatriots will be recognized for their generous contributions to this project on the National Society's website at the following titled giving levels:

\$5,000 +	<i>Yorktown</i>
\$2,500 - \$4,999	<i>Saratoga</i>
\$1,000 - \$2,499	<i>Trenton</i>
\$500 - \$999	<i>Guilford Courthouse</i>
\$0 - \$499	<i>Bunker Hill</i>

Compatriots may also make a donation for the façade restoration work by credit card using the following link: [Facade Restoration Donation](#)

This society is only as strong as its members. Join us today in making a donation that will not only beautify, but also protect, our Louisville headquarters and library. Please know that any donation—large or small—will be deeply appreciated by the Society. Let us complete this worthwhile project and leave a wonderful legacy to those Compatriots who follow in our footsteps.

Pro Patria,

John T. "Jack" Manning
President General, 2019-2021
